Board of Professional Engineers

RULE NO.: RULE TITLE:

61G15-20.007 Educational Requirements for Applicants without EAC/ABET Accredited Engineering Degrees

NOTICE IS HEREBY GIVEN that on January 12, 2022, the Board of Professional Engineers, received a petition for variance or waiver filed by Fatema Namat, regarding subparagraph 61G15-20.007(1)(a)2., F.A.C., which states, applicants having engineering degrees from programs that are not accredited by EAC/ABET must demonstrate: 30 college semester credit hours of higher mathematics and basic sciences. Credit hours may be substituted with engineering science courses that are in excess of the requirements of paragraph (1)(c). The hours in basic sciences, must include at least two courses. These courses must be in general chemistry, calculus-based physics, biological sciences, or earth sciences (geology, ecology, or oceanography), but the two courses may not be in the same area. For an applicant who has earned both a baccalaureate degree in engineering and a graduate degree in engineering, only one of the two courses is required. Additional courses towards the requisite 30 hours of mathematics and basic sciences may include physical science, natural science, and/or an advanced science, computer skills and/or programming courses cannot be used to satisfy basic science requirements. Petitioner requests that the Board waive this requirement of the rule and grant the Petitioner's high school courses of chemistry, biology, or earth science for approval of Professional Engineers License application based on 20 years of experience rather than education. Comments on this petition should be filed with the Board of Professional Engineers within 14 days of publication of this notice.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Zana Raybon, Executive Director, Board of Professional Engineers, 2400 Mahan Drive, Tallahassee,

The Florida Department of Transportation (FDOT) announces a public meeting to which all persons are invited.

DATE AND TIME: January 25, 2022, 5:30 p.m.

PLACE: Online via GoToWebinar or in person at Florida Southwestern State College

GENERAL SUBJECT MATTER TO BE CONSIDERED: The Florida Department of Transportation District One will hold a public meeting as part of the design process for proposed safety improvements on State Road (SR) 867 (McGregor Boulevard) from Cypress Lake Drive to Edinburgh Drive in Fort Myers.

The project proposes replacing the two-way, left turn lane with a raised median along the project corridor to enhance safety. Additional information can be found on the project website at www.swflroads.com/SR867/cypresslaketoedinburgh. The purpose of the public meeting is to present information and obtain input on the project designs.

An Open House from 5:30 p.m. – 7:30 p.m. will present an opportunity for in-person attendees to view project exhibits and speak with FDOT staff. During that time remote attendees may view project exhibits at www.swflroads.com/SR867/cypresslaketoedinburgh and may log into GoToWebinar or dial in to the meeting audio. There will be a looping presentation at the in-person location which will include details on the project. That same presentation will be shown to virtual attendees shortly after the meeting opens at 5:30 p.m.

Participate in person at Florida Southwestern State College, 8099 College Parkway, Fort Myers, FL 33919. All in-person attendees will be encouraged to follow Centers for Disease Control guidelines, including social distancing. Masks are optional. Participants who are not feeling well should utilize a remote attendance option.

Participate online using an electronic device such as a computer, tablet, or smartphone.

Participate over the phone by requesting the presentation slides at least seven (7) days in advance of the event and dialing (213)929-4212 and code 375-010-930 upon the start of the event. This will enable over-the-phone attendees to review the slides while listening to the presentation.

Participate after the event by viewing a recording of the public meeting presentation and project exhibits, on the project website www.swflroads.com/SR867/cypresslaketoedinburgh under “Documents and Publications.”

Advance registration will allow the project team to anticipate social distancing needs and discuss remote participation options with attendees. All attendees planning to join in person are requested to register in advance of the public meeting by emailing or calling the FDOT Project Manager, Katherine Chinault, at Katherine.Chinault@dot.state.fl.us or 1(863)519-2777. Be prepared with the attendee’s name, email address and

phone number. If joining online, you will need to register at <https://attendee.gotowebinar.com/register/918123415102389004>.

All interested persons are invited to give comments on the project during the public meeting. In-person attendees will have the opportunity to talk with project team members during the open house. Online attendees will be able submit their questions in the question box. All written questions or comments will be responded to in writing following the public meeting. Comments received or postmarked to the FDOT Project Manager, Katherine Chinault, by February 4, 2022, will be included in the public record.

WATER MANAGEMENT DISTRICTS

Northwest Florida Water Management District
Draft 2022 FDOT Regional Mitigation Plan

The Northwest Florida Water Management District (District) has developed a draft Regional Mitigation Plan in support of the Florida Department of Transportation (FDOT) to identify mitigation for state road projects with unavoidable wetland impacts. The District provides mitigation options in accordance with Section 373.4137, Florida Statutes, only where use of private mitigation banks is deemed not feasible by State and Federal permitting agencies. The draft Regional Mitigation Plan may be accessed at <https://www.nfwfwater.com/Water-Resources/Regional-Wetland-Mitigation-Program/Regional-Mitigation-Plan>. For the 2022 update, comments are requested no later than January 31, 2022. For future updates, comments may be submitted at any time. Please submit comments and direct any inquiries to Robert Lide at robert.lide@nfwfwater.com or (850)539-5999. If you are hearing or speech impaired, please contact the agency using the Florida Relay Service, 1(800)955-8771 (TDD) or 1(800)955-8770 (voice).

Funding of any application is subject to the amount of federal coastal zone management funds awarded to the FCMP and the amount allocated to the CPI by the Office of Resilience and Coastal Protection (RCP). The final decision whether or not to fund these projects is expected to be made by NOAA by summer of 2022. Should additional existing funds be identified prior to the FY23 Request for CPI applications, RCP will seek to fund the next highest ranked project(s). Any person whose substantial interests are affected by the Department's action may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, F.S. Any petition for an administrative proceeding must meet the requirements of Rule 28-106.201, F.A.C., and be filed (received by the Clerk) in the Office of General Counsel of the Department at 3900 Commonwealth Blvd, MS35, Tallahassee, FL 32399 or agency_clerk@floridadep.gov, within 21 days of publication of this notice. Failure to file a petition within the time period shall

constitute a waiver of that person's right to request an administrative determination, or to intervene in this proceeding and participate as a party to it. Questions regarding the CPI evaluation process should be directed to Tiffany Herrin at (850)245-2953 or by email Tiffany.Herrin@FloridaDEP.gov.
