THE FULL TEXT OF THE PROPOSED RULE IS:

59G-1.050 General Medicaid Policy.

- (1) Purpose. This rule specifies requirements that apply to all providers rendering Florida Medicaid services to recipients.
- (2) Billing the Recipient. Providers must inform a recipient of his or her responsibility to pay for services that are not covered by Florida Medicaid, and document in the recipient’s file that the recipient was informed of his or her liability, prior to rendering each service.
 - (a) Providers may seek reimbursement from a recipient under the following circumstances:
 - 1. The recipient is not eligible for Florida Medicaid on the date of service.
 - 2. The service rendered is not covered by Florida Medicaid, if the provider seeks reimbursement from all patients for the specific service.
 - 3. The provider verifies that the recipient has exceeded the Florida Medicaid coverage.
 - 4. The recipient is enrolled in a Florida Medicaid managed care plan (plan) and is informed that:
 - a. The plan denies authorization for the service.
 - b. The treating provider is not in the plan’s provider network (with the exception of emergency services).
 - (b) Providers may not seek reimbursement from recipients for missed appointments.
 - (c) Providers may not seek reimbursement from the recipient if the provider fails to bill Florida Medicaid correctly and in a timely manner. Providers who submit a claim to Florida Medicaid for reimbursement of a covered service whether the claim has been approved, partially approved, or denied, may not:
 - 1. Seek reimbursement from the recipient, the recipient’s relatives, or any person, or persons, acting as the recipient’s designated representative.

2. File a lien against the recipient, the recipient's parent, legal guardian, or estate.

3. Apply money received from any non-Florida Medicaid source to charges related to a claim paid by Florida Medicaid (also known as "balance billing").

4. Turn a recipient's overdue account over to a collection agency, except in circumstances as specified in paragraph (2)(a), above.

(3) Cost of Doing Business. Florida Medicaid does not reimburse for time spent completing and submitting Florida Medicaid claims or time spent responding to an audit.

(4) Emergency Medicaid For Aliens. Florida Medicaid covers emergency services provided to aliens who meet all Florida Medicaid eligibility requirements except for citizenship or alien status, as follows:

(a) Eligibility is only authorized for the duration of the emergency.

(b) Florida Medicaid does not cover continuous or episodic services after the emergency has been alleviated.

(c) Providers must submit documentation establishing the emergency nature of the service with the claim for reimbursement. Exceptions are labor, delivery, and dialysis services, which are considered emergencies and are payable without documentation when the emergency indicator is entered on the claim form.

(5) Free Choice of Providers. Recipients may obtain services from any qualified Florida Medicaid provider that agrees to provide the services in accordance with Title 42, Code of Federal Regulations (CFR), section 431.51, except:

(a) Allowable restrictions specified in section 1915(a) of the Social Security Act.

(b) When the recipient is enrolled in a Florida Medicaid managed care program. Managed care plans may not restrict enrollee choice for a family planning provider and must cover family planning services regardless of whether the provider is in the managed care plan's provider network.

(6) Inmates of a Public Institution. Florida Medicaid does not cover services provided to individuals residing in public institutions as defined in 42 CFR 435.1009 and Section 409.9025, F.S. These individuals include those residing in correctional and holding facilities for prisoners who meet either of the following:

(a) Have been arrested or detained pending disposition of charges.

~~(78)~~ Out-of-State Services.

(a) Emergency. Florida Medicaid covers emergency services provided out-of-state without a referral, or authorization, when the recipient's health will be endangered if the care and services are postponed until returning to Florida.

(b) Non-Emergency. Florida Medicaid covers services performed out-of-state, in accordance with the service-specific coverage policy, when both of the following are met:

1. The recipient's primary care or specialist physician refers the recipient for services.

2. Services are prior authorized by the Florida Medicaid quality improvement organization in accordance with Florida Medicaid's Authorization Requirements Policy, as incorporated by reference in Rule 59G-1.053, F.A.C.

(c) Florida Medicaid does not cover services for recipients living out-of-state who are enrolled under the Title-IV-E Florida foster or adoption subsidy.

~~(89)~~ Payment in Full. Providers must accept payment from Florida Medicaid as payment in full, except for Florida Medicaid copayments and coinsurance. For information on copayment requirements and exemptions, refer to Florida Medicaid's General Policies on copayment and coinsurance.

~~(910)~~ Recipients or Providers that are Out of the Country. Florida Medicaid does not cover services provided to recipients when they are outside of the United States (U.S.), or for services rendered by providers who are not in the U.S.

~~(1011)~~ Refusal of Services.

(a) Providers may not refuse to provide a covered Florida Medicaid service to a recipient solely because the recipient's eligibility does not display in the Florida Medicaid Management Information System, if the recipient has a valid temporary proof of eligibility from the Department of Children and Families, or proof of presumptive eligibility.

(b) Right to Refuse Services. Providers may limit the number of Florida Medicaid recipients the provider serves, and accept or reject recipients in accordance with the policies of the facility or practice, except as follows:

1. A hospital may not refuse to provide emergency services in accordance with the 1986 Emergency Medical Treatment and Active Labor Act.

2. Providers may not deny services to recipients based solely upon race, creed, color, national origin, disabling condition, or disability, in accordance with federal anti-

discrimination laws.

(~~4~~12) Solicitation (Patient Brokering). Providers may not knowingly solicit, offer, pay, or receive any payment, including any kickback, bribe, or rebate, directly or indirectly, overtly or covertly, in cash or in kind, in return for referring an individual to a person for furnishing, or arranging for the furnishing of, any item or service for which payment may be made, in whole or in part, under the Florida Medicaid program, or in return for obtaining, purchasing, leasing, ordering, or arranging for, or recommending, obtaining, purchasing, leasing, or ordering any goods, facility, item, or service, for which payment may be made, in whole or in part, under the Florida Medicaid program.

FDACS is in good standing.
4. **Description of the challenge the State agency is seeking to solve, the goal of the waiver to improve services under the Program, and the expected outcomes if the waiver is granted. [Section 12(1)(2)(A)(iii) and 12(1)(2)(A)(iv) of the NSLA]:**
Under Program statute and regulations, State agencies and local operators are required to conduct monitoring of the Child Nutrition Programs. As a result of FDACS' state-mandated travel restriction being lifted, the department is transitioning back to normal operations. FDACS is requesting the option to conduct desk reviews, in COVID-related cases when the state agency is unable to physically be on site.
There are 63 operators of the NSLP Seamless Summer Option (SSO), and 100 operators of the Summer Food Service Program currently in Florida.
5. **Specific Program requirements to be waived (include statutory and regulatory citations). [Section 12(1)(2)(A)(i) of the NSLA]:**
[7 CFR 225.7(d)] Program monitoring and assistance
[7 CFR 225.7(d)(1)] Pre-approval visits are conducted onsite (Note: requirement to conduct pre-approval visits is not waived) – Wants option for desk review.
[7 CFR 225.7(d)(2)(ii)] Required reviews are conducted onsite.
[7 CFR 225.7(d)(2)(ii)(D)] Review every sponsor at least once every three years.
[7 CFR 225.15(d)(3)] Review food service operations at each site at least once during the first four weeks of operation.
[7 CFR 225.15(d)] Required site visits/reviews are conducted onsite.
[7 CFR 210.8(a)(1)] On-site Reviews
6. **Detailed description of alternative procedures and anticipated impact on Program operations, including technology, State systems, and monitoring:**
FDACS' state-mandated travel restriction was recently lifted, however a detailed description of alternative procedures described in number #11 will allow Program monitoring to continue and, therefore, increase program integrity and reduce opportunities for program abuse or fraud as the state transitions back to normal operations.
7. **Description of any steps the State has taken to address regulatory barriers at the State level. [Section 12(1)(2)(A)(ii) of the NSLA]:**

There are no regulatory barriers at the State level to address.

8. Anticipated challenges State or eligible service providers may face with the waiver implementation:

FDACS will work with its Office of Agriculture Technology Services and eligible service providers to ensure documentation for desk audits can be received, reviewed, and maintained properly. FDACS will also provide technical assistance for eligible service providers on how to upload, scan, fax or mail required documentation for desk audits.

9. Description of how the waiver will not increase the overall cost of the Program to the Federal Government. If there are anticipated increases, confirm that the costs will be paid from non-Federal funds. [Section 12(l)(1)(A)(iii) of the NSLA]:

This waiver request will not increase the overall cost of the Program to the Federal government.

10. Anticipated waiver implementation date and time period:

Upon approval through September 30, 2022.

11. Proposed monitoring and review procedures: SFSP/SSO Monitoring and Oversight Plan

FDACS requests to waive the Federal statutory and regulatory requirements for Summer Food Service Program (SFSP) and Seamless Summer Option (SSO) State agency monitoring as indicated, and proposes to provide oversight to these programs to identify and prevent fraud using the following alternative approach:

FDACS will conduct Onsite Site Monitoring Reviews with the assistance of a third-party contractor.

FDACS will conduct SFSP Administrative Reviews on any SFSP sponsors that receive Onsite Site Monitoring Reviews from the third-party contractor and experience one or more of the following operational issues:

1. *New sponsors.*
2. *Sponsors currently up for review.*
3. *Sponsors that were deemed Seriously Deficient during the prior SFSP Administrative Review season.*
4. *Sponsors who exhibited challenges during the application process.*

FDACS will conduct Claim Validation Reviews on SFSP sponsors who exhibit the following red flags (this is not an exhaustive list.)

1. *Block claiming*
2. *Meals claimed at least two times higher than previous months*
3. *Serving a substantially lower number of meals on the day of a review than on*

previous days.

FDACS will use the factors (as described above) to determine the number of sponsors to be monitored by Claim Validation Review in lieu of the regulatory aggregate requirement.

Food Service Management Company (FSMC) reviews will continue to be conducted by the respective local health and food safety authority.

Sponsoring Organization Monitoring Requirements

FDACS requests to waive the Federal statutory and regulatory requirements for Summer Food Service Program (SFSP) and Seamless Summer Option (SSO) sponsor monitoring as indicated, and proposes to provide oversight to these programs to identify and prevent fraud using the following alternative approach:

Summer Food Service Program (SFSP):

Related to the first week visit and 4-week review, to ensure Program integrity, FDACS is requiring SFSP sponsoring organizations to complete the preoperational visit for new sites, the first week review, and the 4-week site review, to the maximum extent practicable, via desk reviews or on-site reviews. The sponsoring organizations must complete the review with the site supervisor via phone or email, or in-person, and obtain an electronic or physical signature. Sponsoring Organizations may also use photos or video in addition to site documentation to support the review.

12. Proposed reporting requirements (include type of data and due date(s) to FNS):

Not later than 1 year after the date the waiver is received, FDACS will report the following:

- A summary of the use of this waiver by the State agency, and
- A description of whether this waiver resulted in improved services to children.

13. Link to or a copy of the public notice informing the public about the proposed waiver [Section 12(l)(1)(A)(ii) of the NSLA]:
