RULE NO.: RULE TITLE:

6A-1.0018 School Safety Requirements and Monitoring
PURPOSE AND EFFECT: To update requirements relating to threat assessments and youth mental health awareness training.
SUMMARY: This amendment requires school districts to submit all school district and charter school policies and written procedures pertaining to the health, safety, or welfare of students to the Office of Safe Schools by July 1 of each year; provides that requirements for the maintenance and transfer of threat assessments are found in Rule 6A-1.0955, F.A.C.; clarifies and modifies school district reporting requirements for threat assessments; and includes the requirement for School Safety Specialists to ensure school personnel receive youth mental health awareness and assistance training as addressed within Section 1006.07(6), F.S.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: This rule largely codifies existing requirements relating to school safety, reporting, and training that are already found in statute. Requirements relating to monitoring by the Office of Safe Schools are able to be absorbed into existing budgets. This proposed rule is not expected to have any adverse impact on economic growth, business competitiveness or any other factors listed in s. 120.541(2)(a), F.S., and will not require legislative ratification. No increase in regulatory costs are anticipated as a result of this rule.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal

for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

The policy must be reviewed at a minimum every three (3) years.

- 61G15-20.007 Educational Requirements for Applicants without EAC/ABET Accredited Engineering Degrees
 - 61G15-20.008 Educational Requirements for Applicants without ETAC/ABET Accredited Engineering Technology Degrees

PURPOSE AND EFFECT: The Board proposes to update the rule language and incorporate material to expand the types of “course credit equivalencies” that may be used to resolve educational deficiencies.

SUMMARY: The proposed rule amendment clarifies the rule language and incorporate material for “course credit equivalencies” that may be used to resolve educational deficiencies.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE NO.: RULE TITLE:

64B8-31.012 Fees Regarding Anesthesiologist Assistants

PURPOSE AND EFFECT: The Board proposes the rule amendment to extend the fee reduction to February 1, 2027.

SUMMARY: The amendment will update the text to reflect the extended date of the fee reduction.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal

for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

NOTICE OF CORRECTION

Notice is hereby given that the following correction has been made to the proposed rule in Vol. 48 No. 172, September 2, 2022 issue of the Florida Administrative Register.

SUMMARY: A question mark was added to text preceding the word “enforced” and was a typographical error. The sentence should have read: “Details of resident contributions, cost of care and how it is calculated, as well as order and disciplinary matters to be enforced by the Nursing Home Administrators.”

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: This section omitted the statement about what information the Department relied upon to determine whether legislative ratification was needed. It should have stated: “The Department has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has been prepared by the Department.

The Department has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs and the information expressly relied upon and described herein: the Department used a checklist to conduct an economic analysis and determine if there is an adverse impact or regulatory cost associated with these rules that exceeds the criteria in section 120.541(2)(a), F.S. Based upon this analysis, the Department has determined that the proposed rule will not create an adverse impact on economic growth or impose regulatory costs. The rule is, therefore, not expected to require legislative ratification.

Section IV Emergency Rules

DEPARTMENT OF THE LOTTERY

RULE NO.: RULE TITLE:
 53ER22-61 JACKPOT RAFFLE PROMOTION
SUMMARY OF THE RULE: This emergency rule sets forth the provisions for the JACKPOT RAFFLE PROMOTION.
THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS: Minerva A. Simpson, Attorney, Department of the Lottery, 250 Marriott Drive, Tallahassee, Florida 32399-4011.

THE FULL TEXT OF THIS EMERGENCY RULE IS:

53ER22-61 JACKPOT RAFFLE PROMOTION.

(1) Beginning October 1, 2022 and ending October 31, 2022 (“Promotion Period”), the Florida Lottery will conduct the Jackpot Raffle Promotion (“Promotion”). Players who purchase a single ticket for any FLORIDA LOTTO®, any JACKPOT TRIPLE PLAY™, any MEGA MILLIONS®, or any POWERBALL® draw game for a \$10 or greater purchase price during the Promotion Period will receive a one-time use coupon that may be redeemed for a promotional Raffle ticket for a chance to win a cash prize of \$500. Powerball and Mega Millions QUICKTICKETS™ are not eligible. Free tickets are not eligible.

(2) How to Enter.

(a) A purchase that meets the requirements described in subsection (1), above, will trigger a terminal or vending machine, as applicable, to automatically print a one-time use coupon that may be redeemed for a Raffle ticket. The coupon may be redeemed at any Lottery retailer or Lottery office. The coupon may be redeemed at any time during the Promotion Period but must be redeemed by, and subject to retailer and Lottery office operating hours, 11:59:59 p.m. (ET) on October 31, 2022 (last day of the Promotion Period). At the time of coupon redemption, one Raffle ticket will issue. Should a problem arise concerning the transaction, it is the player's responsibility to seek resolution with the retailer and the Florida Lottery prior to leaving the retail or Lottery office location.

The Raffle ticket will contain a unique number that will automatically be entered into the next available Promotion drawing. Players shall keep their Raffle ticket/s, which will be needed for determining if a prize has been won and for redeeming a prize won, if any. Coupons shall not be mailed to the Lottery. Coupons received in the mail will not be processed for entry into a drawing and will not be returned.

(b) The odds of winning depend on the number of entries generated during each drawing entry period. All entries are subject to validation by the Florida Lottery and will be disqualified if eligibility requirements are not met.

(3) Drawings and Number of Prizes. The Florida Lottery will conduct five (5) drawings in the Promotion to select winning numbers. Drawings will be held on the dates listed in the table, below, from the entries generated by 11:59:59 (ET) on the Entry Period end date. The drawings shall be public, held in Tallahassee, Florida, and witnessed by an accountant employed by an independent certified public accounting firm. RULE NOS.:RULE TITLES:

5K-10.001 Documents Incorporated by Reference and Definitions

5K-10.002 Permits, Licenses and Inspections

5K-10.003 Dating, Standards for Milk, Milk Products, Manufactured Milk Products and Frozen Desserts

5K-10.004 Future Dairy Farms, Milk Plants, Manufacturing Milk Plants and Frozen Dessert Plants

The Department of Agriculture and Consumer Services hereby gives notice:

a final order was issued in Case No. B39789 denying a petition for variance from paragraphs 5K-10.001(1)(a); 5K-10.002(1)(a); 5K-10.002(7)(b), (d), & (e); 5K-10.003(3), 5K-10.004(3) and 5K-10.003, Florida Administrative Code (“F.A.C”) filed by Laura Jacobs Donaldson, Esq., on behalf of Dakin Dairy Farms, Inc. No comments were received in response to the petition. The order denies a variance from the Department rules to allow installation and utilization of Millisecond Technology and to extend shelf-life of milk products. The Department of Agriculture and Consumer Services determined that the Petitioner failed to demonstrate the purpose of the underlying statute had been met and that it would suffer a substantial hardship justifying a variance, that the intent of chapter 502, Florida Statutes, would not be met and that the Department was statutorily prohibited from granting the variance pursuant to section 120.542(1), Florida Statutes. The petition was filed on June 30, 2022, and the notice of receipt of the petition was published on July 6, 2022, in Volume 48, Number 130 of the Florida Administrative Register.

A copy of the Order or additional information may be obtained by contacting: Agency Clerk, Florida Department of Agriculture and Consumer Services, 600 S. Calhoun Street, Ste. 254, Tallahassee, Florida 32399-0800.
