60H-6.005 Public Access to Buildings in the Florida Facilities Pool and General Use Requirements Recording Presence.

(1) Public Access. Except as otherwise expressly provided, all Buildings in the Florida Facilities Pool must be open to the general public to the extent necessary to permit the general

public to transact official business. This access must be available during normal working hours (8:00 a.m. to 5:00 p.m., Monday through Friday), except: during state holidays established in section 110.117, Florida Statutes, or those granted to executive branch employees by the Governor; during valid emergencies; during times when the building is uninhabitable or when construction work to be done renders the space inaccessible; or during times where the space is properly reserved for an event.

(2) Disturbances and Removal. Public access does not permit anyone to enter or remain in or upon Buildings in the Florida Facilities Pool while creating a disturbance that is likely to impede or disrupt the performance of official duties or functions of public employees or officers or is likely to disrupt or prevent access by members of the public. The Department, the Governmental Entity leasing the space, or the Capitol Police (where the Capitol Complex is involved), may cause to be removed for trespassing those violating this rule chapter or any other law.

(3) Closure. When a Building in the Florida Facilities Pool is closed to the public, admission to such building will be limited to those authorized by the Department or the Governmental Entity leasing the space. If requested by a duly authorized law enforcement officer, such persons must provide satisfactory evidence of their identity and authorization to enter the building.

(4) Freedom of Expression. Buildings in the Florida Facilities Pool are nonpublic forums except those portions of public sidewalks, streets, parks, outdoor memorials, or similar public spaces that qualify as traditional public forums. Demonstrations and other forms of speech may be limited or prohibited when such limitation or prohibition is deemed reasonably necessary: (1) to protect the safety of the public or those employees and officers working at the building; or (2) because an individual or group is causing a disturbance that is likely to impede or disrupt the performance of official duties or functions of employees or officers working in the building or is likely to disrupt or prevent access by members of the public. Forms of expression that are otherwise prohibited by law, such as obscenity (*see, e.g.*, §§ 847.001, .0133, Florida Statutes), expression that incites violence or uses fighting words (*see, e.g.*, § 877.03, Florida Statutes), or defamatory or threatening speech (*see, e.g.*, § 836.05, Florida Statutes) are prohibited at any Building in the Florida Facilities Pool.

(5) Requirements for Use. Any use of a Building in the Florida Facilities Pool or space reserved through the procedures provided in this rule chapter is subject to the requirements in Rule 60H-6.011.

(6) Solicitation Prohibited. All persons are prohibited from soliciting any individual in any Building in the Florida Facilities Pool, unless otherwise authorized by law.

Rulemaking Authority 255.503(11) FS. Law Implemented 255.503(2) FS. History—New 8-1-78, Formerly 13D-5.04, 13M-9.005, Amended 1-9-96, X-XX-22.

Substantial rewording of Rule 60H-6.007, F.A.C., follows. See Florida Administrative Code for present text.

60H-6.007 Additional Requirements for Use of Leased Space Usage of Pool Buildings.

(1) Leased Spaces. The Division leases Buildings in the Florida Facilities Pool (and portions thereof) to Governmental Entities pursuant to section 255.503(10), Florida Statutes. Governmental Entities must ensure that such leased space is not used for purposes other than those assigned unless permitted under this rule chapter.

(2) Reservations of Buildings in the Florida Facilities Pool. The Governmental Entity leasing space in a Building in the Florida Facilities Pool may allow others to reserve that leased space for short term events subject to the following limitations:

(a) If the requestor is an Agency, the request can be granted only if the Governmental Entity leasing the space determines: (i) the physical characteristics of the requested space are appropriate for the requested use and the requested space is available on the requested date/time; (ii) the requested use is consistent with the requestor's official purposes; and (iii) the requested use will not prohibit or limit governmental functions occurring during the date/time requested.

(b) If the requestor is not an Agency, the request can be granted only if the use is consistent with (2)(a)(i) and (iii) above and the space is being used for the purpose of providing education or training to government employees relating to their public duties.

(c) The reservation request must be submitted to the Governmental Entity leasing the space as soon as practicable, but no later than ten business days prior to the requested reservation date. Requests may not be submitted more than one year prior to the requested date. Modifications to pending requests or approved reservations must be submitted no later than seven calendar days before the reservation date. If the Governmental Entity leasing the space grants the reservation, the requestor must comply with the requirements of this rule chapter related to use of Buildings in the Florida Facilities Pool and must vacate the space at the end of the reservation period. The requestor reserving the space may exclude the general public from the reserved space for the period the space is reserved. The period reserved may not exceed five (5) days.

60H-6.008 Additional Requirements for Use of the Capitol Complex.

(1) Additional Limitations. Because the Capitol Complex is often a destination for children learning about their State government, visual displays, sounds, and other actions that are indecent, including gratuitous violence, gore, and material that arouses prurient interests, are not permitted in any portion of the Capitol Complex that is not a traditional public forum.

(2) Reservation of Capitol Complex Space. An Agency may request to reserve the use of Capitol Complex Space by submitting a Capitol Complex Space Use Application to the Division. The request must come from the head of the Agency, or his or her designee. In the case of the Legislature, the head of the Agency is considered to be the Speaker of the House or the President of the Senate, and in the case of the Judiciary, the head of the Agency is considered to be the Chief Justice of the Supreme Court of Florida. To approve an application, the Department must determine that: (i) the physical characteristics of the requested space are appropriate for the requested use; (ii) the requested space is available on the requested date and time; (iii) the requested use is consistent with the Agency's official purposes; and (iv) the requested use will not prohibit or limit governmental functions occurring during the date and time requested. The Agency must submit the request to the Division as soon as practicable, but no later than ten business days prior to the requested reservation date. The Department will not accept requests that are submitted more than one year prior to the requested date. If the reservation is granted, the Agency must comply with the requirements of this rule chapter and with the Use of Capitol Complex Guidelines and must vacate the space at the end of the reservation period. The Agency reserving the space may exclude the public from the reserved space for the period the space is reserved.

(3) Accessibility. Information regarding the accessibility of the Capitol Complex pursuant to the Americans with Disabilities Act (ADA) is available on the Department's website at: https://www.dms.myflorida.com/business_operations/real_estate_development

and management/bureau of operations and maintenance/building information/capitol complex information.

(4) Capitol Police. Pursuant to sections 943.60–.68, Florida Statutes, the Capitol Police is responsible for the security of the Capitol Complex, as defined in section 943.60, Florida Statutes, and may establish additional requirements for access and use as permitted by those statutes. Information about the Capitol Police can be found on the Florida Department of Law Enforcement's website here: <https://www.fdle.state.fl.us>. Rulemaking Authority 255.249(9) FS. 60H-6.0085 Lighting the Historic Capitol.

(1) Government Speech. Lighting the Historic Capitol in various colors to communicate a message of support for a cause or event or to celebrate a holiday or other important date is reserved for government speech only.

(2) Governor's Authority. The Governor may direct the Department to light the Historic Capitol Building in various colors to celebrate a holiday, a cause, or another issue the Governor wishes to support.

(3) Legislature's Authority. The Speaker of the House and the President of the Senate may, by a jointly signed letter delivered to the Division, request the Department to light the Historic Capitol Building in various colors to celebrate a holiday, a cause, or another issue the legislature wishes to support.

(4) Restrictions. Those reserving the steps or other surrounding property of the Historic Capitol may not cause the building to be lit to communicate a message or to support a cause or event.
