Proposed Rules

DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES

Division of Agricultural Environmental Services

RULE NOS.: RULE TITLES:

- 5E-14.117: Application for Department Credentials
- 5E-14.132: Certificate Issuance and Renewal Fees
- 5E-14.136: Fumigation Special Identification Card Examination, Renewal Fees, Forms, and Duties
- 5E-14.142: Responsibilities and Duties - Records, Reports, Advertising, Applications
- 5E-14.149: Enforcement and Penalties

PURPOSE AND EFFECT: Proposed changes consist of expanding the articulated criminal offenses for which denial of an application for pest control licensure will be issued. Additionally, the proposed changes will add a question related to the applicant’s criminal history to each application and renewal application for pest control licensure.

SUMMARY: Proposed modifications to Rule 5E-14.149, Florida Administrative Code, will expand the crimes requiring denial of licensure which are directly related to standards determined by the Department, for which denial of licensure is necessary and reasonably related to the protection of the public health, safety, and welfare. Rules 5E-14.117, .132, .136 and .142 will codify the revision date to multiple FDACS forms. All of the applications/forms for new and renewal licensure will be amended to include questions related to the applicant’s criminal history.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: There are no adverse regulatory impacts associated with

implementing this rule. Proposed changes consist of expanding the articulated criminal offenses for which denial of an application for pest control licensure will be issued and including a question related to the applicant’s criminal history on each application and renewal application for licensure. These changes are intended to facilitate industry compliance and enhance consumer protections. They will impose negligible administrative costs which will not adversely affect small businesses or pest control operators. The adverse impact or potential regulatory costs of the proposed rule modifications did not exceed any of the criteria established in Section 120.541(2)(a), Florida Statute. Additionally, no interested parties have submitted information regarding the economic impact of the proposed changes. Impacts to small businesses and other regulated entities will occur solely as a function of non-compliance and will not present any additional regulatory burden.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

Agency for Persons with Disabilities

RULE NOS.: RULE TITLES:
65G-4.0213 Definitions
65G-4.0215 General Provisions

PURPOSE AND EFFECT: The Agency for Persons with Disabilities (“Agency”) is updating these rules to conform with the changes to the § 1915(c) Home and Community-Based Services Waiver agreement and the Developmental Disabilities Individual Budget Waiver Services Coverage and Limitations Handbook, adopted by reference in Rule 59G-13.070, Florida Administrative Code. A new service is being added to the Agency’s Home and Community-Based Services Medicaid Waiver program (“iBudget Medicaid Waiver”) called Life Skills Development Level 4 - Prevocational Services. Prevocational services are services that provide learning and work experiences, including volunteer work, where the individual can develop general, non-job-task-specific strengths and skills that contribute to employability in paid employment in integrated community settings. The Regional iBudget Provider Enrollment Application and the Provider Expansion Request forms are being amended to include Life Skills Development Level 4 as well as make general improvements to the usability of the forms.

SUMMARY: The subject area to be addressed is the Provider Enrollment Application and Provider Expansion Request forms to include Life Skills Development Level 4 - Prevocational Services, as a provider service option.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has been prepared by the Agency.

The SERC can be summarized by: rulemaking is necessary to update the Regional iBudget Provider Enrollment Application and the Provider Expansion Request forms to list Life Skills Development Level 4; without these rules the Agency would be acting pursuant to an unadopted rule; and the Agency determined the rules do not have an adverse impact on economic growth, private sector job creation or employment, private sector investment, business competitiveness, productivity, or innovation, nor do they increase regulatory costs, including transactional costs, in excess of \$200,000 in the aggregate within one year or in excess of \$1 million in the aggregate within five years after the implementation of these rules.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: A SERC Checklist and SERC were prepared by the Agency to determine the need for legislative ratification. Based on this information at the time of the analysis, summarized above, and pursuant to section 120.541, Florida Statutes, the rules will not require legislative ratification because costs will not be in excess of \$1 million in the aggregate within 5 years after the implementation of the rules.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.
