RULE NO.: 65C-9.004  
RULE TITLE: Standards for Unaccompanied Alien Children Homes and Unaccompanied Refugee Minor Programs

PURPOSE AND EFFECT: The Department intends to create Rule 65C-9.004, F.A.C., to reflect that resettlement of Unaccompanied Alien Children (“UAC”) and Unaccompanied Refugee Minors (“URM”) does not constitute “evidence of need” to obtain a license under section 409.175, Florida Statutes, in the absence of a cooperative agreement between the State of Florida and the Federal Government. Absent a cooperative agreement, this rule prohibits the issuance or renewal of licenses for the placement or care of UAC or URM and bars existing licensees from adding to their UAC or URM population. This rule also requires licensees to conduct welfare checks on the UAC whom they place with sponsors in Florida.

SUMMARY: The new rule accomplishes the following: 1) requires a cooperative agreement between the State of Florida and the Federal Government in order to demonstrate “evidence of need” under section 409.175, F.S. to obtain or renew a license for a residential child-caring agency, child-placing agency, or foster home caring for UAC or URM; and 2) establishes regulations for conducting welfare checks of the UAC placed with sponsors in Florida.

**SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:**

The Agency has determined that this will have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has been prepared by the Agency.

The Agency has determined that the proposed rule is expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The Department used the Office of Fiscal Accountability and Regulatory Reform’s template SERC to conduct an economic analysis and determine if there is an adverse impact or regulatory cost associated with this rule that exceeds the criteria

in section 120.541(2)(a), F.S. Based upon this analysis, the Department has determined that the proposed rule is expected to require legislative ratification.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

THE FULL TEXT OF THE PROPOSED RULE IS:

65C-9.004 Standards for Unaccompanied Alien Children Homes and Unaccompanied Refugee Minor Programs.

(1) Any residential child-caring agency, child-placing agency, or family foster home, as those terms are defined in 409.175(2), F.S., seeking to provide services for Unaccompanied Alien Children (UAC) and Unaccompanied Refugee Minors (URM) must meet licensing requirements herein in addition to the program standards for the type of license sought.

(2) For purposes of section 409.175(5)(b)1, F.S., which requires “evidence of need” to obtain a license, and section 409.175(1)(a), F.S., which provides that the purpose of the

licensure requirement is to “protect the health, safety, and well-being of all children in the state” who are cared for by residential child-caring agencies or family foster homes, or placed by child-placing agencies, the planned and organized resettlement of UAC or URM by the Office of Refugee Resettlement (ORR) of the U.S. Department of Health and Human Services does not constitute evidence of need as required for issuance or renewal of a license for a residential child-caring agency, child-placing agency, or family foster home that seeks to provide services to such UAC or URM, unless such resettlement is governed by a cooperative agreement between the State of Florida and the United States Government. In the absence of such cooperative agreement, no license will be issued or renewed with respect to any residential child-caring agency, child-placing agency, or family foster home that applies to provide services for UAC or URM resettling to Florida, and any residential child-caring agency, child-placing agency, or family foster home providing such services under a current license to UAC or URM who have already resettled in Florida may not further place or take placement of any additional UAC or URM until a cooperative agreement is entered. For purposes of this rule, the term “resettlement” means the transportation of persons to Florida for the purpose of temporarily or permanently residing in Florida. The Department has no obligation to enter or renew a cooperative agreement with the United States Government for the resettlement of UAC or URM to Florida, and the Department may revoke or decline to enter or renew such agreement.

The report must include the following:
  - a. Name of the child and date of birth.
  - b. Date the welfare check was conducted.
  - c. Name of the child’s caregiver.

  - f. Any indication that the child is no longer residing in or is temporarily relocated from the sponsor’s home, to include

that the child has been determined to be missing or the child’s whereabouts are unknown.

(8) Any child-placing agency or residential child-caring agency that provides care to URM must adhere to all contractual and federal case management requirements when conducting in-person child welfare checks.

(12) The child-placing agency or residential child-caring agency must notify the Department of any changes in the contract/grant agreement with ORR, and submit an updated copy, to include ORR’s decision to no longer utilize the facility.

(13) For purposes of this rule, the term “Unaccompanied Alien Child” has the same meaning as in 6 U.S.C. § 279(g)(2), and the term “Unaccompanied Refugee Minor” means an unaccompanied minor, as defined in 45 C.F.R. §400.111, who has met the federal eligibility standards for placement into the Unaccompanied Refugee Minor Program. **FISH AND WILDLIFE CONSERVATION COMMISSION****Marine Fisheries**

RULE NOS.: RULE TITLES:

68B-41.002 Definitions

68B-41.004 Bag and Vessel Limits; Bycatch Allowance

**PURPOSE AND EFFECT:** The Florida Fish and Wildlife Conservation Commission is changing to recreational dolphin bag and vessel limits in Atlantic state waters in response to stakeholder concerns about the status of the dolphin fishery. In recent years, charter captains and anglers have raised concerns about the declines in size and abundance of dolphin in southeast Florida and the Keys, and these observations are supported by Fish and Wildlife Research Institute's recreational landings analyses.

The purpose of these rule changes is to provide additional conservation measures for dolphin and help address stakeholder concerns.

The effect of the rule amendments is to reduce the recreational bag limit from 10 to 5 fish per person and reduce the private recreational vessel limit from 60 to 30 fish per vessel for Atlantic state waters. The rule amendments also clarify that captain and crew are prohibited from retaining a bag limit on for-hire trips statewide.

**SUMMARY:** These rule amendments modify the dolphin recreational bag and vessel limits for dolphin in Atlantic state waters. Additionally, the proposed rules clarify that captain and crew are prohibited from retaining a bag limit on for-hire trips statewide.

**SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:**

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.
