RULE NO.: 6A-1.094127
 RULE TITLE: Special Magistrate for Teacher Empowerment

PURPOSE AND EFFECT: To establish a process for a teacher to request the appointment of a Special Magistrate if he or she

has been directed by his or her school district or school to violate a general law or State Board of Education rule.

SUMMARY: A teacher may request the commissioner to appoint a Special Magistrate to address a teacher’s dispute stemming from the teacher being directed by the school or district to violate general law or State Board of Education rule. The rule aligns with the requirements of HB 1035 of the 2023 Legislative session.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has been prepared by the Agency.

It is anticipated that the rule will result in some costs to school districts because they will need to appoint a contact person, provide a statement to the Department outlining the information found in subsection (4), and develop procedures for review of classroom teacher allegations. No reasonable estimate of costs can be made because it is unknown how many complaints will be made in each school district and the extent to which the new duties can be absorbed by existing staff. The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

(c) Whether grounds for dismissal of the Teacher Request as described in paragraph (5)(b) of this rule exist.

(d) Whether the teacher retired, left the education field, or is no longer employed by the school or school district party to the Teacher Request.

(e) Whether a referral to a Special Magistrate would interfere with an investigation, or any other administrative, civil, or criminal proceeding.

(f) Whether resolution could be accomplished more expeditiously through other means.

(7) Special Magistrate Procedures.

(a) Where an administrative law judge provided by the Division of Administrative Hearings (DOAH) is available and assigned to act as the Special Magistrate, proceedings before the Special Magistrate will be held in accordance with DOAH rules, except where inconsistent with this rule or s. 1015.06, F.S.

(b) Where an administrative law judge from DOAH is unavailable or the Commissioner appoints the Special Magistrate, the following procedures apply:

1. The Special Magistrate must set and notify all parties of the time and place of the hearings.

2. Any party directly involved in the proceeding may appear at the hearing with or without counsel or by other representative.

3. The parties and the Special Magistrate may call, examine, and cross-examine witnesses and enter evidence into the record. Witnesses must be examined under oath. Evidentiary matters before the Special Magistrate will be governed by the Administrative Procedure Act and DOAH rules.

4. The Special Magistrate may permit the submission of written memorandum by the parties; however, the submission of written memorandum may not extend the 30-day timeline established by s. 1015.06(1)(a) and (7)(d) of this rule unless agreed to by the parties.

(c) Following the close of the hearing, the Special Magistrate must prepare a recommended decision (Recommendation), determining whether the teacher has demonstrated that a school or school district directed the teacher to violate general law or State Board rule. The Special Magistrate's Recommendation must be based on the evidence presented and argument made before the Special Magistrate. The Recommendation must include findings of fact, conclusions of law, and recommendations for resolution of the dispute by the parties. The Special Magistrate's findings of fact must be accepted by the State Board unless they are not supported by competent, substantial evidence admitted at the hearing. The Special Magistrate's conclusions of law must be accepted by the State Board unless a contrary conclusion is more reasonable.

(d) The Special Magistrate's Recommendation is due within thirty (30) days of the date the Teacher Request is

received by the Special Magistrate from the Department. The 30-day time frame can be extended upon agreement of the parties. A party may be deemed to have agreed to an extension if unavailable for hearing at the date and time set or where a party fails to timely respond to scheduling orders issued by the Special Magistrate.

(8) Other Procedures.

(a) Initiating a Special Magistrate proceeding described in this rule does not affect an ongoing employment action against a teacher, nor does it prevent a school or school district from initiating employment action against a teacher. However, the Special Magistrate’s Recommendation, if approved by the State Board, as well as the State Board’s order on the Recommendation, can be used as evidence in an employment action if otherwise permitted by law.

(b) In its order on the Special Magistrate’s Recommendation, the State Board may, pursuant to s. 1015.06(1)(c), F.S., order the school district to withhold the superintendent’s salary until the school or school district has submitted a statement to the Department in writing that it is no longer directing any teacher to follow the school district procedure or practice the State Board found to violate general law or State Board rule.

(c) If at any point after a Teacher Request is filed and before the State Board votes on the Special Magistrate’s Recommendation, the school or school district notifies the Department or the Special Magistrate that the school or school district is no longer directing the teacher to act or refrain from acting as alleged in the Teacher Request, the Department or the Special Magistrate may dismiss the Teacher Request if it finds that the school or school district is unlikely to direct a teacher to act or refrain from acting in the same way in the future.
