OIR – Insurance Regulation

RULE NO.:	RULE TITLE:
69O-137.001	Annual and Quarterly Reporting Requirements

NOTICE OF CHANGE

Notice is hereby given that the following changes have been made to the proposed rule in accordance with subparagraph 120.54(3)(d)1., F.S., published in Vol. 49 No. 182, September 19, 2023 issue of the Florida Administrative Register.

The “Purpose and Effect” and “Summary” sections of the Notice of Proposed Rule contained incorrect language. Those sections should have stated:

Section 624.424, Florida Statutes, requires insurers to file quarterly and annual financial reports with the Office of Insurance Regulation and allows the Office to enact rules

setting the standards for those reports. By amending 690-137.001 to adopt the current versions of these NAIC instructions and manuals, the Office is establishing up-to-date, uniform standards for annual and quarterly reports which will provide the information necessary for the Office to evaluate insurers' financial conditions.

The summary of statement of estimated regulatory costs and legislative ratification should have included the following language:

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: Agency personnel familiar with the subject matter of the rule amendment have performed an economic analysis of the rule amendment that shows that the rule amendment is unlikely to have an adverse impact on the State economy in excess of the criteria established in Section 120.541(2)(a), Florida Statutes.

The following subsection of the proposed rule will be changed to read:

690-137.001 Annual and Quarterly Reporting Requirements.
