## Section II

### Proposed Rules

#### DEPARTMENT OF EDUCATION

##### State Board of Education

RULE NO.:       RULE TITLE:

6A-14.0303       General Education Core Course Options

PURPOSE AND EFFECT: The rule implements the provisions of the general education core courses in Section 1007.25, F.S., and identifies the core course options for each of five subject areas: communications, mathematics, social sciences, humanities, and natural sciences. Florida public postsecondary

students are required to choose courses from the options provided in rule language.

SUMMARY: The rule is being revised to enact changes to Florida Statutes made by SB 266. SB 266 revised s. 1007.25, F.S., and created s. 1007.55, F.S., to establish general education course standards and principles. The rule is being revised to enact those new standards and principles and to implement new general education core course options considering the recommendations of faculty committees formed to recommend changes to general education core courses to the State Board of Education. The new general education core courses are being proposed, as well as the removal of a course from the general education core course list.

#### SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: This proposed rule is not expected to have any adverse impact on economic growth, business competitiveness or any other factors listed in s. 120.541(2)(a), F.S., and will not require legislative ratification. No increase in regulatory costs are anticipated as a result of this rule. This is based upon the nature of the proposed rule.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 1001.02(1), (2)(n), (6)(d)3, 1007.25(3), 1007.55, F.S.

LAW IMPLEMENTED: 1007.25(3), 1007.55, F.S.

A HEARING WILL BE HELD AT THE DATE, TIME AND PLACE SHOWN BELOW:

DATE AND TIME: January 17, 2024, 9:00 a.m.

PLACE: Tallahassee Community College, Student Union Ballroom, 444 Appleyard Drive, Tallahassee, FL 32304.

THE FULL TEXT OF THE PROPOSED RULE IS:

**6A-14.0303 General Education Core Course Options.**

(1) Purpose. It is necessary that every undergraduate student of a Florida public postsecondary educational institution graduates as an informed citizen through participation in rigorous general education courses. General education courses should provide broad foundational knowledge to help students develop intellectual skills and habits that enable them to become more effective and lifelong learners and contain high-level academic and critical thinking skills. This rule implements the requirements for general education courses as required by section 1007.25, F.S., and the principles, standards and content for general education required under section 1007.55, F.S.

(2) General education core courses. Courses listed in this subsection implement the required principles, standards and content in accordance with s. 1007.55, F.S. Prior to the award of an associate in arts or baccalaureate degree, first-time-in-college students entering a Florida College System institution in the Fall Term, 2015, and thereafter must complete at least one (1) course from each of the general education subject areas listed in this section. Beginning in the 2022-23 academic year and thereafter, students entering associate in arts, associate in science, or associate in applied science or baccalaureate degree programs must complete at least one (1) course from each of the general education subject areas listed in this subsection prior to the awarding of their degree.

(a) through (d) No change.

(e) Natural Sciences:

1. through 8. No change.

9. GLY X010 Introduction to Geology;

10. OCE X001 Introduction to Oceanography;

11. ~~9.~~ PHY X020 Fundamentals of Physics;

12. ~~10.~~ PHY X048 General Physics with Calculus;

13. ~~11.~~ PHY X053 General Physics I; or

14. ~~12.~~ Any student who successfully completes a natural science course for which one (1) of the general education core course options in natural science is an immediate prerequisite shall be considered to have completed the natural science core.

(f) Social Sciences:

1. AMH X010 Introductory Survey to 1877;

2. ~~1.~~ AMH X020 Introductory Survey Since 1877;

3. ~~2.~~ ANT X000 Introduction to Anthropology;

4. ~~3.~~ ECO X013 Principles of Macroeconomics;

5. ~~4.~~ POS X041 American Government; or

6. ~~5.~~ PSY X012 Introduction to Psychology; or

7. ~~6.~~ SYG X000 Principles of Sociology.

~~(g) Each institution may apply its own course titles to the general education core course options.~~

(3) Other means by which students can satisfy general education core course requirements.

(a) A student who has completed an associate in arts or baccalaureate degree conferred by a Florida College System institution or state university is considered to have met general education requirements, including requirements for general education core courses.

(b) Institutions must recognize credit earned through an acceleration mechanism in section 1007.27, F.S., as meeting the related general education core course requirement as prescribed in Rule 6A-10.024, F.A.C.

(c) Institutions may grant a substitution or modification to the courses listed above for eligible students with disabilities, subject to Rule 6A-10.041, F.A.C.

(d) Each institution must accept a student's courses taken as meeting general education core course requirements upon transfer, regardless of whether the receiving institution offers the identical general education core courses.

(e) An institution may not require a student to complete an additional course to meet a subject area requirement in subsection (2) that was completed by the student at a Florida College System institution or state university with a course that has since been removed as a general education core course.

(4) ~~(2)~~ Institutional implementation and reporting of general education core courses. Institutions shall report to the Statewide Course Numbering System, established in s. Section 1007.24, F.S., all courses used to fulfill subject area core course options. Any course recommended by the institution to be added to its ~~the~~ list of general education core course options from subsection ~~(2)~~ ~~(4)~~ of this rule must follow the statewide course description provided in the Statewide Course Numbering System and shall be reported to the Office of K-20 Articulation at [Articulation@fldoe.org](mailto:Articulation@fldoe.org) ~~http://fldoe.org/articulation~~ for review. Each institution may apply its own course titles to the general education core course options.

~~(3) Institutions must recognize credit earned through an acceleration mechanism in Section 1007.27, F.S., as meeting the related general education core course requirement.~~

~~(4) Institutions may grant a substitution or modification to the courses listed above for eligible disabled students, subject to Rule 6A-10.041, F.A.C.~~

(5) Institutional general education course offerings implementation and reporting. The remaining courses and credits, in addition to the core course options, to fulfill the total 36-hour general education requirement for associate in arts and baccalaureate degrees are provided by each at the discretion of the Florida College System institution and approved by the State Board of Education in accordance with this rule. An institution may not require a student to take an additional course to meet a subject area requirement that was completed by the student with a course that has since been removed as a general education course.

(a) Each Florida College System institution board of trustees and president must annually review and approve, at a public meeting, the courses offered by the institution that meet general education course requirements in accordance with ss. 1007.24, 1007.25 and 1007.55, F.S.

(b) Each institution must submit its approved list of general education courses to the Articulation Coordinating Committee no later than September 1 of each year by the course prefix and number in the Statewide Course Numbering System, including the institution's course title, in a format prescribed by the Department.

(c) The Articulation Coordinating Committee shall annually submit each institution's completed list of general education courses to the State Board of Education, along with the statewide data elements required in s. 1007.55, F.S., no later than December 1 of each year.

(d) Using the criteria for general education course standards, principles and content listed in s. 1007.55, F.S., the State Board of Education will approve or reject each institution's list of general education course offerings and notify the institution in writing within ninety (90) days of receiving the list from the Office of K-20 Articulation.

1. If the State Board of Education rejects an institution's list of courses, the reason(s) for the rejection will be provided in writing to the institution, including any specific courses that were found to be not in compliance with the statute.

2. An institution whose list is rejected must resubmit its list to the State Board of Education for reconsideration within sixty (60) days. Until the new list is approved, the institution must continue to offer courses from the prior approved list.

3. If an institution whose list is rejected does not submit a revised list within sixty (60) days, or if the resubmitted list is rejected by the State Board of Education, the Commissioner may withhold performance funding payments for that institution until it submits a course list that meets requirements and is approved by the State Board of Education.

RULE NO.: 6A-14.0718  
RULE TITLE: Prohibited Expenditures for Florida College System (FCS) Institutions

PURPOSE AND EFFECT: To implement provisions of Senate Bill 266 (2023). A new rule is needed that outlines allowable and non-allowable expenditures so that Florida College System institutions are compliant with state law.

SUMMARY: The rule addresses Florida College Systems' financial expenditures and defines allowable expenditures.

**SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:**

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: Implementation of the proposed rule is not expected to have any adverse economic impact and costs of administration will be absorbed by current staff. No requirement for a SERC was triggered under s. 120.541(1), F.S., and the adverse impact or regulatory cost, if any, do not exceed nor would be expected to exceed any one of the economic analysis criteria set forth in s. 120.541(2)(a), F.S., and will not require legislative ratification.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

THE FULL TEXT OF THE PROPOSED RULE IS:

**6A-14.0718 Prohibited Expenditures for Florida College System (FCS) Institutions.**

(1) Purpose. The purpose of this rule is to implement the expenditure prohibitions found in s. 1004.06, F.S.

(2) Definitions. For the purposes of this rule, the following terms mean:

(a) “Diversity, Equity and Inclusion” or “DEI” is any program, campus activity, or policy that classifies individuals on the basis of race, color, sex, national origin, gender identity, or sexual orientation and promotes differential or preferential treatment of individuals on the basis of such classification.

(b) “Federal funds” are those funds provided to the institution or a direct-support organization for an institution directly or indirectly by an appropriation by Congress. This includes financial aid provided to the institution by or on behalf of a student attending the institution if that financial aid is provided to the student via a governmental aid or grant program. Federal funds do not include student fees to support student-led organizations notwithstanding any speech or expressive activity by such organizations which would otherwise violate this section, provided that the student fees must be allocated to student-led organizations pursuant to written policies or regulations of each institution, as applicable.

(c) “Non-traditional Student” is an undergraduate student not pursuing higher education immediately or up to two (2) years after graduating high school.

(d) “Political or Social Activism” is any activity organized with a purpose of effecting or preventing change to a government policy, action, or function, or any activity intended to achieve a desired result related to social issues, where the institution endorses or promotes a position in communications, advertisements, programs, or campus activities. Political or Social activism does not include authorized government relations and lobbying activities of the institution concerning matters that directly affect the operations of the institution or direct-support organizations of the institution. Political or Social Activism does not include endorsement or promotion of a position that encourages compliance with state or federal law or State Board of Education rule.

(e) “Programs or campus activities” are any activities authorized or administered by the institution or an institution’s direct-support organization(s) that involve:

1. Academic programs subject to review as outlined in ss. 1001.02(6)(c), 1007.25, 1007.33, F.S., other than classroom instruction;

2. Student participation, other than classroom instruction; or

3. Hiring, recruiting, evaluating, promoting, disciplining, or terminating institution employees, or contractors.

(f) “Social Issues” are topics that polarize or divide society among political, ideological, moral, or religious

beliefs.

(g) “Student-led Organization” is an organization recognized by the institution as an active and registered student organization that is comprised of student members with a faculty or staff advisor including, but not limited to, organizations that receive activity and service fees pursuant to s. 1009.23, F.S.

(h) “State funds” are those funds provided to an institution or a direct-support organization for an institution directly or indirectly by an appropriation by the Florida Legislature. This includes financial aid provided to the institution by or on behalf of a student attending the institution if that financial aid is provided to the student via a state government aid or grant program. State funds do not include student fees to support student-led organizations notwithstanding any speech or expressive activity by such organizations which would otherwise violate this section, provided that the student fees must be allocated to student-led organizations pursuant to written policies or regulations of each institution, as applicable.

(3) An FCS institution or FCS institution direct-support organization may not expend any state or federal funds to promote, support, or maintain any programs or campus activities that:

(a) Violate s. 1000.05, F.S.;

(b) Advocate for DEI as defined in this rule; or

(c) Promote or engage in political or social activism as defined in this rule.

(4) An FCS institution or FCS institution direct-support organization advocates for DEI when it engages in a program, policy, or activity that:

(a) Advantages or disadvantages, or attempts to advantage or disadvantage, an individual or group on the basis of race, color, sex, national origin, gender identity, or sexual orientation, to equalize or increase outcomes, participation, or representation as compared to other individuals or groups; or

(b) Promotes the position that a group or an individual’s action is inherently, unconsciously, or implicitly biased on the basis of race, color, sex, national origin, gender identity, or sexual orientation.

(5) Student-led organizations may use institution facilities notwithstanding any speech or expressive activity by such organizations that would otherwise violate subsection (3) of this rule, provided that such use must be granted to student-led organizations pursuant to written policies or regulations of each institution, as applicable.

(6) Subsection (3) of this rule does not prohibit programs, campus activities, or functions required for compliance with general or federal laws or regulations; for obtaining or retaining institutional or discipline-specific accreditation with the approval of the State Board of Education; or for access programs for military veterans, Pell Grant recipients, first

generation college students, nontraditional students, “2+2” transfer students from an FCS institution or state university, students from low-income families, or students with unique abilities.

(7) Subsection (3) of this rule does not prohibit expenditure of state or federal funds, so long as the expenditure is for ministerial or administrative activities of a program or campus activity that is not unique to that program or campus activity and that specific program or campus activity is otherwise supported by private funds.

(8) An FCS institution must designate an institution official or officials who are responsible for compliance, oversight, and adherence with the prohibited expenditure provisions of this rule.

64B15-13.001   Continuing Education for Biennial Renewal

PURPOSE AND EFFECT: The Board is required to review the information regarding the five most misdiagnosed conditions during the previous biennium to be included in the prevention of medical errors course and adds a new provider of the statutorily mandated controlled substance course.

SUMMARY: The five most misdiagnosed medical conditions for the purpose of medical errors continuing medical education and adds a new provider of the statutorily mandated controlled substance course.

**SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:**

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the

statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

64B15-13.001 Continuing Education for Biennial Renewal.  
Every person licensed pursuant to Chapter 459, F.S., except those licensed as physician assistants pursuant to Section 459.022, F.S., shall be required to complete forty (40) hours of continuing medical education courses approved by the Board in the twenty-four (24) months preceding each biennial renewal period as established by the Department. Continuing medical education (CME) requirements for biennial renewal of licensure are set forth in this rule. The CME required by this rule may be obtained by completion of courses offered in any format, including in a distance learning format, with the proviso in paragraph (1)(a).

(1)(a) For each biennial renewal, a licensee shall complete a one (1) hour continuing medical education course in Florida Laws and Rules/Professional and Medical Ethics, and a two (2) hour course in Prevention of Medical Errors. For purposes of this rule, Florida Laws and Rules means Chapters 456 and 459, F.S., and rule Title 64B15, F.A.C. These CME courses may be

obtained in any format, including in a distance learning format, provided that the format includes an ability to interact with the presenter of the course.

(b) through (d) No change.

(e) A licensee who is registered with the United States Drug Enforcement Agency and is authorized to prescribe controlled substances is required to complete a 2-hour course on prescribing controlled substances at each biennial renewal of licensure as required by Section 456.0301, F.S. The Board approves the controlled substance prescribing courses offered by the Florida Medical Association, the Florida Osteopathic Medical Association, the Florida Academy of Family Physicians, the Florida College of Emergency Physicians, Baptist Health South Florida/Quality Network, InforMed, Florida Psychiatric Society, NetCE, The Doctors Company, and TeamHealth Institute, and CE Group for the purpose of meeting this continuing education requirement.

(2) No change.

(3)(a) Three (3) hours of general CME may be obtained by attending at least three (3) hours of disciplinary matters at a regular meeting of the Board of Osteopathic Medicine in compliance with the following:

1. through 3. No change

4. A licensee may use no more than six (6) hours of continuing education obtained by attending a Board of Osteopathic Medicine meeting for the purpose of completing the continuing education requirements for each biennial renewal.

(b) For purposes of this rule, a two hour Prevention of Medical Errors course shall include a study of root cause analysis, error reduction and prevention, and patient safety. The course shall address medication errors, surgical errors, diagnostic inaccuracies, and system failures, and shall provide recommendations for creating safety systems in health care organizations. The course must include information relating to the five most mis-diagnosed conditions during the previous biennium, as determined by the Board. The following areas have been determined as the five most mis-diagnosed conditions:

1. Inappropriate prescribing of controlled substances;
2. Failure to diagnose reproductive-related conditions; monitor the safety of prescribed medications;
3. No change.
4. Failure to accurately diagnose spine-related neurological and brain-related conditions; and
5. No change.

(4) through (8) No change.
