IV. Trainer Qualifications

A Birth Through Five FCCPC Training Program Provider must require and ensure each trainer hold the following requirements listed below.

1. Four year college degree or higher with six college credit hours in early childhood education/child growth and development; and
2. One year of experience* in a child care setting serving children ages birth through eight.

*One year of experience is equivalent to a minimum of 1040 hours and must be verified.

 Please attach a copy of the position description for the trainer that includes the educational and experiential requirements.

V. Observation

A Birth Through Five FCCPC Training Program Provider must require and ensure that each student is formally observed once while working with children during the course of the FCCPC Training Program. This observation must be within an early childhood classroom setting while the student is working with children as the lead teacher. The observation must be conducted by a qualified observer meeting the requirements outlined in Section VI and utilizing an observation tool submitted with this application and approved by the Child Care Program Office of the Department of Children and Families or its designated representative.

 Please attach a copy of the observation tool your program will utilize when formally observing a student.

VI. Observer Qualifications

A Birth Through Five FCCPC Training Program Provider must require and ensure that each observer hold the educational and experiential requirements listed below and is able to demonstrate competency in the eight content areas established in Section III.

1. An active National Early Childhood Credential or Birth Through Five FCCPC, four years of experience* working with children ages birth through eight, and two years of responsibility for the professional growth of another adult**; or
2. Associate's level degree in Early Childhood Education, Child Development or related field***, two years of experience* working with children ages birth through eight, and two years of responsibility for the professional growth of another adult**; or
3. A bachelor's level degree in Early Childhood Education, Child Development or related field***, one year of experience* working with children ages birth through eight, and one year of responsibility for the professional growth of another adult**.

*Year(s) of experience shall be verified and shall be defined as follows: one year is equivalent to a minimum of 1040 hours, two years are equivalent to a minimum of 2080 hours, and four years are equivalent to a minimum of 4160 hours.

** Professional growth shall be defined as professional development activities (i.e. career advising, mentoring and job coaching sessions, and other training activities) that enhance the knowledge and professional skills of another adult.

***Related field shall be defined as an associate's or bachelor's level degree with a minimum of six college credits in Early Childhood Education/Child Development.

 Please attach a copy of the position description for the observer that includes the educational and experiential requirements.

VII. Early Childhood Portfolio

A Birth Through Five FCCPC Training Program Provider must require and ensure that each student compile and maintain a collection of materials which contain, at a minimum, the contents listed below prior to completion of the FCCPC Training Program:

1. **Autobiography:** A document, minimum of 300 words, that describes the student's early childhood educational goals and why working with young children and families is important to them; and
2. **Statement of Competence:** Eight separate statements of competence, 250 word minimum each, related to the eight content areas established in Section III of this application. Each statement must include how the student reflects the competency within their teaching practices with children, examples of positive early childhood practices, and must clearly indicate the student's knowledge and understanding of each competency area; and
3. **Resource Collection:** Should include samples of materials for each content area, therefore demonstrating competency. This should include, but not be limited to, contact names and numbers of local and state child care and community agencies; early childhood membership and training certificates; age appropriate songs, activities, and book titles; policies and information for parents; record keeping forms; and an observation tool.

⚠ Please attach a copy of the assessment tool your program will utilize in ensuring compliance with this requirement for each student.

VIII. Certificate Information

Upon completion of a Birth Through Five FCCPC Training Program, the FCCPC Training Program Provider is required to submit a spreadsheet with student completion information using the form prescribed by the Child Care Program Office of the Department of Children and Families or its designated representative. Spreadsheets with student completion information shall be retained for a period of two years.

The Child Care Program Office of the Department of Children and Families will update each student's transcript as to completion of the FCCPC Training Program and issue a Florida Child Care Professional Credential, CF-FSP Form 5270, to the student.

Approved FCCPC Training Program Providers that issue provider-specific certificates of completion to their students must ensure the following:

1. The certificate shall identify the number of clock hours of coursework completed in early childhood training.
2. The certificate shall state that the coursework was completed in an approved Birth Through Five FCCPC Training Program.
3. The certificate shall not document the Department of Children and Families Staff Credential requirement.

⚠ As of July 1, 2006, CF-FSP Form 5270 will be the only certificate recognized by the Child Care Program Office of the Department of Children and Families for completion of a Birth Through Five FCCPC Training Program for the purposes of licensing.
