----- (Fold here for window envelope) -----

Dear _____:

We determined that your application dated _____ for _____
(*program*) is approved for general Medicaid services only. This means that Medicaid may pay for a wide variety of services for you, such as physician's services, hospital services, medical supplies and equipment, laboratory and others.

Your application was not approved for Medicaid to pay for the long-term care services you received from _____ to _____ as you transferred assets (or income) without receiving fair compensation and you did not present clear and convincing evidence that you:

- Gave away, reduced the value of, or sold the asset (or income) solely for a reason other than to receive Medicaid; or
- Have an undue hardship situation and your life or health is endangered because you are unable to pay for food, clothing, a place to live, or medical care.

We will review your case in the last month indicated above to redetermine your eligibility for Medicaid for long-term care services.

This action is in accordance with Rule 65A-1.712, Florida Administrative Code.
