Environmental Resource Permitting Basis of Review Chapter Two – Administrative Criteria

Paragraph 2.6.1(2) shall now read as follows:

The project is a residential subdivision, condominium, commercial subdivision or industrial park and responsibility for the operation and maintenance of the surface water

management system facilities will be transferred to a monomers' association, property owners' association, condominium owners' association or master association. The transfer of responsibility shall occur upon completion of the first reinspection of the surface water management system conducted pursuant to the permit following transfer to the operation phase, unless at the time of the first reinspection, the permittee requests, in writing, that the transfer of responsibility to the association occur at some specified later date. The District shall approve such request if the permittee demonstrates that it can perform all necessary operation and maintenance responsibilities during the extended time period. In any event, within thirty (30) days after the sale of the last lot, parcel or unit in the project, the permittee shall request the transfer of responsibility for the operation and maintenance of the surface water management system facilities to the association. The permittee must submit to the District, Form O&M/ASGN ( /99). This form is available upon request at any District service office. The District must approve the transfer in writing before the transfer of responsibility to the association is effective. Protective covenants, deed restrictions or a declaration of condominium must be recorded for this option in accordance with section 2.6.2.2.6 below; or Paragraph 2.6.2.2.7 shall now read as follows:

For projects which have on-site wetland mitigation as defined in section 1.7.24, which requires ongoing monitoring and maintenance, and a homeowners' association, property owners' association, condominium owners' association or master association is proposed as the operation and maintenance entity that will also assume responsibility for the wetland mitigation, the applicant shall submit, with the permit application, a proposed budget for the association. The budget shall specifically allocate sufficient funds for monitoring and maintenance of the wetland mitigation area(s) for the first year. A copy of the final budget shall be submitted to the District with the copy of the association's final articles of incorporation. The final budget shall include, at a minimum, the sum of money allocated for monitoring and maintenance of the wetland mitigation area(s) approved by the District during the permit application review process. Sufficient funds shall be allocated in subsequent budgets for monitoring and maintenance until the District determines that the wetland mitigation is successful in accordance with the Environmental Resource Permit (see section 2.6.2.2.5.k.). If the funds allocated any year are less than the funds allocated in the association's budget for its first year, the association shall so advise the District in writing within fifteen (15) days of adoption of the budget.

RULE CHAPTER NO.: 64B-2  
 RULE NO.: 64B-2.001  
 RULE CHAPTER TITLE: Medical Quality Assurance  
 RULE TITLE: Practitioner Profile

**NOTICE OF CHANGE**

The Department of Health, Division of Medical Quality Assurance, announces changes to proposed rule 64B-2.001, F.A.C., published in the February 26, 1999, issue of the Florida Administrative Weekly, Vol. 25, No. 8. The Proposed Rule was inadvertently listed under the Board of Chiropractic Proposed Rules section. It should have been placed under the Division of Medical Quality Assurance section. The changes are in response to written comments received from the Joint Administrative Procedures Committee. Also, this change is due to amendments to the applicable statute that passed in HB 2125 during the 1999 legislative session.

The proposed rule 64B-2.001, F.A.C., was changed to read as follows:

64B-2.001 Practitioner Profile.

The Practitioner Profile shall consist of:

(1) “Practitioner Information” shall consist of the practitioner’s license number, license status, year the practitioner began practicing his or her profession, primary business name, business address, business city and state, hospitals where practitioner has staff privileges, hospital city and state.

(2) “Education and Training” shall consist of the name of the school attended, the degree title, years attended, and date of graduation. It will also consist of other health related degrees the practitioner has received, the degree title, and years attended.

(3) “Professional and Postgraduate Training” shall consist of the program’s name, program type, specialty area, program city, state and country, and years attended.

(4) “Specialty” shall consist of the name of the certifying body and the title of the certification received by the practitioner.

(5) “Optional Information” may include, but is not limited to, the following:

- (a) Committees/memberships organization name;
- (b) Professional or community service award name and organization;
- (c) Publications in peer-reviewed medical literature including publication title and the year it was published;
- (d) Languages spoken other than English;
- (e) Other affiliations organization name;
- (f) E-mail address;

(g) Other professional licenses, including jurisdiction and profession;

(6) “Financial Responsibility” shall consist of the practitioner’s chosen method of demonstrating financial responsibility in accordance with s. 458.320 or s. 459.0085.

(7) “Criminal Offenses” shall include all criminal offenses that directly relate to the practitioner’s ability to competently practice his or her profession and shall consist of the offense to which the applicant pled guilty, pled nolo contendere, or was found guilty of, regardless of adjudication; the date of the offense; and the jurisdiction of the offense. The profile shall include a warning that the criminal history information, if any exists, may be incomplete and that federal criminal history is not available to the public. If the applicant indicates to the department and submits a copy of the document initiating an appeal, the department shall state this on the profile. If the criminal history information is not corroborated by a criminal history check, the profile shall so indicate.

(8) “Final Disciplinary Action” taken within the previous 10 years shall consist of the name of the board, organization, or institution other than a hospital; the date of the discipline; and description of the action taken, to the extent available. If the applicant indicates to the department and submits a copy of the document initiating an appeal, the department shall state this on the profile.

(9) “Liability Claims Exceeding \$5,000.00” within the previous 10 years shall consist of the nature of the claim, including the incident date, county, judicial case number, settlement date, settlement amount, and policy amount, to the extent available; and the statutory explanation of why a settlement may have occurred.

(10) When a profile question is not applicable to the practitioner being profiled or the practitioner has failed to provide the required information, the profile will so indicate.
