NOTICE TO PROFESSIONAL CONSULTANTS:

The University of Florida Board of Trustees announces that Professional Services in the disciplines of architecture and engineering will be required for the project listed below:

Project: UF-155, Martin H. Levin Advocacy Center (University of Florida, Gainesville)

The project consists of the addition of a new courtroom at the Levin College of Law, along with various support, meeting, and office spaces. Services will include analysis and incorporation of Federal/State courtroom standards, plus benchmarking and peer review visits to similar facilities, during the program verification phase. Security, technology, and audio/visual provisions are considered essential for this project. See the facilities program for more information.

The estimated construction budget is between \$3,800,000 and \$4,000,000. The project will be delivered using the Design-Bid-Build method, with award via pre-qualification or Best Value analysis. Silver LEED (Leadership in Energy and Environmental Design) accreditation by the U.S. Green Building Council is mandatory.

The selected firm will provide design, construction documents and construction administration services for the referenced project. Blanket professional liability insurance will be required for this project in the amount of \$1,000,000, and will be provided as a part of Basic Services. Plans and specifications for University of Florida projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes.
