**Bid Documents:**

**ELECTRICAL SVC UPGRADE AT TURKEY POINT/MARINE LAB**

The project, electrical services upgrade: Turkey Point Marine Lab, Florida State University, includes the replacement of the existing electrical service and distribution equipment. The work includes coordinating and accommodating the installation by the serving utility, Progress Energy Corporation, and new pole mounted transformer banks to serve two separate services.

A critical aspect of the work is the change over of service with the absolute minimum of electrical outage time. Methods of equipment procurement and installation preparations shall be thoroughly organized and established to ensure both the project schedule is met and the minimum downtime occurs.

**PRE-QUALIFICATIONS:**

The electrical contractor shall be EC licensed and certified by the State of Florida and shall have installed a full electric service entry of no less than 1200 amp capacity for Florida State University at Florida State University.

Contact Person: Joe Adams, Project Manager, (850)644-5141

## Notice of Bid/Request for Proposal

## NOTICE TO PROFESSIONAL CONSULTANTS

Florida State University, State of Florida, announces that professional services in the discipline of architecture will be required for the project listed below:

Project No.: FS-264  
 Project and Location: Ruby Diamond Auditorium Renovation and Expansion  
 Florida State University  
 Tallahassee, Florida

The project consists of the design and construction of approximately 50,000 gsf of renovated space and 25,000 gsf of new space. The project will renovate Ruby Diamond Auditorium, transforming it into a premier performance hall. All major building systems will be upgraded, and acoustics and audience chamber architecture will be addressed. An addition to the building will provide a multi-purpose space and a rehearsal hall. The design professional will be required to provide a solution which best utilizes the site and surrounding areas. Pedestrian access will be enhanced, and nearby handicapped parking and a covered drop-off area will be provided. Specialty consultants (acoustics, lighting, theater, etc., will be selected together with the university, after the architect has been selected.) The selected firm will provide design, construction documents and administration for the referenced project which is budgeted at approximately \$26,600,000.00 for construction. The project delivery system will be construction management. Blanket professional liability insurance will be required for this project in the amount of \$1,000,000, and will be provided as a part of Basic Services.

## INSTRUCTIONS:

Firms desiring to apply for consideration shall submit a letter of application.

The letter of application should have attached:

1. A completed Florida State University "Professional Qualifications Supplement," dated August, 2003. Applications on any other form, or on versions dated prior to 8/03, will not be considered.
2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.

Submit six copies of the above requested data bound in the order listed above. Applications which do not comply with the above instructions may be disqualified. Application materials will not be returned.

The plans and specifications for Florida State University projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a

proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$50,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Professional Qualifications Supplement forms, descriptive project information, and selection criteria may be obtained through our website, [www.fpc.fsu.edu](http://www.fpc.fsu.edu) or by contacting: Lynetta Mills, Facilities Design and Construction, 109 Mendenhall Maintenance Building A, Florida State University, Tallahassee, Florida 32306-4152, (850)644-2843, Fax (850)644-8351.

For further information on the project, contact Lisa Durham, Sr. Project Manager, at the address and phone listed above.

Submittals must be received in the above office, by 2:00 p.m. (Local Time), Friday, June 29, 2007. Facsimile (FAX) or electronic submittals are not acceptable and will not be considered.

NOTICE TO PROFESSIONAL CONSULTANTS  
 REQUEST FOR QUALIFICATIONS  
 RFQ 07-32

The University of North Florida Board of Trustees, a public body corporate, announces that continuing professional services for certain projects are required in the following discipline(s): Architect/Engineer

Projects included in the scope of this agreement will be specific projects for renovations, alterations, and additions that have a basic construction budget estimated to be \$1,000,000 or less, or studies for which the fee for professional services is \$100,000 or less. The University plans on awarding three Campus Service contracts for these projects and the consultants will be available on an as-needed basis for the upcoming fiscal year, July 1, 2007 – June 30, 2008. The consultants receiving the award will not have an exclusive contract to perform services for these projects. The university may have additional campus service professionals under contract during the same time period.

Firms wishing to provide professional services can apply by letter specifying the discipline for which they are applying. Proximity of location will be a prime factor in the selection of the firm.

Attach to each letter of application:

1. The University of North Florida's "Professional Qualifications Supplement" completed by the applicant's office applying for the project. Applications on any other form will not be considered.
2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to

practice its profession in the State of Florida. If the applicant is a corporation, it must be properly chartered by the Florida Department of State to operate in Florida.

Submit 6 copies of the above requested data bound in the order listed above. Applications which do not comply with the above instructions may be disqualified. Application materials will not be returned.

The plans and specifications for A/E projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplies, subcontractor, or consultant in excess of \$15,000 in connection with this project for a period of 36 months from the date of placement on the convicted vendor list.

Vendor shall have established equal opportunity practices which conform to all laws against discrimination and prohibits discrimination based on race, creed, color, sex, age, national origin, marital status or religion; neither Vendor nor any subcontractor or other person, firm or business entity with whom it would be engaged in a combined effort to perform the services has hired any person who is an officer or employee of UNF.

Professional Qualifications Supplement forms, descriptive project information, and selection criteria may be obtained by contacting: Darrin Parker, Purchasing Department, University of North Florida, 1 UNF Drive, Jacksonville, Florida 32224, PH (904)620-1739, Email dparker@unf.edu.

Submittals must be received in the Purchasing Department, Building 6, University of North Florida, 1 UNF Drive, Jacksonville, Florida 32224, by 2:00 p.m. local time, on June 19, 2007. Facsimile (FAX) submittals are not acceptable and will not be considered.

**INVITATION TO BID**

The School Board of Pinellas County, Florida will receive sealed bids in the Purchasing Department of the Walter Pownall Service Center, 11111 South Belcher Road, Largo, Florida until 1:00 p.m. (Local Time), June 15, 2007, for the purpose of selecting a supplier to provide per the bid specifications for:

Bread Products  
 Bid 07-375-648

**PINELLAS COUNTY METROPOLITAN PLANNING ORGANIZATION**

**REQUEST FOR PROPOSALS**

**NOTICE TO PROFESSIONAL CONSULTANTS**

The Pinellas County Metropolitan Planning Organization (MPO) in conjunction with the Florida Department of Transportation (FDOT) request that qualified consultants submit Proposals for consideration in the competitive selection of professional transportation planning services on the following project:

**PROJECT: GENERAL PLANNING CONSULTANTS (GPC)**  
 The MPO requires the services of one or more Consultants to provide production support to the MPO transportation planning activities set forth in the Unified Planning Work Program (UPWP). The length of contract is three (3) years. The work involves providing assistance to the MPO staff on a work assignment basis in a variety of technical, graphical, public involvement and product review activities. The Consultant(s) shall assist the MPO staff by providing additional resources to

accomplish assignments authorized by the MPO. The Scope of Services outlines tasks that may be assigned to Consultant(s) under one or more general planning Consultant contracts. Consideration will be given to only those firms that have been prequalified by the FDOT to perform the indicated MAJOR Type(s) of Work.

- MAJOR TYPE OF WORK:** 13.3 Policy Planning  
 13.4 Systems Planning  
 13.5 Subarea/Corridor Planning  
 13.6 Land Planning/Engineering  
 13.7 Transportation Statistics

**SCOPE OF SERVICES**

- A. Public Participation (UPWP Task 2.1): Consultants will assist the MPO with public out reach activities. Work may include organizing and facilitating public workshops and meetings, identifying potential shareholders, production of professional quality graphics, displays, publications and PowerPoint presentations, website development and design and implementation of surveys and analysis of results. Consultants will comply with SAFETEA-LU requirements by incorporating visualization techniques into their work products.
- B. Land Use and Socioeconomic Data Activities (UPWP Task 3.1): Work related to this task includes the monitoring of transportation-related socioeconomic, school enrollment and land use data variables on a continual basis to support the update and amendments to the MPO’s Long Range Transportation Plan and local governments’ comprehensive plans so that the Tampa Bay Regional Demand Model and other models developed for specific projects can project future travel demand conditions in the most accurate manner possible. Consultant resources may be utilized in soliciting and collecting data items through various sources; developing zonal data for the MPO’s Long-Range Transportation Plan regional model validation; assisting FDOT in the development of a dynamic land use allocation model to be used with in socioeconomic data development; and continuing to facilitate involvement of the Pinellas County School Board and Pinellas County Economic Development staff as well as municipal representatives in developing the aforementioned data.
- C. Transportation System Surveillance and Database Management (UPWP TASK 3.2): Work activity anticipated in this task includes all of the data collection, transportation system monitoring and transportation database management activities needed to support the MPO Program. Consultant resources may be used to assist the MPO in all aspects of its system monitoring activities including its ongoing efforts to refine socioeconomic data such as future employment, school enrollment, and seasonal population data. Consultant tasks may also include data collection to assess the performance and

- operations of the transportation facilities and services, such as traffic counts, accident data, vehicle occupancy data, trail usage surveys, and other related activities. The General Planning Consultant may be utilized to assist with some of the related tasks such as the completion of the Congestion Management Process, Safety and Strategic Highway Safety Plan and annual Level of Service Reports.
- D. Financial Resource and Legislative Management (UPWP TASK 3.3): Work activity anticipated in this task includes the identification and evaluation of existing transportation funding sources to ensure availability of funds necessary for the development and implementation of both long and short-range transportation programs. Additional tasks will include, but are not limited to: Analysis of legislative proposals; periodic reports to the MPO; developing position statements; and communications with state and federal legislators and regulatory officials.
- E. Congestion Management Process (UPWP TASK 4.1): MPOs are required to develop and implement a Congestion Management Process (CMP) under both federal and state rules. Consultants may be used to assist the MPO with the implementation of the federal and state mandated CMP including the development of strategy plans for congested roadways/sub-areas, State of the System Report updates; review, evaluation, and refinement of performance measures; continuing monitoring and evaluation of the effectiveness of implemented strategies; assistance with the Regional CMP activities; and integration of congestion and concurrency management strategies through provision of technical support to local governments.
- F. Miscellaneous Technical Studies (UPWP TASK 4.2): The activities associated with this task are included in the MPO's Unified Planning Work Program as studies that are prompted on short notice as the result of a special need identified during the course of carrying out the metropolitan planning program. Illustrative tasks may include special trip generation studies, technical support to other transportation agencies, review and analysis of other planning studies, etc.
- G. Transit Operations Planning (UPWP TASK 4.3): Consultants may be used to assist the MPO and the Pinellas Suncoast Transit Authority with transit operations planning activities including an update to the Five Year Transit Development Plan for the PSTA, assistance with transit corridor planning studies, development of service plans for new transit corridors and under performing routes, route analysis, assistance with promotional and public involvement activities, and implementation of transit-friendly design standards. Consultants may also be utilized to provide services to the Florida Department of Transportation (FDOT) District 7 Public Transportation Office and regional transit planning authorities in their efforts to develop and update public transportation programs and plans for Pinellas County, West Central Florida and the Tampa Bay region.
- H. Transportation Disadvantaged Planning (UPWP TASK 4.4): Consultant tasks may include evaluating services to the transportation disadvantaged population to ensure adequacy of service and compliance with applicable federal and state policies. Tasks may include update of the TD Program Service Plan and Human Services Plan, evaluating and implementing, where feasible, strategies to provide more cost-effective transportation services to the TD Program customers, including Medicaid consumers. Work may also include statistical ridership evaluation and overall effectiveness of the Job Access Reverse Commute and New Freedom programs.
- I. Pinellas Mobility Initiative Planning (UPWP TASK 4.5): Consultants may be used for premium transit planning activities associated with Federal Transit Administration Small Starts and New Starts initiatives or with Pinellas Mobility Initiative Steering Committee activities. Premium transit may include Bus Rapid Transit and fixed guideway technologies. Tasks may include ridership forecasting, route and station planning, feasibility studies, technology analysis, capital resource assessment, operations and maintenance planning, etc.
- J. Bicycle and Pedestrian Planning Program (UPWP TASK 4.6): Consultant tasks may include planning efforts relative to trails, inter/intra-county transportation activities, bike amenities, cross streets, sidewalk and pedestrian improvements, and enhanced bicycle amenities and implementation of MPO Bicycle and Pedestrian Master Plan. Consultant tasks may also include planning and implementation of education, safety and awareness strategies for bicyclist, pedestrians and motorists. Usage studies for off-road facilities may be conducted.
- K. Management and Operations Planning (UPWP TASK 4.7): Consultant tasks may include work associated with the Advanced Transportation Management System (ATMS) plan for Pinellas County that is consistent with federal Intelligent Transportation System requirements. Consultant resources may also be utilized to assist the MPO and its advisory committees in developing and implementing ITS strategies affecting various travel modes.
- L. Transportation Demand Management Planning (UPWP TASK 4.8): Consultant tasks may include assisting the MPO in the implementation and integration of Transportation Demand Management (TDM) programs and strategies to discourage the use of single-occupant vehicle trips, encourage transportation alternatives (e.g., car pooling, riding the bus, telecommuting, bicycling, and walking), reducing congestion and improve air quality in Pinellas County.

- M. Local Government Comprehensive Plan Coordination, Technical Assistance and Livable Communities Planning (UPWP TASK 4.9): This task includes activities associated with the MPO's technical support to the local governments in the development and implementation of local comprehensive plans, concurrency management systems, livable communities initiatives, etc. Consultant tasks may include the provision of data and technical support to local governments in carrying out their comprehensive planning responsibilities for transportation and other related elements. The consultant may also provide assistance, as requested, to local governments in the development of transportation concurrency strategies, the local proportionate fair share ordinance provisions, Transportation Regional Incentive Program (TRIP), review of traffic impact studies, and implementation of multi-jurisdictional concurrency management system applications and livable community land development standards.
- N. Transportation Improvement Program Development and Maintenance (UPWP Task 5.1): This task involves the development of a Transportation Improvement Program (TIP) document that meets federal and state metropolitan planning requirements used in identifying federal, state, and locally funded transportation projects consistent with the MPO Long Range Transportation Plan and ensuring that modifications and/or amendments to the adopted TIP will be coordinated with local Comprehensive Plans. Assist with TIP visualization.
- O. Regional Planning (UPWP Tasks 7.1 and 7.2): This task involves activities associated with regional transportation planning including work on the update or amendment of the West Central Florida regional long range transportation plan, transit plan, multi-use trail element, public participation plan, congestion management process, etc. The consultant may need to coordinate with staff from regional planning and transit agencies, Citrus County, the Polk County TPO and MPOs from Sarasota/Manatee, Pasco, Hernando and Hillsborough. This task may also involve the production of print materials for regional purposes, such as brochures, newsletters, summaries, etc.

**RESPONSE EVALUATION:** All respondents will be evaluated in accordance with Section 287.055(4), F.S., and must be determined by the MPO and the FDOT as qualified to do business in Florida and qualified to perform the advertised work requirements. The above project falls into the selection process so indicated in Chapter 14-75, F.A.C. wherein at least three (3) firms will be requested to submit technical proposals. The contract fee will be negotiated in accordance with Section 287.055, F.S.

Lobbying of MPO employees and elected officials regarding this RFP by any member of a Proposer's staff, or those people who are members of, or employed by, any legal entity affiliated with an organization that is responding to the RFP is strictly prohibited. Such actions may cause your proposal, or the proposal you are supporting, to be rejected.

**SUBCONSULTANT OPPORTUNITY:** Subconsultants that are not pre-qualified by the FDOT shall be subject to compensation restrictions as specified in Chapter 14-75, F.A.C. Any such subconsultant utilized must be technically qualified by the FDOT before work may commence. Preference points will be given in the technical proposal evaluation for certified DBE consultants and non-DBE consultants who propose certified DBE subconsultants.

**NOTIFICATION OF CRIME CONVICTION:** Each applicant shall notify the FDOT within 30 days after a conviction of a contract crime applicable to it or any officers, directors, executive, shareholders active in management, employees, or agents of its affiliates. Under Section 337.164, F.S., the privilege of conducting business with the FDOT shall be denied to applicants so convicted until such applicant is properly reinstated pursuant to Section 337.165, F.S., and Chapter 14-75, F.A.C.

**FEDERAL DEBARMENT:** By signing and submitting a Letter of Response, the consultant certifies that no principal (which includes officers, directors, or executives) is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation on this transaction by any federal department or agency.

**EQUAL OPPORTUNITY AND DISADVANTAGED BUSINESS ENTERPRISE PROGRAM STATEMENT:**

The MPO does not discriminate on any basis, as required by 49 USC 5332 (which prohibits discrimination on the basis of race, color, creed, national origin, sex or age in employment or business opportunity), Title VI of the Civil Rights Act of 1964, as amended 42 USC 2000d to 2000d-4, and Title 49 CFR, Part 21. The MPO ensures, in accordance with 49 CFR Part 26, that certified FDOT Disadvantaged Business Enterprise Program (DBE) participants have an equal opportunity to receive and participate in FDOT assisted contracts. More information on the MPO's DBE Program may be found at [www.pinellascounty.org/library.htm](http://www.pinellascounty.org/library.htm).

**TO RESPOND:** Firms, qualified to conduct business in the State of Florida, are asked to submit five copies of the Proposal to the MPO office and two copies to the FDOT office by 4:30 p.m. (EST), Friday, June 22, 2007. The outside of the envelope containing the Proposal must be marked "PROPOSAL TO PROVIDE GENERAL PLANNING CONSULTANT SERVICES TO THE PINELLAS COUNTY MPO". The MPO will accept no responsibility for proposals not so marked. Proposals are to remain in effect for 90 calendar days from the date of submission. The MPO reserves the right to reject any and all proposals.

Requests for clarification of the requirements or inquiries about information contained in the RFP package must be submitted to Linda Boykin at lboykin@pinellascounty.org by 4:30 p.m. (EST), June 14, 2007. Responses to all questions will be posted at one time by 4:30 p.m., June 15, 2007, on the MPO GPC RFP webpage at www.pinellascounty.org/mpo/gpcrpf.htm.

The complete Request for Proposals (RFP) packet can be obtained from the MPO website, www.pinellascounty.org/mpo/gpcrpf.htm or from the address listed below.

Mail five copies to the MPO:

Linda Boykin  
 Pinellas County Metropolitan Planning Organization  
 600 Cleveland St., Suite 750  
 Clearwater, FL 33755  
 E-MAIL: lboykin@pinellascounty.org  
 Phone: (727)464-8200

Mail two copies to FDOT:

The Florida Department of Transportation  
 Attn: Rebecca Schwarz, MS 7-700  
 Consultant Contract Administrator  
 11201 North McKinley Drive  
 Tampa, FL 33612-6403

**SELECTION PROCESS:** Selection Process: From the received Proposals, a Selection Committee consisting of MPO and FDOT staff shall shortlist a minimum of three firms. Shortlisted firms will be notified by e-mail by 4:30 p.m., July 13, 2007. The selection committee reserves the right to ask for oral presentations from shortlisted firms. Firms will be ranked based upon their understanding of requested services, project approach, technical strength, unique concepts, experience, quality control methods and DBE status. The committee will present their selection, consisting of a minimum of three firms, to the MPO Board for their approval at September 12, 2007, meeting.

**SCHEDULE:** The proposed schedule for this RFP is as follows:

RFP issued	June 1
Questions/Clarifications received by 4:30 p.m.	June 14
Response to questions posted	June 15
RFP Proposals due to MPO by 4:30 p.m.	June 22
Selection Committee meets to shortlist RFPs	July 12 tentative
Shortlisted firms notified by email	July 13 tentative
Section Committee meets, presentations may be asked for	August 16 tentative
Recommendation submitted to MPO Board	September 12
Contract Executed and Notice to Proceed	October 10

The MPO reserves the right to change the above schedule as necessary. Any changes will be posted on the RFP website.

School Board of Brevard County  
 Additions and Renovations at the Merritt Island High School  
 Brevard County  
 Merritt Island, FL

Peter R. Brown Construction, Inc. is currently soliciting qualified subcontractors for the first phase of the Additions and Renovations at Merritt Island High School.

The first phase of this project includes site work and the construction of a two story classroom building, a one story band classroom, a stand-alone chiller building and the partial renovation of an existing building.

- The new classroom building is a two story 29,000 sq. ft. classroom building general classrooms and science classrooms. The exterior wall is tilt-up concrete and the interior walls are a combination of CMU and GWB partitions. Floor separation for this building is hollow core and the roof structure is a steel joist and deck system with built-up roofing. Typical classroom finishes and accessories are included.
- The band classroom is a one-story 4,200 sqft building adjacent to the new classroom building. The exterior walls are tilt-up concrete and the interior walls are a combination of CMU and GWB partitions. Typical music/band finishes and accessories are included.
- A stand-alone 1,200 sqft chiller building with an attached 1,650 sqft cooling tower yard area is included in this phase of construction. The new chiller equipment and associated pumps will be housed in this building to accommodate the load of the new classroom and band building as well as the areas to be renovated within the existing campus buildings (+/- 80% of the campus).
- The partial renovation of the existing Building 7 is included in this phase of work. This includes but is not limited to the following: ADA repairs and/or upgrades, HVAC, electrical technology, fire alarm and intercom upgrades, and the replacement of flooring and ceiling finishes in asbestos-abated areas (abatement by others).

The next phase of the project will be to perform ADA/code upgrades, asbestos abatement, electrical, technology and HVAC replacements for the existing classroom buildings.

Deadline for receipt of All Proposal Packages has been set for 2:00 p.m. on June, 14 2007. Only proposals received on or before the time and date listed will be considered. All proposals received after 2:00 p.m., of the day specified above, will be returned unopened.

All interested subcontractors must be pre-qualified or have completed the pre-qualification process within the last year. Please contact the following person to obtain information or documents about the pre-qualification requirements for this project:

Jenny Sanchez, Estimating Assistant  
 Phone: (727)535-6407 – Fax: (727)539-8485

The School Board of Brevard County and Peter R. Brown Construction, Inc. are committed to provide equal opportunity and strongly encourage all interested MBE, M/WBE and SBE firms to submit proposals.

The School Board of Brevard County and Peter R. Brown Construction, Inc. reserve the right to accept or reject any and all proposals in whole or part and to waive informalities and irregularities.

No verbal instruction or directives will be accepted regarding this project during the proposal period. All instructions or directives must be clarified through written Addenda or Supplements. All questions regarding the work should be directed to the Construction Manager, in writing within seven (7) business days of the proposal due date. The Owner and Architect will not accept calls regarding this project.

St. Petersburg College  
Annex III – Data Center Build-out  
Pinellas County  
Clearwater, FL

Peter R. Brown Construction, Inc. is currently soliciting qualified subcontractors for the St. Petersburg College Annex III Data Center Build-out.

The Scope of Work for this project consists of installing an emergency power system at an existing facility.

The demolition of the existing emergency back-up equipment and the demolition of an existing roof-top HVAC unit and related ductwork.

The emergency power system includes but is not limited to a new 3300-gallon above-ground diesel fuel tank, 900kw pad-mounted generator, 300Kva UPS housing (100Kva installed with expansion capacity for 300Kva) and a 30-minute back-up battery, related automatic transfer switches, panels, equipment racks, wiring and conduit.

Additionally, the existing inergen fire suppression system will be re-routed and modified to accommodate the data center, the existing access floor will be partially replaced, the existing roof will be patched where disturbed by this work, drywall partitions and ceilings will be repaired as needed and all walls inside the existing data room and areas disturbed by this work will be painted.

The deadline for receipt of All Proposal Packages has been set for 2:00 p.m. on July, 10 2007. Only proposals received on or before the time and date listed will be considered. All proposals received after 2:00 p.m., of the day specified above, will be returned unopened.

All interested subcontractors must be pre-qualified or have completed the pre-qualification process within the last year. Please contact the following person to obtain information or documents about the pre-qualification requirements for this project:
