DEPARTMENT OF HEALTH

The Board of Medicine hereby gives notice that it has received a Petition for Declaratory Statement filed on behalf of Bay Area Renal Stone Center and three representatives of its staff physicians, on July 3, 2007. The Petition seeks the Board's opinion as to whether extracorporeal shockwave lithotripsy is considered surgery as set forth in paragraph 64B8-9.009(1)(a), F.A.C. The Board will consider this petition at its meeting scheduled for August 11, 2007, in Ft. Lauderdale, Florida.

Copies of the petition may be obtained by writing: Larry G. McPherson, Jr., Executive Director, Board of Medicine, 4052 Bald Cypress Way, Bin #C03, Tallahassee, Florida 32399-3253.

DEPARTMENT OF EDUCATION

NOTICE TO PROFESSIONAL CONSULTANTS:

The University of Florida Board of Trustees announces that Professional Services in the discipline of mechanical/electrical engineering will be required for the project listed below: Project No. 934274, Boiler No. 4 Replacement, Chilled Water Plant #2.

The project consists of designing a replacement for the 150,000 lbs/hr Boiler No. 4 located in the Chilled Water Plant #2. The scope of the project can be summarized as follows:

- Removal of existing boiler and selected fans, pumps, piping, and accessories.
- Design new 150,000 lbs/hr boiler, fans, pumps, piping, controls, and accessories connected to existing campus loop connections.
- Design Electrical as required for boiler replacement.
- Structural and Architectural work as required for boiler replacement and separation of chiller room with boiler room to meet codes.
- Design new controls integrated with DDC control system.
- Temporary removal and re-build of wall to remove/install boiler equipment.

The estimated construction budget is approximately \$2.0 million however, this is subject to change. The project is planned to be delivered using the Design-Bid-Build (Lump Sum Hard Bid) method.

The selected firm will provide design, construction documents and construction administration services for the referenced project. Blanket professional liability insurance will be required for this project in the amount of \$1,000,000, and will be provided as a part of Basic Services. Plans and

specifications for University of Florida projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes.

Applicants will be evaluated on the basis of their past performance, experience, personnel, design ability, references, workload, and responses to questions posed both in the shortlist and interview phases. The Selection Committee may reject all proposals and stop the selection process at any time.

Applicants desiring to provide professional services for the project shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet, and other background information. The proposal shall be limited to 40 single-sided, consecutively-numbered pages and shall include:

1. A Letter of Application that concisely illustrates the applicant's understanding of the scope of services, design intent, and other goals and considerations as outlined in the Project Fact Sheet and facilities program.
2. Company information and signed certification.
3. A completed, project-specific "Professional Qualifications Supplement" (PQS) proposal with signed certification. Applications on any other form will not be considered.
4. Resumes and copies of the applicant's current Professional Registration Certificate(s) from the appropriate governing board, corporate charter(s) if applicable, LEED certification, and other pertinent credentials.

At the time of application, the applicant must possess current design Professional Registration Certificate(s) from the appropriate governing board; must be properly registered to practice its profession in the State of Florida; and, if the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida. As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected professional must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Unsigned proposals or proposals containing expired or invalid licenses will be disqualified. Submittal materials will not be returned.

The project-specific PQS form, instructions, Project Fact Sheet, facilities program, UF Design Services Guide, UF Construction Standards, standard University of Florida Owner-Professional agreement, and other project and process information can be found on the Facilities Planning & Construction website.

Finalists may be provided with supplemental interview requirements and criteria as needed.

Provide the number of copies prescribed in the Project Fact Sheet. Submittals must be received in the Facilities Planning and Construction office by 3:00 p.m. (Local Time), on Wednesday, August 29, 2007. Facsimile (FAX) submittals are not acceptable and will not be considered.

Notice of Bid/Request for Proposal

NOTICE TO CONSTRUCTION MANAGERS

Florida State University announces that construction management services will be required for the project listed below:

Project No.: FS-264

Project and Location: Ruby Diamond Auditorium Renovation and Expansion

Florida State University, Tallahassee, Florida

The project consists of the design and construction of approximately 50,000 gsf of renovated space and 25,000 gsf of new space. The project will renovate Ruby Diamond Auditorium, in the Westcott Building, transforming it into a premier performance hall. All major building systems will be upgraded, and acoustics and audience chamber architecture will be addressed. An addition to the building will provide a multi-purpose space and a rehearsal hall. Pedestrian access will be enhanced, and nearby handicapped parking and a covered drop-off area will be provided. The construction cost will be approximately \$26,600,000.00.

The contract for construction management services will consist of two phases. Phase one is pre-construction services, for which the construction manager will be paid a fixed fee. Phase one services include value engineering, constructability analyses, development of a cost model, estimating, and the development of a Guaranteed Maximum Price (GMP) at 50% Construction Document phase. If the GMP is accepted, phase two, the construction phase, will be implemented. In phase two of the contract, the construction manager becomes the single point of responsibility for performance of the construction of the project and shall publicly bid trade contracts, encouraging the inclusion of Minority Business Enterprises (MBEs). Failure to negotiate an acceptable fixed fee for phase one of the contract, or to arrive at an acceptable GMP within the time provided in the agreement may result in the termination of the construction manager's contract.

Selection of finalists for interviews will be made on the basis of construction manager qualifications, including experience and ability; past experience; bonding capacity; record-keeping/administrative ability, critical path scheduling expertise; cost estimating; cost control ability; quality control capability; and qualifications of the firm's personnel, staff and consultants. Finalists will be provided with the latest documentation prepared by the project architect/engineer, a description of the final interview requirements and, if requested, a copy of the standard Florida State University's construction management agreement. The Selection Committee may reject all proposals and stop the selection process at any time. The construction manager shall have no ownership, entrepreneurial or financial affiliation with the selected architect/engineer involved with this project.

Instructions:

Firms desiring to provide construction management services for the project shall submit a letter of application and the completed Florida State University "Construction Manager Qualifications Supplement." Proposals must not exceed 80 pages, including the Construction Manager Qualifications Supplement and letter of application. Pages must be numbered consecutively. Submittals which do not comply with these requirements or do not include the requested data will not be considered. No submittal material will be returned.

All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application. As required by Section 287.133, Florida Statutes, a construction management firm may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected construction management firm must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$50,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

The Florida State University Construction Manager Qualifications Supplement forms and the Project Fact Sheet may be obtained through the website at www.fpc.fsu.edu or by contacting: Lynetta Mills, Facilities Design and Construction, 109 Mendenhall Maintenance Building A, Florida State University, Tallahassee, Florida 32306-4152, (850)644-2843 telephone, (850)644-8351 facsimile.

For further information on the project, contact Lisa Durham, Sr. Project Manager, at the address and phone listed above.

Five bound copies of the required proposal data shall be submitted. Submittals must be received at the address listed above by 2:00 p.m. (Local Time), on Friday, August 17, 2007. Facsimile (FAX) or electronic submittals are not acceptable

and will not be considered. All applicants will be notified of the results of the short listing via the Facilities Design and Construction web site at www.fpc.fsu.edu.

**Notice of Bid/Request for Proposal
FOR PROFESSIONAL SERVICES**

The University of South Florida announces that Professional Services in the discipline of Architecture will be required for the project listed below:

PROJECT NUMBER: 534

PROJECT AND LOCATION: Interdisciplinary Science Teaching and Research Facility (ISA), University of South Florida, Tampa Campus, Tampa, Florida.

PROJECT DESCRIPTION:

The Interdisciplinary Science Teaching and Research Facility (ISA) is planned to consist of the design and construction of a new, approximately 140,700 NASF (234,500 GSF) multi-story facility to accommodate upper and lower division interdisciplinary teaching and research needs of the University. The facility is planned to include research labs (52,000 NASF); teaching labs (36,400 NASF); classrooms (11,000 NASF); office space (9,000 NASF); study areas (1,000 NASF) and shell space (31,300 NASF). Components within the facility shall include two 300-seat lecture halls, a Bio-nano Research Laboratory, an Imaging Center, and a Nuclear Magnetic Resonance (NMR) facility, among other specialized laboratories. The construction budget is estimated to be approximately \$68,300,000 including site development and hurricane hardening. Project development, including professional services, is contingent upon availability of funds. If additional funding is realized, the University has the option to incorporate additional scope/funding under this contract including completion of shell space. The construction delivery method is anticipated to be Construction Management.

The selected firm will provide planning, design, construction documents, construction administration and post-occupancy services for the project in coordination with the 2005 USF Tampa Campus 10 Year Master Plan update and USF standards for design and construction. The University is seeking to hire a consultant team with extensive experience in interdisciplinary science teaching and research facility design. All disciplines required for the design of the facility are to be provided for this project under the contract with the selected firm, including architecture, engineering, interior design and any specialty consultants. Consultant services for design expertise unique to the Interdisciplinary Science Teaching and Research Facility (ISA) may be provided by specialty design consultants. Firm submittals should include descriptions of experience and knowledge of Sustainable Design and Hurricane Hardening. The design and construction administration services by the selected team shall facilitate the facility needs, and accomplishing those needs within the mandatory project schedule in order to meet occupancy requirements for this

project. The selected firm will be required to provide computer drawings according to the standards of the University of South Florida, including computer record drawings reflecting as-built conditions to facilitate the University's space management program. Blanket professional liability insurance will be required for this project in the amount of \$3,000,000, and will be provided as a part of Basic Services. It is the University's responsibility to negotiate a fair, competitive, and reasonable compensation per Section 287.055, F.S. A fair, competitive and reasonable compensation shall be evaluated based upon the following information: (1) Compensation on similar projects; (2) other compensation reference data; and (3) after approval of the ranking, proposals requested from the short-listed firms based upon a scope of services document to be provided at the time of negotiations. Selection of finalists for interview will be made on the basis of professional qualifications of the proposed design team, including experience and ability to meet the project requirements and the goals and objectives of the University's Strategic Plan; past experience; design ability; volume of work; and distance from project. The distance factor for this project will provide a maximum of one point difference in scoring for location between in-state and out-of-state applicants. As part of the University of South Florida's Strategic Plan, USF made a commitment to foster a diverse community distinguished by a shared purpose, collaboration, open and timely communication, mutual respect, trust, and inclusiveness. The University of South Florida is an equal opportunity institution, and, as such, strongly encourages the lawful use of certified Minority and Women-owned Business Enterprises ("MBEs") in the provision of design and construction-related services by providing a fair and equal opportunity to compete for, or for participation in, design and/or construction-related services.

The plans and specifications for the University of South Florida projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$25,000 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

INSTRUCTIONS:

Firms desiring to apply to provide professional services shall submit one (1) original submittal and six (6) bound copies consisting of the information as required in the "Submittal Requirements" of the Project Fact Sheet including a letter of interest, a completed "USF Professional Qualifications Supplement (PQS)" dated July 2007 for the Interdisciplinary Science Teaching and Research Facility (ISA) and any required or additional information within the proposal limits.

Applications on any other form will not be considered. Submittals are part of the public record. All applicants must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida. Applications which do not comply with the above instructions may be disqualified. Application materials will not be returned.

The "Professional Qualifications Supplement (PQS)" for the Interdisciplinary Science Teaching and Research Facility (ISA), dated July 2007, and "Project Fact Sheet", which includes project information and selection criteria, may be obtained by contacting: Kathy Bennett, Contracts Administrator, University of South Florida, Facilities Planning and Construction, via e-mail at kbennett@admin.usf.edu, by mail at 4202 East Fowler Avenue, FPC110, Tampa, Florida 33620-7550, or by phone at (813)974-3098, (813)974-2625.

Interested firms are invited and encouraged to attend a Pre-Submittal Meeting at 2pm Eastern Time, on Monday, July 30, 2007 at the University of South Florida, Theater II Building (THR) to review the scope and requirements of this project. The University address is 4202 East Fowler Avenue, Tampa, Florida 33620-7550. The Theater II Building is located on campus at 3829 USF Holly Drive. Requests for meetings by individual firms will not be granted.

No verbal communication shall take place between the applicants and the employees of the University of South Florida except as provided at the Pre-Submittal Meeting, the Pre-Interview Meeting and the request for the PQS and Fact Sheet. Requests for any project information must be in writing to the above e-mail address. The Selection Committee may reject all proposals and stop the selection process at any time.

One (1) original and six (6) copies of the requested submittal data, bound in the order listed in the "Submittal Requirements" of the Project Fact Sheet shall be addressed to:

Michael L. Walden, Project Manager
Facilities Planning and Construction
University of South Florida
4202 East Fowler Avenue, FPC 110
Tampa, Florida 33620-7550.

Applications that do not comply with the above instructions may be disqualified.

Submittals must be received in the University of South Florida, Facilities Planning and Construction office, FPC110 by 2:00 p.m. (Eastern Time), Friday, August 17, 2007 Facsimile (FAX) or electronic submittals are not acceptable and will not be considered.

REQUEST FOR PROPOSAL
 Florida Vehicle Procurement Program
 FVPP-08-MV – FVPP-08-SC

Notice is hereby given that Henry J. Cusack, representing the Florida Vehicle Procurement Program (FVPP), University of South Florida, Center for Urban Transportation Research will receive sealed proposals on behalf of agencies within the state of Florida, herein referred to as the “Purchasers” to establish a statewide contract for the manufacture and delivery of the following 2007 model year vehicle types:

	Minimum	Maximum
Small Cutaway Type Vehicles	0	500
Extended Low Floor Van Type Vehicles	0	500

The quantities reflect the immediate and foreseeable needs of agencies within Florida and were determined by using the most recent State of Florida Program of Projects, historical data from previous FVPP contracts, and Agency (s) vehicle replacement schedules. All or part of the quantity of vehicles stated herein may be assigned to other public transit agencies desiring to purchase the same equipment specified in Part 2 of this solicitation. The FVPP reserves the right to reject any and all proposals, or any part of any or all proposals.

Copies of the RFP may be obtained from: Henry J. Cusack, FVPP Project Administrator, University of South Florida, Center for Urban Transportation Research, 4202 E. Fowler Ave., CUT 100, Tampa, Florida 33620, or by telephone at (813)974-7834. The proposal may also be downloaded from our website at <http://www.cutr.usf.edu/fvpp/>.

Sealed proposals in original and five (5) copies must be received at the above address (Attn: Lisa Staes) not later than 4:00 p.m. (EST), August 22, 2007.

A MANDATORY pre-proposal meeting will be held at 11:00 a.m. (EST), on July 31, 2007 at Big Bend Transit, 2201 Eisenhower Street, Tallahassee, Florida 32399. The purpose of this meeting is to answer questions and discuss specifications/clarifications relative to the RFP. Interested proposers are required to attend this meeting. Subcomponent vendors are welcome but are not required to attend.

The successful proposer will be required to comply with all Equal Opportunity Laws and Regulations, Buy America Laws, Chapter 287 of the Florida Statutes and other applicable Federal and State regulations.

Notice of Bid/Request for Proposal
 NOTICE TO CONSTRUCTION MANAGERS

The Florida International University Board of Trustees announces that construction management services will be required for the project listed below:

Project Name and Number: College of Nursing and Health Sciences (Molecular Biology)/Health Sciences Laboratory Clinic, BT-833

Project Location: This facility will be located at Florida International University, University Park.

Project Description: The Project consists of site improvements and the construction of a multi-story educational facility sited north of the Heath and Life Sciences II Bldg. located on the northeast quadrant of University Park campus. The new building will straddle the Avenue of the Sciences creating a “Gateway” to the future Academic Health Science Center. The building will accommodate the College of Nursing and Health Science programs consisting of classrooms, simulation/teaching laboratories, conference/seminar rooms, computer labs, student academic support areas, administrative/faculty offices and support services/facilities. In addition, the new building will include standard general classrooms and wet lab spaces for an approximate total gross square feet of 101,000. The total construction budget is approximately \$34 million.

The contract for construction management services will consist of two phases. Phase one is pre-construction services, for which the construction manager will be paid a fixed fee. Phase one services include value engineering, construct ability analysis, development of a cost model, estimating, and the development of a Guaranteed Maximum Price (GMP) at 100% Construction Document phase. If the GMP is accepted, phase two, the construction phase, will be implemented. In phase two of the contract, the construction manager becomes the single point of responsibility for performance of the construction of the project and shall publicly bid trade contracts. Failure to negotiate an acceptable fixed fee for phase one of the contract, or to arrive at an acceptable GMP within the time provided in the agreement may result in the termination of the construction manager's contract. Selection of finalists for interviews will be made on the basis of construction manager qualifications, including experience and ability; past experience; bonding capacity; record-keeping/administrative ability, critical path scheduling expertise; accelerated construction scheduling; cost estimating; cost control ability; quality control capability; and qualification of the firm’s personnel, staff and consultants. Finalists will be provided with a copy of the building program, a description of the final interview requirements, and a copy of the standard construction management agreement. The Selection Committee may reject all proposals and stop the selection process at any time. The construction manager shall have no ownership, entrepreneurial or financial affiliation with the selected architect/engineer involved with this project.

Firms desiring to provide construction management services for the project shall submit a letter of application and a completed Construction Manager Qualifications Supplement form. Proposals must not exceed 80 pages, including the Construction Manager Qualifications Supplement and letter of application. Pages must be numbered consecutively. Submittals, which do not comply with these requirements or do not include the requested data, will not be considered. No submittal material will be returned.

All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application. As required by Section 287.133, Florida Statutes, a construction management firm may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected construction management firm must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

The Construction Manager Qualifications Supplement (CMQS) form and the Project Fact Sheet may be obtained from the web-site <http://facilities.fiu.edu> (find project under Selection Process Information). Requests for meetings by individual firms will not be granted. Once the firm acquires the required forms, questions may be directed to Facilities Planning at (305)348-4090.

Six (6) bound copies of the required proposal data will be submitted to: Selection Committee, Facilities Planning, Florida International University, University Park, CSC 236, Miami, Florida 33199.

Submittals must be received by 2:00 p.m. (Local Time), August 10, 2007. Facsimile (FAX) submittals are not acceptable and will not be considered.

Notice of Bid/Request for Proposal

NOTICE TO PROFESSIONAL CONSULTANTS

Florida International University Board of Trustees announces that Professional Services in the discipline of Architecture will be required for the project listed below:

Project Name and Number: Parking Garage Five (BT-865)/Retail/Public Safety (BT-875)

Project Description: The project consists of the design and construction of a multilevel open garage for approximately 1,441 cars and related site, utility, roadwork and 150 gross square feet of parking garage support space. To be included in the garage will be 25,000 gross square feet of retail space (shell only) and 9,065 gross square feet of office space for the FIU public Safety Department. Consideration of a future phase of approximately 6,300 gross square feet for Public Safety future expansion will be planned as a part of the project.

INSTRUCTIONS:

Firms desiring to apply for consideration shall submit a letter of application.

The letter of application should have attached:

1. A completed Board of Regents "Professional Qualifications Supplement (SUSPQS)," dated September 1999. Applications on any other form will not be considered.

2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board.

An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be properly chartered by the Florida Department of State to operate in Florida.

Submit six (6) copies of the above requested data bound in the order listed above. Applications that do not comply with the above instructions will not be considered. State of Florida Minority Business Enterprise certification is no longer requested. Application material will not be returned.

The plans and specifications for A/E projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Professional Qualifications Supplement and the Project Fact Sheet forms may be obtained on-line at <http://facilities.fiu.edu> Requests for meetings by individual firms will not be granted.

Submit qualifications to: Selection Committee, Florida International University, Facilities Planning, Campus Support Complex, Room 236, University Park, Miami, Florida 33199, by 2:00 p.m. (Local Time), on August 17, 2007. Late submittals shall be disqualified. Facsimile (FAX) submittals are not acceptable and will not be considered.

BOARD OF TRUSTEES OF THE INTERNAL IMPROVEMENT TRUST FUND

Notices for the Board of Trustees of the Internal Improvement Trust Fund between December 28, 2001 and June 30, 2006, go to <http://www.dep.state.fl.us/> under the link or button titled "Official Notices."

EXECUTIVE OFFICE OF THE GOVERNOR

The Volunteer Florida Foundation is issuing a Request for Proposals. Funding is offered to organizations that wish to operate a My Safe Florida Home, Non-Profit, Program to strengthen homes of low-income Floridians against future damage from disaster. The program will be responsible for identifying eligible homeowners, assisting them through the registration process, negotiating services, and completing the mitigation project in accordance with Section 215.5586, F.S. Proposals will be due August 20, 2007. Eligibility requirements and guidance for submitting a proposal are

available at www.fladisasterfund.org. If you have questions about the RFP or need alternative formats, please contact fladisasterfund@volunteerflorida.org.

WATER MANAGEMENT DISTRICTS

Notice of Bid/Request for Proposal
RFP06/07-051LM Audit

The Suwannee River Water Management District (SRWMD) announces its interest in obtaining proposals for audit and certification that its SFI Program conforms to the 2005-2009 Edition of the Sustainable Forestry Initiative® Standard. SRWMD manages approximately 160,000 acres of forestland in the State of Florida. The audit and verification will apply to Suwannee River Water Management District’s SFI Program implementation in the State of Florida, including its forestland management and other related activities that are covered by the SFI Standard.

SRWMD has also developed a program for measuring success called Excellence in Land Management (ELM). The District would negotiate inclusion of this standard into the audit based on a mutual determination of readiness.

This project should follow the schedule below:

- July 13, 2007 Release of Request for Proposals (RFP).
- August 1, 2007 Contractor Registration Forms must be received by the District by 9:00 a.m.
- August 10, 2007 All questions must be received by the District in writing no later than 4:00 p.m.
- August 17, 2007 Proposals due prior to 4:00 p.m., at District Headquarters in Live Oak. Opening of proposals will occur at this time and date. *
- August 31, 2007 Selection of Qualified Firm(s) at 3:30 p.m., at District Headquarters in Live Oak. *
- September 7, 2007 Presentations (if requested) by Top Ranked Firms starting at 8:30 a.m., at District Headquarters in Live Oak. *
- October 9, 2007 Governing Board Approval of Selected Firm(s) at 9:00 a.m., at District Headquarters. *

Request for Proposals Documents (RFP 06/07-051LM) are available on the District’s website at <http://www.mysuwannee.com/services/bids+and+contracts>. Persons interested in submitting qualifications for this project should return those completed documents to Gwen Lord, Administrative Assistant, Suwannee River Water Management District, 9225 County Road 49, Live Oak, Florida 32060. For more information or assistance contact Gwen Lord at (386)362-1001 or 1(800)226-1066 (Florida only).

EXPRESSWAY AUTHORITIES

REQUEST FOR PROPOSALS

MDX PROCUREMENT/contract NO.: RFP-07-01 – MDX WORK PROGRAM NO.: 10007.030/10009.030/10010.030

The Miami-Dade Expressway Authority (“MDX” or “Authority”) requires the services of a qualified Design-Build Firm to implement an Advanced Traffic Management System (“ATMS”) on certain MDX Roadways. The Work consists of, but is not limited to, providing all design, labor, maintenance of traffic schemes, materials, equipment and incidentals necessary to actively manage traffic on SR 112 (Airport Expressway) from Le Jeune Road to Interstate 95 (I-95), SR 924 (Gratigny Parkway) from SR 826 (Palmetto Expressway) to N. W. 27th Avenue, SR 874 (Don Shula Expressway) from SR 826 to Homestead Extension of Florida’s Turnpike (HEFT), and SR 878 (Snapper Creek Expressway) from SR 874 (Don Shula Expressway) to U.S. 1 (South Dixie Highway). Please refer to the Solicitation Documents for all prequalification requirements for this Project. MDX notifies all Proposers and individuals that it requires and encourages small, minority and women-owned businesses to have full opportunity to submit a response to any Solicitation Document issued by MDX. For copies of the RFP with complete information on the scope of services as well as submittal requirements, please log onto our web site: www.mdx-way.com or call MDX Procurement Office at (305)637-3277. Please note: In order to download any MDX solicitations, you must register as a vendor. The vendor registration can only be done through MDX’s website. The deadline for submitting a Technical Proposal is August 14, 2007, by 2:00 p.m. (Eastern Time). A Mandatory Pre-Proposal Conference will be scheduled. Please check the Solicitation Documents or with MDX Procurement Office for the date and time. Failure by a Design-Build Firm to attend and/or be represented at the Pre-Proposal Conference shall result in its Technical Proposal being deemed non-responsive.

DEPARTMENT OF MANAGEMENT SERVICES

Notice of Bid/Request for Proposal
FOR GENERAL OR ROOFING CONTRACTORS
PROPOSALS ARE REQUESTED FROM QUALIFIED GENERAL OR ROOFING CONTRACTORS BY THE DEPARTMENT OF MANAGEMENT SERVICES HEREINAFTER REFERRED TO AS OWNER, FOR THE RE-ROOFING OF:
PROJECT NUMBER: MSFM-26005078
PROJECT NAME: Replace Dome Roof Membrane The Capitol Building
