**NOTICE TO PROFESSIONAL CONSULTANTS:**

The University of Florida Board of Trustees announces that Professional Services in the discipline of architecture will be required for the project listed below:

Project: UAA-20, Lacrosse Locker Room Facility, Gainesville, Florida

The project consists of programming, planning and site review for new construction of two practice fields, one for soccer and one for lacrosse, one competition field fully lit for lacrosse, grandstand capacity seating for 1,000 to 1,500 with press box, restrooms and concessions stand, building to include locker rooms for two teams, and meeting rooms. Alternative options to the aforementioned plan with regard to specific location of site will be considered. Upon completion of the program and budget, design services will follow as a second phase. The project will be delivered using the Construction Manager At-Risk method. Silver LEED (Leadership in Energy and Environmental Design) certification by the U.S. Green Building Council is mandatory.

The selected firm will provide design, construction documents and construction administration services for the referenced project. Blanket professional liability insurance will be required for this project in the amount of \$1,000,000, and will be provided as a part of Basic Services. Plans and specifications for University of Florida projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes.

Applicants will be evaluated on the basis of their past performance, experience, personnel, design ability, references, workload, and responses to questions posed both in the shortlist and interview phases. The Selection Committee may reject all proposals and stop the selection process at any time.

Applicants desiring to provide professional services for the project shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet, and other background information. The proposal shall be limited to 40 single-sided, consecutively-numbered pages and shall include:

1. A Letter of Application that concisely illustrates the applicant's understanding of the scope of services, design intent, and other goals and considerations as outlined in the Project Fact Sheet and facilities program.
2. Company information and signed certification.
3. A completed, project-specific "Professional Qualifications Supplement" (PQS) proposal with signed certification. Applications on any other form will not be considered.
4. Resumes and copies of the applicant's current Professional Registration Certificate(s) from the appropriate governing board, corporate charter(s) if applicable, LEED accreditation, and other pertinent credentials.

At the time of application, the applicant must possess current design Professional Registration Certificate(s) from the appropriate governing board; must be properly registered to practice its profession in the State of Florida; and, if the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida. As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected professional must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Unsigned proposals or proposals containing expired or invalid licenses will be disqualified. Submittal materials will not be returned.

The project-specific PQS form, instructions, Project Fact Sheet, facilities program, UF Design Services Guide, UF Construction Standards, standard University of Florida Owner-Professional agreement, and other project and process information can be found on the Facilities Planning & Construction website.

Finalists may be provided with supplemental interview requirements and criteria as needed.

Provide the number of copies prescribed in the Project Fact Sheet. Submittals must be received in the Facilities Planning and Construction office by 3:00 p.m. (Local Time), on Friday, October 19, 2007. Facsimile (FAX) submittals are not acceptable and will not be considered.

#### NOTICE TO PROFESSIONAL CONSULTANTS:

The University of Florida Board of Trustees announces that Professional Services in the disciplines of architecture and engineering for Total Building Commissioning will be required for the project listed below:

Project No. UF-313

Project and Location: College of Veterinary Medicine Veterinary Education and Clinical Research Center; University of Florida, Gainesville, Florida.

This project is an expansion of the College of Veterinary Medicine Small Animal Hospital. The proposed project is envisioned as a 3 story 93,000 gross square foot addition to the Small Animal Hospital (SAH). This will allow the SAH to relieve space deficiencies, which are currently causing a less efficient hospital function. In addition, the proposed growth will allow the SAH to increase its caseload, provide a new linear accelerator facility, and to create a healthier environment for patients and clinicians. The scope of services shall include design phase peer review, development of the Commissioning Plan and Commissioning Specifications, and construction phase pre-functional, functional, and performance testing for mechanical, electrical, building automation, process utilities and building envelope systems. The consultant shall also support project efforts to attain minimum Silver LEED certification.

Blanket professional liability insurance will be required for this project in the amount of \$1,000,000.

#### INSTRUCTIONS:

Firms desiring to apply for consideration shall submit a proposal only after thoroughly reviewing the conceptual facilities program, Project Fact Sheet for Commissioning Agent Consultants, and other background information. The proposal shall be limited to 20 single-sided pages and shall include:

1. A Letter of Application that concisely illustrates the applicant's understanding of the scope of services.

2. A completed Commissioning Services Proposal Form using the project-specific version available at the UF Facilities Planning and Construction website. Applications on any other form will not be considered.
3. Resumes and copies of the applicant's current Professional Registration Certificate(s) from the appropriate governing board, corporate charter(s) if applicable, LEED accreditation, and other pertinent credentials.

At the time of application, the applicant must possess current design Professional Registration Certificate(s) from the appropriate governing board; must be properly registered to practice its profession in the State of Florida; and, if the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida. As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected applicant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Unsigned proposals or proposals containing expired or invalid licenses will be disqualified. Submittal materials will not be returned.

The Commissioning Services Proposal Form, Project Fact Sheet, UF Design Services Guide, UF Design and Construction Standards, standard University of Florida Owner-Commissioning Agent agreement, and other project and process information can be found on the Facilities Planning & Construction website. Finalists may be provided with supplemental interview requirements and criteria as needed.

Provide the number of copies prescribed in the Project Fact Sheet. Submittals must be received in the UF Facilities Planning and Construction Division office by 3:00 p.m. (Local Time), Thursday, October 18, 2007. Facsimile (FAX) submittals are not acceptable and will not be considered.

## Notice of Bid/Request for Proposal

Hardee, Highlands, Okeechobee Counties Community

Transportation Coordinator Request for Letters of Interest

The Central Florida Regional Planning Council is seeking letters of interest and statements of qualifications from agencies or firms interested in coordinating transportation services for the Transportation disadvantaged in the multi-county service area of Hardee, Highlands, and Okeechobee, Florida. The selected contractor will be the designated Community Transportation Coordinator for Florida's Transportation Disadvantaged Program, as authorized by Chapter 427, Florida Statutes, and more fully described in Chapter 41-2 of the Florida Administrative Code. Experience with eligibility-based transportation services is required.

The Community Transportation Coordinator is defined by Chapter 427, Florida Statutes, as a transportation entity recommended by the appropriate designated official planning agency to ensure that coordinated transportation services are provided to the transportation disadvantaged population in a designated service area. The Community Transportation Coordinator has full responsibility for the delivery of transportation services for the transportation disadvantaged as outlined in Section 427.015(2), F.S.

The transportation disadvantaged are defined by Chapter 427, Florida Statutes as "those persons who because of physical or mental disability, income status, or age are unable to transport themselves or purchase transportation and are, therefore, dependent upon others to obtain access to health care, employment, education, shopping, social activities, or other life sustaining activities, or children who are handicapped or high-risk or at-risk as defined in Section 411.202, F.S."

Interested agencies or firms are required to provide proof of qualifications in the following areas: coordination experience, scheduling and routing software used by the agency/firm, contracting with transportation providers, vehicle acquisition, and grant applications and administration. Letters of interest and qualifications should be limited to four (4) pages.

Potential coordinators should submit their expression of interest and qualifications in a sealed envelope to: Central Florida Regional Planning Council, Attention: Patricia M. Steed, Executive Director, 555 E. Church Street, Bartow, FL 33830. Letters must be marked, "LETTER OF INTEREST AND QUALIFICATIONS FOR HARDEE, HIGHLANDS, AND OKEECHOBEE COUNTIES COMMUNITY TRANSPORTATION COORDINATOR." Letters of interest and qualifications must be received by 4:00 p.m., Friday, October 12, 2007.

Faxed and e-mailed responses will not be accepted. Late letters will be returned unopened with the notation, "This letter of interest was received after the delivery time designated for receipt and opening in the legal notice." Only responses to the

request for letters of interest will be considered if a request for proposals is issued for Community Transportation Coordinator. The Central Florida Regional Planning Council reserves the right to accept or reject any and all responses in the best interest of the service area and the State.
