**NOTICE OF FILING OF APPLICATION FOR POWER
 PLANT CERTIFICATION**

On December 13, 2007, the Department of Environmental
 Protection received an application for certification of a power
 plant pursuant to the Florida Electrical Power Plant Siting Act,
 Section 403.501 et seq., Florida Statutes, concerning Florida
 Power & Light’s, St. Lucie Plant, Power Plant Siting
 Application No. 74-02A2, OGC Case No. 07-2624. The
 Department is reviewing the application to allow a 206
 megawatt expansion of its existing St. Lucie nuclear power
 plant located in St. Lucie County. A copy of the application for
 certification is available for review in the office of Mike
 Halpin, P.E., Siting Coordination Office, Department of
 Environmental Protection, 2600 Blair Stone Road, M.S. 48,
 Tallahassee, Florida 32399-2400, (850)245-8002. Pursuant to
 Section 403.507, F.S., and Chapter 62-17, Florida
 Administrative Code, statutory parties to the site certification
 proceeding should review the application and submit their
 reports and recommendations. In the future, a proposed
 certification hearing date will be announced. Pursuant to
 Section 403.508(3), F.S., parties to the proceeding shall include
 the applicant, the Public Service Commission, the Department
 of Community Affairs, the Fish and Wildlife Conservation
 Commission, the Water Management District, the Department
 of Environmental Protection, the Regional Planning Council,
 the local government, and the Department of Transportation.
 Any party listed in Section 403.508(3)(a), F.S., other than the
 Department of Environmental Protection or the applicant may
 waive its right to participate in these proceedings if such party
 fails to file a notice of its intent to be a party on or before the
 90th day prior to the certification hearing. In addition,
 notwithstanding the provisions of Chapter 120, F.S., upon the
 filing with the administrative law judge of a notice of intent to
 be a party no later than 75 days after the application is filed, the
 following shall also be parties to the proceeding: any agency
 not listed in Section 403.508(3)(a), F.S. as to matters within its
 jurisdiction; any domestic nonprofit corporation or association
 formed, in whole or in part, to promote conservation or natural

beauty, to protect the environment, personal health, or other biological values, to preserve historical sites, to promote consumer interests; to represent labor, commercial, or industrial groups, or to promote comprehensive planning or orderly development of the area in which the proposed electrical power plant is to be located. Other parties may include any person, including those persons listed herein who have failed to timely file a notice of intent to be a party, whose substantial interests are affected and being determined by the proceeding and who timely file a motion to intervene pursuant to Chapter 120, F.S., and applicable rules. Intervention pursuant to this paragraph may be granted at the discretion of the designated administrative law judge and upon such conditions as he or she may prescribe any time prior to 30 days before the commencement of the certification hearing. Motions to intervene must be filed (received) with the Administrative Law Judge assigned to the case by the Division of Administrative Hearings, The Desoto Building, 1230 Apalachee Parkway, Tallahassee, Florida 32399-1550, prior to 30 days before the date of the certification hearing. Any agency, including those whose properties or works are being affected pursuant to Section 403.509(4), F.S., shall be made a party upon the request of the department or the applicant. Pursuant to Section 403.508(6), F.S., if all parties to the proceeding stipulate that there are no disputed issues of fact or law to be raised at the certification hearing, the certification hearing may be cancelled.

**NOTICE OF RECEIPT OF APPLICATION FOR
TRANSMISSION LINE CERTIFICATION**

The Department has received an application for certification of a transmission line pursuant to the Transmission Line Siting Act, Section 403.52 et seq., Florida Statutes, concerning:
Progress Energy and Tampa Electric Company
Lake Agnes – Gifford
Transmission Line Siting Application No. TA07-16
OGC Case No. 07-2216
DOAH Case No. 07-569ITL

The Department is reviewing the application to allow construction and operation of a 230 Kilovolt (KV) transmission line connecting Tampa Electric Company's Lake Agnes Substation in Polk County to Progress Energy Florida's planned Gifford Substation in Orange County. The total length of the proposed transmission line corridor to be certified is approximately 27.5 miles. DEPARTMENT OF JUVENILE JUSTICE

The Florida Department of Juvenile Justice has posted two revised policies for review and comment on MyFlorida.com at: http://www.djj.state.fl.us/policies_procedures/policyreview.html. Development and Review of Policies (FDJJ 1000 - revised, department-wide policy type B) establishes that it is the policy of the Department of Juvenile Justice to formally review and approve all new or revised policies. Mobile Devices (FDJJ 1230 - revised, department-wide policy type B) addresses the fact that the use of mobile computing and storage

devices poses increases risks to the devices themselves, the information they contain and to all Department of Juvenile Justice Information Technology Resources. The confidentiality, integrity, and availability of those resources must be protected. Appropriate security controls must be in place to mitigate security risks presented by the use of mobile devices. Each of these policies is posted for a single 20 working day review and comment period, with the closure date for submission of comments on each policy of January 28, 2008. Responses to comments received will be posted during the review period to the extent possible, but no later than 10 working days after the end of the review period on the above Website.
