#### 9J-42.001 Purpose and Effect.

The purpose of this chapter is to establish the due dates for the third round of evaluation and appraisal reports due to be adopted by the local governing body and sent to the department pursuant to Section 163.3191, Florida Statutes. The evaluation and appraisal report is the principle process for updating local comprehensive plans to reflect changes in local conditions and state policy on planning and growth management. Municipal reports adoption due dates are generally 1 year to 18 months later than the report adoption date for the county in which those municipalities are located. The schedule divides the workload for the department over the submittal period and meets the required local governments deadlines set in Section 163.3191, Florida Statutes. Local governments which fail to submit their adopted report by their scheduled due date are subject to provisions of subsection 163.3187(6), Florida Statutes.

#### 9J-42.002 Relationship to Previous Rule and Schedules.

Rule Chapter 9J-33, F.A.C., effective March 24, 1994, establishes due dates for the first round of evaluation and appraisal reports due between November 1, 1995 and February 1, 1999 for local governments over 2,500 persons and between August 1, 2000 and February 1, 2004 for local governments with fewer than 2,500 persons. In 1998, the evaluation and appraisal report requirements were substantially revised by Section 14, 1998-176, Laws of Florida. One effect of these revisions was to eliminate the need for local governments with fewer than 2,500 persons to adopt an evaluation and appraisal report during the first round. Chapter 9J-33, F.A.C., was amended on March 23, 1999 to reflect this change. These smaller municipalities were included in the schedule for the second round of evaluation and appraisal reports due between November 1, 2003 and June 1, 2011, published by the department in the Florida Administrative Weekly on September 21, 2001 and subsequently amended on July 9, 2004.

Rulemaking Authority 163.3191(1), 163.3191(9), 163.3191(12) FS. Law Implemented 163.3191 FS. History—New \_\_\_\_\_.

<b>RULE NOS.:</b>	<b>RULE TITLES:</b>
40D-22.201	Year-Round Water Conservation Measures
40D-22.401	Enforcement

PURPOSE AND EFFECT: To make more consistent the year-round water conservation regulations relating to landscape irrigation among the District, the St Johns River

Water Management District (SJRWMD) and the South Florida Water Management District (SFWMD). Consistency of regulations will promote compliance and more efficient enforcement of the regulations especially in areas where counties or municipalities are located in more than one water management district. In December 2008, the Board approved adoption of the proposed amendments pending adoption by the other Districts of consistent year-round regulations. SJRWMD has adopted its rules. Because there will be a delay in rule adoption for the SFWMD, this District's Board authorized completion of this rulemaking.

SUMMARY: The proposed amendments approved by the Board in December 2008 provide (1) a maximum of twice-per-week watering with specified days for residential properties, (2) a separate twice-per-week watering schedule for nonresidential properties, (3) uniform allowable watering hours for all property types and sources of water, including reclaimed water, (4) modification of the establishment period allowance for new plant material, (5) clarification regarding what constitutes one complete irrigation application, (6) clarification regarding the need to improve the efficiency of reclaimed water, (7) requirements for rain sensors, (8) provisions governing operation of fountains and augmentation of water bodies, and (9) a provision for review of a local government's proposed ordinance that includes different year-round measures prior to approval of the ordinance by the applicable city council or county commission.

(c) The decisionmaker must render a written decision to the AAA and each party protesting the award within 30 calendar days after the hearing.

## AGENCY FOR HEALTH CARE ADMINISTRATION

### Health Facility and Agency Licensing

RULE NO.: 59A-3.2085  
RULE TITLE: Department and Services

PURPOSE AND EFFECT: This rule revision will clarify application procedures and forms to be used in licensure of hospital adult cardiovascular services programs.

SUMMARY: The Agency proposes to revise rules governing licensure of hospital adult cardiovascular services programs and incorporate license application forms.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS: The proposed rule will affect Florida hospitals that provide adult cardiovascular services. The staffing and resources required to establish a program of adult cardiovascular services dictates that these hospitals will be large organizations with resources and employees beyond the levels that are considered small businesses or small counties. Implementing and enforcing the proposed licensing rules for adult cardiovascular services program will not result in significant increase in the costs to the Agency as the proposed rule provides for applicant hospitals to submit an attestation form confirming compliance with licensure criteria.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 408.0361 FS.

LAW IMPLEMENTED: 408.0361 FS.

(1) through (12) No change.

(13) Adult Diagnostic Cardiac Catheterization Program. All licensed hospitals that establish adult diagnostic cardiac catheterization laboratory services under Section 408.0361, F.S., shall operate in compliance with the guidelines of the American College of Cardiology/American Heart Association regarding the operation of diagnostic cardiac catheterization laboratories. Hospitals are considered to be in compliance with American College of Cardiology/American Heart Association guidelines when they adhere to standards regarding staffing, physician training and experience, operating procedures, equipment, physical plant, and patient selection criteria to ensure patient quality and safety. The applicable guideline, herein incorporated by reference, is the *American College of Cardiology/Society for Cardiac Angiography and Interventions Clinical Expert Consensus Document on Cardiac Catheterization Laboratory Standards: Bashore et al, ACC/SCA&I Clinical Expert Consensus Document on Catheterization Laboratory Standards, JACC Vol. 37, No. 8, June 2001: 2170-214*. Aspects of the guideline related to pediatric services or outpatient cardiac catheterization in freestanding non-hospital settings are not applicable to this rule. All such licensed hospitals shall have a department, service or other similarly titled unit which shall be organized, directed and staffed, and integrated with other units and departments of the hospitals in a manner designed to assure the provision of quality patient care.

[http://ahca.myflorida.com/MCHQ/Health\\_Facility\\_Regulation/Hospital\\_Outpatient/hospital.shtml#acs](http://ahca.myflorida.com/MCHQ/Health_Facility_Regulation/Hospital_Outpatient/hospital.shtml#acs), signed by the chief executive officer of the hospital, attesting to the hospital's intent and ability to:

a. Comply with the most recent guidelines of the American College of Cardiology and American Heart Association Guidelines for Cardiac Catheterization and Cardiac Catheterization Laboratories.

b. Perform only adult inpatient diagnostic cardiac catheterization services and not provide therapeutic cardiac catheterization or any other cardiology services.

c. Maintain sufficient appropriate equipment and health care personnel to ensure quality and safety.

d. Maintain appropriate times of operation and protocols to ensure availability and appropriate referrals in the event of emergencies.

e. Demonstrate a plan to provide services to Medicaid and charity care patients.

2. Hospitals with adult diagnostic cardiac catheterization services programs must renew their licenses at the time of the hospital licensure renewal, providing the information in a. through e. above. Failure to renew the hospital's license or failure to update the information in a. through e. above shall cause the license to expire.

At the beginning of each shift, the crash cart shall be checked for intact lock; the defibrillator and corresponding equipment shall be checked for function and operational capacity. A log shall be maintained indicating review.

(d)(e) Radiographic Cardiac Imaging Systems. A quality improvement program for radiographic imaging systems shall include measures of image quality, dynamic range and modulation transfer function. Documentation indicating the manner in which this requirement will be met shall be available for the Agency's review.

(c) If the early learning coalition estimates that it will have insufficient funds to make payments for actual VPK expenditures which are due in a calendar month, the coalition may submit a request in writing to the Agency's Office of Early Learning, Financial Administration and Budget Services Section, at 107 E. Madison St., MSC 140, Tallahassee, Florida 32399 for enough additional funds to make payments for its actual VPK expenditures at least ten (10) business days prior to the date the payment for actual VPK expenditures is due. The coalition shall support its request for additional funds with documentation indicating the amount due in the month and the total amount of VPK funding available to the coalition. The Agency shall determine the total amount of funding necessary for the coalition to make payments for actual VPK expenditures for the month and may provide additional funding to the coalition as the Agency deems necessary.

(2) Provider Advance Payment.

(a) A provider is eligible to receive a one time advance payment for each VPK class offered by the provider.

(b) An early learning coalition shall make a provider advance payment to each Voluntary Prekindergarten Education provider operating in the coalition's service area which does not decline the advance payment under subsection (3) of this rule. A coalition shall calculate the provider advance payment for each VPK provider by multiplying the total enrollment in each of the provider's VPK classes by five (5) percent of the county's allocation per child as calculated in accordance with Section 1002.71(3), F.S.

(c) In order to determine the number of children enrolled in each VPK class, each early learning coalition shall establish one day each month by which a VPK provider must submit to the coalition the individual enrollment materials of each student for each VPK class scheduled to begin in the following month. At the discretion of the coalition, the VPK provider may instead submit a class roster for each VPK class. Each coalition shall notify all VPK providers operating within its service area of the date selected in each month upon which enrollment calculations will be based. Enrollment materials or class rosters submitted after the date established by the coalition under this paragraph shall not be included in the calculation of a provider advance payment.

1. "Enrollment materials" means a child's certificate of eligibility and notice of the child's assigned VPK class submitted to the coalition in accordance with paragraph 60BB-8.202(2)(a), F.A.C.

2. "Class roster" means a list of students for which a provider has received a certificate of eligibility who are assigned to a VPK class. A class roster shall be created in a format approved by the coalition and shall include, at a minimum, the name of each student and the primary instructor for the class.

(3) Refusal of Provider Advance Payment. A VPK provider may choose not to accept a provider advance payment made under subsection (2) of this rule. A VPK provider which chooses not to receive an advance payment shall notify the coalition in writing of its choice no later than seven (7) calendar days prior to the date established under paragraph (2)(c) by the coalition as the date upon which enrollment calculations will be based.

(4) Reconciliation. A coalition shall provide payment for each VPK student in accordance with Rule 60BB-8.204, F.A.C. Each coalition shall reconcile advance payments for each VPK class two times. The first reconciliation shall be conducted for the month in which 150 hours for the summer program or 270 hours for the school-year program have been offered in a VPK class. The second reconciliation shall be conducted during the last full calendar month of services. Each coalition shall reconcile advance payments by determining the total amount due as payment under Rule 60BB-8.204, F.A.C., to a VPK provider during the months in which reconciliation is to occur and subtracting half of the amount paid to the provider under subsection (2) of this rule.

(5) Reconciliation for classes fewer than 90 calendar days. Notwithstanding any other provision of this rule, the coalition shall conduct one reconciliation for VPK classes which are scheduled to last fewer than 90 calendar days. Each coalition shall reconcile the advance payment by determining the total amount due as payment in the last full calendar month of services to a VPK provider under Rule 60BB-8.204, F.A.C., and subtracting amount paid to the provider under subsection (2) of this rule.

(6) Overpayment.

(a) If the coalition determines during reconciliation under subsection (4) or (5) of this rule that a provider received a provider advance payment in an amount greater than what is owed to the provider, resulting in a negative balance, the coalition shall make reasonable efforts to collect the overpayment from the provider. Reasonable efforts include but are not limited to informing the provider of the full amount owed, making written requests for repayment, offering to negotiate a repayment schedule, and offsetting the overpayment against future payments.

(b) If the coalition is unable to collect the overpayment within ninety (90) calendar days after making a reasonable effort, as determined by the Agency for Workforce Innovation, the coalition shall request in writing that the Agency for Workforce Innovation report the overpayment for collection by the Department of Financial Services, in accordance with Rule 69I-21.003, F.A.C. The coalition shall provide all information necessary for the Agency for Workforce Innovation to report the overpayment for collection by the Department of Financial Services.

(c) A VPK provider that fails to reimburse a coalition when it has received an overpayment as the result of a provider advance payment shall be ineligible to receive additional payment for offering the VPK program until the provider has reimbursed the coalition.

**DEPARTMENT OF FINANCIAL SERVICES**

**Division of Worker’s Compensation**

RULE NO.:	RULE TITLE:
69L-7.602	Florida Workers’ Compensation Medical Services Billing, Filing and Reporting Rule

PURPOSE AND EFFECT: To amend the rule to adopt revised reference manuals for medical billing, filing, and reporting, including the Florida Workers’ Compensation Medical EDI Implementation Guide (MEIG), 2009; the 2009 ICD-9-CM Professional for Hospitals, Volumes 1, 2 and 3, International Classification of Diseases, 9th Revision, Clinical Modification, Copyright 2008, Ingenix, Inc. (American Medical Association); the Physician ICD-9-CM 2009, Volumes 1 & 2, International Classification of Diseases, 9th Revision, Clinical Modification, Copyright 2008, Ingenix, Inc. (American Medical Association); the National Uniform Billing Committee Official UB-04 Data Specifications Manual 2009, version 3.00, July 2008; and the Current Procedural Terminology (CPT®), 2009 Professional Edition, Copyright 2008, American Medical Association. The proposed amendment also transfers ambulatory surgical centers billing from Form DFS-F5-DWC-9 (CMS-1500 Health Insurance Claim Form) to Form DFS-F5-DWC-90 (UB-04 CMS-1450, Uniform Bill), effective 03/22/2010, incorporates by reference a revised hospital billing instruction form, Form DFS-F5-DWC-90-B (Completion Instructions for Form DFS-F5-DWC-90 for use by hospitals) and a new ambulatory surgical center billing instruction form, Form DFS-F5-DWC-90-C (Completion Instructions for Form DFS-F5-DWC-90, for use by ambulatory surgical centers), both of which supply guidance regarding the completion of Form DFS-F5-DWC-90. The proposed amendment also adds statutory definitions for “Home Health Agency” and “Nursing

Homes”, and provides new billing forms and completion instructions for each respective application. Form DFS-F5-DWC-90-D (for Home Health Agencies) and Form DFS-F5-DWC-90-E (for Nursing Homes), including their respective completion instructions, Form DFS-F5-DWC-90-D (Completion Instructions for Home Health Agencies), and Form DFS-F5-DWC-90-E (Completion Instructions for Nursing Homes), have been incorporated by reference. The proposed amendment further clarifies the meaning of “Recognized Practitioner” and changes “Principal Physician” to “Primary Physician” when referring to the treating physician responsible for oversight of medical care, treatment and referrals for injured employees. A definition for “Explanation of Bill Review Code” has also been added. The electronic record layout for form DFS-F5-DWC-90 in the Florida Workers’ Compensation Medical EDI Implementation Guide (MEIG), 2009, which details the Revision E layout requirements, also provides new fields for the submission of a facility’s Florida Agency for Health Care Administration ambulatory surgical center number and National Provider Identifier (NPI) number, as well as the submission of data regarding procedures, service and supply codes, and code modifiers, as paid by the insurer. These changes, in conjunction with the introduction of refined edits, provide enhanced medical data submission and facilitate the Department’s ability to monitor and promote compliance by insurers and submitters with the requirements associated with electronic submission, filing, and reporting of data to the Division of Workers’ Compensation. The proposed amendment also provides new language which specifies that a health care provider shall bill multiple services, rendered on the same date of service, on a contiguous bill and also clarifies billing instructions for dentists and oral surgeons who dispense medications, and for those entities that are neither physicians nor recognized health care providers. Such entities are required to bill on their invoice or letterhead rather than using Department forms. New language provides that insurers, or entities acting on behalf of insurers, are responsible for correcting and resubmitting previously accepted data which is later deemed inadequate by the Division. The proposed amendment also clarifies the reciprocal responsibilities between health care providers and insurers regarding requests for the submission of any supporting documentation which is outside the requirements of this rule and applicable manual. Finally, the proposed amendment deletes obsolete references and language, renumbers the rule, and makes ministerial changes where necessary.

The written statement sent to the provider with the returned medical bill shall bear the following statement CAPITALIZED and in **BOLD** print: "**A HEALTH CARE PROVIDER MAY NOT BILL THE INJURED EMPLOYEE FOR SERVICES RENDERED FOR A COMPENSABLE WORK-RELATED INJURY**".

2. If the insurer returns a medical bill to the provider pursuant to subparagraph (5)(j)5. of this rule, the written statement, which must accompany the returned bill must include all deficiency criteria upon which the return of the medical bill are based.

3. If the deficiency criteria upon which the return of the medical bill is based includes any of the deficiency criteria in sub-subparagraphs (5)(j)5.d.-~~g.~~~~f.~~ of this rule, the written statement must identify the information that is illegible, incorrect, or omitted.

(l) In the medical bill claims-handling process, the receipt of medical bills may be based upon receipt by the insurer or there may be an "entity" acting on behalf of an insurer for purposes of receipt of medical bills. Likewise, the payment of medical bills may be based upon payment by the insurer or there may be an "entity" acting on behalf of an insurer for purposes of payment of medical bills. Therefore, to properly reflect receipt date and payment date of medical bills, the medical bill reporting process must accommodate various receipt and payment options.

1. The receipt and payment option utilized by an insurer and reported to the Division must meet one of the following:

a. Both receipt and payment of medical bills are handled by the insurer. This option may be utilized only when the "date insurer received" is the date the insurer gained possession of the health care provider's medical bill, and the "date insurer paid" is the date the health care provider's payment is mailed, transferred or electronically transmitted by the insurer. This option may not be utilized when a health care provider is required by the insurer to submit medical billings to any "entity" other than the insurer.

b. Both receipt and payment of medical bills are handled by any “entity” acting on behalf of the insurer. This option may be utilized only when the “date insurer received” is the date the “entity” acting on behalf of the insurer gained possession of the health care provider’s medical bill, and the “date insurer paid” is the date the health care provider’s payment is mailed, transferred or electronically transmitted by the “entity” acting on behalf of the insurer. This option may be utilized only when the “date insurer received” is the date the insurer gained possession of the health care provider’s medical bill, and the “date insurer paid” is the date the health care provider’s payment is mailed, transferred or electronically transmitted by the “entity” acting on behalf of the insurer. This option may not be utilized when a health care provider is required by the insurer to submit medical billings to any “entity” other than the insurer.

d. Receipt of medical bills is handled by any “entity” acting on behalf of the insurer and payment of medical bills is handled by the insurer. This option may be utilized only when the “date insurer received” is the date the “entity” acting on behalf of the insurer gained possession of the health care provider’s medical bill, and the “date insurer paid” is the date the health care provider’s payment is mailed, transferred or electronically transmitted by the insurer. This option may not be utilized when a health care provider is required by the insurer to submit medical billings directly to the insurer.

2. The insurer must:

a. Document the option(s) selected in subparagraph (5)(l)1. of this rule,

b. Document the specific effective date for each option selected,

c. Document the specific role of each “entity” acting on the insurers behalf in the option selected,

d. Make this written documentation available to the Division for audit purposes pursuant to Section 440.525, F.S.,

f. Maintain written documentation identifying the applicability of the options selected in sufficient detail to allow verification of the coding of each medical bill under subparagraph (5)(l)4. of this rule.

3. An insurer and entity may select multiple options for medical bill claims handling between the insurer and the entity based on business practices or whether medical bills are submitted to the insurer electronically or on paper.

a. If the “date insurer received” is the date the insurer gains possession of the health care provider’s medical bill and the “date insurer paid” is the date the health care provider’s payment is mailed, transferred or electronically transmitted by the insurer, then Payment Code “x” 1 must be transmitted on each individual form-type electronic submission. (“x” must equal ‘R’, ‘M’ or ‘C’ as denoted in Appendix D of the date-appropriate Florida Medical Implementation EDI Guide (MEIG).) When submitting Payment Code “x” 1 to the Division, the insurer is declaring that no “entity” as defined in paragraph (1)(~~l~~)(~~4~~) of this rule is involved in the medical bill claims-handling processes related to “date insurer received” or “date insurer paid”.

b. If the “date insurer received” is the date the “entity” acting on behalf of the insurer gains possession of the health care provider’s medical bill and the “date insurer paid” is the date the health care provider’s payment is mailed, transferred or electronically transmitted by the “entity” acting on behalf of the insurer, then Payment Code “x” 2 must be transmitted on each individual form-type electronic submission. (“x” must equal ‘R’, ‘M’ or ‘C’ as denoted in Appendix D of the date-appropriate Florida Medical Implementation EDI Guide (MEIG).) When submitting Payment Code “x” 2 to the Division, the insurer is declaring that the specified “entity” as defined in paragraph (1)(~~l~~)(~~4~~) of this rule is acting on behalf of the insurer for purposes of the medical bill claims-handling processes related to “date insurer received” and “date insurer paid”.

When submitting Payment Code “x” 3 to the Division, the insurer is declaring that no “entity” as defined in paragraph (1)(~~l~~)(~~4~~) of this rule is involved in the medical bill claims-handling process related to “date insurer received”.

d. If the “date insurer received” is the date the “entity” acting on behalf of the insurer gains possession of the health care provider’s medical bill and the “date insurer paid” is the date the health care provider’s payment is mailed, transferred or electronically transmitted by the insurer, then Payment Code “x” 4 must be transmitted on each individual form-type electronic submission. (“x” must equal ‘R’, ‘M’ or ‘C’ as denoted in Appendix D of the date-appropriate Florida Medical

Implementation EDI Guide (MEIG).) When submitting Payment Code “x” 4 to the Division, the insurer is declaring that no “entity” as defined in paragraph (1)(t)(u) is involved in the medical bill claims-handling processes related to “date insurer paid”.

(m) An insurer, service company/TPA or any entity acting on behalf of the insurer, when reporting paid medical claims data to the Division, shall report the dollar amount paid by the insurer or reimbursed to the employee, the employer or other insurer for healthcare service(s) or supply(ies). 5. This rule amendment will have an impact on pilot associations because they will be able to meet the required gross pilotage assessments forwarded to the Department of Business and Professional Regulation.

This correction does not affect the substance of the rule as it appeared in the Florida Administrative Weekly as outlined above.

**Section IV  
 Emergency Rules**

**DEPARTMENT OF LEGAL AFFAIRS**

**Division of Victim Services and Criminal Justice Programs**

RULE NO.:                   RULE TITLE:  
 2AER09-1                   Claims

**SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE:** The proposed emergency rule is necessary to maintain the solvency and financial integrity of the Crimes Compensation Trust Fund. Benefits are being paid at a rate the trust fund cannot continue to support according to an urgent directive from the agency budget director. There is an immediate danger to the public’s welfare because innocent crime victims depend on the trust fund to assist them in paying their crime related expenses. Without access to the medical benefits the trust fund provides, crime victims may not be able

to get the care they need, thereby impacting both the public’s health and safety, because the trust fund’s solvency to pay any benefits is in jeopardy.

**REASON FOR CONCLUDING THAT THE PROCEDURE IS FAIR UNDER THE CIRCUMSTANCES:** The agency concludes this rulemaking procedure is fair under the circumstances, since the crime victims in the State of Florida must be able to make a claim for assistance and receive some benefits, even if it is at a reduced rate. Fiscal prudence dictates that benefits be reduced immediately, and the agency has statutory authority to pay reduced benefits when rules are promulgated (see Section 960.13(9)(b), F.S.).

**SUMMARY:** The emergency rule incorporates amendments to form BVC-P001 that will lower the mental health and domestic violence relocation benefits paid to some victims from the Crimes Compensation Trust Fund.

**THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS:** Ms. Gwen Roache, Bureau Chief, PL-01, The Capitol, Tallahassee, Florida 32399-1050

**STATE BOARD OF ADMINISTRATION**

**RULE NO.:** 19ER09-1  
**RULE TITLE:** Reimbursement Contract  
**SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE:** The hurricane season, the effective date of the Florida Hurricane Catastrophe Fund Reimbursement Contract for the 2009-2010 Contract Year and the effective date of CS/CS/CS/HB 1495, passed by the 2009 Legislature is June 1, 2009. Therefore, time is of the essence in incorporating those changes made by CS/CS/CS/HB 1495, which impact the Reimbursement Contract. Key changes to the law which must be reflected in the Reimbursement Contract is the Legislature’s extension of the \$10 million optional FHCF coverage program to the current Contract Year and the reduction in the amount of Temporary Increase in Coverage Level (TICL) optional coverage. This Emergency Rule is the only way to implement the changes made to the optional coverage s in a timely manner.

**REASON FOR CONCLUDING THAT THE PROCEDURE IS FAIR UNDER THE CIRCUMSTANCES:** Hurricane Season begins on June 1st and there is no way to get the new legislative changes in place by that time unless an emergency rule is utilized. The emergency rule was authorized at a published meeting open to the public and is posted to the State Board of Administration’s web-site.

**SUMMARY:** Rule 19ER09-1 (19-8.010, Reimbursement Contract.) Current subsection (15) has been amended to reflect that the contract and addenda have been revised.

NOTICE IS HEREBY GIVEN THAT on May 18, 2009, the Department of Environmental Protection has issued an order. The order, OGC No.: 09-0097, granted a petition for variance received on January 14, 2009, from Emerald Coast Utilities Authority ("Petitioner") to reduce the water treatment plant staffing requirements in paragraph 62-699.310(2)(e) and subsection 62-699.311(4), F.A.C. Petitioner petitioned for the variance in order to provide a level of water treatment plant operator staffing that is less than what is required or allowed by the above rules. The notice of receipt was published in the Florida Administrative Weekly on February 13, 2009. No public comment was received. Petitioner demonstrated that this variance was appropriate, meets the underlying purpose of the statutes, which is protection of public health, because Petitioner can properly operate its water treatment plants and booster disinfection stations by staffing them at the level discussed in the Petition. Petitioner demonstrated a substantial hardship because a strict application of the above rules would result in a significant amount of unneeded staffing at Petitioner's water treatment plants, resulting in a financial hardship to the Petitioner.

The petition was submitted on behalf of the Sutor Family Trust. This notice is a corrected version of a similar notice published on May 1, 2009.

Project: UF-350, CNS Data Center at the East Campus (Gainesville, FL)

The project consists of constructing a 1-story data center that will include approximately 14,400 gross square feet of computing and administrative space. The computing space will be equally split between "Tier 3" (approximately 5,000 net square feet) and "Tier 0" (approximately 5,000 net square feet), respectively. The purpose of this building is to allow for the consolidation, redundancy of enterprise system, and expandability of operation. This building will serve as a significant cornerstone in the development of the East Campus as well as east Gainesville. We expect that this building will have a compatible facade with the newly constructed East Campus Office Building.

The building will be designed as a typical Tier 3 Data Center building. The UF Campus Design and Construction Standards will be utilized for this building.
