The Board of Dentistry hereby gives notice of the issuance of an Order regarding the Petition for Declaratory Statement filed by James A Meininger, D.M.D. The Notice of Petition for Declaratory Statement was published in Vol. 34, No. 20, of the May 16, 2008, Florida Administrative Weekly. The Board considered the Petition at a duly-noticed public meeting held on June 20, 2008.

The Board's Order, filed on July 2, 2008, finds that Petitioner has not complied with the requirements of Section 120.565, F.S. and Rule 28-105.002, F.A.C. The Board of Dentistry declines to issue a declaratory statement in response to Dr. Meininger's petition. The petition does not meet the requirements of Section 120.565, F.S. and Rule 28-105.002, F.A.C. The petition does not specifically identify the statutes or rules that require interpretation. Additionally, the petitioner is asking for an opinion based on his past conduct. Also, the petitioner is asking about the conducts of someone else.

A copy of the Board's Order may be obtained by contacting: Sue Foster, Executive Director, Board of Dentistry, 4052 Bald Cypress Way, Bin #C08, Tallahassee, Florida 32399-3258.

NOTICE TO DESIGN/BUILDER:

The University of Florida Board of Trustees announces that Design/Build services will be required for the project listed below:

Project: UF-354, Sun Terrace Expansion (University of Florida, Health Science Center)

The project consists of adding on approximately 1,500 GSF to the existing Sun Terrace facility and designing and building a new 4,000 GSF facility. The addition will be for a new food service venue and the new structure will house the HSC Bookstore and a coffee venue. The third part of the scope will be to provide a covered walkway to connect the new building, existing Sun Terrace building, the Stetson Gallery and the HSC Library. The site is an active roof deck with offices and classroom functions below. For the Bookstore portion of the building, the existing roof deck will need to be structurally enhanced.

The total construction budget is \$2,000,000, including structural improvements. Construction shall be "fast-tracked" to begin by May 2010. Gold LEED (Leadership in Energy and Environmental Design) certification by the U.S. Green Building Council is mandatory.

The contract for design/build services will consist of two parts. Part one services include design, construction administration, value engineering, constructability analyses, development of a cost model, estimating, and the development of a Guaranteed Maximum Price (GMP) proposal based on 60% Construction Documents, for which the design/builder will be paid a fixed fee.

If the GMP is accepted, part two, the construction phase, will be implemented. In part two of the contract, the design/builder becomes the single point of responsibility for completion of the construction documents, performance of the construction of the project and shall publicly bid trade contracts. Failure to negotiate an acceptable fixed fee for part one of the contract, or to arrive at an acceptable GMP within the time provided in the agreement may result in the termination of the design/builder's contract.
