DCA Final Order No.: DCA08-OR-044A  
 In Re: MONROE COUNTY LAND  
 DEVELOPMENT REGULATIONS  
 ADOPTED BY ORDINANCE NO. 043-2007  
 DOAH No. 08-1601GM

AMENDED FINAL ORDER

The Department of Community Affairs (the "Department") hereby issues its Amended Final Order, pursuant to Section 380.05(6), Florida Statutes, and Section 380.0552(9), Florida Statutes (2008), approving a land development regulation adopted by a local government within the Florida Keys Area of Critical State Concern as set forth below.

FINDINGS OF FACT

1. The Florida Keys Area is a statutorily designated area of critical state concern, and Monroe County is a local government within the Florida Keys Area.
2. On December 17, 2007, the Department received for review Monroe County Ordinance No. 043-2007, adopted by Monroe County on November 14, 2007.
3. On February 15, 2008, the Department issued Order No. DCA08-OR-044 rejecting Ordinance No. 043-2007 as inconsistent with the Principles for Guiding Development, Section 380.0552(7), Florida Statutes.
4. On March 7, 2008, a Petition for Formal Administrative Proceeding was filed at the Division of Administrative Hearings by Petitioner EL EL SI, LLC, in Case No. 08-1601GM.
5. Thereafter the Department and the Petitioners participated in settlement negotiations to resolve the consistency issue. On March 9, 2009, the Department filed a Joint Motion to Cancel Final Hearing and Relinquish Jurisdiction. On March 10, 2009, the Division of Administrative Hearings issued an Order Closing File and relinquishing Jurisdiction to the Department.
6. The purpose of this Ordinance is to amend Chapter 9.5-268 of the Land Development Regulations to allow "transient residential units" that are legally, lawfully established to replace, redevelop or substantially improve

those units on a one-for-one basis regardless of the density upon conformance with the open space, height, set back and water quality requirements found in the Monroe County Land Development Regulations.

7. The Department has reviewed the Ordinance for consistency with the Principles for Guiding Development of the Florida Keys Area of Critical State Concern and the Monroe County 2010 Comprehensive Plan.

CONCLUSIONS OF LAW

8. The Department is required to approve or reject land development regulations that are enacted, amended, or rescinded by any local government in the Florida Keys Area of Critical State Concern. Section 380.05(6), Florida Statutes, and Section 380.0552(9), Florida Statutes (2008).
9. Monroe County is a local government within the Florida Keys Area of Critical State Concern. Section 380.0552, Florida Statutes (2008) and Rule 28-29.002 (superseding Chapter 27F-8), F.A.C.
10. "Land development regulations" include local zoning, subdivision, building, and other regulations controlling the development of land. Section 380.031(8), Florida Statutes (2008). The regulations adopted by Ordinance No. 043-2007 are land development regulations.
11. All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the Principles for Guiding Development (the "Principles") as set forth in Section 380.0552(7), Florida Statutes See Rathkamp v. Department of Community Affairs, 21 F.A.L.R. 1902 (Dec. 4, 1998), aff'd, 740 So. 2d 1209 (Fla. 3d DCA 1999). The Principles are construed as a whole and no specific provision is construed or applied in isolation from the other provisions.
12. Additionally, Section 163.3194(1)(b), Florida Statutes, requires that all land development regulations must be consistent with the local government's adopted comprehensive plan.
13. Ordinance No. 043-2007, which allows transient residential units to have a vested right to replace or substantially improve those units on a one-for-one basis upon conformance with the open space, height, set back and water quality requirements found in the Monroe County Land Development Regulations is consistent with the following Principles:  
 Principle (a): To strengthen local government capabilities for managing land use and development so that local government is able to achieve these objectives without the continuation of the area of critical state concern designation.  
 Principle (d): To ensure the maximum well-being of the Florida Keys and its citizens through sound economic development.

Principle (k): To provide adequate alternatives for the protection of public safety and welfare in the event of a natural or manmade disaster and for post disaster reconstruction plan.

- 14. Ordinance No. 043-2007 is neutral in effect on the remaining Principles.
- 15. Ordinance No. 043-2007 is consistent with the following provisions of the 2010 Monroe County Comprehensive Plan:

Policy 101.4.23

Notwithstanding the density limitation set forth in Policy 101.4.21, land upon which a legally-established residential dwelling unit exists shall be entitled to a density of one dwelling unit per each such unit. Such legally-established dwelling unit shall not be considered as non-conforming as to the density provisions of Policy 101.4.21 and the Monroe County Code.

- 16. Ordinance No. 043-2007 is consistent with the Principles for Guiding Development of the Florida Keys Area of Critical State Concern and Monroe County’s Comprehensive Plan.

WHEREFORE, IT IS ORDERED that Ordinance No. 043-2007 is found to be consistent with the Principles for Guiding Development of the Florida Keys Area of Critical State Concern, and is found to be consistent with the Monroe County Comprehensive Plan, and is hereby APPROVED.

DONE AND ORDERED in Tallahassee, Florida.
