RULE NO.: 40D-4.091
PUBLICATIONS, FORMS AND AGREEMENTS
INCORPORATED BY REFERENCE
PURPOSE AND EFFECT: Amendments are proposed to Rule 40D-4.091, Florida Administrative Code (F.A.C.), Publications and Agreements Incorporated by Reference, and the District’s Environmental Resource Permit Information Manual, Part B, Basis of Review (BOR). Conditions for permit issuance in Rule 40D-4.301, F.A.C., are intended to prevent adverse impacts. Criteria in the BOR provide the basis for meeting the conditions for permit issuance. The BOR identifies the 100 year, 24 hour storm event as the basis for determining the 100 year floodplain and the 25 year, 24 hour storm event for comparing pre- and post-development discharge rates. In certain circumstances, higher flood elevations can occur following more frequent storm events than those specified in the Basis of Review. In those cases, it is desirable to consider other storm events of different frequency or duration to provide reasonable assurance of compliance with the conditions of issuance. The proposed amendments to the Basis of Review are intended to provide the flexibility to meet the conditions for permit issuance and prevent adverse impacts. Additionally, the proposed amendments to the Basis of Review provided are

intended to be consistent with the methods used to establish the 100 year flood elevations in the updated floodplain maps developed for FEMA by the District.

61H1-26.001 Form of Practice and Name-Shared Office Space.

(1) A Florida certified public accountant may practice public accounting, whether as an owner or employee, only in the form of a proprietorship, a partnership or a corporation, or a limited liability company. A Florida certified public accountant shall not allow any person to practice in his name that is not a partner or shareholder with him or in his employ. A Florida certified public accountant shall not practice under a name which is misleading or deceptive as to the legal form of the firm or as to persons who are partners, or shareholders of the firm or as to any other matter. In this regard:

(a) A Florida certified public accountant licensee may practice public accounting under a fictitious name which is not misleading or deceptive as to the persons who are sole proprietors, partners, or shareholders; and

(b) A firm name may include the names of retired or deceased partners or shareholders or members who were active partners or shareholders or members of the entity. This provision permits a firm, in the same line of succession, to change from one form of business to another and continue to use the names of retired or deceased partners, shareholders or members.

(c) Use of the term “and Company” or “and Associates” requires at least one other fully employed Florida certified public accountant licensee or non certified public accountant CPA owner other than those named in the firm name; however, this rule does not preclude a Florida certified public accountant licensee initially meeting this requirement from using the above-mentioned terms if the Florida certified public accountant licensee subsequently does not fully employ at least one Florida certified public accountant licensee other than those named in the firm name.

(d) A firm may use the term “Certified Public Accountants” in the firm’s name if all owners are certified public accountants CPA. If there are non certified public accountants CPA owners, the firm may use the terms “CPA Firm” “CPAs and Associates” or “Certified Public Accountants and Associates” provided the firm has more than one certified public accountant CPA. Further, a certified public accountant...
CPA firm with non certified public accountant owners may not use the term Certified Public Accountants without indicating there are other owners such as Associates or Consultants.

(2) The term “certified public accountant(s)” or the abbreviation “CPAs” must appear with the name of a certified public accountant when used in connection with an expression of opinion.

(3) Florida Certified Public Accountants may share office facilities provided there is adequate disclosure that would enable a reasonable person to determine the practice is not associated with the profession or occupation not regulated by the Board, such as written agreements, signs, etc.

Unless executed by a partnership and its partners, the members intend this agreement as a mutual covenant of assumption and not as a partnership, but should any court of competent jurisdiction construe same to be a partnership then it is the intention of the parties that such partnership be limited in scope to the uses for which this contract is executed and no other.

64E-15.010 Permits and Fees

PURPOSE AND EFFECT: Develop rules to clarify language; bring incorporated references current; incorporate necessary modifications to avert waterborne pathogen transmission; and remove certain language to eliminate the need for variances being filed by the regulated community and incorporate a form by reference. The effect will be to provide a greater usability for the regulated community and the department.

SUMMARY: The proposed rule incorporates changes suggested by the Office of General Counsel. The proposals address rules and/or rule titles, codes and referenced standards; forms, waterborne pathogen transmission; setbacks in RV parks; and a grammatical error.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS: The agency has determined that this rule will have an impact on small business. There are currently over 5500 parks and camps in Florida. This rule change has a potential impact on anyone seeking to construct or modify an RV Park or install a non-potable water system in a park or camp. The department anticipates a positive impact for industry for the construction of new or modified RV parks; no impact for changes to referenced codes, rules or referenced standards; and a negative impact on those existing parks that have potable and non-potable water pipes co-located in parks or camps. The department does not believe there to be more than 12 parks or camps where potable and non-potable water supplies are co-located. No effect on revenues or expenditures is anticipated for any governmental entity other than the Department of Health. The estimated costs to the department for this proposed rule change are $3000.00. No new filing fees, licenses or licensing fees are required. Approximately 12 parks are anticipated to be adversely affected; new RV parks will be positively affected; and other existing parks will experience a no effect. The estimated cost for compliance, where potable and non-potable water spigots co-located, is between $1.00 and $10.00 per space. There is no anticipated impact on small counties or small cities. The affected parks are not mandated how to correct the co-location of potable and non-potable water but are allowed to formulate their own options to meet the requirements. There have been no written proposals submitted under paragraph 120.541(1)(a), F.S.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

The following is a summary of the agency’s declination of the petition:

The Division declined to issue an order because the Division does not have jurisdiction to interpret vague or ambiguous provisions in the governing documents; or in events that have already taken place; or where there are parties who will be affected by the decision who are not parties to the proceeding. A copy of the Order Declining of the Petition for Declaratory Statement may be obtained by contacting: Division Clerk, Department of Business and Professional Regulation, Division of Florida Condominiums, Timeshares, and Mobile Homes, 1940 North Monroe Street, Tallahassee, Florida 32399-2217. NOTICE IS HEREBY GIVEN THAT on August 20, 2009, the Florida Real Estate Appraisal Board has issued an order disposing of the petition for declaratory statement filed by Nanette Johnson-Smith on May 20, 2009. The following is a summary of the agency’s disposition of the petition:

The Notice of Petition for Declaratory Statement was published in Vol. 35, No. 10, of the March 13, 2009, Florida Administrative Weekly. Petitioner sought to know whether her interpretation of Section 475.611(1)(h), Florida Statutes, entitled “Definitions.” Petitioner sought to know whether her licensure as a certified residential real estate appraiser authorized her to appraise “Condo-tels.” The Florida Real Estate Appraisal Board considered the Petition at its meeting held on August 4, 2009, in Orlando, Florida. The Board’s Order, filed on August 20, 2009, denied the petition on the grounds that it was not in substantial compliance with the provisions of Section 120.565, F.S., and Chapter 28-105, F.A.C.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Thomas W. O’Bryant, Jr., Deputy Director, Division of Real Estate, 400 West Robinson Street, Hurston Building, North Tower, Suite N801, Orlando, Florida 32801.

DEPARTMENT OF HEALTH

The Board of Opticianry hereby gives notice of the issuance of an Order regarding the Petition for Declaratory Statement for Charles L. Harrup, filed on February 3, 2009. The Notice of Petition for Declaratory Statement was published in Vol. 35, No. 10, of the March 13, 2009, Florida Administrative Weekly. The Board considered the Petition at a duly-noticed public meeting held on June 1, 2009. The Petitioner did not specify a particular rule or statute. However, it appears the Petitioner seeks the Board’s guidance regarding an issue relating to Section 484.012, Florida Statutes. Specifically he seeks guidance on the following issue: Whether an optician is obligated to dispense contact lenses to a patient who tries to order contact lenses just prior to the one-year expiration date on the prescription when the number of contacts ordered by the patient will last much longer than the prescription expiration date.

The Board declines to issue a declaratory statement because Section 484.012, Florida Statutes, is clear as written. A copy of the Board’s Order may be obtained by contacting: Sue Foster, Executive Director, Board of Opticianry, 4052 Bald Cypress Way, Bin #C08, Tallahassee, Florida 32399-3258.

The Board of Opticianry hereby gives notice of the issuance of an Order regarding the Petition for Declaratory Statement for Anthony D. Record, filed on February 3, 2009. The Notice of Petition for Declaratory Statement was published in Vol. 35, No. 10, of the March 13, 2009, Florida Administrative Weekly. The Board considered the Petition at a duly-noticed public meeting held on June 1, 2009. The petition inquired as to disciplinary actions taken when records are not readily available to clients when an optician is deceased.

The Board declines to issue a declaratory statement because Rule 64B12-10.006, Florida Administrative Code, is clear regarding the optician’s obligations regarding prescription files. A copy of the Board’s Order may be obtained by contacting: Sue Foster, Executive Director, Board of Opticianry, 4052 Bald Cypress Way, Bin #C08, Tallahassee, Florida 32399-3258.

The Board of Opticianry hereby gives notice of the issuance of an Order regarding the Petition for Declaratory Statement for Anthony D. Record, filed on February 3, 2009. The Notice of Petition for Declaratory Statement was published in Vol. 35, No. 10, of the March 13, 2009, Florida Administrative Weekly. The Board considered the Petition at a duly-noticed public
meeting held on June 1, 2009. The petition seeks the Board’s guidance regarding several issues relating to Section 484.006(3), Florida Statutes. Specifically: (1) Under this section, can an optician tell a customer to pick out any frame and the optician would make a pair of +2.50s?; (2) At the patient’s request, could the optician make a pair of +2.50s, customizing them with the patient’s PD?; and (3) At the patient’s request, can an optician make and sell reading glasses to a potential customer who wants +2.00 for the right eye and +2.75 for the left eye?

The Board declines to issue a declaratory statement because Section 484.006(3), Florida Statutes, is clear about the “sale” of spectacles for reading purposes, and Sections 484.002 and 484.012, Florida Statutes, are clear as to the scope of practice of opticianry.

A copy of the Board’s Order may be obtained by contacting: Sue Foster, Executive Director, Board of Opticianry, 4052 Bald Cypress Way, Bin #C08, Tallahassee, Florida 32399-3258.

The Board of Opticianry hereby gives notice of the issuance of an Order regarding the Petition for Declaratory Statement for Anthony D. Record, filed on February 3, 2009. The Notice of Petition for Declaratory Statement was published in Vol. 35, No. 10, of the March 13, 2009, Florida Administrative Weekly. The Board considered the Petition at a duly-noticed public meeting held on June 1, 2009. The petition seeks the Board’s guidance regarding several issues relating to Section 484.002(9), Florida Statutes, regarding optical dispensing.

The Board declines to issue a declaratory statement because Section 484.002(9), Florida Statutes, is clear regarding this question.

A copy of the Board’s Order may be obtained by contacting: Sue Foster, Executive Director, Board of Opticianry, 4052 Bald Cypress Way, Bin #C08, Tallahassee, Florida 32399-3258.

NOTICE IS HEREBY GIVEN THAT the Board of Opticianry has declined to rule on the petition for declaratory statement filed by Miguel R. Rodriguez on December 12, 2008. The following is a summary of the agency’s declination of the petition:

The Notice of Petition for Variance or Waiver was published in Vol. 35, No. 4, of the January 30, 2009, Florida Administrative Weekly. The Board considered the Petition at a duly-noticed public meeting held on February 9, 2009. The Board’s Order, filed on March 2, 2009, denies the Petition for Variance or Waiver of Rule 64B12-9.016, Florida Administrative Code. The Board finds that the Petitioner has not established that the purpose of the underlying statute, Section 484.007(1)(d)2., Florida Statutes, would be met were he granted a variance or waiver from Rule 64B12-9.016, Florida Administrative Code. Further, the Petitioner failed to establish that the Board’s application of Rule 64B12-9.016, Florida Administrative Code, to his circumstances would violate the principles of fairness and would impose a substantial hardship on him.

A copy of the Order Declining of the Petition for Declaratory Statement may be obtained by contacting: Sue Foster, Executive Director, Board of Opticianry, 4052 Bald Cypress Way, Bin #C08, Tallahassee, Florida 32399-3258.

**DEPARTMENT OF COMMUNITY AFFAIRS**

**NOTICE OF FUNDING AVAILABILITY – STATE OF FLORIDA COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) 2008 DISASTER RECOVERY FUNDING**

The Department of Community Affairs (DCA) announces the availability of disaster recovery funding in the amount of $81,063,855, to address needs resulting from federally declared disasters in 2008. This CDBG disaster recovery funding is provided by the U.S. Department of Housing and Urban Development (HUD), as outlined in Federal Register/Vol. 74, No. 29 and Federal Register/Vol. 74, No. 156, and can only be used for Recovery from the federally declared disasters noted in the Federal Register Notices. The federal disaster declarations issued by the Federal Emergency Management Agency (FEMA) cover counties affected by Tropical Storm Fay (FEMA-3288-DR and FEMA-1785-DR), Hurricane Ike (FEMA-3293-DR), and Hurricane Gustav (FEMA-1806-DR). Please note that the Department initially noticed a Draft Action Plan and comment period on the first allocation of funding in the amount of $17,457,005. However, since that Action Plan was not completed prior to the award of additional funds in the amount of $63,606,850, and the Action Plan for the additional funds must be submitted to HUD no later than September 30, 2009, the Department determined that best alternative was to combine the two allocations since they were for recovery from the same weather events.

The State of Florida is required to submit an Action Plan to HUD which reflects proposed uses of the funds for disaster relief, long-term recovery, and restoration of infrastructure, public facilities, housing, and commercial or business areas. Urban Entitlements, Non-Entitlements eligible to participate in the Florida Small Cities Community Development Block Grant (CDBG) Program, and federally recognized Indian Tribes within (or contiguous to) the counties listed in the disaster declarations are eligible to apply for assistance.

The Department used FEMA damage assessment data, which was collected at the county level, to determine counties with the greatest unmet need. Damage assessment data and proposed allocations are reflected in the Draft Action Plan.

H UD has provided alternative Citizen Participation requirements to allow states to expedite the allocation of this funding. Therefore, the state will not conduct a public hearing on the Draft Action Plan. To facilitate the public comment process, the Draft Action Plan is being emailed to local governments and posted to the Department’s website: http://www.floridacommunitydevelopment.org/disasterrecovery.cfm.

Comments will be accepted from September 2, 2009, through September 26, 2009, and can be hand-delivered, emailed or mailed to the Department.

Telephone: (850)922-6075
Email: glenn.hodges@dca.state.fl.us or stacie.roldan-toci@dca.state.fl.us

The application cycle will be from October 27, 2009 through December 15, 2009. An application workshop will be held on October 27 and 28, 2009. Additional information about the workshop will be provided to all eligible local governments. Should the Department find it necessary to change the application cycle start and end dates, notice will be provided to all eligible local governments and will be posted to the Department’s website.

A copy of the application, along with other relevant information, will be provided to eligible local governments and posted to the Department’s website. Applicants must certify that no other funding is available to address the proposed activities reflected in the application and must document that
they are directly a result of the 2008 storms. Please contact the Department at the address and telephone number listed above if you have questions.

Florida Small Cities Community Development Block Grant Program

The Department of Community Affairs, Florida Small Cities Community Development Block Grant (CDBG) Program, received $7,530,194 in funding under the American Recovery and Reinvestment Act of 2009 from the U.S. Department of Housing and Urban Development (HUD). In order to receive this supplemental CDBG funding, the Department was required to amend its 2009 Annual Action Plan for the Small Cities CDBG Program. The Action Plan was submitted to HUD in June 2009 and was approved by HUD on August 13, 2009. This Action Plan outlined the distribution of the funding and specified the local governments that would receive funding. Requirements related to the regular Florida Small Cities CDBG Program apply to this funding.

The Department must amend the Action Plan that was approved due to factors that resulted in two local governments not being eligible for the funding. The Department plans to use the same methodology for awarding the grants, which results in two new local governments becoming eligible.

As required by Sections 120.569(1), and 120.60(3), Florida Statutes, following is notice of the opportunities which may be available for administrative hearing or judicial review when the substantial interests of a party are determined by an agency. Please note that this Notice of Rights is not intended to provide legal advice. Not all legal proceedings detailed below may be an applicable or appropriate remedy. You may wish to consult an attorney regarding your legal rights.

Right to Request Administrative Hearing – A person whose substantial interests are or may be affected by the South Florida Water Management District’s (SFWMD or District) action has the right to request an administrative hearing on that action pursuant to Sections 120.569 and 120.57, Florida Statutes. Persons seeking a hearing on a District decision which does or may determine their substantial interests shall file a petition for hearing with the District Clerk within 21 days of receipt of written notice of the decision, unless one of the following shorter time periods apply: 1) within 14 days of the notice of consolidated intent to grant or deny concurrently reviewed applications for environmental resource permits and use of sovereign submerged lands pursuant to Section 373.427, Florida Statutes; or 2) within 14 days of service of an Administrative Order pursuant to Subsection 373.119(1), Florida Statutes. “Receipt of written notice of agency decision” means receipt of either written notice through mail, or electronic mail, or posting that the District has or intends to take final agency action, or publication of notice that the District has or intends to take final agency action. Any person who receives written notice of a SFWMD decision and fails to file a written request for hearing within the timeframe described above waives the right to request a hearing on that decision.

Filing Instructions – The Petition must be filed with the Office of the District Clerk of the SFWMD. Filings with the District Clerk may be made by mail, hand-delivery or facsimile. Filings by e-mail will not be accepted. Any person wishing to receive a clerked copy with the date and time stamped must provide an additional copy. A petition for administrative hearing is deemed filed upon receipt during normal business hours by the District Clerk at SFWMD headquarters in West Palm Beach, Florida. Any document received by the office of the SFWMD Clerk after 5:00 p.m. shall be filed as of 8:00 a.m. on the next regular business day. Additional filing instructions are as follows:

• Filings by mail must be addressed to the Office of the SFWMD Clerk, P. O. Box 24680, West Palm Beach, Florida 33416.
• Filings by hand-delivery must be delivered to the Office of the SFWMD Clerk. Delivery of a petition to the
SFWMD’s security desk does not constitute filing. To ensure proper filing, it will be necessary to request the SFWMD’s security officer to contact the Clerk’s office. An employee of the SFWMD’s Clerk’s office will receive and file the petition.

- Filings by facsimile must be transmitted to: SFWMD Clerk’s Office at (561)682-6010. Pursuant to subsections 28-106.104(7), (8) and (9), Florida Administrative Code, a party who files a document by facsimile represents that the original physically signed document will be retained by that party for the duration of that proceeding and of any subsequent appeal or subsequent proceeding in that cause. Any party who elects to file any document by facsimile shall be responsible for any delay, disruption, or interruption of the electronic signals and accepts the full risk that the document may not be properly filed with the clerk as a result. The filing date for a document filed by facsimile shall be the date the SFWMD Clerk receives the complete document.

Initiation of an Administrative Hearing – Pursuant to Rules 28-106.201 and 28-106.301, Florida Administrative Code, initiation of an administrative hearing shall be made by written petition to the SFWMD in legible form and on 8 and 1/2 by 11 inch white paper. All petitions shall contain:

1. Identification of the action being contested, including the permit number, application number, District file number or any other SFWMD identification number, if known.
2. The name, address and telephone number of the petitioner and petitioner’s representative, if any.
3. An explanation of how the petitioner’s substantial interests will be affected by the agency determination.
4. A statement of when and how the petitioner received notice of the SFWMD’s decision.
5. A statement of all disputed issues of material fact. If there are none, the petition must so indicate.
6. A concise statement of the ultimate facts alleged, including the specific facts the petitioner contends warrant reversal or modification of the SFWMD’s proposed action.
7. A statement of the specific rules or statutes the petitioner contends require reversal or modification of the SFWMD’s proposed action.
8. If disputed issues of material fact exist, the statement must also include an explanation of how the alleged facts relate to the specific rules or statutes.
9. A statement of the relief sought by the petitioner, stating precisely the action the petitioner wishes the SFWMD to take with respect to the SFWMD’s proposed action.

A person may file a request for an extension of time for filing a petition. The SFWMD may, for good cause, grant the request. Requests for extension of time must be filed with the SFWMD prior to the deadline for filing a petition for hearing. Such requests for extension shall contain a certificate that the moving party has consulted with all other parties concerning the extension and that the SFWMD and any other parties agree to or oppose the extension. A timely request for extension of time shall toll the running of the time period for filing a petition until the request is acted upon.

If the District takes action with substantially different impacts on water resources from the notice of intended agency decision, the persons who may be substantially affected shall have an additional point of entry pursuant to Rule 28-106.111, Florida Administrative Code, unless otherwise provided by law.

Mediation – The procedures for pursuing mediation are set forth in Section 120.573, Florida Statutes, and Rules 28-106.111 and 28-106.401-.405, Florida Administrative Code. The SFWMD is not proposing mediation for this agency action under Section 120.573, Florida Statutes, at this time.

Right to Seek Judicial Review – Pursuant to Sections 120.60(3) and 120.68, Florida Statutes, a party who is adversely affected by final SFWMD action may seek judicial review of the SFWMD’s final decision by filing a notice of appeal pursuant to Florida Rule of Appellate Procedure 9.110 in the Fourth District Court of Appeal or in the appellate district where a party resides and filing a second copy of the notice with the SFWMD Clerk within 30 days of rendering of the final SFWMD action.

The discharge of the RO concentrate may not meet all surface water quality criteria for Class III marine waters as required by Chapter 62-302, F.A.C. Because of this, the permittee has sought relief for eight surface water quality parameters under the Department’s mixing zone rule, Section 62-4.244, F.A.C. The application has provided reasonable assurance that the following mixing zones can be attained for the following constituents with their corresponding size (the discharge must meet water quality standards for each parameter at the edge of the mixing zone):
