FINANCIAL SERVICES COMMISSION

OIR – Insurance Regulation

RULE NO.: 690-149.003
 RULE TITLE: Rate Filing Procedures
 PURPOSE AND EFFECT: Amends Rule 690-149.003, Florida Administrative Code.

SUBJECT AREA TO BE ADDRESSED: Pursuant to Section 627.410(6)(a), Florida Statutes, health insurers seeking to issue or renew health insurance policy forms in the State of Florida must submit documentation (rating manuals, rating schedules, change in rating manual, change in rating schedule, etc.) to the Office demonstrating that the proposed policy or policy renewal’s premium rates are reasonable in relation to the benefits provided. Rule 690-149.003, Florida Administrative Code, provides insurers with detailed rate filing procedures.

Rule 690-149.003(5), Florida Administrative Code, allows insurers without fully credible data to make streamlined rate increase filings with the Office that are simpler in format and content than the full filing format defined in Rule 690-149.003(2), Florida Administrative Code. Insurers who qualify and elect to file streamlined rate increase filings with the Office are limited to rate increases equal to the maximum annual medical trend for medical expense coverage or the maximum annual medical trend for Medicare Supplement coverage. The current version of paragraph 690-149.003(6), Florida Administrative Code, includes tables which display the applicable maximum annual medical trend. The proposed amendments to Rule 690-149.003, Florida Administrative Code, deletes the aforementioned maximum annual medical trend tables from the text of the rule and provides the URL of the Office’s website on which the Office will update the tables as needed.

Paragraph 690-149.003(5)(a), Florida Administrative Code, defines the qualifications that insurers must meet to make streamlined rate increase filings. The current version of paragraph 690-149.003(5)(a), Florida Administrative Code, allows Medicare Supplement providers with fewer than 1,000 Florida policyholders to make streamlined rate increase filings with the Office. The proposed amendments to paragraph 690-149.003(5)(a), Florida Administrative Code, limit the use of streamlined rate increase filings to Medicare Supplement providers with fewer than 1,000 policyholders nationwide rather than to 1,000 policyholders in Florida.

RULEMAKING AUTHORITY: 624.308(1), 624.424(1)(c), 627.410(6)(b), (e) FS.

LAW IMPLEMENTED: 119.07(1)(b), 624.307(1), 626.9541(1), 627.410 FS.

The changes to these rules do not have an adverse impact on small business and do not directly or indirectly increase regulatory costs in excess of \$200,000 in the aggregate within 1 year of implementation. The changes to these rules also do not directly or indirectly have an adverse impact on economic growth, private sector job creation or employment, or private sector investment, business competitiveness or innovation or increase regulatory costs, including any transactional costs, in excess of \$1 million in the aggregate within 5 years after the implementation of either rule.

19-8.030 Insurer Responsibilities.

(1) through (3)(c) No change.

(d) Citizens Property Insurance Corporation or Citizens means the entity formed under Section 627.351(6), F.S., and includes both the Coastal High Risk Account and the Personal Lines and Commercial Lines Accounts.

(e) through (h) No changes.

(i) Data Call or Florida Hurricane Catastrophe Fund Data Call means the annual reporting of insured values ~~forms form FHCF-DIA as adopted and incorporated into Rule 19-8.029, F.A.C. These forms, as adopted and incorporated into Rule 19-8.029, F.A.C., are the FHCF DIA for Contract Years after the 2002/2003 Contract Year and the FHCF DIA for the Contract Year 2002/2003 and all prior Contract Years.~~

(j) through (4)(a)1. No change.

2. For the 2011/2012 and subsequent Contract Years, each Insurer required to participate in the FHCF must designate a coverage level in the annual Reimbursement Contract, make any required selections therein and execute the Reimbursement Contract and applicable Addenda so that the Contract, including the schedules and applicable Addenda, have been received by ~~the~~ March 1 prior to each Contract Year.

(b) No change.

(c) New Participants during the period of December 1 through May 31: Those Insurers that first begin writing Covered Policies from December 1 through May 31 of a Contract Year, along with the Insurers described in paragraph (b) immediately above, are New Participants. However, these Insurers shall not complete and submit the Data Call (~~Form FHCF-DIA~~) but shall meet all other requirements for New Participants.

(d) No change.

(5) Exposure Reporting Requirements.

(a) Quota Share Primary Insurance: Citizens and Authorized Insurers may enter into Quota Share Primary Insurance Arrangements with respect to the Coastal High Risk

Account policies. The statute also provides, in Section 627.351(6)(c)2.a.(II), F.S., that Citizens shall be responsible for the annual reporting of insured values to the FHCF for both Citizens and the Insurer participating with Citizens in the Quota Share Arrangement. Citizens shall report the insured values covered by the Quota Share Primary Insurance Arrangements in the same manner that all other current participants, as described in paragraph (b) below, report their insured values. Please note that both Citizens and the Quota Share Primary Insurer must keep complete and accurate records, including copies of policy declaration pages and supporting claims documents, for the purpose of exposure and loss reimbursement examinations by the FHCF.

(b) Current Participants: Each Insurer, with Covered Policies as of June 1 of a Contract Year must participate in the FHCF and must complete and submit the Data Call. ~~The Data Call is incorporated into Rule 19-8.029, F.A.C., and is due~~, correctly completed, no later than September 1 of the Contract Year.

(c) New Participants during the period of June 1 through November 30: Those Insurers that first begin writing Covered Policies from June 1 through November 30 of a Contract Year must complete and submit the Data Call. ~~The Data Call is incorporated into Rule 19-8.029, F.A.C., and is due~~, correctly completed, by March 1 of the Contract Year.

(d) Resubmissions of Data: With one exception noted below, any Insurer which submits a Data Call, ~~Form FHCF-DIA~~, with incorrect data, incomplete data, or data in the wrong format and is required to resubmit will be given 30 days from the date on the letter from the FHCF notifying the Insurer of the need to resubmit. An extension of 30 days will be granted if the Insurer can show that the need for the additional time is due to circumstances beyond the reasonable control of the Insurer. Exception: If the Insurer, at the time it receives notice of the need to resubmit, has already been issued a notice of examinations, the usual 30 day time limitation (measured from the date of the letter giving notice of the need to resubmit) does not apply. In this situation, the time period in which the Insurer must resubmit is measured by counting backwards 30 days from the date that the examinations are scheduled to begin as reflected on the notice of examinations letter. The FHCF needs the information prior to the examinations; thus, no extensions can be granted.

RULE NO.: 69K-18.003
RULE TITLE: Concurrent Internships
PURPOSE AND EFFECT: This proposed Rule 69K-18.003, F.A.C., addresses the requirements for concurrent internships, especially in light of the changes to the funeral director portion of the internship pursuant to Chapter 2010-125, Laws of Florida.

SUMMARY: The 2010 legislature, in Chapter 2010-125, Laws of Florida, substantially amended Section 497.375, F.S., regarding funeral director internships. The statutory changes provided additional alternative ways a person could work their way through the educational and internship requirements for funeral director licensure. The statutory changes were directed at funeral director licensure, not embalmer licensure. However, the changes to some degree affect persons seeking combination (i.e., "concurrent") licensure as a funeral director & embalmer intern. This proposed Rule 69K-18.003, F.A.C., addresses the requirements for concurrent internships, especially in light of the changes to the funeral director portion of the internship.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has been prepared by the agency.

No new or raised fees are imposed. The legislative changes and the proposed rule will result in pay increases to some funeral director interns, and will not result in pay decreases for any interns. The changes make it easier to obtain a funeral director license in Florida, and will increase the number of persons who are able to pursue and earn a living in a funeral director career.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein:

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

The Board, at its meeting held on February 3, 2012 voted to grant the Petition for Waiver with the condition that if the Petitioner has two other incidents that may qualify as incidents of medical malpractice and petitioner is unable to produce the record in his first malpractice case that result in the \$350,000 payment, the first malpractice incident shall be deemed an incident of repeated medical malpractice pursuant to Section 456.50(2), F.S., and Section 26, Art. The Board of Medicine hereby gives notice that on February 20, 2012, an Order was filed on the Petition for Waiver or Variance. The Petition for Waiver or Variance was filed by Charles R. Stark, M.D., on December 22, 2011, seeking a waiver or variance from Rule 64B8-9.0131, F.A.C., with regard to the requirement for continuing medical education (CME) for practice in a pain management clinic. Release of Long-term Care Managed Care Data Book and Request for Non-binding Letter of Intent

In preparation for the release of the procurement that will secure contracts with health plans to participate in the Long-term Care (LTC) Managed Care component of the Statewide Medicaid Managed Care (SMMC) program, the Agency for Health Care Administration (Agency) released the LTC data book on March 16, 2012. The data book provides relevant background information that prospective plans will find useful in the development of their Invitation to Negotiate (ITN) response. Section 409.966, Florida Statutes, requires the data book to be released at least 90 days ahead of the ITN posting.

To assist with planning, the Agency has requested a non-binding letter of intent from interested parties. Parties intending to submit a bid are asked to send a letter to the Agency by April 18, 2012. The letter should identify the company name and the region(s) for which the party intends to submit a response. Such a letter is completely voluntary and the decision not to submit a letter will have no effect on this or any other procurement. Letters should be sent via e-mail: FLMedicaidManagedCare@ahca.myflorida.com. Plans interested in the data book and letter of intent request can obtain more information from the SMMC website: http://ahca.myflorida.com/Medicaid/statewide_mc/index.shtml.

DEPARTMENT OF ENVIRONMENTAL PROTECTION

Notice of its Intent to Grant a Variance

The Department of Environmental Protection gives notice of its intent to grant a variance under Section 403.201, F.S., from the provisions of paragraph 62-346.302(1)(c), F.A.C., and the incorporated section 10.2.5 of the Environmental Resource Permit Applicant's Handbook Volume I, to Eglin Air Force Base, 96th Civil Engineering Group, 700 Range Road, Bldg. 592, Eglin AFB, FL 32542-5133 (File No. 66-0306535-001-EV; OGC No. 11-0840). Paragraph 62-346.302(1)(c), F.A.C., and section 10.2.5 of the Handbook require Department denial of permit applications for regulated activities that are located directly in Class II waters that are classified by the Department of Agriculture and Consumer Services as "approved" for shellfish harvesting. The purpose of the variance is to allow the demolition of existing wave attenuators, an upland retaining wall, and a pier, construction of a new pier (approximately 12 feet wide by 450 feet long) in the same alignment as the existing pier, contouring of a portion of the shoreline to re-orient the existing boat ramp, dredging an access channel (approximately 50 feet wide by 1,100 feet long) to a depth of minus 5 feet, and placing the excavated material in a self-contained, upland spoil site, and installing approximately 300 feet of shoreline protection. The project is located at the Fort Rucker Recreation Area, Latitude / Longitude 30° 28' 34.0139" / -86° 18' 47.6617", on Choctawhatchee Bay, Class II Waters of the State, Conditionally Approved Shellfish Harvesting Area, on Eglin Air Force Base, Walton County.

The Department's file on this matter is available for public inspection during normal business hours, 8:00 a.m. – 5:00 p.m., Monday through Friday, except legal holidays, at: Department of Environmental Protection, Northwest District Office, 160 West Government Street, Suite 308, Pensacola, Florida 32502-5794, Telephone: (850)595-8300.

A person whose substantial interests are affected by the Department's action may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, Florida Statutes. The petition must contain the information set forth below and must be filed (received by the clerk) in the

Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station #35, Tallahassee, Florida 32399-3000.

Mediation under Section 120.573, F.S., is not available.

Because the administrative hearing process is designed to formulate final agency action on the application, the filing of a petition for an administrative hearing may result in a modification of the agency action or even a denial of the application. If a sufficient petition for an administrative hearing or request for an extension of time to file a petition is timely filed, this agency action automatically becomes only proposed agency action on the application, subject to the result of the administrative review process. Accordingly, the applicant is advised not to commence construction or other activities in accordance with this variance until the deadlines noted below for filing a petition for an administrative hearing, or request for an extension of time, have expired.

Under subsections 28-106.111(3) and 62-110.106(4), F.A.C., a person whose substantial interests are affected by the Department's action may also request an extension of time to file a petition for an administrative hearing. The Department may, for good cause shown, grant the request for an extension of time. Requests for extension of time must be filed with the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station #35, Tallahassee, Florida 32399-3000, before the applicable deadline. A timely request for extension of time shall toll the running of the time period for filing a petition until the request is acted upon. If a request is filed late, the Department may still grant it upon a motion by the requesting party showing that the failure to file a request for an extension of time before the deadline was the result of excusable neglect.

In the event that a timely and sufficient petition for an administrative hearing is filed, other persons whose substantial interests will be affected by the outcome of the administrative process have the right to petition to intervene in the proceeding. Any intervention will be only at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

In accordance with subsections 28-106.111(2), paragraph 62-110.106(3)(a) and (4), F.A.C., petitions for an administrative hearing by the applicant must be filed within 14 days of receipt of this written notice. Petitions filed by any persons other than the applicant, and other than those entitled to written notice under Section 120.60(3), F.S., must be filed within 14 days of publication of the notice or within 14 days of receipt of the written notice, whichever occurs first.

Under Section 120.60(3), F.S., however, any person who has asked the Department for notice of agency action may file a petition within 14 days of receipt of such notice, regardless of the date of publication.

The petitioner shall mail a copy of the petition to the applicant at the address indicated above at the time of filing. The failure of any person to file a petition for an administrative hearing within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S.

A petition that disputes the material facts on which the Department's action is based must contain the following information: (a) The name and address of each agency affected and each agency's file or identification number, if known; (b) The name, address, and telephone number of the petitioner; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests are or will be affected by the agency determination; (c) A statement of when and how the petitioner received notice of the agency decision; (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate; (e) A concise statement of the ultimate facts alleged, including the specific facts that the petitioner contends warrant reversal or modification of the agency's proposed action; and (f) A statement of the specific rules or statutes that the petitioner contends require reversal or modification of the agency's proposed action; (g) A statement of the relief sought by the petitioner, stating precisely the action that the petitioner wishes the agency to take with respect to the agency's proposed action.

A petition that does not dispute the material facts on which the Department's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.A.C. Under Sections 120.569(2)(c) and (d), F.S., a petition for administrative hearing must be dismissed by the agency if the petition does not substantially comply with the above requirements or is untimely filed.

This action is final and effective on the date filed with the Clerk of the Department unless a petition is filed in accordance with the above. Upon the timely filing of a petition this order will not be effective until further order of the Department.

This variance constitutes an order of the Department. The applicant has the right to seek judicial review of the order under Section 120.68, Florida Statutes, by the filing of a notice of appeal under Rule 9.110, Florida Rules of Appellate Procedure, with the Clerk of the Department in the Office of General Counsel, 3900 Commonwealth Boulevard, Mail Station #35, Tallahassee, Florida 32399-3000, and by filing a copy of the notice of appeal accompanied by the applicable

filing fees with the appropriate district court of appeal. The notice of appeal must be filed within 30 days from the date when the final order is filed with the Clerk of the Department.
