NOTICE IS HEREBY GIVEN that the Florida Building Commission has declined to rule on the petition for declaratory statement filed by the Broward County Board of Rules and Appeals on July 18, 2012. The following is a summary of the agency's declination of the petition:

The Florida Building Commission denied the petition because the petition requested clarification regarding repairs and remodeling of mobile homes. Pursuant to Section 553.73(10)(a), Florida Statutes, mobile homes, and repairs to them are exempt from the Florida Building Code because they are regulated by the federal Department of Housing and Urban Development and by delegated authority, to the Florida Department of Highway Safety and Motor Vehicles.

A copy of the Order Declining of the Petition for Declaratory Statement may be obtained by contacting: Agency Clerk's Office, Department of Business and Professional Regulation, 1940 North Monroe Street, Suite 92, Tallahassee, Florida 32399-2203.

NOTICE IS HEREBY GIVEN that the Florida Building Commission has declined to rule on the petition for declaratory statement filed by Andrew B. Finlayson on July 18, 2012. The following is a summary of the agency's declination of the petition:

The Florida Building Commission (Commission) denied the petition because the petition requested the Commission to interpret the Florida Accessibility Code for Building Construction and Chapter 11 of the Florida Building Code regarding a subject matter that is not a Florida specific requirement and strictly within the scope of the Americans with Disabilities Act, and pursuant to Section 553.775(5), Florida Statutes, a declaratory statement is an inappropriate means to obtain the interpretation requested.

DEPARTMENT OF HEALTH

NOTICE IS HEREBY GIVEN that the Board of Nursing has issued an order disposing of the petition for declaratory statement filed by Amanda M. Walter, RN, MSN, CEN, on April 23, 2012. The following is a summary of the agency's disposition of the petition:

The Notice of Petition for Declaratory Statement was published in Vol. 38, No. 19, of the May 11, 2012, Florida Administrative Weekly. The Board considered the Petition at its duly-noticed meeting held on June 7, 2012. The Petitioner was seeking advice regarding whether it is within the scope of practice for a registered nurse to perform intraosseous cannulation under the direct supervision of a licensed physician in a hospital emergency department. The Petitioner has not performed an intraosseous cannulation, and has not been asked to do so. The Board's Order, filed on July 9, 2012, denies the Petition, finding that a declaratory statement may only address particular circumstances of the Petitioner, and may not constitute a statement of general applicability concerning other licensees.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Joe R. Baker, Jr., Executive Director, 4052 Bald Cypress Way, Bin #C06, Tallahassee, FL 32399-3256.
