(c) Form DS-DE 121 (eff. 06/2011), (http://www.flrules.org/Gateway/reference.asp?No=Ref-00430), entitled “Form for Complaint Against Third-Party Voter Registration Organization.”

(2) Definitions. For purposes of Section 97.0575, F.S., the following definitions apply:

(a) “Affiliate organization” of a third-party voter registration organization means any person, as defined in Section 1.01(3), F.S., that is associated with the third-party voter registration organization as a subordinate, subsidiary, member, branch, chapter, as a central or parent organization, or through direct or indirect ownership or control. Ownership or control means substantial and effective, though not necessarily predominant, ownership or control.

(b) “Engaging in any voter registration activities” means that the organization is collecting for collection or collecting voter registration applications from Florida voter registration applicants.

(c) “Force majeure” means any event or occurrence of societal significance beyond the reasonable control and without the fault of the third-party voter registration organization which could not have been prevented, avoided, or overcome by the exercise of reasonable care, diligence, or foresight of the third-party voter registration organization, including, but not limited to, civil disturbances or acts of war; extraordinarily severe weather, such as hurricanes, floods, or tornadoes; or shortages of food, electric power, or fuel.
(d) “Impossibility of performance” means an actual impossibility or impracticability of compliance as the result of a condition or circumstance which the third-party voter registration organization did not create and could not reasonably have anticipated.

(e) “Registration agent” means any individual who is employed by or volunteers for a third-party voter registration organization and who solicits for collection or who collects voter registration applications from Florida voter registration applicants on behalf of the organization.

(3) Registration.

(a) Before engaging in any voter registration activities, a third-party voter registration organization (hereinafter “organization”) shall complete and file Form DS-DE 119 with the Division. The organization must submit the form as an attachment in pdf format in an email to 3PVRO@dos.myflorida.com or transmit the form to the Division’s facsimile machine at (850)245-6291. An affiliate organization which itself independently engages in separate solicits for collection or collects voter registration applications from Florida voter registration applicants on behalf of the affiliate must file a Form DS-DE 119 even if its affiliated organization has filed a Form DS-DE 119. An organization shall also use Form DS-DE 119 to update or terminate its registration.

(b) Upon receipt of an organization’s initial and completed registration, the Division shall assign the organization a unique third-party voter registration organization identification number that begins with “3P.” An organization is not deemed registered as a third-party voter registration organization until the Division issues the organization its identification number.

(c) A registration agent must complete, sign, and date Form DS-DE 120 before beginning his or her duties for the organization and the organization must ensure the form is submitted to the Division within 10 days after the form is signed. Form DS-DE 120 may be submitted to the Division when the organization submits its initial Form DS-DE 119. For any addition to the list of its registration agents or change in information about a registration agent other than termination of a registration agent, the organization shall submit an updated Form DS-DE 119. For permissible means of notifying the Division of the termination of a registration agent, See paragraph (6)(b).

(d) A registration agent may be a registration agent for one or more organizations, but each organization must ensure that the registration agent submits a separate Form DS-DE 120 for its organization.

(e) An organization shall submit any change in information previously submitted to the Division, including any addition to the list of its employee registration agents, any termination of an employee registration agent, or change in information about an employee registration agent, within 10 days following the change. A change is not considered filed until the Division receives the change. Notice of termination of an employee registration agent shall be provided as set forth in paragraph (6)(b).

(f) Except as otherwise provided in paragraph (6)(b), any forms or amendments or additions to forms required under this subsection must be submitted in the same manner of transmission required for the Form DS-DE 119 used to initially register an organization.

(4) Voter Registration Applications Provided to and Used by Third-Party Voter Registration Organizations.

(a) All voter registration applications provided by the organization to the Division and each supervisor of elections to an organization shall include the third-party voter registration organization identification number on the bottom of the reverse side of each voter registration application in a manner that does not obscure any other entry.

(b) The registration agent or the organization shall print the date and time that the voter registration applicant delivered completed the application to the registration agent in a conspicuous space on the bottom portion of the reverse side of the voter registration application it collects from a voter registration applicant in a manner that does not obscure any other entry. The date and time printed by the registration agent or the organization shall be in the following numerical format: MM/DD/YY; hh:mm a.m./p.m. For example, if the voter registration applicant completed the application on May 15, 2014 at 1:30 p.m., the entry on the bottom portion of the reverse side of the application shall be: 05/15/14; 13:30 p.m. The entry for an application completed on October 11, 2014 at 11:30 a.m., would be printed as 10/11/14; 11:30 a.m. on the bottom portion of the reverse side of the application.

(c) Each organization shall ensure that its assigned organization identification number is recorded on the bottom portion of the reverse side of any voter registration application it delivers to the Division or a supervisor of elections in a manner that does not obscure any other entry.

(d) Delivery of the voter registration application by the organization to the Division or a supervisor of elections may be accomplished by in-person delivery or mail. All applications must be delivered to the Division or a supervisor of elections or be postmarked within 10 calendar days of collection by an organization or any of its registration agents. If the 10th day falls on a weekend, holiday, or other day on which the Division or the supervisor of elections office is closed, the voter registration application must be delivered to the Division or the supervisor of elections or be postmarked by the following business day. If, however, a book closing deadline for any given election for federal or state office falls within the 10-day period described above, all applications collected by an
organization or any of its registration agents before book closing must be delivered to the Division or a supervisor of elections on or before the book closing deadline.

(5) Referral to Attorney General for Enforcement; Waiver of Fines upon Showing of Force Majeure or Impossibility of Performance Monthly Report by Organizations.

(a) In exercising the authority to refer violations of the third-party voter registration law to the Attorney General for enforcement, the Secretary of State’s principal concern is the protection of applicants who have entrusted their voter registration applications to a third-party voter registration organization. By law, the organization serves as a fiduciary to those applicants, who have a right to expect that their applications will be timely delivered to an elections official irrespective of party affiliation, race, ethnicity, or gender. By the 10th day of each month, each organization shall submit to the Division a Form DS-DE 123 to account for the number of state and federal voter registration application forms provided to and received from each of its registration agents for the preceding month. If the organization had no voter registration activity in the preceding month, the organization shall submit Form DS-DE 123 reflecting that it did not provide voter registration applications to, or receive any from, its registration agents.

(b) Any organization claiming that its failure to deliver a voter registration application within the required timeframe was based upon force majeure or impossibility of performance may provide a sworn statement to the Division explaining the circumstances constituting force majeure or impossibility of performance. Form DS-DE 123 required under this subsection must be submitted as an attachment in pdf format in an email to 3PVRO@dos.myflorida.com or transmitted to the Division’s facsimile machine at (850)245-6291 within 10 days of the termination. Form DS-DE 119 is not used as the means of notification, the notification shall contain the organization’s assigned identification number and the name of the employee registration agent being terminated.

(c) Forms DS-DE 119 and DS-DE 123 required under this subsection must be submitted as an attachment in pdf format in an email to 3PVRO@dos.myflorida.com or transmitted to the Division’s facsimile machine at (850)245-6291.

(7) Processing of Voter Registration Applications from an Organization by the Division and Supervisors of Elections.

(a) For each non-blank registration application that an organization delivers to the Division or supervisor of elections, a voter registration official shall record the date and time of delivery on the bottom portion of the reverse side of the application in a manner that does not obscure any other entries. For purposes of this rule and not for voter registration purposes, an application is considered delivered to the Division or a supervisor of elections at the time the application is actually delivered by the organization by in-person delivery or, if mailed, the date of delivery shall be the date of a clear postmark, if one is present on the mailing envelope. If a postmark is not present or unclear, the date of delivery to the Division or a supervisor of elections is the actual date of receipt. If the date of delivery is the mail postmark, the applicable 48-hour period for the determination of fines pursuant to Section 97.0575, F.S., shall be based upon whether the postmark is within two days of the date when the applicant completed the voter registration application, unless the organization provides documentation at the time of mailing the application that the date the applicant completed the application was on an earlier date than when the applicant delivered the application to the organization. For a determination of a fine based upon the application being received by mail after the book closing date, a clear postmark on or before the date of book closing will excuse the fine. If an organization delivers more than one application at the same time, those applications shall bear the same date and time of delivery regardless of when the applications are processed.
(b) An organization’s untimely delivery of a voter registration application does not affect the validity of the application. Every such application must be processed regardless of the timeliness of its delivery.

(c) The Division and supervisors of elections shall record the number of state or federal voter registration applications they provide to, and receive from, each organization. Each supervisor of elections shall report to the Division on Form DS-DE 124 by noon of the following business day the number of voter registration applications provided to and received from each organization the previous business day. Supervisors of Elections are not required to submit Form DS-DE 124 when they did not provide any voter registration applications to, or receive any from, an organization on the preceding business day.

(d) Form DS-DE 124 required under this subsection must be submitted as an attachment in pdf format in an email to 3PVRO@dos.myflorida.com or transmitted to the Division’s facsimile machine at (850)245-6291.

(8) Complaints.

(a) Any person claiming to have provided a completed voter registration application to a third-party voter registration organization but whose name does not appear as an active voter on the voter registration rolls shall use Form DS-DE 121 to file the complaint with the Division. See Rule 1S-2.025, F.A.C.

(b) Any other person, except supervisors of elections or their staff, may report allegations of irregularities or fraud involving voter registration by filing an elections fraud complaint with the Division. See Rule 1S-2.025, F.A.C.

(c) Supervisors of elections or their staff shall report any untimely filed voter registration application submitted by an organization by sending the Division an explanatory statement in an email and attaching documents which reflect the untimely submission in pdf format to 3PVRO@dos.myflorida.com, or by transmitting the explanatory statement and documentation to the Division’s facsimile machine at (850)245-6291, or by having them delivered by express mail or expedited courier service. For any application containing an organization’s identification number — but no other information indicating it was collected by a third-party voter registration organization, such as a cover letter or a “date delivered” mark as required by paragraph (4)(b) and that was received after the book closing date or more than 10 days after the date on which the applicant signed it — the explanatory statement should include a description of the supervisor’s efforts to contact the applicant to confirm that the application was delivered to the organization.

(d) The Secretary of State will not refer a violation to the Attorney General unless there is evidence that the applicant entrusted the voter registration application to a third-party voter registration organization.

15B-2.013 Approved Speed Measuring Devices
15B-2.016 Tests to Determine Accuracy of Laser Speed Measuring Devices
PURPOSE AND EFFECT: The purpose of the proposed rule action is to amend the current rule to incorporate those speed measuring devices that have been approved since the last revision to Rule 15B-2.013, F.A.C. In addition, changes are being made to Rule 15B-2.016, F.A.C., in order to reflect a revision to form DHSMV 61071 – Laser Speed Measuring Device Certification – to remove any reference to “Max. Limit 300 uW”.

SUMMARY: Changes are being made to the Department’s rule on Approved Speed Measuring Devices so that speed measuring devices that have been approved, since the last revision, could be incorporated into Rule 15B-2.013, F.A.C. Likewise, a revision to form DHSMV 61071, removing any reference to “Max. Limit 300 uW” requires a change to Rule 15B-2.016, F.A.C., as DHSMV 61071 is referenced in this section.

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of $200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency.
The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The Agency has determined that these proposed rules are not expected to require legislative ratification because they are being repealed to reduce unnecessary regulation.

This category of appeal involves the calculation of the release date but does not include the determination of monthly gain time awards. Included are questions relating to the length of sentence, whether the court imposed mandatory or special sentencing provisions, credit for time served, date of imposition of sentence, sentence chaining (concurrent or consecutive), and forfeitures arising from judicial or Parole Commission revocations (not forfeitures through the administrative disciplinary process).

(12) Informal Grievance: This is an initial statement of complaint filed on Form DC6-236, Inmate Request, with the staff member who is responsible for the particular area of the problem. Form DC6-236 is incorporated by reference in Rule 33-103.005, F.A.C. The effective date of the form is 6-12.

(13) Literature Review Committee: The final reviewing authority for appeals regarding rejected reading material. An inmate shall utilize the direct grievance process. Inmates may proceed directly to the Office of the Secretary on the following issues as governed by subsection 33-103.007(6), F.A.C.: grievance involving a violation of the Health Insurance Portability and Accountability Act (HIPAA), rather than initiating an informal or formal grievance of emergency nature, grievance of reprisal, protective management, admissible reading material, sentence structure issues (release date calculations), and inmate banking issues.

When determining the time frames for grievances in all cases, the specified time frame shall commence on the date following the date of the incident or response to the grievance at the previous level. For example, if an incident occurred on December 1, fifteen days from that date would be December 16.

1 Filing of Grievances.
(a) Informal Grievances – Must be received within 20 days of when the incident or action being grieved occurred unless the inmate has requested in writing and received approval for a 45 day extension to file an informal grievance about being physically restrained during pregnancy, labor or post-partum recovery pursuant to Rule 33-602.211, F.A.C. The request for an extension must be submitted on Form DC6-236, Inmate Request, and received within 20 days of the application of restraints.

33-103.014 Reasons for Return of Grievance or Appeal Without Processing.
1 The informal grievance, formal grievance, direct grievance, or grievance appeal, hereafter referred to as “grievance,” may be returned to the inmate without further processing if, following a review of the grievance, one or more of the following conditions are found to exist. The reasons listed below are the only reasons for returning a grievance without a response on the merits.
(a) through (j) No change.
(k) The inmate is being advised to refile an informal grievance with a specific staff member.
(l) The inmate has written his or her complaint outside the boundaries of the space provided on the grievance form or request form.
(m) The inmate has used multiple copies of grievance forms rather than attachments as continuation sheets.
(n) A decision has already been rendered to an inmate by a particular office on the issue currently being grieved before it.
(o) The inmate is grieving a matter beyond the control of the Department as described in subsection 33-103.001(4), F.A.C.
(p) The inmate is raising allegations and charges in a grievance appeal that have not been raised below at the previous level. (Since this is an appellate review process and not a fact-finding process, it is not appropriate to raise new allegations, charges, and facts that the previous decision maker has not had an opportunity to investigate and respond to.)
(q) The inmate has filed more than one appeal of a grievance. This would not include the situation where an inmate wishes to appeal the denial of his grievance as well as allege non-compliance with the grievance process. Since these are two separate issues, they would have to be raised in separate grievances.
(r) The inmate has filed a supplement to a grievance or appeal that has already been accepted. An exception will be made when the supplement contains relevant and determinative information that was not accessible to or known by the inmate at the time the original grievance or appeal was filed.
(s) Complaints are raised by an inmate regarding incidents that do not affect the inmate personally.
(t) The inmate filed a grievance at the institutional level that should have been filed directly with the Office of the Secretary.
(u) The inmate used more than two (2) additional narrative pages.
(v) The inmate filed an informal grievance in excess of 20 days from the time the event being grieved occurred.
(w) The inmate is using the grievance process to ask questions or seek information, guidance, or assistance.
(x) The inmate is filing an informal grievance about being physically restrained pursuant to Rule 33-602.211, F.A.C., either beyond the initial required timeframe without first requesting and obtaining an extension, or has filed beyond an approved 45 day extension.

2 An inmate who has a grievance returned to him for reasons stated in subsection (1) above [excluding paragraph (1)(d), (e), (h), (i), (m), (n), (p), (q), (r), or (t)], (u), (v) or (w)] may resubmit utilizing the proper procedure or correct the stated deficiency and refile if upon receipt of this notification the filing is within time frames allowable. When a grievance is returned to an inmate for being improperly filed, the inmate shall be told why the grievance was returned and told that in order to receive administrative review of his complaint he must correct the defects and re-submit the grievance within the time frames set forth in Rule 33-103.011, F.A.C., unless instructed otherwise in the grievance response. Instructions to resubmit are not necessary if a grievance is returned for reasons stated in paragraph (1)(d), (e), (h), (i), (m), (n), (p), (q), (r), or (t), (u), (v), (w), or (x).

RULE NO.: 33-601.311

PURPOSE AND EFFECT: The purpose and effect of the proposed rule is to provide for the transfer of an inmate awaiting a disciplinary hearing. Where circumstances dictate, an inmate may be immediately transferred before disciplinary hearings are held. The amendment recognizes that, although it is preferable to hold a hearing on disciplinary action prior to transfer, this is not always possible in a dynamic prison setting. The change allows the department flexibility to properly utilize available prison space in the most cost efficient manner.

SUMMARY: The rule amendment allows the department the flexibility to transfer an inmate, even though the inmate may be awaiting a disciplinary hearing, where circumstances dictate this action in order to properly utilize available prison space in the most cost efficient manner.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:
The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of $200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: Upon review of the proposed changes to these rules and incorporated forms, the department has determined that the amendments will not exceed any one of the economic analysis criteria in a SERC as set forth in Section 120.541(2)(a), F.S.
Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

DEPARTMENT OF STATE
Division of Elections
RULE NO.: RULE TITLE:
1SER12-01 Third-Party Voter Registration Organizations

SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE: Pursuant to Section 120.54(4)(b), Florida Statutes, this emergency rule is a rule pertaining to the public health, safety, and welfare as it involves the interpretation and implementation of the requirements of Chapters 97-102 and 105 of the Florida Election Code. A federal court preliminarily enjoined certain aspects of Section 97.0575, Florida Statutes, concerning third-party voter registration organizations. While regular rulemaking will soon occur for Rule 1S-2.042, F.A.C., this emergency rule is necessary to implement the provisions of the court’s ruling in a timely manner. The emergency rule removes those procedures that have been enjoined and makes additional clarifications to conform the rule to the court’s decision. The emergency rule will provide third-party voter registration organizations and supervisors of elections the direction they need until Rule 1S-2.042, F.A.C., can complete its normal rulemaking cycle.

REASON FOR CONCLUDING THAT THE PROCEDURE IS FAIR UNDER THE CIRCUMSTANCES: The Division of Elections is aware of the rulemaking procedures prescribed by Section 120.54, Florida Statutes. That process requires advance notice to the public of intended rules and the opportunity to submit comments on the intended rule, prior to the agency’s adoption of the rule. The time period for general rulemaking takes at least 60 days and will prevent the timely amendment and adoption of a rule needed to apply to ongoing registration activities conducted by third-party voter registrations organizations. In the interim, the provisions of this emergency
rule will ensure that organizations and supervisors of elections will be able to comply with the requirements of law based upon a federal court ruling preliminarily enjoining certain provisions of Section 97.0575, Florida Statutes. The Department of State will soon file a notice of proposed rule development for Rule 1S-2.042, F.A.C., with the intent to incorporate the text of this emergency rule through regular rulemaking.

SUMMARY: This emergency rule revises the procedures used by third-party voter registration organizations to align them a preliminary injunction issued by a federal court. It restricts the registration requirement to only those organizations who actually collect voter registration applications from voters; eliminates the organization’s registration agent sworn statement form, DS-DE 120; deletes the requirement for an organization to list its volunteer registration agents on the registration form, DS-DE 119; deletes the requirement for an organization to file a monthly report, DS-DE 123, accounting for voter registration applications; changes the time period from 48 hours to 10 days for the organization to deliver a completed voter registration application to the Division or to a supervisor of elections’ office after an applicant delivers the application to the organization; and further refines the procedures for supervisors of elections regarding untimely filed voter registration applications and the procedures for the Secretary of State’s referral of a violation to Florida’s Attorney General. The emergency rule is necessary to ensure that third-party voter registration organizations and supervisors of elections have the necessary guidance to comply with the preliminary injunction issued by the U.S. District Court.

THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS: Gary J. Holland, Assistant General Counsel, Florida Department of State, 500 S. Bronough Street, Tallahassee, Florida 32399, Gary.Holland@dos.myflorida.com, (850)245-6536

THE FULL TEXT OF THE EMERGENCY RULE IS:

1SER12-01 (1S-2.042) Third-Party Voter Registration Organizations.

(1) Forms. The following forms are hereby incorporated by reference and available from the Division of Elections, R. A. Gray Building, Room 316, 500 South Bronough Street, Tallahassee, Florida 32399-0250, by contact at (850)245-6200, or by download from the Division’s webpage at: http://election.myflorida.com/forms/index.shtml:

(b) Form DS-DE 120 (eff. 06/2011), (http://www.flrules.org/Gateway/reference.asp?No=Ref-00419), entitled “Third Party Voter Registration Organization Registration Agent’s Sworn Statement.”

(c) Form DS-DE 121 (eff. 06/2011), (http://www.flrules.org/Gateway/reference.asp?No=Ref-00430), entitled “Form for Complaint Against Third-Party Voter Registration Organization.”

(d) Form DS-DE 122 (eff. 06/2011), (http://www.flrules.org/Gateway/reference.asp?No=Ref-00411), entitled “Third Party Voter Registration Organization’s Accounting of Voter Registration Applications.”

(2) Definitions. For purposes of Section 97.0575, F.S., the following definitions apply:

(a) “Affiliate organization” of a third-party voter registration organization means any person, as defined in Section 1.01(3), F.S., that is associated with the third-party voter registration organization as a subordinate, subsidiary, member, branch, chapter, as a central or parent organization, or through direct or indirect ownership or control. Ownership or control means substantial and effective, though not necessarily predominant, ownership or control.

(b) “Engaging in any voter registration activities” means that the organization is soliciting for collection or collecting voter registration applications from Florida voter registration applicants.

(c) “Force majeure” means any event or occurrence of societal significance beyond the reasonable control and without the fault of the third-party voter registration organization which could not have been prevented, avoided, or overcome by the exercise of reasonable care, diligence, or foresight of the third-party voter registration organization, including, but not limited to, civil disturbances or acts of war; extraordinarily severe weather, such as hurricanes, floods, or tornadoes; or shortages of food, electric power, or fuel.

(d) “Impossibility of performance” means an actual impossibility or impracticability of compliance as the result of a condition or circumstance which the third-party voter registration organization did not create and could not reasonably have anticipated.

(e) “Registration agent” means any individual who is employed by or volunteers for a third-party voter registration organization and who solicits for collection or who collects voter registration applications from Florida voter registration applicants on behalf of the organization.

(3) Registration.

(a) Before engaging in any voter registration activities, a third-party voter registration organization (hereinafter “organization”) shall complete and file Form DS-DE 119 with the Division. The organization must submit the form as an attachment in pdf format in an email to 3PVRO@dos.myflorida.com or transmit the form to the
Division’s facsimile machine at (850)245-6291. An affiliate organization which itself independently engages in separate solicitation for collection of or collects voter registration applications from Florida voter registration applicants on behalf of the affiliate must file a Form DS-DE 119 even if its affiliated organization has filed a Form DS-DE 119. An organization shall also use Form DS-DE 119 to update or terminate its registration.

(b) Upon receipt of an organization’s initial and completed registration, the Division shall assign the organization a unique third-party voter registration organization identification number that begins with “3P.” An organization is not deemed registered as a third-party voter registration organization until the Division issues the organization its identification number.

(c) A registration agent must complete, sign, and date Form DS-DE 120 before beginning his or her duties for the organization and the organization must ensure the form is submitted to the Division within 10 days after the form is signed. Form DS-DE 120 may be submitted to the Division when the organization submits its initial Form DS-DE 119. For any addition to the list of its registration agents or change in information about a registration agent other than termination of a registration agent, the organization shall submit an updated Form DS-DE 119. For permissible means of notifying the Division of the termination of a registration agent, see paragraph (6)(b).

(d)(e) A registration agent may be a registration agent for one or more organizations, but each organization must ensure that the registration agent submits a separate Form DS-DE 120 for its organization.

(d)(e) An organization shall submit any change in information previously submitted to the Division, including any addition to the list of its employee registration agents, any termination of an employee registration agent, or change in information about an employee registration agent, within 10 days following the change. A change is not considered filed until the Division receives the change. Notice of termination of an employee registration agent shall be provided as set forth in paragraph (6)(b).

(e)(f) Except as otherwise provided in paragraph (6)(b), any forms or amendments or additions to forms required under this subsection must be submitted in the same manner of transmission required for the Form DS-DE 119 used to initially register an organization.

(4) Voter Registration Applications Provided to and Used by Third-Party Voter Registration Organizations.

(a) All voter registration applications provided by the Division and each supervisor of elections to an organization shall include the third-party voter registration organization identification number on the bottom of the reverse side of each voter registration application in a manner that does not obscure any other entry.

(b) The registration agent or the organization shall print the date and time that the voter registration applicant delivered completed the application to the registration agent in a conspicuous space on the bottom portion of the reverse side of the voter registration application it collects from a voter registration applicant in a manner that does not obscure any other entry. The date and time printed by the registration agent or the organization shall be in the following numerical format: MM/DD/YY; hh:mm a.m./p.m. For example, if the voter registration applicant completed the application on May 15, 2014 at 1:30 p.m., the entry on the bottom portion of the reverse side of the application shall be: 5/15/14, 1:30 p.m. The entry for an application completed on October 11, 2014 at 11:30 a.m., would be printed as 10/11/14, 11:30 a.m. on the bottom portion of the reverse side of the application.

(c) Each organization shall ensure that its assigned organization identification number is recorded on the bottom portion of the reverse side of any voter registration application it delivers to the Division or a supervisor of elections in a manner that does not obscure any other entry.

(d) Delivery of the voter registration application by the organization to the Division or a supervisor of elections may be accomplished by in-person delivery or mail. All applications must be delivered to the Division or a supervisor of elections or be postmarked within 10 calendar days of collection by an organization or any of its registration agents. If the 10th day falls on a weekend, holiday, or other day on which the Division or the supervisor of elections office is closed, the voter registration application must be delivered to the Division or the supervisor of elections on or before the book closing deadline.

(5) Referral to Attorney General for Enforcement; Waiver of Fines upon Showing of Force Majeure or Impossibility of Performance Monthly Report by Organizations.

(a) In exercising the authority to refer violations of the third-party voter registration law to the Attorney General for enforcement, the Secretary of State’s principal concern is the protection of applicants who have entrusted their voter registration applications to a third-party voter registration organization. By law, the organization serves as a fiduciary to those applicants, who have a right to expect that their applications will be timely delivered to an elections official irrespective of party affiliation, race, ethnicity, or gender. By the 10th day of each month, each organization shall submit to the Division a Form DS-DE 123 to account for the number of state and federal voter registration application forms provided to and received from each of its registration agents for the preceding month. If the organization had no voter registration application completed and delivered to the Division or a supervisor of elections in the preceding month, it shall file a Form DS-DE 123 indicating the number of forms completed and delivered. In the event the organization needs the extension of the submission deadline, the organization must notify the Division prior to the deadline. The deadline for the submission of Form DS-DE 123 is the 10th day of month following the month with which it corresponds. If, however, the deadline falls on the 10th day of a month, the organization must submit Form DS-DE 123 prior to the 10th day of the following month.
(b) Any organization claiming that its failure to deliver a voter registration application within the required timeframe was based upon force majeure or impossibility of performance may provide a sworn statement to the Division explaining the circumstances constituting force majeure or impossibility of performance. Form DS-DE 123 required under this subsection must be submitted as an attachment in pdf format in an email to 3PVRO@dos.myflorida.com or transmitted to the Division’s facsimile machine at (850)245-6291.

(c) If the information provided to the Division by the organization demonstrates that the failure to timely deliver a voter registration application was the result of force majeure or impossibility of performance, the Secretary of State will not refer the violation to the Attorney General for enforcement.

(6) Termination of Organization and Employee Registration Agent.

(a) If an organization terminates its status as a third-party voter registration organization, the organization shall submit within 10 days a Form DS-DE 119 reflecting its termination and also a Form DS-DE 123 to report its final accounting of voter registration application forms provided to the organization by the Division or any supervisor of elections. All such voter registration applications remaining in the organization’s possession should be returned either to the Division or a supervisor of elections within 10 days of filing Form DS-DE 123. The address for the Division is Bureau of Voter Registration Services, Division of Elections, R. A. Gray Building, Room 316, Tallahassee, Florida 32399-0250. The address for the applicable supervisor of elections may be obtained by telephoning (850)245-6200 or found on the Internet at http://election.dos.state.fl.us/SOE/supervisor-elections.shtml.

(b) If an employee registration agent’s employment with, or volunteer services for, an organization is terminated, the organization shall file notice of the terminated status of an employee registration agent by submitting an updated Form DS-DE 119 or by sending a notification of the termination by email to 3PVRO@dos.myflorida.com or by transmitting the notification to the Division’s facsimile machine at (850)245-6291 within 10 days of the termination. If Form DS-DE 119 is not used as the means of notification, the notification shall contain the organization’s assigned identification number and the name of the employee registration agent being terminated.

(c) Forms DS-DE 119 and DS-DE 123 required under this subsection must be submitted as an attachment in pdf format in an email to 3PVRO@dos.myflorida.com or transmitted to the Division’s facsimile machine at (850)245-6291.

(7) Processing of Voter Registration Applications from an Organization by the Division and Supervisors of Elections.

(a) For each non-blank registration application that an organization delivers to the Division or supervisor of elections, a voter registration official shall record the date and time of delivery on the bottom portion of the reverse side of the application in a manner that does not obscure any other entries. For purposes of this rule and not for voter registration purposes, an application is considered delivered to the Division or a supervisor of elections at the time the application is actually delivered by the organization by in-person delivery or, if mailed, the date of delivery shall be the date of a clear postmark, if one is present on the mailing envelope. If a postmark is not present or unclear, the date of delivery to the Division or a supervisor of elections is the actual date of receipt. If the date of delivery is the mail postmark, the applicable 48-hour period for the determination of fines pursuant to Section 97.0575, F.S., shall be based upon whether the postmark is within two days of the date when the applicant completed the voter registration application, unless the organization provides documentation at the time of mailing the application that the date the applicant completed the application was on an earlier date than when the applicant delivered the application to the organization. For a determination of a fine based upon the application being received by mail after the book closing date, a clear postmark on or before the date of book closing will excuse the fine. If an organization delivers more than one application at the same time, those applications shall bear the same date and time of delivery regardless of when the applications are processed.

(b) An organization’s untimely delivery of a voter registration application does not affect the validity of the application. Every Such application must be processed regardless of the timeliness of its delivery.

(c) The Division and supervisors of elections shall record the number of state or federal voter registration applications they provide to, and receive from, each organization. Each supervisor of elections shall report to the Division on Form DS-DE 124 by noon of the following business day the number of voter registration applications provided to and received from each organization the previous business day. Supervisors of Elections are not required to submit Form DS-DE 124 when they did not provide any voter registration applications to, or receive any from, an organization on the preceding business day.

(d) Form DS-DE 124 required under this subsection must be submitted as an attachment in pdf format in an email to 3PVRO@dos.myflorida.com or transmitted to the Division’s facsimile machine at (850)245-6291.

(8) Complaints.
(a) Any person claiming to have provided a completed voter registration application to a third-party voter registration organization but whose name does not appear as an active voter on the voter registration rolls shall use Form DS-DE 121 to file the complaint with the Division.

(b) Any other person, except supervisors of elections or their staff, may report allegations of irregularities or fraud involving voter registration by filing an elections fraud complaint with the Division. See Rule 1S-2.025, F.A.C.

(c) Supervisors of elections or their staff shall report any untimely filed voter registration application submitted by an organization by sending the Division an explanatory statement in an email and attaching documents which reflect the untimely submission in pdf format to 3PVRO@dos.myflorida.com, or by transmitting the explanatory statement and documentation to the Division’s facsimile machine at (850)245-6291, or by having them delivered by express mail or expedited courier service. For any application containing an organization’s identification number -- but no other information indicating it was collected by a third-party voter registration organization, such as a cover letter or a “date delivered” mark as required by paragraph (4)(b) and that was received after the book closing date or more than 10 days after the date on which the applicant signed it – the explanatory statement should include a description of the supervisor’s efforts to contact the applicant to confirm that the application was delivered to the organization.

(d) The Secretary of State will not refer a violation to the Attorney General unless there is evidence that the applicant entrusted the voter registration application to a third-party voter registration organization.

Final Order No.: DEO-12-109
In re: A LAND DEVELOPMENT REGULATION
ADOPTED BY THE CITY OF KEY WEST
FLORIDA, ORDINANCE NO.: 12-16

FINAL ORDER
The Department of Economic Opportunity
(“Department”) hereby issues its Final Order, pursuant to
Sections 380.05(6) and (11), Florida Statutes (2012), approving
land development regulations adopted by the City of Key West,
Florida, Ordinance No. 12-16 (the “Ordinance”).

FINDINGS OF FACT
1. The City of Key West is designated pursuant to Section
380.05(1), Florida Statutes (2012), and Chapter 28-36,
Florida Administrative Code, as an area of critical state
concern. Land development regulations adopted by the
City of Key West do not become effective until approved
by the Department by final order. Sections 380.05(6) and
(11), Florida Statutes (2012).
2. The Ordinance was adopted by the City of Key West on
June 5, 2012, and rendered to the Department on July 5,
2012.
3. The Ordinance amends Sections 122-1016, 122-1017,
122-1018, and 122-1020 of the City Code related to the
public and semipublic services land use district (PS) to add
guidelines, including a floor area ratio; amend the list of
services allowed in the PS district; allow additional
conditional uses including emergency shelters for the
homeless, theatres and stadiums, crematoriums,
restaurants and food service facilities associated with
recreational activities, and solid waste and recycling
transfer and storage facilities; and add dimensional
requirements for buildings in the PS district.

CONCLUSIONS OF LAW
4. The Department is required to approve or reject land
development regulations that are adopted by any local
government in an area of critical state concern. Sections
380.05(6) and (11), Florida Statutes (2012).
5. “Land development regulations” include local zoning,
subdivision, building, and other regulations controlling the
development of land. Section 380.031(8), Florida Statutes
(2012). The regulations adopted by the Ordinance are land
development regulations.
6. All land development regulations enacted, amended, or
rescinded within an area of critical state concern must be
consistent with the principles for guiding development for
that area. Sections 380.05(6) and (11), Florida Statutes
(2012). The Principles for Guiding Development for the
City of Key West Area of Critical State Concern are set
forth in subsection 28-36.003(1), Florida Administrative
Code.
7. The Ordinance is consistent with the Principles for
Guiding Development as a whole, and specifically furthers
the following Principles:
(a) To strengthen local government capabilities for
managing land use and development.
(h) Protection of the public health, safety, welfare and
economy of the City of Key West, and the maintenance of
Key West as a unique Florida resource.
8. The Ordinance is consistent with Objective 1-1.4 and
Policies 1-1.4.1 and 1-1.4.2 of the City of Key West
Comprehensive Plan.

WHEREFORE, IT IS ORDERED that City of Key West
Ordinance No. 12-16 is found to be consistent with the
Principles for Guiding Development for the City of Key West
Area of Critical State Concern and is hereby APPROVED.
This Order becomes effective 21 days after publication in
