

Section I
Notice of Development of Proposed Rules
and Negotiated Rulemaking

DEPARTMENT OF EDUCATION

State Board of Education

RULE NO.: RULE TITLE:

6A-14.099 Penalties for Failure to Report Child Abuse

PURPOSE AND EFFECT: The purpose of this rule development is to establish penalty procedures by the State Board of Education for assessing a fine to Florida College System (FCS) institutions and Law Enforcement Agencies (LEAs) that fail to report child abuse as required by Section 39.205(10), Florida Statutes. FCS institution administrators and LEAs are required to report information received about child abuse that occurred on institution property or at an event sponsored by the institution to the Florida Department of Children and Family Services. This rule also defines the term “administrator” and the term “Law Enforcement Agency.” The effect of this rule is that if an administrator of an FCS institution or an LEA is informed of child abuse and does not report it, the institution will be fined \$1,000,000 by the SBOE. FCS institutions will be allowed to challenge the SBOE’s determination that there was a knowing and willful failure to report this information.

SUBJECT AREA TO BE ADDRESSED: Penalties for Failure to Report Child Abuse.

RULEMAKING AUTHORITY: 39.205 FS.

LAW IMPLEMENTED: 39.205 FS.

Section II Proposed Rules

DEPARTMENT OF STATE

Division of Historical Resources

RULE NOS.:	RULE TITLES:
1A-32.001	Definitions
1A-32.003	Criteria for Evaluating Research Requests
1A-32.005	Application Requirements for Non-accredited Institutions

PURPOSE AND EFFECT: The purpose of the proposed amendment to Rule 1A-32.001, F.A.C., is to replace references to the criteria for registration in the Society of Professional Archaeologists, an organization that no longer exists, with the Secretary of the Interior’s Professional Qualifications Standards for archaeology, and also to replace references to the “Code of Ethics,” “Standards of Research Performance,” and “Institutional Standards” of the defunct Society of Professional Archaeologists with the “Principles of Archaeological Ethics” of the Society for American Archaeology. For Rule 1A-32.003, F.A.C., the proposed rule amendment clarifies that only museums, universities, colleges or other historical, scientific or educational institutions or societies that subscribe to the “Principles of Archaeological Ethics” of the Society for American Archaeology will be considered as valid research applicants for Chapter 1A-32 Archaeological Research Permits issued by the Bureau of Archaeological Research. For Rule 1A-32.005, F.A.C., the proposed amendment incorporates by reference Archaeological Research Permit – 1A-32 Application (Form HRE4404-13), and provides information on where to obtain a copy of this form.

SUMMARY: The proposed amendments will define the criteria necessary to apply for an archaeological research permit.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The amendments to application guidelines for Chapter 1A-32, F.A.C., Archaeological Permits will not have a direct of indirect adverse financial impact on small business. It has been determined that a Statement of Estimated Regulatory Cost (SERC) was not necessary and that these rule amendments will not require ratification by the legislature.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 267.031(1) FS.

LAW IMPLEMENTED: 267.12(2), 267.12(3) FS.

IF REQUESTED WITHIN 21 DAYS OF THE DATE OF THIS NOTICE, A HEARING WILL BE SCHEDULED AND ANNOUNCED IN THE FAR.

Pursuant to the provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this workshop/meeting is asked to advise the agency at least 5 days before the workshop/meeting by contacting: Angela E. Tomlinson, Division of Historical Resources, Florida Department of State, 500 South Bronough Street, Tallahassee, FL 32399, (850)245-6445, or Angela.Tomlinson@dos.myflorida.com. If you are hearing or speech impaired, please contact the agency using the Florida Relay Service, 1(800)955-8771 (TDD) or 1(800)955-8770 (Voice).

THE PERSON TO BE CONTACTED REGARDING THE PROPOSED RULE IS: Angela E. Tomlinson, Division of Historical Resources, Florida Department of State, 500 South Bronough Street, Tallahassee, FL 32399, (850)245-6445, or Angela.Tomlinson@dos.myflorida.com

RULE NOS.: RULE TITLES:

62-40.210 Definitions

62-40.416 Water Reuse and Recycling

PURPOSE AND EFFECT: The purpose of the proposed amendment to Rule 62-40.210, F.A.C., is to provide a definition for a new term provided for in the proposed amendments to Rule 62-40.416, F.A.C. The purpose and effect of the proposed amendments to Rule 62-40.416, F.A.C., is to promote the use of reclaimed water in lieu of higher quality sources where appropriate, and provide clarification to consumptive use permit applicants seeking supplemental water for reuse systems on how they may meet the conditions for issuance.

SUMMARY: In both the addition of a definition in Rule 62-40.210, F.A.C., and the addition of criteria in Rule 62-40.416, F.A.C., the proposed rule amendments provide criteria for the review of consumptive use permit applications to supplement reclaimed water systems with water from other sources.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has been prepared by the agency.

A copy of the SERC is available from Janet Llewellyn, Janet.Llewellyn@dep.state.fl.us.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: There are no adverse economic impacts to small business for the rule amendments proposed herein. Cost savings for the regulated community and water management districts may result due to increased consistency and regulatory certainty. Nevertheless, a SERC has been prepared for Rule 62-40.416, F.A.C.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

62-40.416 Water Reuse and Recycling.

(1) through (8) No change.

(9) Supplementation of reclaimed water systems is a strategy that can benefit Florida’s water resources by reducing reliance on traditional water supplies and maximizing the use of reclaimed water.

(a) When use of water for supplementation is requested, as part of the permit application review, the District shall require that an applicant provide reasonable assurance that:

1. The use of water for supplementation will increase the amount of reclaimed water beneficially used, reduce the amount of reclaimed water disposal to the extent practicable, and reduce the need to use higher quality sources for non-potable purposes; and

2. The quantity of water requested for supplementation to achieve the requirements in subparagraph 62-40.416(9)(a)1., F.A.C., has been minimized to the extent environmentally, technically, and economically feasible.

(b) To meet the requirements of subparagraph 62-40.416(9)(a)2., F.A.C., the District shall require a plan from the applicant for the use of supplemental water in the reclaimed water system. The plan shall demonstrate why the requested quantity of water is needed to reasonably meet demands, how it will be used efficiently in the system, and, if applicable, how it will be used to expand the system. The plan shall consider the following elements or explain why an element is not applicable:

1. Use of lower quality water sources;
2. Designation of primary and secondary (interruptible) customers;
3. The appropriate level of certainty to be provided to end users during drought conditions;
4. Financial incentives for voluntary use reductions;
5. Reclaimed water interconnects with other reuse utilities;
6. Providing customers with information explaining the need to conservatively use reclaimed water;
7. Regulatory constraints or requirements on discharges;
8. Demand management when using the supplemental water;
9. Creation of additional storage; and
10. Any other measures identified by the applicant to demonstrate the efficient use of supplemental water.

(c) For the purposes of facilitating supplementation with stormwater to improve water quality in surface or ground waters, a District may adopt alternative criteria for such use in lieu of the requirements in subparagraph 62-40.416(9)(a)2. and paragraph 62-40.416(9)(b), F.A.C.

RULE NO.: RULE TITLE:

69L-6.031 Stop Work Orders in Effect Against Successor Corporations or Business Entities

PURPOSE AND EFFECT: The proposed rule implements applicable sections of HB 553 that was passed by the 2013 Legislature. HB 553 amended paragraph 440.107(7)(b), F.S., revising the law to include a limited liability company as a successor entity for purposes of effectuating a stop-work order. The proposed rule is updated to include limited liability companies as successor entities for purposes of effectuating a stop-work order.

SUMMARY: The proposed rule is amended to reflect statutory revisions to paragraph 440.107(7)(b), F.S., to include limited liability companies as successor entities for purposes of effectuating stop-work orders.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has been prepared by the agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: 1) no requirement for a SERC was triggered under Section 120.54 or paragraph 120.54(3)(b), F.S.; and 2) there are no adverse impacts or regulatory costs associated with the proposed rules exceeding those criteria established in paragraph 120.541(2)(a), F.S.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

THE FULL TEXT OF THE PROPOSED RULE IS:

69L-6.031 Stop-Work Orders in Effect Against Successor Corporations or Business Entities.

(1) Under paragraph Section 440.107(7)(b), F.S., stop-work orders or orders of penalty assessment issued against a corporation, limited liability company, partnership, or sole proprietorship shall be in effect against any successor corporation or business entity that has one or more of the same principals, limited liability company members, or officers as the predecessor corporation or business entity against which the stop-work order was issued and are engaged in the same or equivalent trade or activity.

(a) For employers engaged in the construction industry, a corporation, limited liability company, partnership, or sole proprietorship and the successor corporation or business entity that has been issued a stop-work order or order of penalty assessment, are engaged in the same or equivalent trade or activity if they each perform or have performed business operations that include operations described in at least one classification code listed in Rule 69L-6.021, F.A.C.

(b) For employers engaged in the non-construction industry, a corporation, limited liability company, partnership, or sole proprietorship and the successor corporation or business entity that has been issued a stop-work order or order of penalty assessment, are engaged in the same or equivalent trade or activity if they each perform or have performed business operations that include operations described in at least one classification code that is in the manufacturing, goods and services, or the office and clerical industry group listed in subsection (6) of this rule.

(c) For employers that perform business operations described by one of the classification codes in the miscellaneous industry groups listed in subsection (6) of this rule, a corporation, limited liability company, partnership, or sole proprietorship and the successor corporation or business entity that has been issued a stop-work order or order of penalty assessment, are engaged in the same or equivalent trade or activity if they each perform or have performed the same business operation described in one of the classification codes contained in the miscellaneous industry groups.

(2) A stop-work order or order of penalty assessment issued against a corporation, limited liability company, partnership, or sole proprietorship becomes effective against a successor corporation or business entity that has one or more of the same principals, directors, officers, limited liability company members, partners, or shareholders with a 10% or greater interest, including any "affiliated person" as defined in

~~subsection Section~~ 440.05(15), F.S., in common with the predecessor corporation or business entity against which the original stop-work order or order of penalty assessment was issued and is engaged in the same or equivalent trade or activity, through service on the successor corporation or business entity of an order applying a stop-work order or order of penalty assessment to successor corporation or business entity. The order applying a stop-work order or order of penalty assessment to successor corporation or business entity remains in effect until withdrawn by the department.

(3) In the event one of the following three criteria is satisfied, the department will withdraw an order applying a stop-work order or order of penalty assessment:

(a) The department must have released the stop-work order or order of penalty assessment in effect against the predecessor corporation, limited liability company, partnership, or sole proprietorship that has one or more of the same principals, officers, directors, limited liability company members, partners, or shareholders with a 10% or greater interest, in common with the successor corporation or business entity.

(b) The principal, officer, director, limited liability company member, partner, or a shareholder with a 10% or greater interest in the successor corporation or business entity against which the stop-work order or order of penalty assessment has been served, must formally disassociate himself or herself from the predecessor corporation, limited liability company, partnership, or sole proprietorship by providing the department with the following:

1. Records obtained from the Florida Department of State, Division of Corporations, indicating that no person or entity affiliated with the successor corporation or business entity holds any position as an officer, director, limited liability company member, or shareholder with a 10% or greater interest in the predecessor corporation or business entity.

2. through 3. No change.

The Florida Department of Transportation (FDOT) announces a hearing to which all persons are invited.

DATE AND TIMES: Thursday, November 14, 2013, 5:00 p.m. Open House; 6:00 p.m. Brief Presentation

PLACE: Nickelodeon Suites Resort, 14500 Continental Gateway, Orlando, Florida 32821

GENERAL SUBJECT MATTER TO BE CONSIDERED: Financial Management No. 430671-1.

Project Description: World Center Drive (State Road 536) Near Continental Gateway Drive, Orange County.

The FDOT is conducting a public hearing regarding plans to improve safety and traffic operations along World Center Drive (SR 536) near Continental Gateway Drive in Orange County. Improvements include converting the full median opening at Continental Gateway Drive into a westbound directional opening and lengthening the existing left turn lane eastbound on SR 536 at World Center Drive/World Gateway Drive to accommodate the additional redirected u-turn traffic from the Continental Gateway Drive intersection. This project is being constructed as part of the SR 536 roadway resurfacing project from west of the Interstate 4 (I-4) ramp to SR 535. The project is funded for construction in 2015.

The hearing begins with an open house at 5:00 p.m., where participants may review project information and discuss the project with staff. There will be a brief presentation at 6:00 p.m., after which participants may provide comments to all present. The hearing ends at 7:00 p.m. Participants may also provide public comments directly to a court reporter at any time during the hearing. Written comments can be submitted at this hearing or by mail to Mr. David Dangel, P.E., Public Involvement Coordinator, Inwood Consulting Engineers, 3000 Dovera Drive, Suite 200, Oviedo, Florida 32765; or by email to ddangel@inwoodinc.com, no later than Friday November 22, 2013. All comments, written and oral, will become part of the project's public record.

Pursuant to the provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this workshop/meeting is asked to advise the agency at least 7 days before the workshop/meeting by contacting: Mr. David Dangel at (407)971-8850.
