AGENCY FOR HEALTH CARE ADMINISTRATION**Health Facility and Agency Licensing**

RULE NOS.:	RULE TITLES:
59A-27.002	Registration and Change in Registration Information
59A-27.004	Penalties and Enforcement Procedures
59A-27.005	Pool Administration
59A-27.006	Procedures and Records

PURPOSE AND EFFECT: The purpose is to revise the rules in Chapter 59A-27, F.A.C., to reduce the regulatory burden for health care services pools and to update the rules to conform to law changes. The revisions remove the rules that are now in Chapter 408, Part II, Florida Statutes, and in the Chapter 59A-35, F.A.C., pertaining to licensing procedures, background screening, and penalties. The requirement for a medical history on all staff is to be removed. The health statement requirement for staff is to be modified to state that the person is free from communicable disease that can be casually transmitted as recommended by the Department of Health. The requirements on the application form have been reduced since the item requiring a listing of every staff person that may be placed with health facilities has been removed. The background screening information on the application checklist has been updated per changes in Section 408.809, F.S.

SUBJECT AREA TO BE ADDRESSED: Health Care Services Pool Licensing and Standards.

**Section II
Proposed Rules**

NAVIGATION DISTRICTS

Florida Inland Navigation District

RULE NOS.:	RULE TITLES:
66B-1.004	Policy
66B-1.008	Project Eligibility
66B-1.009	Project Administration
66B-1.015	Small-Scale Derelict Vessel Removal Projects

PURPOSE AND EFFECT: The proposed rule amendment is being promulgated to implement changes in the administration of the District's Cooperative Assistance Program that will assist the District and program applicants in the review and evaluation of applications submitted pursuant to the rule. The amendments being proposed at this time will clarify and improve the Districts administrative procedures and increase grant amounts relating to this program, thereby assisting the program applicants in their requests for assistance.

SUMMARY: Minor changes to the Cooperative Assistance Program include add email as a form of notification, removes the limit on plans per county, increases funding for derelict vessel removal and requires a final project report summary at the completion of a grant.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: 1) No requirement for a SERC was triggered under Section 120.541(1), F.S. and 2) Based upon the nature of the rule, the adverse impact or regulatory cost, if any, do not exceed nor would be expected to exceed any one of the economic analysis criteria set forth in Section 120.541(2)(a), F.S. It is anticipated that the proposed rule will not have any negative economic impact.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 374.976(2) FS.

LAW IMPLEMENTED: 374.976(1)-(3) FS.

IF REQUESTED WITHIN 21 DAYS OF THE DATE OF THIS NOTICE, A HEARING WILL BE HELD AT THE DATE, TIME AND PLACE SHOWN BELOW:

DATE AND TIME: December 11, 2013, 11:00 a.m.

PLACE: Florida Inland Navigation District, 1314 Marcinski Rd, Jupiter, FL 33477

66B-1.004 Policy.

The following constitutes the policy of the District regarding the administration of the program.

(1) No change.

(2) Notification: The District will notify, by direct mail, email and/or advertised public notice, all eligible state agencies of the program and the upcoming authorized submission period.

(3) through (11) No change.

Rulemaking Authority 374.976(2) FS. Law Implemented 374.976(1), (2) FS. History—New 12-17-90, Amended 2-6-97, Formerly 16T-1.004, Amended 5-17-98, 3-31-99, 3-5-00, 3-21-01, 7-30-02, 3-3-04, 4-21-05, 4-1-09, 3-7-11, 3-7-12, _____.

66B-1.008 Project Eligibility.

(1) Eligible Projects: Financial assistance and support through this program shall be used to plan or carry out public navigation and anchorage management, public recreation, environmental education, boating safety, acquisition and development of spoil sites and publicly owned commercial/industrial waterway access directly related to the waterways, acquisition and development of public boat ramps, launching facilities and boat docking and mooring facilities, and inlet management, maritime management planning, environmental mitigation and beach renourishment directly related to the waterways.

(a) Program funds may be used for projects such as acquisition planning, development, construction, reconstruction, extension or improvement, of the following for public use on land and water:

1. Public navigation channel dredging;
2. Public navigation aids and markers;
3. Inlet management projects that are a benefit to public navigation in the District;
4. Public shoreline stabilization directly benefiting the District's waterway channels;
5. Acquisition and development of publicly owned spoil disposal site and public commercial/industrial waterway access;
6. Waterway signs and buoys for safety, regulation or information;
7. Acquisition, dredging, shoreline stabilization and development of public boat ramps and launching facilities;
8. Acquisition, dredging, shoreline stabilization and development of public boat docking and mooring facilities;
9. Derelict Vessel Removal;
10. Waterways related environmental education programs and facilities;
11. Public fishing and viewing piers;

12. Public waterfront parks and boardwalks and associated improvements;

13. Maritime Management Planning;

14. Waterways boating safety programs and equipment;

15. Beach renourishment on beaches adversely impacted by navigation inlets, navigation structures, navigation dredging, or a navigation project; and

16. Environmental restoration, enhancement or mitigation projects and

17. Other waterway related projects. Navigation projects that do not meet specific criteria in subsection 66B-1.005(6), F.A.C., but are located on eligible waterways shall be considered for funding under the priority listing of "other waterway related project" and eligible for 25% funding.

(b) Ineligible Projects or Project Elements: Project costs ineligible for program funding or matching funds will include: contingencies, miscellaneous, reoccurring personnel related costs, land acquisition that is not for additional trailer parking at an existing boat ramp, irrigation equipment, ball-courts, park and playground equipment, and any extraneous recreational amenities not directly related to the waterway such as the following:

1. Landscaping that does not provide shoreline stabilization or aquatic habitat;
2. Restrooms for non-waterway users;
3. Roadways providing access to non-waterway users;
4. Parking areas for non-waterway users;
5. Utilities for non-waterway related facilities;
6. Lighting for non-waterway related facilities;
7. Project maintenance and maintenance equipment;
8. Picnic shelters and furniture;
9. Vehicles to transport vessels;
10. Operational items such as fuel, oil, etc.;
11. Office space that is not incidental and necessary to the operation of the main eligible public building; and
12. Conceptual project planning, including: cost-benefit analysis, public surveys, opinion polls, public meetings, and organizational conferences.

(c) Project Elements with Eligibility Limits: Subject to approval by the Board of an itemized expense list:

1. The following project costs will be eligible for program funding or as matching funding if they are performed by an independent contractor:
 - a. Project management, administration and inspection;
 - b. Design, permitting, planning, engineering or surveying costs for completed construction project;
 - c. Restoration of sites disturbed during the construction of an approved project; and
 - d. Equipment costs.

Before reimbursement is made by the District on any of the costs listed in subparagraph 1. above, a construction contract for the project approved and executed by the project sponsor and project contractor must be submitted to the District.

2. Marine fire-fighting vessels are eligible for a maximum of \$60,000 in initial District funding. Marine law enforcement and other vessels are eligible for a maximum of \$30,000 in initial District funding. All future replacement and maintenance costs of the vessel and related equipment will be the responsibility of the applicant.

3. Waterway related environmental education facility funding will be limited to those project elements directly related to the District's waterways.

(d) Phasing of Projects: Applications for eligible waterway projects may be submitted as a phased project where Phase I will include the design, engineering and permitting elements and Phase II will include the construction of the project. A description and cost estimate of the Phase II work shall be submitted along with the Phase I application for Board review.

(2) through (4) No change.

(5) The District may assist eligible governments with efforts to prepare and implement a comprehensive maritime management plan. The plan shall be utilized by the eligible government to promote and maximize the public benefit and enjoyment of eligible waterways, while identifying and prioritizing the waterway access needs of the community. The plan should not duplicate any existing or ongoing efforts for the same waterway or water shed, nor shall the District participate in any effort that does not address the basic maritime needs of the community.

(a) ~~The District shall participate in one plan per County.~~ Existing plans may be updated at reasonable intervals or amended to include waterway areas previously not included in the original effort. Public, government, environmental, industry and other pertinent interest groups shall be solicited and included for input in the planning process.

(b) The plan shall be utilized as a tool to provide a minimum 5-year planning analysis and forecast for the maritime needs of the community, and shall include, at minimum, the following:

1. Public boat ramp and ramp parking inventory and analysis.
2. Public mooring and docking facility analysis, including day docks and transient slips.
3. Commercial and working waterfront identification and needs analysis.
4. The identification, location, condition and analysis of existing and potential navigation channels.
5. An inventory and assessment of accessible public shorelines.

6. Public waterway transportation needs.

7. Environmental conditions that affect boat facility siting, a current resource inventory survey, and restoration opportunities.

8. Economic conditions affecting the boating community and boating facilities.

9. Acknowledgment and coordination with existing data and information, including an emphasis on the Intracoastal Waterway.

(c) Projects requested for assistance program funding shall be consistent with the applicant's maritime management plan. The applicant should utilize the plan to assist in prioritizing waterway improvement projects.

(6) All eligible environmental restoration, enhancement or mitigation projects as well as the environmental restoration, enhancement or mitigation components of other types of projects shall be required to pursue and assign any available ~~the~~ mitigation credits to the District for that share of the project funded through the District's Assistance Program. All eligible environmental restoration, enhancement or mitigation projects shall provide public access where possible.

(7) No change.

66B-1.009 Project Administration.

The District will appoint a project manager who shall be responsible for monitoring the project and the project agreement. The project manager shall also be responsible for approving all reimbursement requests. The project sponsor shall appoint a liaison agent, who will be a member of the eligible applicant's staff, to act on its behalf in carrying out the terms of the project agreement. Administration of the project will be as follows:

(1) through (3) No change.

(4) Project Reporting: The liaison agent will submit quarterly reports to the project manager summarizing the work accomplished since the last report, problems encountered, percentage of project completion and other appropriate information. These reports shall continue throughout the length of the project period until completion of the project. The report shall be submitted on an Assistance Program Project Quarterly Status Report, Form 95-02 (effective date 7-30-02) hereby incorporated by reference and available at the District office. A Final Project Report shall be submitted at the completion of the project and shall at minimum include: project summary, photo of completed project, final cost, project benefits to the waterway and location address.

(5) through (9) No change.

66B-2.005 Funds Allocation.

The Board will allocate funding for this program based upon the District’s overall goals, management policies, fiscal responsibilities and operational needs for the upcoming year. Funding allocations to navigation related districts, member counties and local governments shall be based upon the proportional share of the District’s ad valorem tax collections from each county. If funds are determined to be available for the program, the District will notify potential eligible governmental agencies of the availability of program funding. Applications will be reviewed by the Board utilizing District Forms No. 91-25 and 91-25 (a) through (f) Waterways Assistance Program ~~Project Application and Evaluation and Rating Worksheet (effective 1/2014) and 93-25 and 93-25 (a), (b) and (c) Waterways Assistance Program Navigation Districts Application Evaluation and Rating Worksheet (effective date 4-24-06)~~, hereby incorporated by reference and available from the District office or by download from the District’s webpage at: <http://www.aicw.org>.

(1) through (5) No change.

(6) Public Navigation: Projects or project elements in the category of public navigation that will qualify for up to seventy-five percent (75%) program funds must be within the Intracoastal Right-of-Way (ROW), or provide public navigation channel access to two or more public accessible launching, mooring or docking facilities. In addition, the following shall apply:

(a) Navigation Channel Dredging: The project sponsor must demonstrate that the source of channel sedimentation has been identified and is in the process of, or has been controlled, or that the frequency and amount of shoaling is such that dredging will provide an improvement to the channel that will last for twenty (20) years or more and therefore is more cost effective than identifying and correcting the cause of shoaling, or that the cost of identifying the source of channel sedimentation exceeds the cost of the dredging project.

(b) Navigation channel lighting and markers must be located on primary or secondary public navigation channels. ~~All other public~~ Navigation projects or project elements that must have a minimum of one facility open to the public and will only qualify for up to fifty percent (50%) program funding. Dredging that is associated or ancillary to another use (such as a boat ramp, marina or pier) will be prioritized according to the associated use.

66B-2.008 Project Eligibility.

(1) Eligible Projects: Financial assistance and support through this program shall be used to plan or carry out public navigation and anchorage management, public recreation, environmental education, boating safety, acquisition and development of spoil sites and publicly owned commercial/industrial waterway access directly related to the waterways, acquisition and development of public boat ramps, launching facilities and boat docking and mooring facilities, inlet management, maritime management planning, environmental mitigation and beach renourishment.

(a) Program funds may be used for projects such as acquisition, planning, development, construction, reconstruction, extension, or improvement, of the following types of projects for public use on land and water. These project types will be arranged into a priority list each year by vote of the Board. The priority list will be distributed to applicants with the project application.

1. Public navigation channel dredging;
2. Public navigation aids and markers;
3. Inlet management projects that are a benefit to public navigation in the District;
4. Public shoreline stabilization directly benefiting the District's waterway channels;
5. Acquisition and development of publicly owned spoil disposal site and public commercial/industrial waterway access;
6. Waterway signs and buoys for safety, regulation or information;
7. Acquisition, dredging, shoreline stabilization and development of public boat ramps and launching facilities;
8. Acquisition, dredging, shoreline stabilization and development of public boat docking and mooring facilities;
9. Derelict Vessel Removal;
10. Waterways related environmental education programs and facilities;
11. Public fishing and viewing piers;

12. Public waterfront parks and boardwalks and associated improvements;

13. Maritime Management Planning;

14. Waterways boating safety programs and equipment;

15. Beach renourishment on beaches adversely impacted by navigation inlets, navigation structures, navigation dredging, or a navigation project; and

16. Environmental restoration, enhancement or mitigation projects, and

17. Other waterway related projects. Waterway projects that do not meet specific criteria in subsection 66B-2.005(5) or (6) or subparagraphs 66B-2.008(1)(a)1.-16., F.A.C., but are located on eligible waterways shall be considered for funding under the priority listing of "other waterway related project" and eligible for 25% funding.

(b) Ineligible Projects or Project Elements. Project costs ineligible for program funding or matching funds will include: contingencies, miscellaneous, reoccurring personnel related costs, irrigation equipment, ball-courts, park and playground equipment, and any extraneous recreational amenities not directly related to the waterway such as the following:

1. Landscaping that does not provide shoreline stabilization or aquatic habitat;
2. Restrooms for non-waterway users;
3. Roadways providing access to non-waterway users;
4. Parking areas for non-waterway users;
5. Utilities for non-waterway related facilities;
6. Lighting for non-waterway related facilities;
7. Project maintenance and maintenance equipment;
8. Picnic shelters and furniture;
9. Vehicles to transport vessels; and
10. Operational items such as fuel, oil, etc.
11. Office space that is not incidental and necessary to the operation of the main eligible public building; and
12. Conceptual project planning, including: public surveys, opinion polls, public meetings, and organizational conferences.

(c) Project Elements with Eligibility Limits: Subject to approval by the Board of an itemized expense list:

1. The following project costs will be eligible for program funding or as matching funding if they are performed by an independent contractor:
 - a. Project management, administration and inspection;
 - b. Design, permitting, planning, engineering or surveying costs for completed construction project;
 - c. Restoration of sites disturbed during the construction of an approved project;
 - d. Equipment costs.

Before reimbursement is made by the District on any of the costs listed in subparagraph 1. above, a construction contract

for the project, approved and executed by the project sponsor and project contractor must be submitted to the District.

2. Marine fire-fighting vessels are eligible for a maximum of \$60,000 in initial District funding. Marine law enforcement and other vessels are eligible for a maximum of \$30,000 in initial District funding. All future replacement and maintenance costs of the vessel and related equipment will be the responsibility of the applicant.

3. Waterway related environmental education facility funding will be limited to those project elements directly related to the District's waterways.

(d) Phasing of Projects: Applications for eligible waterway projects may be submitted as a phased project where Phase I will include the design, engineering and permitting elements and Phase II will include the construction of the project. A description and cost estimate of the Phase II work shall be submitted along with the Phase I application for Board review.

(2) through (4) No change.

(5) The District may assist eligible local governments with efforts to prepare and implement a comprehensive maritime management plan. The plan shall be utilized by the eligible government to promote and maximize the public benefit and enjoyment of eligible waterways, while identifying and prioritizing the waterway access needs of the community. The plan should not duplicate any existing or ongoing efforts for the same waterway or water shed, nor shall the District participate in any effort that does not address the basic maritime needs of the community.

(a) ~~The District shall participate in one plan per County.~~ Existing plans may be updated at reasonable intervals or amended to include waterway areas previously not included in the original effort. Public, government, environmental, industry and other pertinent interest groups shall be solicited and included for input in the planning process.

(b) The plan shall be utilized as a tool to provide a minimum 5-year planning analysis and forecast for the maritime needs of the community, and shall include, at minimum, the following:

1. Public boat ramp and ramp parking inventory and analysis.
2. Public mooring and docking facility analysis, including day docks and transient slips.
3. Commercial and working waterfront identification and needs analysis.
4. The identification, location, condition and analysis of existing and potential navigation channels.
5. An inventory and assessment of accessible public shorelines.

6. Public Waterway transportation needs.

7. Environmental conditions that affect boat facility siting, a current resource inventory survey, and restoration opportunities.

8. Economic conditions affecting the boating community and boating facilities.

9. Acknowledgment and coordination with existing data and information, including an emphasis on the Intracoastal Waterway.

(c) Projects requested for assistance program funding shall be consistent with the applicant's maritime management plan. The applicant should utilize the plan to assist in prioritizing waterway improvement projects.

(6) All eligible environmental restoration, enhancement or mitigation projects as well as the environmental restoration, enhancement or mitigation components of other types of projects shall be required to pursue and assign any available the mitigation credits to the District for that share of the project funded through the District's Assistance Program. All eligible environmental restoration, enhancement or mitigation projects shall provide public access where possible.

(7) No change.

RULE NO.: RULE TITLE:
12D-9.020 Exchange of Evidence
NOTICE OF CHANGE

Notice is hereby given that the following changes have been made to the proposed rule in accordance with subparagraph 120.54(3)(d)1., F.S., published in Vol. 39, No. 187, September 25, 2013 issue of the Florida Administrative Register.

The Department has made changes to subsection (1) of the proposed rule based on comments received from the Joint Administrative Procedures Committee. A revised version of this proposed rule containing these changes is available at: <http://dor.myflorida.com/dor/property/vab/drafrules.html>.

When adopted, subsection (1) of this rule will read as follows:

12D-9.020 Exchange of Evidence.

(1) Florida Statutes provide that at least fifteen (15) days before the hearing, the petitioner shall provide the property appraiser with a list and summary of evidence, accompanied by copies of documentation, to be presented at the hearing. ~~The petitioner has the option of participating in an exchange of evidence with the property appraiser. If the petitioner chooses not to participate in the evidence exchange, the petitioner may still present evidence for consideration by the board or the special magistrate.~~ However, as described in this section, if the property appraiser asks in writing for specific evidence before the hearing in connection with a filed petition, and the petitioner has this evidence and knowingly refuses to provide it to the property appraiser a reasonable time before the hearing, the evidence cannot be presented by the petitioner or accepted for consideration by the board or special magistrate. Reasonableness shall be determined by whether the material can be reviewed, investigated, and responded to or rebutted in the time frame remaining before the hearing. These requirements are more specifically described in subsection (8) of this rule and in paragraphs Rule 12D-9.025(4)(a) and (f), F.A.C.

RULE NO.: 69V-560.1012 RULE TITLE: Adoption of Forms
NOTICE OF CHANGE

Notice is hereby given that the following changes have been made to the proposed rule in accordance with subparagraph 120.54(3)(d)1., F.S., published in Vol. 39, No. 218, November 7, 2013 issue of the Florida Administrative Register.

Pursuant to comments from the Joint Administrative Procedures Committee, the Office notes the following change to the proposed rule:

The original statement of regulatory costs and legislative ratification did not contain enough information. It should read: "The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: 1) No requirement for a SERC was triggered under Section 120.541(1); and 2) The amendments will not exceed any one of the economic analysis criteria in a SERC, as set forth in Section 120.541(2)(a), F.S.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice."

In the notice of proposed rule, the rulemaking authority includes the following statutes: 560.105, 560.118, 560.141, 560.2085, 560.209, 560.403 FS.

In the notice of proposed rule, the law implemented includes the following statutes: 560.118, 560.140, 560.141, 560.205, 560.2085, 560.209, 560.403, 943.053.
