DEPARTMENT OF HEALTH

Board of Medicine

RULE NO.: 64B8-35.002
 RULE TITLE: Standards for Protocols

PURPOSE AND EFFECT: The proposed rule amendment is intended to update the rule so that it is consistent with the Board of Nursing’s rule regarding ARNP protocols.

SUMMARY: The proposed rule amendment requires the ARNP protocol to be filed with the Department within 30 days of the renewal of the ARNP’s license.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described

herein: During discussion of the economic impact of this rule at its Board meeting, the Board, based upon the expertise and experience of its members, determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 458.348(2), 458.309 FS.

DEPARTMENT OF FINANCIAL SERVICES

Division of Worker's Compensation

RULE NO.: 69L-10.0165
 RULE TITLE: On-site Audit Criteria

PURPOSE AND EFFECT: The purpose of this rulemaking is the repeal of Rule 69L-10.0165, F.A.C. The effect is the elimination of a rule that offers no practical application.

SUMMARY: Rule 69L-10.0165, F.A.C., provides guidance relating to the on-site audit of entities making claims for reimbursement against the Special Disability Trust Fund. The Division of Workers' Compensation continually audits such claims in-house in a process that ensures there is no reimbursement of claims without sufficient documentation. The rule is unnecessary and is repealed.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: it is unnecessary to conduct on-site audits of entities making claims for reimbursement against the Special Disability Trust Fund. Such audits are conducted in-house by the staff of the Division of Workers' Compensation in the normal course of the claims review process. No reimbursement is made prior to establishing sufficient documentation for such claims. There are no costs associated with the repeal of Rule 69L-10.0165, F.A.C., as the existing audit practices of the SDTF will remain unchanged.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.
