DEPARTMENT OF ECONOMIC OPPORTUNITY
Division of Workforce Services

RULE NO.: RULE TITLE:
73B-10.032 Employing Unit Records

PURPOSE AND EFFECT: The purpose of the rule is to allow large agents to have access to the reemployment tax data of their clients without having to first produce a Power of Attorney (“POA”) to the Department of Revenue. Federal reemployment tax rules, as incorporated into Chapter 443, Florida Statutes, allow the release of confidential tax data to the agent of an employer when it is impractical to first obtain a POA.

SUBJECT AREA TO BE ADDRESSED: Disclosure of reemployment tax data to agents of employers. Agents often need reemployment tax data quickly to properly fill out Department of Revenue (“DOR”) forms and returns and do not always have quick access to a power of attorney (“POA”) signed by their client. Large agents in particular often have difficulty quickly submitting a POA for their many clients to DOR. This rule will allow the Department to release confidential reemployment tax data to large agents (those with over 100 clients) without having to first produce a POA. The agreement that will be signed by the agents before DOR releases any information, confirms that the agent has a POA with their client employer and will submit it upon request to DOR.

RULE NO.: 6A-1.094221
RULE TITLE: Alternative Standardized Reading Assessment and Use of Student Portfolio for Good Cause Promotion

PURPOSE AND EFFECT: The purpose of this amendment is to align the rule with Section 1008.25, Florida Statutes and to include necessary edits concerning the end-of-year outcome assessment and the adoption of Language Arts Florida Standards.

SUMMARY: The proposed rule revisions are necessary for alignment to Section 1008.25, Florida Statutes, following legislative changes which occurred during the 2014 Legislative Session.

A SERC has not been prepared by the Agency. The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: No requirement for SERC was triggered under Section 120.541(1), Florida Statutes. There would be no economic impact from this amendment and the adverse impact or regulatory cost, if any, does not exceed nor would be expected to exceed any one of the economic analysis criteria set forth in Section 120.541(2)(a), Florida Statutes.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: This proposed rule is not expected to have any adverse impact on economic growth, business competitiveness or any other factors listed in Section 120.541(2)(a), F.S. RULE NO.: RULE TITLE:
6A-2.0010 Educational Facilities

PURPOSE AND EFFECT: The purpose and effect of the proposed rule is: (1) To amend the publication, State Requirements for Educational Facilities 2012 (SREF), a document incorporated by reference in the rule. Changes in the publication include: (a) adding a provision to clarify how district school boards and Florida College System institution boards of trustees must account for the proceeds from the sale of real property; (b) defining the roles of the Office of Educational Facilities (OEF) and the Fixed Capital Outlay Office of the Bureau of School Business Services (FCO) within the Florida Department of Education with respect to educational facilities financing; (c) making conforming

3621
revisions to references to forms; (d) clarifying district requirements regarding the permissibility of reallocating funds for one Qualified Zone Academy Bonds (QZAB) project to another previously approved QZAB project; (e) deleting an obsolete provision requiring universities to purchase an insurance policy guaranteeing the payment of all principal and interest payable under a lease-purchase agreement; and (f) making technical corrections in legal citations and grammar; (2) To incorporate the most recently compiled Occupational Safety and Health Administration, Department of Labor, 29 C.F.R. Parts 1910 and 1926 (replacing the outdated compilations); (3) To adopt form OEF SCFA-10A, Special Facilities Construction Account (SFCA) District School Board Resolution; (4) To revise the following forms to revise form names, to update form numbers, to correct office contact information and to make other technical, formatting and grammar changes that do not require the collection of or reporting of additional data: OEF 216CC – Capital Outlay Bond Issue (COBI) Amendment (Florida Colleges); OEF 216PS – Capital Outlay Bond Issue (COBI) Amendment (Districts); OEF 217CC - Request to State Board of Education for Approval of Order of Priority for Expenditure of State Capital Outlay Funds (Florida Colleges); OEF 217PS – Request to State Board of Education for Approval of Order of Priorities for Expenditure of State Capital Outlay Funds (Public Schools); OEF 352 – Capital Outlay Request Encumbrance Authorization; OEF 400 – Qualified Public Educational Facility Bond – Application; OEF 410 – Qualified Zone Academy Bond Program Application; OEF 442 - DOE Project Disbursement Report; OEF 564CC – 2011 Report of Cost of Construction – Florida Colleges; OEF 564PS – 2011 Report of Cost of Construction – Public Schools; and OEF SCOA-1CC – Sample Resolution Requesting Issuance of Capital Outlay Bonds (COBI) for Florida Colleges; (5) To eliminate the incorporation of the Charter School Capital Outlay Plan because the subject is addressed in a separate rule; and (6) To make other revisions necessary to update or clarify the text of the rule or incorporated documents.

SUMMARY: The proposed rule amends the SREF as described above. The amendment specifies that district school boards and Florida College System institution boards of trustees must deposit the proceeds from the sale of land or other real property into the account used to fund the original acquisition, or if the original fund source was by donation or is not known, into the account for proceeds from the sale of real property. The amendment updates the publication’s finance chapter to define the roles of the OEF and the FCO with respect to public educational facilities finance, to remove an obsolete provision requiring universities to purchase an insurance policy guaranteeing the payment of all principal and interest payable under a lease-purchase agreement and to make other clarifying and technical revisions. The amendment adopts the most recent compilation of 29 C.F.R. Parts 1910 and 1926 by the Occupational Safety and Health Administration, Department of Labor. The amendment revises certain forms adopted by reference in the rule to update form numbers, to add instructions and to update office contact information. The amendment adopts new form OEF SFCA-10A Special Facilities Construction Account (SFCA) District School Board Resolution. The amendment eliminates the incorporation of the Charter School Capital Outlay Plan, which is a subject addressed in a separate rule. The amendment makes other revisions necessary to update or clarify the text of the rule or incorporated documents.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of $200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The proposed rule is not expected to have an adverse impact on economic growth, business competitiveness or any other factors listed in Section 120.541(2)(a), F.S. No increase in regulatory costs is anticipated as a result of the rule changes. More specifically, the proposed rule related to accounting for the proceeds from the sale of real property is not expected to increase regulatory costs for district school boards or Florida College System institutions because the change in existing accounting processes would not increase operating costs. The proposed rule is not expected to increase the cost of monitoring for the Florida Department of Education or the Auditor General because the change in the review of district accounting processes would be minor and would not increase operating costs. The clarifying and technical revisions regarding the administration of public educational facilities finance programs and the updates to the forms will not increase costs to educational agencies because new regulatory requirement is imposed and no new information must be collected or reported. The repeal of the obsolete university insurance provision will have no cost effect. Technical, clarifying and grammar changes will have no cost effect.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

PURPOSE AND EFFECT: The purpose of this rule revision is to amend the rule to conform to statutory changes from Chapters 2014-33 and 2014-184, Laws of Florida. In addition, an updated CAPE Industry Certification Funding List and Comprehensive Industry Certification List will be adopted by reference. The effect of the amended rule is to ensure that appropriate certifications are included on the CAPE Industry Certification Funding List.
SUMMARY: The amendment includes substantial rewording of this rule and updated documents to be incorporated by reference. The 2014-2015 CAPE Industry Certification Funding List is adopted with new statutorily required designations. The rule includes updated criteria for inclusion on the CAPE Industry Certification Funding Fund for CAPE Industry Certifications, CAPE Acceleration Industry Certifications, and CAPE Digital Tool Certificates. Test administration criteria for school districts to report industry certifications are added to the rule. A new process for submission of industry certifications for farm occupations by the Department of Agriculture and Consumer Services is specified. The timelines and process for the submission of CAPE Industry Certifications are updated. The Department of Education’s mailing address is provided for public access to materials incorporated by reference.
SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of $200,000 in the aggregate within one year after the implementation of the rule. A SERC has been prepared by the Agency.

The Agency has determined that the proposed rule does not require legislative ratification and is not expected to have any impact on the factors found in Section 120.541(2)(a), F.S. The SERC is prepared based on the potential costs to districts associated with the new requirement that teachers may not proctor the written industry certifications for their own students. Since the exact number of districts that currently allow teacher to proctor these exams is not known, this SERC is based on the assumption that all districts currently allow teachers to proctor these exams and would have to hire/compensate another individual to proctor the exam. Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE TITLE: Postsecondary Industry Certification Funding List

PURPOSE AND EFFECT: The purpose and effect of this rule is to amend the CAPE Postsecondary Industry Certification Funding List. New occupational areas were added to the funding eligibility in the 2014 General Appropriations Act. In addition, test administration procedures required for reporting of fundable certifications are added to the rule.

SUMMARY: The CAPE Postsecondary Industry Certification Funding list adopted by this rule will be used by the Division of Career and Adult Education and the Division of Florida Colleges for the distribution of postsecondary incentive funding related to the student attainment of industry certifications. Districts and colleges will be required to follow the test administration procedures for the industry certification to be reported for funding.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of $200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency. The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The proposed rule is not expected to have any impact on the factors found in 120.541(2)(a), F.S. This is because the amendment increases the number of industry certifications along with test administration procedures for which school districts and Florida Colleges are provided monetary incentives to offer to postsecondary students. These certifications have been evaluated and determined to be rigorous and tied to the statewide occupational demand in Florida.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

The Florida Personal Learning Scholarship Accounts Program will be implemented as required by Section 1002.385, F.S., to allow nonprofit scholarship-funding organizations to provide the option for a parent to better meet the individual educational needs of his or her eligible child by establishing an account for the funding of eligible expenditures.

(1) Eligibility of nonprofit scholarship-funding organizations.
(a) An eligible nonprofit scholarship-funding organization that participates in the Florida Tax Credit Scholarship Program under Section 1002.395, F.S., may establish personal learning scholarship accounts for eligible students.

(b) If, at any point during the school year, a nonprofit scholarship-funding organization no longer meets the eligibility requirements for nonprofit scholarship-funding organizations, the Commissioner shall:
   1. Issue a notice of noncompliance that gives the nonprofit scholarship-funding organization a reasonable time to meet the requirements; or,
   2. Issue a notice of proposed action to suspend the nonprofit scholarship-funding organization or to remove the nonprofit scholarship-funding organization from the list of eligible nonprofit scholarship-funding organizations where the health, safety, or welfare of students is involved or the nonprofit scholarship-funding organization has failed to meet requirements specified in a notice of noncompliance pursuant to this paragraph.

(c) Nonprofit scholarship-funding organizations suspended or removed pursuant to subsection (9) of this rule shall have fifteen (15) days from receipt of the notice of proposed action to file with the Department’s agency clerk a request for a proceeding pursuant to Sections 120.569 and 120.57, F.S. All resulting proceedings shall be conducted in accordance with Chapter 120, F.S.

(2) Nonprofit scholarship-funding organization requirements. Eligible nonprofit scholarship-funding organizations shall:
   (a) Receive applications and determine eligibility of students in accordance with the requirements of Section 1002.385(3)(a), F.S.;
   (b) By March 1 before the school year in which students will participate, submit in a format to be specified by the Department an electronic list of all scholarship students that have applied to receive scholarship funds. The list shall include the following information:
      1. Information for each student, including name, date of birth, grade level, and address, including county of residence;
      2. Eligible disability;
      3. Matrix funding level for the student;
      4. Status of eligibility determination; and,
      5. Whether student is current participant in program.
   (3) Nothing in this rule shall limit the Department’s authority to request any other information related to the scholarship program.

(4) Eligible students. Applications for a Florida Personal Learning Scholarship Account shall be made by parents directly through an eligible nonprofit scholarship-funding organization. The nonprofit scholarship-funding organization shall verify the eligibility of students pursuant to the criteria established in Section 1002.385, F.S., and award scholarships consistent with the requirements of Section 1002.385, F.S. The process used to identify eligible students and award scholarships is subject to the annual financial and operational audit required by law.

(5) Scholarship payments. The following provisions relate to the distribution of funds from the Department of Education to an eligible nonprofit scholarship-funding organization.
   (a) An eligible scholarship funding organization may request a payment from the Department of Education for an eligible student only after it has confirmed that the student has met the eligibility criteria in Section 1002.385(3)(a), F.S. Using the Department’s web-based system, the nonprofit scholarship-funding organization must:
      1. Confirm the eligibility of each scholarship student;
      2. Attest to the accuracy of each student’s information submitted by the nonprofit scholarship-funding organization, which must include the following:
         a. Student name, date of birth, social security number, gender, race, grade level, and address including county of residence;
         b. Category under which student is eligible, pursuant to Section 1002.385(2)(d), F.S.;
         c. Matrix level of funding; and,
         d. Date and time the nonprofit scholarship-funding organization confirmed eligibility.
      3. Submit a request for payment to include the amount requested for each individual student as well as the total amount requested.

   (b) The Department shall verify, prior to payment, that each eligible student for which the nonprofit scholarship funding organization is requesting payment is not enrolled in public school or receiving a scholarship under another program pursuant to Chapter 1002, Florida Statutes, and has not had participation suspended or revoked pursuant to Section 1002.385(10), F.S. Upon verification, the Department shall distribute funds to the nonprofit scholarship-funding organization. The Department shall distribute funds on a first-come first-served basis, based upon the date and time the scholarship-funding organization confirmed eligibility pursuant to subparagraph (5)(a)1. of this rule.

   (c) Requests for payments by a nonprofit scholarship-funding organization must be submitted no later than May 1 for the fiscal year in which the student is eligible to receive a scholarship.

a letter via both regular and certified mail requesting the return of the funds. The letter shall state the reason the funds are being requested, the student or students involved, instructions on returning the funds, and the procedure to be followed if the eligible nonprofit scholarship-funding organization believes that return of the funds is being requested in error or wishes to provide additional information related to the requested funds. The Department’s letter may also require the eligible nonprofit scholarship-funding organization to provide an explanation for how the funds were erroneously obtained.

1. Eligible nonprofit scholarship-funding organizations shall respond to such letter within thirty (30) days by either returning the funds or detailing in writing why its retention of the funds is proper.

2. If the Department receives a letter detailing why the funds were properly retained, it shall determine whether the explanation is sufficient and thereafter alert the eligible nonprofit scholarship-funding organization of any funds still due and a timeframe for the return of those funds. The response shall give the eligible nonprofit scholarship-funding organization at least twenty (20) additional days to repay the funds.

3. Failure to return the funds due to the Department, or failure to provide a sufficient explanation for how the eligible nonprofit scholarship-funding organization claimed funds that were erroneously obtained, within the time period allotted in subparagraphs (5)(e)1. and 2. of this rule, shall result in the initiation of noncompliance procedures pursuant to the Commissioner’s authority described in Section 1002.385(10), F.S., and this rule.

(f) All claims by eligible nonprofit scholarship-funding organizations for missed scholarship payments must be made by May 1 of the fiscal year in which the scholarship payment was originally due.

(6) Quarterly Reports: Four (4) times a year, no later than October 30, January 30, April 30, and June 30 of each year, an eligible nonprofit scholarship-funding organization shall submit in a format to be specified by the Department an electronic list of all participating scholarship students, providers of services, and participating private schools. (e) Upon receipt of a formal complaint, the Department shall review the complaint for legal sufficiency. If the complaint is legally sufficient, the Department may close the complaint.

(f) The Department shall notify the complainant of the final result of all legally sufficient formal complaints.

(8) Inquiry Process. If an inquiry is made as to the conduct of an individual or entity participating in the program:

(a) A letter of inquiry will be delivered using regular and certified mail that alerts the individual or entity to the inquiry and provides the opportunity to respond. The letter of inquiry shall detail any alleged violations of program rules or law, the response required, any documentation requested, and the deadline for responding to the department. A copy of the letter of inquiry shall be provided to the appropriate nonprofit scholarship-funding organization.

(b) If there is a failure to respond to a letter of inquiry in a timely manner by:

1. A parent, then the Department shall notify the appropriate nonprofit scholarship-funding organization of the nature of the inquiry and the parent’s deemed admission of alleged violation due to a failure to respond to the letter of inquiry. (c) The Department shall review the response to the letter of inquiry and:

1. If satisfied that no violation of laws or rules related to scholarship program participation occurred, notify the eligible student, approved provider, nonprofit scholarship-funding organization, private school, or school district and complainant that the inquiry will be closed.

2. If more information is needed, request additional information related to the inquiry from the complainant, eligible student, approved provider, nonprofit scholarship-funding organization, private school, or school district.

(d) The Department may at any point in the process set forth in this rule refer an inquiry to the Department’s Office of Inspector General or another appropriate agency for investigation.

(e) Notwithstanding any other provisions of this rule, the Commissioner may at any point during the inquiry process exercise the authority given under Section 1002.385(10), F.S., and this rule.

(9) Commissioner’s duties. The Commissioner may deny, suspend, or revoke participation in the scholarship program pursuant to Section 1002.385(10), F.S.

4. A copy of the notice shall be provided to the appropriate nonprofit scholarship-funding organization.

(b) Upon issuance of a notice of noncompliance the Commissioner may suspend payments to the non-profit scholarship funding organization until the non-profit scholarship funding organization has demonstrated compliance.

(c) If the Commissioner issues a notice of proposed action denying, suspending, or revoking an eligible student, nonprofit scholarship-funding organization, or private school’s participation:

RULE NOS.: 64B13-4.001, 64B13-4.005, 64B13-4.006

RULE TITLES:

64B13-4.001 Examination Requirements
64B13-4.005 Criteria for Selection of Examiners and Consultants
64B13-4.006 Security and Monitoring Procedures for Licensure Examination

PURPOSE AND EFFECT: The Board proposes the rule amendments to remove examiner and security procedures which were required for the Florida-specific licensure examination.

SUMMARY: The rule amendments will remove requirements regarding Florida-specific examiners and clarify security procedures resulting from the transition to the national examination. In addition, amendments to Rule 64B13-4.006, F.A.C., clarify an existing procedure whereby questions on Part IV of the Florida-specific examination are regularly updated and rotated.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COST AND LEGISLATIVE RATIFICATION: The agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of $200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency. The agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: As the Board has moved to a national examination, both rules are being amended to remove unnecessary requirements from the Florida-specific examination. Accordingly, because the Board is removing
requirements that no longer apply, it foresees no cost impact to any entity, including government or small businesses. Furthermore, the rule amendment language acknowledges existing examination procedures and is not modifying existing procedures. There are no foreseeable cost increases, and there will likely be an overall reduction in costs by elimination of Florida-specific procedures.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

Examples of further action that may be taken include, but are not limited to, withholding or declaring invalid scores on the examination, disqualification from future licensure examinations, disqualification from the practice of optometry, and imposition of other appropriate sanction by the Board.

For the purpose of this rule, conduct which subverts or attempts to subvert the examination process includes:

(a) through (c) No change.

To avoid compromising the integrity of the examination question bank and thereby risking the validity of Part IV of the licensure examination, questions used shall be regularly written, updated and/or modified by consultants appointed by the Board in conjunction with the Department, and the same or similar questions shall not be repeated, when feasible, more than once every three (3) years.

The Petitioner wishes to temporarily waive for one year that portion of the rule which states training schools are permitted to use eLearning instruction for Commission-approved Specialized Training Program Courses, Specialized Instructor Courses, and courses created from Specialized Goals and Objectives. The Petitioner requests permission to conduct a one-year pilot program to utilize eLearning to train Auxiliary Officer Basic Recruits. Petitioner states that the eLearning would utilize a virtual classroom via teleconference to deliver training around the state within approved CJSTC satellite classrooms. Petitioner states that the training would encompass 63 hours of instruction including 27 hours of Law Enforcement Auxiliary Introduction; 19 hours of Law Enforcement Auxiliary Patrol and Traffic; and, 17 hours of Law Enforcement Auxiliary Investigations. Petitioner states that CJSTC certified instructors including members of the Florida Highway Patrol Auxiliary would act as proctors in each satellite classroom to provide structure and discipline during the pilot program. Petitioner states that no high liability topics would be covered via eLearning. Petitioner states that the proposed program has been vetted through CJSTC training center directors and they support the pilot program. Petitioner states that the purpose of Sections 943.175 and 943.25, F.S., will be achieved if the waiver is granted and will assist FHP in delivering effective and consistent training throughout the state. Petitioner states that the pilot program will limit the number of sworn instructors tasked with providing instruction and will allow those instructors to continue working their regular assigned shifts.

69B-211.042 Effect of Law Enforcement Records on Applications for Licensure

The Florida Department of Financial Services hereby gives notice:

The Department of Financial Services issued a Final Order Denying Petition of the “Petition for Variance From or Waiver of Florida Administrative Rule 69B-211.041(3),(5), and 69B-211.042(4), (5), (6), (12)(b),” that was filed by Brandon J. Bogert on June 23, 2014. The Notice of the Petition was published July 15, 2014, in Vol. 40, No. 136 of the Florida Administrative Register. The Petition was requesting that the Department reclassify Bogert’s felony convictions as misdemeanor convictions to allow the Department to grant him a resident general lines (2-20) agent license. However, based on the Petition’s defects, it cannot be cured by amendment and therefore, the Petition was dismissed by a Final Order Denying Petition filed on August 22, 2014.

A copy of the Order or additional information may be obtained by contacting: Michael H. Davidson, Assistant General Counsel, Department of Financial Services, 200 E. Gaines Street, Tallahassee, Florida 32399-0333 or by email: michael.davidson@myfloridacfo.com.

Notice of Petitions and Dispositions Regarding Declaratory Statements

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION
Division of Florida Condominiums, Timeshares and Mobile Homes
NOTICE IS HEREBY GIVEN that the Division of Florida Condominiums, Timeshares, and Mobile Homes, Department of Business and Professional Regulation, State of Florida, has received the petition for declaratory statement from Jason Kalagher, In Re: Sorrento Villas, Section 5, Association, Inc., Docket No. 2014034366, filed on August 18, 2014. The petition seeks the agency’s opinion as to the applicability of Section 718.115, Florida Statutes, and subsection 718.103(8), Florida Statutes, as they apply to the petitioner.
Whether the owners of declared but unbuilt units are liable for full monthly association assessments under Section 718.115, Florida Statutes, and whether the area surrounding particular units deemed “private” by the Board of Directors of the association falls within the definition of “common elements” as it is defined by Section 718.103(8), Florida Statutes.
A copy of the Petition for Declaratory Statement may be obtained by contacting: Danny Brown, Administrative Assistant II, at Department of Business and Professional Regulation, Division of Florida Condominiums, Timeshares, and Mobile Homes, 1940 North Monroe Street, Tallahassee, Florida 32399-2217, (850)717-1486, Daniel.Brown@myfloridalicense.com.
Please refer all comments to: Brittany Finkbeiner, Chief Attorney, Department of Business and Professional Regulation, Division of Florida Condominiums, Timeshares, and Mobile Homes, 1940 North Monroe Street, Tallahassee, Florida 32399-2202. Responses, motions to intervene, or requests for an agency hearing, §120.57(2), Fla. Stat., must be filed within 21 days of this notice.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION
Drugs, Devices and Cosmetics
NOTICE IS HEREBY GIVEN that Division of Drugs, Devices and Cosmetics has received the petition for declaratory statement from Michael J. Glazer, General Counsel on behalf of H.D. Smith Wholesale, filed on July 9, 2014. The petition seeks the agency’s opinion as to the applicability of paragraph 499.01(2)(s), Sections 499.002, 499.0051, 499.066, 499.0661, and 499.067, Florida Statutes, and related administrative rules as they apply to the petitioner.
H.D. Smith is requesting that the Department of Business and Professional Regulation issue a declaratory statement as to the following. 1. HDS is a prescription drug wholesaler. HDS has historically and continues to comply with the requirements of Florida law that it only engage in transactions with properly licensed parties as it relates to the distribution of prescription drugs. 2. Certain 3PLs shipping products to HDS for distribution in Florida have taken the position that a Florida 3PL license is not required due to the provisions of DQSA. 3. HDS has held to its belief that a 3PL license is required. This disagreement regarding the interaction of state and federal law has made it difficult in certain instances for HDS to obtain products and provide these medications to Florida pharmacies.
4. HDS is substantially affected by these regulations. If HDS obtains and distributes product from an unlicensed 3PL and if DBPR determines that the 3PL should have been licensed, then HDS is subject to sanctions for violating Chapter 499, Florida statutes. HDS is therefore sufficiently and substantially affected and is justified in requesting this declaratory statement to clarify its rights under the referenced statutes and rule. WHEREFORE, HDS respectfully requests that DBPR issue a Final Order determining that if HDS obtains prescription drug products from a 3PL for distribution in Florida, then the 3PL must hold a valid Florida 3PL license.
A copy of the Petition for Declaratory Statement may be obtained by contacting: The Division of Drugs, Devices and Cosmetics, 1940 N. Monroe Street, Suite 26A, Tallahassee, FL 32399-1047 - Dinah Greene.
