THE FULL TEXT OF THE PROPOSED RULE IS:

6A-14.095 Site Determined Baccalaureate Access.

(1) Purpose. This rule implements a uniform submission, approval and compliance process for ~~new~~ baccalaureate degree programs proposed and offered by Florida College System institutions, in accordance with Section 1007.33, F.S.

(2) Definitions. For the purposes of this rule, the following definitions shall be used.

(a) “Academic Program Pre-Proposal Recognition System” or “APPRiSe” is a web-based notification system used by the Florida College System and the State University System to provide advance notice to both systems of plans to develop a new baccalaureate degree program ~~“College” means an institution within The Florida College System.~~

(b) “Board of trustees” means a Florida College System institution board of trustees ~~“SACS” means the Southern Association of Colleges and Schools Commission on Colleges.~~

(c) “CIP to SOC Crosswalk” means the coding system developed by the U.S. Department of Education’s National Center for Education Statistics that links instructional programs to occupations. A CIP to SOC relationship indicates that programs classified in the CIP code category prepare individuals for jobs classified in the Standard Occupational Classification category or “SOC.” The crosswalk is located at <https://nces.ed.gov/ipeds/cipcode/resources.aspx?y=55> ~~“Division” means the Division of Florida Colleges.~~

(d) “Classification of Instructional Programs” or “CIP code” refers to the taxonomic scheme developed by the U.S. Department of Education’s National Center for Education Statistics and located at <http://nces.ed.gov/ipeds/cipcode/Default.aspx?y=55> ~~“Board of trustees” means a Florida College System institution board of trustees.~~

(e) “College” means an institution within the Florida College System.

(f) “Common Prerequisites Manual,” pursuant to Section 1007.25(5), F.S., means courses and course substitutions required for each baccalaureate degree program found in Florida’s public universities and colleges. The manual is found at <https://www.flvc.org/partner-portal/common-prerequisite-manual>.

(g) “Completed proposal” means a college’s final submission of a baccalaureate program proposal to the Division for consideration by the State Board of Education.

(h) “Division” means the Division of Florida Colleges.

(i) “Initial proposal” means a college’s first submission of a baccalaureate program proposal to the Division for review.

(j) “Integrated Postsecondary Education Data System” means that portion of the information center created and maintained by the U.S. Department of Education’s National Center for Education Statistics, created pursuant to 20 U.S.C. § 9541, that collects and analyzes data related to postsecondary education. The system is found at <http://nces.ed.gov/ipeds/datacenter>.

(k) “SACSSOC” means the Southern Association of Colleges and Schools Commission on Colleges.

(l) “STEM” means science, technology, engineering or mathematics.

(m) “Service district” means the geographical area served by a college identified in Section 1000.21, F.S.

(n) “Statewide Articulation Agreement” means the agreement provided for in Rule 6A-10.024, F.A.C.

(3) Notice Letter of intent. The following requirements shall apply to the letter of intent that is required pursuant to Section 1007.33(5)(a), F.S., a college seeking consideration of approval by the State Board of Education for a new baccalaureate degree proposal must complete and submit the Notice of Intent, Form No. BACC-01 (insert link) which is hereby incorporated by reference in this rule effective 2015. A copy of the form may be found at <http://fldoe.org/schools/higher-ed/fl-college-system/baccalaureate-degree-proposal-process.shtml> or by writing to the Division at 325 West Gaines Street, Suite 1544, Tallahassee, Florida, 32399.

(a) ~~The required components of the letter of intent, as approved by the board of trustees, are:~~

- ~~1. The name of the program;~~
- ~~2. The type of degree to be conferred under the program;~~
- ~~3. A brief description of the program;~~
- ~~4. Key skills expected of graduates;~~
- ~~5. A description of the career path or potential employment opportunities for graduates of the program;~~
- ~~6. A summary of discussions with the state university in the Florida college's service district and other public and nonpublic postsecondary institutions in the region regarding evidence of need, demand, and economic impact;~~
- ~~7. The workforce demand and unmet need for graduates of the program to include evidence from entities independent of the institution;~~
- ~~8. Expected term and year of the first upper division enrollment in the proposed program; and,~~
- ~~9. A description of funds available for program startup costs, including promised support from local businesses and industries.~~

~~(a)(b) The notice letter of intent will remain valid for two (2) years from its receipt by the Division.~~

~~(b)(c) If the initial complete proposal is not received within two (2) years of receipt of the notice letter of intent, the college must begin the approval process set forth in Section 1007.33(5), F.S., anew, beginning with submission of submit a new notice letter of intent to the Division, to be subject to the same procedures as outlined in Sections 1007.33(5)(a) (b), F.S., before an initial degree proposal may be submitted to the Division.~~

~~(4) Proposals for a baccalaureate degree Colleges seeking consideration of approval by the State Board of Education for a new baccalaureate degree proposal must complete and submit the Baccalaureate Proposal Approval Application BAAC-01~~

~~(<http://www.flrules.org/Gateway/reference.asp?No=Ref-01597>), which is hereby incorporated by reference in this rule~~

~~to become effective September 2012. A copy of the form may be found at http://www.fldoe.org/ce/students/bach_degree.asp, or by writing to the Division at 325 West Gaines Street, Suite 1544, Tallahassee, Florida 32399.~~

~~(4)(5) Alternative proposals and objections by a Florida state university or regionally accredited private college or university. Alternative proposals must be submitted to the Chancellor of the Florida College System and must address all criteria specified in Section 1007.33(5)(c), F.S., and specifically include a calculation of the total tuition and fees for a student starting as a first-time, freshman student in the program and a calculation of the total tuition and fees for completing the last two (2) years of the program. Both calculations must be based on the total hours required for the baccalaureate degree. A state university or regionally accredited private college or university may also submit an objection to a proposed new program to the Division, pursuant to Section 1007.33(5)(b), F.S. State universities have sixty (60) days following the receipt of the notice letter of intent to submit alternative proposals and objections. Subsequent to the sixty (60) day submission window for state universities, regionally accredited private colleges have thirty (30) days to submit alternative proposals and objections.~~

~~(5) Proposals for a baccalaureate degree. A college seeking consideration of approval by the State Board of Education for a new baccalaureate degree proposal must complete and submit the Baccalaureate Proposal Application, Form No. BAAC-02 (insert link) which is hereby incorporated by reference in this rule effective 2015. ~~(6) Proposal Review/Approval Process.~~

~~(a) Upon receipt of an initial a proposal, the Division shall review the proposal to determine compliance with criteria in Section 1007.33(5)(d), F.S., and other information requested on the Baccalaureate Proposal Application form. The proposal shall also include:~~

~~1. Evidence of collaboration via internal and external planning processes or meetings that include need, demand, regional capacity, and impact discussions with postsecondary institutions in regional proximity to the college.~~

~~2. An analysis of data and a description of the employment gap between the number of job openings and the number of graduates in the discipline area in that service region, which demonstrate demand and unmet need for graduates of the program.~~

~~3. A description of both existing and planned facilities, equipment, library/media, and academic resources needed for the program demonstrating physical capacity to support the program.~~

~~4. An enrollment projection and funding requirements for the program, including start up costs, required faculty salaries, library resources, facility renovations/remodeling, and other anticipated operational costs to develop and maintain the program over a four year period. Supplemental funding from outside sources should be included in a budget plan within the proposal.~~

~~5. The program curriculum, including course numbers and titles, credit hours and established or proposed common course prerequisites demonstrating comprehensive academic content and adherence to general education courses, common prerequisites and other degree requirements as outlined in Section 1007.25, F.S.~~

(b) Based on the review of the initial proposal, the Division shall notify the college of any deficiencies. The college shall be required to submit a revised, completed proposal application, which addresses deficiencies identified by the Division, in order to proceed with the request to offer the baccalaureate degree program.

~~(c)(b) Unless the proposal is withdrawn by the college, the Division shall forward the completed final proposal application, including all related documentation, to the Commissioner of Education with a written analysis, which the Commissioner shall consider in his recommendation to the State Board of Education.~~

~~(7) Adding or modifying concentration(s) to an existing baccalaureate degree program. A college seeking approval by the State Board of Education to add or modify a concentration to an existing baccalaureate degree program must submit the Application to Add or Modify Concentration(s) to an Existing Baccalaureate Degree Program, Form BAAC-02 (<http://www.flrules.org/Gateway/reference.asp?No=Ref-01597>), which is hereby incorporated by reference in this rule to become effective September 2012. RULE NO.: RULE TITLE:

64B9-3.015 Licensure Examination Preparatory Courses

PURPOSE AND EFFECT: To eliminate Board approval for licensure examination preparatory courses.

SUMMARY: Eliminate Board approval for licensure examination preparatory courses.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COST AND LEGISLATIVE RATIFICATION: The agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency. The agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board, based upon the expertise and experience of its members, determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

On Monday, September 21, 2015 at 9:30 a.m., at their regularly scheduled meeting, the Board of Trustees will interview firms regarding their proposals. Following the interviews, the Board of Trustees will select the firm to engage and will authorize the President or designee to negotiate and execute a contract with the firm.

Any Firm requiring special accommodations at any of the public meetings regarding this Request for Proposal due to a disability or physical impairment should contact Greg Long, Director of Purchasing and Auxiliary Services, (407)708-2174 at least three (3) working days prior to any meeting.

If a Firm chooses to appeal any decision with respect to any matter considered at the above cited meeting, it will need a record of the proceedings, and for such purpose may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based. A copy of the agenda may be obtained by writing to: Seminole State College of Florida, Department of Purchasing and Auxiliary Services, 100 Weldon Boulevard, Sanford, Florida 32773, or by faxing a request to (407)708-2256.

Any Proposal received after the specified time and date may not be considered; additionally, any Proposal submitted orally, telephonically, emailed, or faxed shall not be accepted. Receipt of Proposals can be confirmed by calling the College Purchasing Office at (407)708-2174.

The District Board of Trustees of Seminole State College of Florida reserves the right to waive minor, nonmaterial irregularities in any or all Proposals and accept or reject, in part or in full, any or all Proposals.

REQUEST FOR LETTERS OF INTEREST

Professional Services Related To

Cape Coral Bike Route Study

LOI: J02-2015

The Lee County Metropolitan Planning Organization (MPO), requests Letters of Interest from professional firms to provide planning/engineering and design services for a Bike Route Study. Work associated with this contract requires developing an inventory of needed bicycle and pedestrian facilities in the City of Cape Coral, including traffic safety and operational improvements at major intersections that will help guide the implementation of those facilities. The project will include public involvement activities that will engage the community throughout the planning process. The City of Cape Coral has a current population of 174,000, covers a land area of 120 square miles and has 226 miles of arterial and collector roadways. The City has 110 miles of bike lanes, 9 miles of bike paths, 4 miles of shared use pathways and 192 miles of sidewalks. The Work performed under this contract will be subject to the most current adopted FDOT, FHWA and FTA requirements. Vendors are encouraged to further investigate requirements for federally funded projects.

Guidelines detailing form and content requirements for the Letter of Interest are available by contacting Donald Scott, Executive Director, P.O. Box 150045, Cape Coral, FL 33915-0045, (239)330-2241, or they may be downloaded from our website at <http://leempo.flprocurement.com/>

It is a basic tenet of the MPO's contracting program that contracts are procured in a fair, open, and competitive manner. By submitting a Letter of Interest, the Consultant certifies that they are in compliance with FDOT Procedure No. 375-030-006, Restriction on Consultant's Eligibility to Compete for Department Contracts. This directive is available on FDOT's website.

This project is federally funded with assistance from the Florida Department of Transportation and the Federal Highway Administration. By submitting a Letter of Interest, the Consultant certifies that no principal (which includes officers, directors, or executives) is presently suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation on this contract by any federal department or agency.

In addition, by submitting a Letter of Interest, the Consultant affirms that it is FDOT prequalified in the following work categories: Group 3 Highway Design - Roadway, Group 6. Traffic Engineering and Operations Studies, Group 13. Planning

Letters of interest must be submitted electronically to the Lee MPO at <http://leempo.flprocurement.com/> no later than 11:59 p.m. ET, August 14, 2015, in order to be considered.

The Lee MPO has implemented a new Electronic Submittal Process, which requires the use of GovernmentForms.software®. This software, which generates and posts a customized version the Standard Form (SF) 330 along with the capability to upload other required items, can be downloaded at the following address: <http://leempo.flprocurement.com/>.

This public notice was posted on the bulletin board outside the offices of the Lee County MPO at 815 Nicholas Parkway East, Cape Coral, FL 33990, on June 29, 2015. The Lee County MPO does not discriminate based on age, race, color, sex, religion, national origin, disability or marital status. Qualified minority-owned, women-owned or disadvantaged business enterprises are encouraged to apply.
