SUMMARY: The rule is unnecessary and is being repealed.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule repeal will not have any impact on licensees and their businesses or the businesses that employ them. The rule repeal will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

53ER15-49 FANTASY 5® College Football Promotion.

(1) Beginning Wednesday, August 26, 2015, through Wednesday, December 2, 2015, the Florida Lottery will conduct the FANTASY 5® College Football Promotion. Players who purchase a single \$5.00 or more FANTASY 5® or FANTASY 5® with EZmatch™ ticket at a Florida Lottery (or “Lottery”) retailer location will receive an entry voucher with a unique number that can be entered into a team drawing in one (1) of five (5) participating college team “Fan Experiences” on the Florida Lottery’s website for a chance to win college football prizes. The team experiences are: the Canes® Fan Experience; the Gators® Fan Experience; the Seminoles® Fan Experience; the Bulls™ Fan Experience; and the Knights™ Fan Experience.

(2) How to Enter.

(a) To enter a voucher number into a team drawing, players must enter on the Lottery’s website at flalottery.com. On the home page of the Lottery’s website, players can click on the FANTASY 5® College Football Promotion banner(s) and follow the directions. Players can also access the Lottery’s website to enter a voucher number via a link located on each of the following five (5) colleges’ athletics websites:

<u>College</u>	<u>Website</u>	<u>Fan Experience</u>
<u>University of Miami</u>	<u>www.hurricanesports.com</u>	<u>Canes Fan Experience</u>
<u>University of Florida</u>	<u>www.gatorzone.com</u>	<u>Gators Fan Experience</u>

<u>University of South Florida</u>	<u>www.gousfbulls.com</u>	<u>Bulls Fan Experience</u>

(b) The entry voucher will be attached to the bottom of the FANTASY 5 ticket. The voucher entry number is located at the bottom on the front of the voucher. Players are to enter the first 13-digits of the 19-digit voucher entry number. Qualifying FANTASY 5 ticket purchases will produce entry vouchers from the beginning of the promotion period until close of game for FANTASY 5 at 10:40 p.m. ET on December 2, 2015. A player will be able to enter his or her voucher numbers beginning at the top of the hour after the FANTASY 5 ticket is purchased. A player entering a voucher number prior to the top of the hour after purchase will be directed to return at a later time to enter his or her voucher number into the drawing. FANTASY 5 tickets cannot be used for entry into the drawings. The odds of winning depend on the number of entries received. Entry vouchers should not be mailed to the Lottery unless players are contacted by the Florida Lottery and requested to do so. Entry vouchers or tickets received in the mail by the Florida Lottery will not be entered into the drawing and will not be returned. Cancellation of a qualifying FANTASY 5 ticket will also cancel the associated entry voucher and the voucher number will be ineligible for entry into a drawing. A voucher number associated with a cancelled FANTASY 5 ticket that is entered into a drawing will be disqualified.

(c) Players may enter as many times as they wish during the contest period. However, each valid voucher number may only be used one (1) time, for one (1) entry into one (1) Fan Experience drawing and/or a team Grand Prize drawing.

DEPARTMENT OF EDUCATION

Florida's Office of Early Learning

RULE NO.: RULE TITLE:

6M-8.620 Voluntary Prekindergarten (VPK) Pre- and Post Assessments

The Office of Early Learning hereby gives notice:

The Office issued an order denying the request made by Redlands Christian Migrant Association, for a variance from certain requirements of Rule 6M-8.620, F.A.C., Voluntary Prekindergarten Pre- and Post-Assessments. The petition was filed with the Office of Early Learning on or around May 21, 2015 and is dated May 18, 2015. Notice of the petition was published on May 27, 2015 in Volume 41, Number 102 of the Florida Administrative Register. The order denying the request was filed on August 19, 2015. This order follows an order by the Department of Education denying the same petitioner its request to use an alternative to the Teaching Strategies Gold assessment. By denial of the use of alternative

assessment material, the request for variance under this rule, which sets forth procedural requirements only, is moot, as it hinged upon being able to utilize an alternative test. Even assuming the Department of Education had not denied that request, the Office would deny this request, set our more fully in the order, based upon the following: (1) the request is inconsistent with the purpose of the statute to create a uniform system of measurement for VPK providers, and (2) the petition fails to demonstrate a substantial hardship created by imposition of the rule as noticed and adopted.

A copy of the Order or additional information may be obtained by contacting: Margaret O'Sullivan Parker, General Counsel, Office of Early Learning, 250 Marriott Drive, Tallahassee, FL 32399, Maggi.Parker@oel.myflorida.com.
