DEPARTMENT OF REVENUE

Sales and Use Tax

RULE NO.: 12AER15-03
RULE TITLE: Florida Communications Services Tax Election to File Using Alternative-Period Basis

SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE: Chapter 2015-221, L.O.F., modifies s. 202.27, F.S., to provide that communications services dealers will have the option to elect to file returns using an Alternative-Period Basis Reporting method beginning October 1, 2015. This requires the creation of a form to be used by dealers to notify the Department of their election.

Section 15, Chapter 2015-221, L.O.F., authorizes the Department of Revenue, and all conditions are deemed met, to adopt emergency rules pursuant to s. 120.54(4), Florida Statutes, for the purpose of implementing the amendments made by that act to s. 202.27, F.S. To provide communications services tax dealers and taxpayers who pay tax directly to the Department the necessary form changes to elect to use Alternative-Period Basis Reporting beginning October 1, 2015, an emergency rule to incorporate the new election form ensures that the public is notified of these law changes by the most appropriate and expedient means. This emergency rule incorporates, by reference, Form DR-700033, Notification of Alternative-Period Basis Reporting for Communications Services Tax, effective October, 2015.

REASON FOR CONCLUDING THAT THE PROCEDURE IS FAIR UNDER THE CIRCUMSTANCES: The Legislature expressly authorized in Section 15, Chapter 2015-221, L.O.F., the promulgation of an emergency rule by the Department to provide forms and instructions to elect to use Alternative-Period Basis Reporting. The promulgation of this emergency rule, incorporating by reference the form used to make the election, ensures that the public is notified by the most appropriate and expedient means regarding the process to elect to use this reporting method.

SUMMARY: Emergency Rule 12AER15-03 incorporates, by reference, Form DR-700033, Notification for Alternative-Period Basis Reporting for Communications Services Tax, to allow dealers who elect to report communications services tax using an Alternative-Period Basis. The amendments made to s. 202.27, F.S., provide that an Alternative-Period Basis means any month-long period, other than a calendar month, with an end date on or after the 15th day of the month. For example: December 23rd to January 22nd is considered an Alternative-Period for reporting on the January return. The statute further provides that a dealer making an election will be bound by it for at least 12 months.

THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS: Kimberly Bevis, Revenue Program Administrator I, Technical Assistance and Dispute Resolution, Department of Revenue, P.O. Box 7443, Tallahassee, Florida 32314-7443, telephone: (850)717-7082

RULE NO.: RULE TITLE:

61C-4.010 Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On August 19, 2015, the Division of Hotels and Restaurants received a Petition for an Emergency Variance for Subparagraph 3-305.11(A)(2), 2009 FDA Food Code, Section 3-305.14, 2009 FDA Food Code, Section 6-202.15, 2009 FDA Food Code, Section 6-202.16, 2009 FDA Food Code, subsection 61C-4.010(1), F.A.C., and subsection 61C-4.010(6), F.A.C., from D’Ginas Food located in Miami. The above referenced F.A.C. addresses the requirement for proper handling and dispensing of food. They are requesting to dispense bulk time/temperature control for safety foods from an open air mobile food dispensing vehicle.

The Petition for this variance was published in Vol. 41/166 on August 26, 2015. The Order for this Petition was signed and approved on August 31, 2015. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring that each pan within the steam table is properly covered with an individual lid; the steam table is enclosed within a cabinet with tight-fitting doors, and is protected by an air curtain installed and operated according to the manufacturer’s specifications that protects against flying vermin or other environmental contaminants; all steam table foods must be properly reheated for hot holding at approved commissaries and held hot at the proper minimum temperature per the parameters of the currently adopted FDA Food Code; and steam table food is to be dispensed by the operator with no customer self-service. The Petitioner shall also strictly adhere to the operating procedures and copies of the variance and operating procedures are to be present on the MFDV during all periods of operation.
