Proposed Rules**

**DEPARTMENT OF CORRECTIONS**

RULE NO.:           RULE TITLE:  
 33-208.003           Range of Disciplinary Actions  
 PURPOSE AND EFFECT: The purpose and effect of the amendment is to update disciplinary standards to current Department expectations for members.  
 SUMMARY: The proposed rule provides for a modern disciplinary range based on the frequency and nature of a particular offense and the circumstances surrounding each case; requires the Disciplinary Authority to consider the Florida Administrative Code, the seriousness of the offense, and an employee's entire work history in reaching disciplinary decisions; expands offenses and/or deficiencies to encompass commonly occurring conduct; adds clarity for the Department's members of their expectations while adding structure to the Disciplinary Authority's responsibility; and limits suspension duration to ensure appropriate balance between behavior modification and financial hardship on the member.  
 SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:  
 The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.  
 The Agency has determined that the proposed rule is not expected to require legislative ratification based on the

statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: upon review of the proposed changes to the rule, the Department has determined that the amendments will not exceed any one of the economic analysis criteria in a SERC as set forth in s. 120.541(2)(a), FS.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

THE FULL TEXT OF THE PROPOSED RULE IS:

33-208.003 Range of Disciplinary Actions.

Violations of the foregoing Rules of Conduct as well as other departmental and institutional policies will result in disciplinary actions, which may be by ~~oral reprimand~~, written reprimand, suspension, ~~reduction in pay~~, demotion or dismissal.

Any employee who feels that unjust disciplinary action ~~such as an oral or written reprimand~~ has been given has the right to submit a grievance as established by the grievance procedures of the Department of Corrections. For disciplinary actions involving, suspension, ~~reduction in pay~~, demotion, or dismissal, permanent Career Service employees have the right to appeal to the Public Employees Relations Commission. Violation of more than one rule shall be considered in the application of discipline and may result in greater discipline than specified for one offense alone. Any questions regarding these rules and personnel procedures should be referred to the employee's circuit administrator, warden or personnel officer ~~Personnel Officer~~.

The preceding section titled Rules of Conduct and the following list of offenses and work deficiencies with their ranges of disciplinary actions will be used by this Department in administering an effective disciplinary program. The severity of penalties may vary depending upon the frequency and nature of a particular offense and the circumstances surrounding each case. While the following guidelines are not a substitute for impartial supervision and effective management, and do not set absolute minimum and maximum

penalties, it is expected that all Disciplinary Authorities will consider them, the seriousness of the offense, and an employee's entire work history in reaching disciplinary decisions.

~~THE SEVERITY OF PENALTIES MAY VARY DEPENDING UPON THE FREQUENCY AND NATURE OF A PARTICULAR OFFENSE AND THE CIRCUMSTANCES SURROUNDING EACH CASE. WHILE THE FOLLOWING GUIDELINES ARE NOT A SUBSTITUTE FOR IMPARTIAL SUPERVISION AND EFFECTIVE MANAGEMENT, AND DO NOT SET ABSOLUTE MINIMUM AND MAXIMUM PENALTIES, IT IS EXPECTED THAT ALL SUPERVISORS WILL CONSIDER THEM IN REACHING DISCIPLINARY DECISIONS.~~

Suspensions shall not exceed eighty work hours.

RULE NO: RULE TITLE:

62-814.520 Compliance

62-814.900 Form and Instructions

PURPOSE AND EFFECT: The purpose of the proposed rule amendments (OGC 15-0101) is to amend Rule 62-814.520, F.A.C., and repeal Rule 62-814.900, F.A.C., related to Electric and Magnetic Fields, to eliminate, including all references to, DEP Form 62-814.900, and to amend language to allow for compliance reporting flexibility.

SUMMARY: These revisions will allow for the submission of a report that demonstrates compliance with the standards set forth in Chapter 62-814, F.A.C., instead of requiring the submittal of a DEP Form. The Department proposes to revise Rules 62-814.520 and 62-814.900, F.A.C., Compliance and Form and Instructions. The revisions will repeal Rule 62-

814.900, F.A.C., and amend Rule 62-814.520, F.A.C., which references the form.

OTHER RULES INCORPORATING THIS RULE: There are no other rules which incorporate these rules.

EFFECT ON THOSE OTHER RULES: There will be no effect on other rules.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: the amendments to these rules merely repeal a standardized reporting form and instead provides regulated entities the flexibility in the method of reporting compliance with the standards in Rule 62-814.450, F.A.C. Providing this flexibility will not result in an adverse impact to small businesses or increase regulatory costs.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE NO.: RULE TITLE:

64B3-10.005 Scope of Practice Relative to Specialty of Licensure

PURPOSE AND EFFECT: The Board proposes the rule amendment to clarify the scope of practice relative to specialty of licensure.

SUMMARY: The scope of practice relative to specialty of licensure will be clarified.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

**Notice of Petitions and Dispositions  
Regarding Declaratory Statements**

**DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES**

Division of Licensing

NOTICE IS HEREBY GIVEN that the Department of Agriculture and Consumer Services, Division of Licensing has declined to rule on the petition for declaratory statement filed by Alberto E. Lugo-Janer, Esquire on October 6, 2015. The following is a summary of the agency's declination of the petition:

Notice of the Petition for Declaratory Statement was published on October 12, 2015, in the Florida Administrative Register in Vol. 31, No. 198, Page 4759. The petition seeks a declaration from the Department as to whether Section 493.6102(6), Florida Statutes, exempts the petitioner from obtaining a Class

G Statewide Firearms License in accordance with Section 493.6115, Florida Statutes, while performing work as an attorney. The Department declined to respond to the petition because it failed to meet the requirements for a declaratory statement: it contained no particular facts that the petitioner faces, nor does it present a controversy that requires resolution. Rather, the petition construes Section 493.6105(6), Florida Statutes, as exempting Petitioner and other attorneys from firearm licensure under Chapter 493, and then asks the Department whether it agrees with his interpretation.

A copy of the Order Declining of the Petition for Declaratory Statement may be obtained by contacting: John Roberts, Government Analyst I, by mail at Department of Agriculture and Consumer Services, Division of Licensing, P.O. Box 5708, Tallahassee, Florida 32314, (850)245-5441, John.Roberts@FreshFromFlorida.com.

NOTICE IS HEREBY GIVEN that the Office of Early Learning has issued an order disposing of the petition for declaratory statement filed by Eric B. Epstein, Esq. on behalf of Scholar Tots, Inc. d/b/a Children's Learning Academy on September 25, 2015. The following is a summary of the agency's disposition of the petition:

The Notice of Petition for Declaratory Statement was published in Volume 41, No. 191 of the October 1, 2015 Florida Administrative Register. The Petitioner sought a declaratory statement from the Office as to whether the pre- and post-assessment through Teaching Strategies Gold, as adopted in Rule 6A-1.09433, F.A.C. and administered according to Rule 6M-8.620, F.A.C. must be administered as an ongoing monitoring tool or is required to be performed during the AP1 and AP3 time frame similar to the complimentary assessment entitled the VPK Assessment. On December 21, 2015, the Office issued a Final Order addressing the Petition responding that the provider may implement the Teaching Strategies Gold as an ongoing monitoring tool but is not required to do so. Provider must implement the Teaching Strategies Gold pre- and post-assessments during the established AP1 and AP3 time frames. If the provider is a Provider on Probation that has chosen to implement the DOE-Approved Staff Development Plan, then the provider must also conduct the assessment under the AP2 time frame.

### DEPARTMENT OF CHILDREN AND FAMILIES

Statement of Reasons for Not Initiating Rulemaking Pursuant  
 to Section 120.54(7)(c) , Florida Statutes

The Department hereby provides notice pursuant to Section  
 120.54(7)(c), Florida Statutes, that it will not be initiating  
 rulemaking to adopt the following documents as rules: 1) the  
 Department of Children and Families Statewide Auxiliary  
 Aids and Service Plan for Persons with Disabilities & Persons  
 with Limited English Proficiency; 2) the Department of  
 Children and Families Operating Procedure American With  
 Disabilities Act (ADA) Accommodation Procedures for  
 Applicants/Employees/General Public, CFOP 60-10, Chapters  
 1 and 3; and 3) the Department of Children and Families  
 Operating Procedure Methods of Administration: Equal  
 Opportunity in Service Delivery, CFOP 60-16.

Per notices duly posted in the Florida Administrative Register,  
 public hearings were held in Tallahassee, Florida, on  
 November 23 and December 9, 2015, pursuant to Section  
 120.54(7)(b), Florida Statutes, at which time oral presentations  
 and written materials were received from persons in  
 attendance and additional written materials were received after  
 the conclusion of the hearings. The oral and written  
 presentations urged that the Department commence  
 rulemaking to adopt the above documents as rules, citing the  
 Department’s obligation to adopt rules and the need for public

access to information regarding auxiliary aids and services for persons with disabilities and limited English proficiency.

Considering the public's oral and written comments, based on the scope and application of the three documents, it is determined that the public interest is served adequately by the application of these documents on a case-by-case basis, as contrasted with their adoption by the rulemaking procedures or requirements set forth in Chapter 120, Florida Statutes. The reasoning of the October 28, 2015, Order Concerning Petition to Initiate Rulemaking, Case No. 15-052CF, Rendition No. DCF-15-176-FO is adopted and incorporated herein. Additionally, the rulemaking requirements of Section 414.45, Florida Statutes, have been fulfilled by the incorporation of the ACCESS Florida Application, CF-ES 2337, 11/2011, and the ACCESS Florida Web Application, CF-ES 2353, 09/2011, into subsection 65A-1.205(1), Florida Administrative Code. Each of these forms (and the rule through incorporation) protect the public from discrimination by prohibiting exclusion or denial of benefits on the basis of color, religion, national origin, sex, age, or disability and provide instructions on filing a complaint of discrimination with the Department. These forms also include a similar prohibition in discrimination regarding federal programs and provide instructions on filing a complaint of discrimination with USDA and HHS.
