(3) Format of Petition.

(a) 1. Except for presidential and vice presidential candidates, the format of a candidate petition shall be in accordance with Form DS-DE 104 (effective 09/11), entitled "Candidate Petition" (<http://www.flrules.org/Gateway/reference.asp?No=Ref-00623>).

3. Forms DS-DE 18A, 18B and 104 are hereby incorporated by reference and are available from the Division of Elections, Room 316, R. A. Gray Building, 500 South Bronough Street, Tallahassee, Florida 32399-0250, (850) 245-6240, or by download from the Division of Elections’ rules webpage or forms webpage at: <http://elections.myflorida.com>.

(b) Forms DS-DE 18A, 18B, and 104 must be reproduced for use by candidates in their exact wording and formats without any changes in their text or formats, except the forms may be reduced or enlarged proportionally in size as a whole document. Also, candidates may use color highlights, circles, X’s, arrows, or similar markings that draw attention to items on the form, as well as using cross-outs, line-throughs, or similar markings on items on the form that are not applicable to their candidacy. The forms may not be less than 3 inches by 5 inches and no larger than 8 1/2 inches by 11 inches. Each form must be submitted for verification as a separate card or individual sheet of paper. Candidates may have the forms translated into a minority language if the format of the forms and their blank entries remain the same. If a translated version is made, the forms may be made into a two-sided form with one side in English and the other side in a minority language; however, a voter shall complete only one side of the form. If both sides should be completed, the supervisor of elections to whom the form is submitted shall verify only the signature on the English side of the form.

(c) Except for the signature of the voter and date the voter signs the form, the entries on Forms DS-DE 18A, 18B and 104 may be completed prior to the voter signing and dating the form.

(d) A separate petition form is required for each candidate.

(e) The petition form may be included within a larger advertisement, provided the form is clearly defined by a solid or broken border. If included within a larger advertisement, the petition form may have information from the advertisement on the reverse of the petition form; otherwise, when used as a standalone petition form, it may only have a translation into a minority language on its reverse.

(f) The candidate’s name on the petition form may be either a variation of the candidate’s legal name or the name that the candidate places on the candidate oath in Section 99.021, F.S.

(4) Submission of Petition.

(a) Each Form DS-DE 104 must be submitted before noon of the 28th day preceding the first day of the qualifying period for the office sought to the supervisor of elections of the county in which the signee is registered to vote.

(b) Each Form DS-DE 18A or Form DS-DE 18B must be submitted no later than July 15 of each presidential election year to the supervisor of elections of the county in which the signee is a registered to vote voter.

(c) It is the responsibility of the candidate or minor political party, as applicable, to ensure that the signed petition form is properly filed with, or if misfiled, forwarded to the supervisor of elections of the county in which the signee is a registered to vote voter. If the supervisor of elections determines that the signer of the petition is not a registered voter in his or her county, the supervisor of elections shall notify the candidate or minor political party, as applicable, that the petition has been misfiled. In the case of a misfiled petition, the filing date of the petition is the date such petition is filed with the proper county.

(d) A voter has no authority to revoke his or her signature on a petition after the petition is submitted to the supervisor of elections or other applicable filing officer.

(5) Verification of Signatures.

(a) Upon receipt of candidate petition forms and payment of applicable signature verification fees, the supervisor of elections shall verify the signatures on each petition form to ensure that each person signing the petition form is a registered voter in the county, district, or other geographical area represented by the office sought, unless otherwise specified in Sections 99.095 and 99.09651, F.S.

(b) Except for special district candidates who have not collected contributions and whose only expense is the signature verification fee and federal candidates, the supervisor of elections shall also verify that the date the voter signed the petition form is on or after the date the candidate filed the appointment of campaign treasurer and designation of campaign depository pursuant to Section 106.021, F.S., with the appropriate filing officer.

(c) If the candidate is running for an office that requires a group or district designation, the petition must indicate that designation and, if it does not, the signatures are not valid, unless otherwise specified in Sections 99.095 and 99.09651, F.S.

(d) No signature on a candidate petition form shall be counted toward the number of signatures required unless it is on the candidate petition form prescribed by the Division in this rule.

(e) A signature on a candidate petition form shall not be counted toward the number of signatures required if the voter has previously signed a candidate petition form for the same candidate for the same office in the same election that had been verified as valid.

(f) In addition to the above requirements, the supervisor of elections shall not verify as valid a signature on a candidate petition form unless all of the following information is contained on the petition form:

1. The voter's name;
2. The voter's address (including city and county);
3. The voter's complete voter registration number or date of birth (to include the month, day, and year) that matches the date of birth on the voter's registration application;
4. The voter's original, ink signature; and
5. The date the voter signed the petition (to include the month, day, and year) as recorded by the voter.

(g) If all other requirements for the petition are met, a signature on a petition shall be verified and counted as valid for a registered voter if, after comparing the signature on the petition and the signature of the registered voter in the voter registration system, the supervisor is able to determine that the petition signer is the same as the registered voter, even if the name on the petition is not in substantially the same form as in the voter registration system.

(h) If a voter signs a petition and lists an address other than the legal residence where the voter is registered, the supervisor shall treat the signature as if the voter had listed the address where the voter is registered.

(i) The following represents a nonexclusive listing of examples based upon the requirements in this rule that will make the candidate petition invalid:

1. The petition is signed and dated before the candidate has filed the appointment of campaign treasurer and designation of campaign depository pursuant to Section 106.021, F.S., unless the candidate is a special district candidate who has not collected contributions and whose only expense is the signature verification fee or the candidate is a candidate for federal office.

2. The petition has a different party affiliation or office being sought by the candidate than that listed by the candidate on the current form the candidate has on file for the appointment of campaign treasurer and designation of campaign depository pursuant to Section 106.021, F.S.

3. The petition fails to list a group, seat, or district designation, except when otherwise provided by law.

4. The petition indicates conflicting or incorrect information regarding the candidate's status as a nonpartisan, no party affiliated, or party affiliated candidate the candidate is running for a non-partisan office or the petition indicates the candidate is running as a no party affiliated candidate and the petition lists the candidate's political party. Conflicting information on DS-DE 104 is not deemed to have occurred if the boxes for "Nonpartisan" and "No party affiliation" are X'ed out along with the words "Nonpartisan" and "No party affiliation" being X'ed out and an "X" or similar marking also appears in the box preceding the " Party" entry on the form when the petitions lists the name of the party; in this situation, the petition is to be considered as a candidate petition for the named party.

5. The petition is signed by a voter who is not a registered voter in the county, district, or other geographical area represented by the office sought, unless otherwise specified in Sections 99.095 and 99.09651, F.S., at both the time of signing and verification of the petition.

6. The petition is dated after the date the petition is submitted to the supervisor of elections.

7. The petition fails to contain the original signature of the voter. (Photocopied, scanned, electronic, or facsimile signatures are not original for purposes of this rule.)

8. The petition is in a different format than the applicable candidate petition form incorporated by reference in this rule.

9. The petition was circulated for a different election than the election for which the candidate is seeking to qualify, unless the candidate seeks to qualify in an intervening special election for the identical office for which the candidate was originally seeking to qualify. (If the candidate does not seek to qualify for the intervening special election, the candidate may continue to use his or her petitions to qualify in the subsequent general election for the office being sought.)

- ~~10. The petition has more than one box checked indicating the type of candidate, i.e., nonpartisan, no party affiliation, or party candidate.~~

DATE PROPOSED RULE APPROVED BY AGENCY HEAD: May 13, 2015  
DATE NOTICE OF PROPOSED RULE DEVELOPMENT PUBLISHED IN FAR: January 22, 2015

**DEPARTMENT OF FINANCIAL SERVICES**

**Division of Worker's Compensation**

RULE NOS.:      RULE TITLES:  
69L-6.015       Record Maintenance and Production Requirements for Employers  
69L-6.025       Conditional Release of Stop-Work Order and Periodic Payment Agreement

PURPOSE AND EFFECT: The proposed rules are amended to conform to applicable provisions of Section 440.107, F.S., as revised under Chapter No. 2014-109, Laws of Florida. Under proposed Rule 69L-6.015, F.A.C., the business record retention period required for employers subject to Florida's workers' compensation law is reduced to two, rather than the three preceding, years of employment activity required under the previous law. Proposed Rule 69L-6.025, F.A.C.,

authorizes the Department to issue an Agreed Order of Conditional Release from Stop-Work Order to an employer who has secured appropriate coverage, if the employer makes a minimum initial down payment to the Department of \$1,000 toward an assessed penalty and agrees to remit the remainder of the penalty in full or to make periodic payments in accord with the agreed payment schedule. The proposed rule also includes new language to provide that an employer's failure to comply with the terms and conditions of the Agreed Order of Conditional Release from Stop-Work Order will result in the issuance by the Department of an Order Reinstating Stop-Work Order. Such orders will only be rescinded upon an employer's payment of the entire balance of the unpaid penalty or, in the alternative, upon the employer's entering into a Payment Agreement Schedule for Periodic Payment of Penalty with the Department prior to the expiration of twenty-one days from the Department's issuance of an Order Reinstating Stop-Work Order. The proposed rule also adopts new Form DFS-F4-1600-B (Payment Agreement Schedule for Periodic Payment of Penalty for Order of Penalty Assessment), revises existing forms, and provides for the electronic payment of penalties. Proposed Rule 69L-6.025, F.A.C., has been renumbered to reflect the proposed changes and also includes certain technical changes.

**SUMMARY:** Proposed Rule 69L-6.015, F.A.C., reduces the business record retention period requirements for employers under Florida's Workers' Compensation law to a period consisting of an employer's two, rather than three, years of employment activity. Proposed Rule 69L-6.025, F.A.C., modifies the terms and conditions under which the Department's Division of Workers' Compensation is authorized to issue an Agreed Order of Conditional Release from Stop-Work Order to employers who violate Chapter 440, F.S., as well as the circumstances under which such orders will be reinstated and rescinded. The proposed rule also incorporates a new form, and revises existing forms.

**SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:** The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The Department has performed an economic analysis on each of the proposed rules and determined that neither rule will impose costs exceeding the economic analysis criteria set forth in paragraphs 120.541(1)(b) or (2)(a), F.S.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

**IF REQUESTED WITHIN 21 DAYS OF THE DATE OF THIS NOTICE, A HEARING WILL BE HELD AT THE DATE, TIME AND PLACE SHOWN BELOW (IF NOT REQUESTED, THIS HEARING WILL NOT BE HELD):**
