**Section II
Proposed Rules**

DEPARTMENT OF EDUCATION

Florida’s Office of Early Learning

RULE NO.:	RULE TITLE:
6M-4.620	Health and Safety Checklists

PURPOSE AND EFFECT: The purpose of the proposed rule revision is to standardize health and safety standards and inspections for all School Readiness Program providers pursuant to statutory and federal mandate.

SUMMARY: The revised rule establishes health, safety, and training standards for all providers of the School Readiness Program and the process for inspection of compliance with these standards pursuant to statutory and federal mandate.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: The Agency has determined that this will have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: : Based on the SERC analysis and cost estimate developed for Rule 6M-4.620, F.A.C., anticipated costs associated with adoption of the revised health and safety checklists and the training requirements outlined within were estimated to be \$467,775 during the rule’s first year of implementation, and then \$52,950 annually during the years after, for an overall impact of \$679,575 during the rule’s first five years of implementation. Additionally, based on the SERC analysis, the office has concluded that there are no anticipated costs associated with the established group size and active credential requirements outlined within the proposed rule.

The office relied upon the SERC to determine whether legislative ratification would be required.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 1001.213(2), 1002.82(2)(i),(t)-(w), FS.

LAW IMPLEMENTED: 1002.82(2)(i),(t)-(w) and 1002.88(1)(c), FS.

THE FULL TEXT OF THE PROPOSED RULE IS:

Substantial rewording of Rule 6M-4.620 follows. See Florida Administrative Code for present text.

6M-4.620 Health and Safety Checklists and Inspections.

(1) Inspections.

(a) All school readiness providers must address basic health and safety of their program(s) and facilities, and shall allow the Department of Children and Families or local licensing agency, whichever is applicable, the ability to inspect all program premises, including access to facilities, personnel and records, to monitor and verify compliance with school readiness health, safety, and training standards, pursuant to sections 402.311(2) and 1002.82(2)(i), F.S.

(b) Prior to participation in the school readiness program, and annually thereafter, each school readiness program facility shall be inspected for compliance with the requirements of section 1002.88, F.S., and minimum standards contained within the provider-type specific health and safety checklist and corresponding handbook adopted under this rule. Annual inspections shall take place within three (3) months before or after the renewal of a school readiness contract. The process for such inspections can be found in each of the corresponding handbooks for the provider-type specific checklists adopted under this rule.

(c) Within seven (7) days of receipt, each school readiness provider that is a registered family day care home or is not subject to licensure or registration by the Department of Children and Families must post the results of their most recent health and safety checklist inspection, as verified by the

Department or local licensing agency (as applicable), in a conspicuous location easily accessible to parents. Providers must also submit a copy of the results of the health and safety checklist inspection to their local early learning coalition. The results of the health and safety checklist inspection may be submitted to the coalition electronically.

(2) Checklist(s) and Handbook(s).

(a) Licensed child care providers, faith-based child care providers (religious-exempt), and all other child care facilities who are contracted pursuant to Rule 6M-4.610 to provide school readiness services must comply with the standards outlined in Form OEL-SR-6201 (August 2016) entitled “School Readiness Program Health and Safety Checklist for Licensed, License-Exempt, and School-Age Center-based Programs” and the corresponding Form OEL-SR-6202 (August 2016) entitled “School Readiness Program Health and Safety Standards Handbook for Licensed, License-Exempt, and School-Age Center-based Programs.” each incorporated by reference.

(b) Public and non-public schools who are contracted pursuant to Rule 6M-4.610 to provide school readiness services must comply with the standards outlined in Form OEL-SR-6203 (August 2016) entitled “School Readiness Program Health and Safety Checklist for Public and Non-public School Programs” and the corresponding Form OEL-SR-6204 (August 2016) entitled “School Readiness Program Health and Safety Standards Handbook For Public and Non-public School Programs.” each incorporated by reference.

(c) Informal child care providers, Large Family Child Care Homes, and Family Day Care Homes, whether licensed or registered, who are contracted pursuant to Rule 6M-4.610 to provide school readiness services must comply with the standards outlined in Form OEL-SR-6205 (August 2016) entitled “School Readiness Program Health and Safety Checklist for Family Child Care Homes and Informal Providers” and the corresponding Form OEL-SR-6206 (August 2016) entitled “School Readiness Program Health and Safety Standards Handbook for Family Child Care Homes and Informal Providers.” each incorporated by reference.

(d) Form OEL-SR-6207 (August 2016), entitled “In-Service Training Record,” and Form OEL-SR-6208 (August 2016), entitled “Child Abuse and Neglect Reporting Requirements,” are each incorporated by reference.

(e) Each form listed in the above paragraphs is available on the Office of Early Learning website at www.floridaearlylearning.com or by contacting the Office of Early Learning, Department of Education, 250 Marriott Drive, Tallahassee, Florida. The incorporated forms are also available at: [FAR link placeholder].

(3) Enforcement. Any issue of noncompliance with the standards outlined in the provider-type specific health and

safety checklist(s) or corresponding handbook(s), as identified by the Department of Children and Families or local licensing agency (as applicable), will be forwarded to the appropriate early learning coalition for corrective action in accordance with enforcement procedures outlined in the corresponding provider-type specific handbook and the Statewide Provider Contract for the School Readiness Program adopted pursuant to Rule 6M-4.610.

(4) Compliance.

(a) All school readiness program providers and personnel must be in compliance with the active credential requirements outlined for group size no later than 24 months from the date of enactment of this rule.

(b) All school readiness program providers must be in compliance with all other health and safety, training, and inspection requirements of this rule no later than March 31, 2017.

DEPARTMENT OF LAW ENFORCEMENT
Criminal Justice Standards and Training Commission
RULE NO.: RULE TITLE:
11B-35.0021 Courses and Requirements for Basic Recruit Training, Advanced, Specialized and Instructor Training Requiring Proficiency Demonstration

NOTICE IS HEREBY GIVEN that on June 9, 2016, the Criminal Justice Standards and Training Commission received a petition for a permanent Waiver of paragraph 11B-35.0021(8)(e), F.A.C., by Director Sandy Hotwagner, Suncoast Technical College Criminal Justice Academy, on behalf of Christopher O'Donnell. Petitioner wishes to waive that portion of the rule that states: For instruction of the Speed Measurement Course or the Speed Measurement Instructor Course, there shall be one Commission-certified Speed Measurement Instructor for each class. Speed Measurement Device Operators are authorized to instruct the practical exercises in the Speed Measurement Course or the Speed Measurement Instructor Course under the supervision of a certified Speed Measurement Instructor. A copy of the Instructor Exemption form CJSTC-82 shall be maintained in the course file. Petitioner states that on the dates July 28 – August 1, 2014, Christopher O'Donnell was the lead instructor for a Speed Measurement training course. Petitioner states that Christopher O'Donnell completed his internship on July 28, 2014, supervised by certified Speed Measurement Instructor Robert Brongel that was documented on a CJSTC – 81 form. In addition, Mr. O'Donnell signed his Instructor Certification Application (CJSTC – 71 form) in order to apply for Speed Measurement Instructor Certification. Petitioner states that the former training center director did not formally apply for Mr. O'Donnell's Speed Measurement Instructor certification until August 20, 2014 which is the date that his instructor certificate was activated in ATMS.4. Petitioner states that should this waiver not be granted, all twenty-one students taught under Christopher O'Donnell's instruction would be forced to return and repeat the Speed Measurement course. All agencies represented by these twenty-one students would need to be contacted as well as the Clerk of Courts. Any traffic citations issued on or after August 1, 2014 to the present time would need to be reviewed for dismissal and reimbursements. Petitioner states it would cause an undue hardship on the twenty-one students who would be required to return to Suncoast Technical College and take the Speed Measurement course again.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Linton B. Eason, Assistant General Counsel, Florida Department of Law Enforcement, P.O. Box 1489, Tallahassee, FL 32302 or by telephone at (850)410-7676.

DEPARTMENT OF ENVIRONMENTAL PROTECTION
RULE NO.: RULE TITLE:
62-610.475 Edible Crops
The Department of Environmental Protection hereby gives notice that on June 23, 2016, the Department of Environmental Protection entered a final order granting the

City of Pompano Beach’s Petition for Variance (OGC Case No. 15-1690) from the requirements of subsection 62-610.475(4), F.A.C., which prohibits the use of an application method that allows for direct contact of reclaimed water on edible crops that will not to be cooked, peeled or thermally processed before consumption. The Petition for Variance (Petition) was received on December 23, 2015. Notice of receipt of this Petition was published in the Florida Administrative Register on January 19, 2016, Vol. 42, No. 11. No public comment was received. Petitioner sought the variance in order to avoid substantial economic hardship. Without the requested variance, the Petitioner would be required to continue to incur substantial costs to provide potable water for residential irrigation. The final order found that this economic hardship was unnecessary because the Petitioner could use reclaimed water to meet the demand for residential irrigation.

A copy of the Order or additional information may be obtained by contacting: Mike Bechtold, Department of Environmental Protection, MS 7210-1, 3301 Gun Club Road, West Palm Beach, Florida 33406, 1(561)681-6600, Mike.Bechtold@dep.state.fl.us during normal business hours, 8:00 a.m. – 5:00 p.m., Monday through Friday, except legal holidays.

DEPARTMENT OF EDUCATION

University of Florida

NOTICE TO PROFESSIONAL CONSULTANTS: UF-619,
 IBC and ILHC Renovation

NOTICE TO PROFESSIONAL CONSULTANTS:

The University of Florida Board of Trustees announces that Professional Services in the discipline of architecture will be required for the project listed below:

Project: UF-619, IBC & ILHC Renovation (University of Florida)

The project consists of a new facility for the Institute of Black Culture and the Institute of Latin and Hispanic Culture with approximately 12,000 GSF. The new facility will include assembly, office, recreational and other support spaces. ADA restrooms and an elevator will also be included.

The estimated construction budget is approximately \$3,800,000.00, including site improvements, underground utilities, tree mitigation, telecommunications, furniture, equipment, and artwork. The project will be delivered using the Construction Manager At-Risk method. GOLD LEED (Leadership in Energy and Environmental Design) certification by the U.S. Green Building Council is mandatory. The selected firm will provide design, construction documents and construction administration services for the referenced project. Plans and specifications for University of Florida projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes.

Blanket design professional liability insurance will be required from the architect, mechanical, electrical, plumbing, fire protection, structural, and civil engineering consultants for this project and will be provided as a part of Basic Services. The selected applicant will also be required to provide insurance coverage for General Liability, Automotive Liability, and Workers' Compensation.

Applicants will be evaluated on the basis of their past performance, experience, personnel, design ability, references, workload, and responses to questions posed both in the shortlist and interview phases. The Selection Committee may reject all proposals and stop the selection process at any time.

At the time of application, the applicant and its landscape architectural and engineering consultants must possess current design licenses from the appropriate governing board and be properly registered to practice its profession in the State of Florida. If the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida.

Applicants desiring to provide professional services for the project shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet, and other background information. The proposal shall be prepared as specified in the PQS Instructions and shall include:

1. A Letter of Application that concisely illustrates the applicant's understanding of the scope of services, design intent, schedule, and other goals and considerations as outlined in the Project Fact Sheet and facilities program.
2. A completed, project-specific "Professional Qualifications Supplement" (PQS) proposal with signed certification. Applications on any other form will not be considered.
3. Resumes, LEED accreditation, and other pertinent credentials for all proposed staff (applicant and consultants).
4. Proof of the applicant's corporate status in Florida (if applicable) and copies of current licenses for applicant firm and all engineering and landscape architecture consultants (firms) from the appropriate governing board.

5. Proof of the applicant’s and all engineering consultants’ ability to be insured for the level of professional liability coverage demanded for this project.

As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected professional must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Incomplete proposals will be disqualified. Submittal materials will not be returned.

Additional information to assist the applicant in preparing a complete proposal – including the project-specific PQS forms, instructions, Project Fact Sheet, facilities program, UF Design and Commissioning Services Guide, UF Design and Construction Standards, standard University of Florida Owner-Professional agreement, and other project and process information – can be found on the Planning Design & Construction website.

Finalists may be provided with supplemental interview requirements and criteria as needed.

Provide the number of copies prescribed in the Project Fact Sheet. Submittals must be received in the Planning Design & Construction office by 3:00 PM local time, on Tuesday, August 9th, 2016. Facsimile (FAX) submittals are not acceptable and will not be considered.
