Reimbursement Manual for Hospitals

PURPOSE AND EFFECT: The proposed rule incorporates the 2016 Edition of the Florida Workers' Compensation Reimbursement Manual for Hospitals (Manual), as approved by the Three-Member Panel during a scheduled meeting held on April 20, 2016, pursuant to paragraph 440.13(12)(a), F.S. The 2016 Edition of the Manual increases the per diem reimbursement rates for surgical and non-surgical hospital inpatient services and the threshold dollar amount triggering Stop-Loss reimbursement above reimbursement allowances specified in the 2014 Edition of the Manual, as adopted by the existing rule. The 2016 Edition of the Manual also provides an updated fee schedule for various categories of hospital outpatient services based on the Current Procedural Terminology (CPT) line level charge data, with an adjustment of the Maximum Reimbursement Allowance (MRA) based on the geographic location of the service provider.

SUMMARY: The proposed rule incorporates the 2016 Edition of the Florida Workers' Compensation Reimbursement Manual for Hospitals. The Manual provides for increases in per diem reimbursement rates for surgical and non-surgical hospital inpatient services, increases Stop-Loss reimbursement allowances, and incorporates an updated CPT-based fee schedule.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: The Agency has determined that this will have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has been prepared by the Agency.

The Agency has determined that the proposed rule is expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The Department's preliminary SERC utilizes an economic analysis prepared by the National Council on Compensation Insurance, Inc., that indicates the proposed rule will result in an estimated economic impact of +2.2% (+\$80M) on overall workers' compensation system costs in Florida.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE NO.: **RULE TITLE:**

61C-4.010 Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On September 20, 2016, the Division of Hotels and Restaurants received a Petition for an Emergency Variance for subsection 61C-4.010(7), Florida Administrative Code, and subsection 61C-4.010(6), Florida Administrative Code, from Grab and Go Home Cooking LLC located in Tallahassee. The above referenced F.A.C. addresses the requirement that at least one accessible bathroom be provided for use by customers. They are requesting to share the bathrooms located within a nearby establishment under a different ownership for use by customers only.

The Petition for this variance was published in Vol. 42, No. 185, F.A.R., on September 22, 2016. The Order for this Petition was signed and approved on date 09/29/2016. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the bathrooms located within Texaco at 4015 Fred George Road, Tallahassee FL, 32303, are maintained in a clean and sanitary manner and are provided with cold running water under pressure, soap, approved hand drying devices, and are available during all hours of operation. The Petitioner shall also ensure directional signage is installed within or outside the establishment clearly stating the location of the bathrooms. If the ownership of Grab and Go Home Cooking (Grab and Go Home Cooking, LLC) and/or Texaco (Gas Consultants of Florida, LLC) changes, an updated signed agreement for use of the bathroom facilities will be required immediately.
