Section II
Proposed Rules

DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES
Division of Animal Industry
RULE NO.: RULE TITLE:
5C-30.003 Penalties

PURPOSE AND EFFECT: The purpose is to specify penalties for violation of Chapters 5C-3, 5C-4, and 5C-31, F.A.C. The effect is to clarify and strengthen the penalties for rule violations.

SUMMARY: The proposed changes standardize the fine matrix for violations. It also updates violations for new rules recently enacted and clarifies violations for existing rules.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of $200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Department’s economic analysis of the adverse impact or potential regulatory costs of the proposed rule did not exceed any of the criteria established in Section 120.541(2)(a), Florida Statutes. As part of this analysis, the Department relied upon historical numbers of fine amounts levied in previous years. Due to the sporadic nature that violations occur and the tiered structure in which fines are assessed, the cost would not exceed $200,000 in the aggregate within one year after the implementation. Additionally, no interested party submitted additional information regarding the economic impact.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 570.07(23), 585.002(4), 585.08(2)(a), FS.

LAW IMPLEMENTED: 570.07(15), 570.36(2), 585.003, 585.007(1), 585.08(2)(a), 585.145(1), 585.145(2), 585.16, 585.18, 585.19, 585.23, 585.40, FS.

IF REQUESTED WITHIN 21 DAYS OF THE DATE OF THIS NOTICE, A HEARING WILL BE SCHEDULED AND ANNOUNCED IN THE FAR.
THE PERSON TO BE CONTACTED REGARDING THE PROPOSED RULE IS: Dr. Michael A. Short, State Veterinarian, Director, Division of Animal Industry, Florida Department of Agriculture and Consumer Services, 407 South Calhoun Street, Tallahassee, Florida 32399-0800; (850)410-0900, Fax: (850)410-0929

RULE NO.: RULE TITLE:
64B8-31.003 Application for Licensure and Licensure Requirements for Anaesthesiologist Assistants

PURPOSE AND EFFECT: The proposed rule amendment incorporates the revised application form into the rule which deletes the question regarding the applicant’s place of birth; deletes the civil judgment question and adds the question pertaining to the statement from FDLE and privacy statement from the FBI.

SUMMARY: The proposed rule amendment incorporates the revised application form into the rule.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of $200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.
