(b) Items of necessary expense incurred by the ICF/MR provider in providing resident care shall be included as allowable costs in the ICF/MR’s cost report and shall not be charged to the recipient. These allowable costs are defined as items of expense that the provider is required to incur in furnishing intermediate care services or any expenses incurred in complying with state licensure or federal certification requirements.
   (c) The Medicaid payment includes, but is not limited to reimbursement for the following services:

(e) Paid Bed Reservation.
1. Payment to reserve a bed due to an absence from the ICF/MR shall be limited to necessary hospitalization, infirmary confinement or therapeutic leave days.
2. The day on which a resident begins a leave of absence is treated as a discharge day unless the ICF/MR provider is reserving the bed for the resident’s return.
3. Paid bed reservation limitations:
   a. The Medicaid program shall reimburse an ICF/MR provider for a resident’s care for up to a maximum of 15 days per any single hospital stay.
   (I) A single hospital stay shall begin each time the resident has been formally discharged from the hospital, administratively processed for transfer to the ICF/MR and formally readmitted to the hospital.
   (II) All instances of hospitalization shall be determined medically necessary by the resident’s attending physician. The bed reservation must be approved by Developmental Services for Medicaid payment to be made to the ICF/MR provider to reserve a bed. If the hospitalization is medically unnecessary, Medicaid payment for the absence shall be denied.
   (III) Reservation of a bed by the ICF/MR provider, and receipt of a Medicaid payment during the resident’s absence, requires that the ICF/MR provider shall make a bed available to the same resident should he return prior to, or at, the expiration of the 15-day hospitalization period. The provider shall advise the resident and responsible party of this policy prior to each hospitalization. In case of emergency hospitalization, the responsible party shall be notified of the bed reservation by the provider within 48 hours of the hospitalization.
   b. The Medicaid program shall reimburse an ICF/MR provider for a resident’s care for up to a maximum of 15 days per single infirmary stay, with an annual maximum of 30 days.
   (I) The general circumstances under which a resident might be temporarily placed in an infirmary shall be described in the resident’s plan of care. The plan shall state that in the event of an acute medical condition where round the clock observation would be in the best interest of the safety and welfare of the resident, the resident may be admitted to the infirmary by the resident’s attending physician.
   (II) An infirmary admission shall be limited to 15 consecutive days. At the end of the 15 days the resident shall be returned to the ICF/MR, or discharged from the ICF/MR if infirmary care remains necessary. Medicaid payment terminates upon the resident’s discharge from the ICF/MR. No resident shall be allowed more than 30 total infirmary days in any 12-month period.
   (III) When a resident is hospitalized directly from an infirmary stay, the 15-day limit shall begin on the first day of the infirmary stay and continue into the hospital stay. The resident shall not be entitled to an additional 15 days of hospitalization immediately following 15 days, or less, of infirmary care.
   c. The Medicaid program shall reimburse an ICF/MR provider for a resident’s absence due to therapeutic leave up to a maximum of 45 days per fiscal year. July 1 – June 30. A therapeutic leave day is defined as a temporary absence from the facility with the reason for the absence included as part of the resident’s habilitation plan.
   (I) The ICF/MR provider shall notify the district Developmental Services program office prior to the planned absence by a resident receiving developmental medical services in order to receive Medicaid payment for reservation of a bed. Absences shall not be approved when the resident’s programming or therapy will be seriously affected. The district utilization control team shall review the level of care needed by developmental medical residents approved for therapeutic leave days.
   (II) The ICF/MR provider shall notify the district Developmental Services program office prior to a planned absence that is to exceed 3 days by a resident receiving developmental residential, developmental institutional, or developmental nonambulatory services in order to receive Medicaid payment for reservation of a bed for any leave that is to exceed 3 days by a resident receiving developmental residential, developmental institutional or developmental nonambulatory services. One day is considered an overnight stay away from the facility. Three days means 3 nights, returning on the fourth day.
4. In order for a bed to be reserved in an ICF/MR, and paid for by Medicaid, because of a resident’s hospitalization or therapeutic leave, the following conditions shall be met:
   a. Notification. The provider shall forward completed HRS-MED Form 1013, Medicaid Recipient Status Notice, to the district Developmental Services program office prior to a resident’s planned absence from the facility. On weekends and holidays, and for unplanned absences such as emergency hospitalization, the HRS-MED Form 1013 shall be forwarded to the district Developmental Services program office on the first working day after the resident leaves the ICF/MR. The district Developmental Services program office shall forward a copy of the HRS-MED Form 1013 to the district Medicaid office with approval or denial of the reason for the absence.
based upon the provisions of the resident’s habilitation plan. Failure to comply with this requirement shall result in denial of Medicaid payment during the resident’s absence. Unreported or unapproved paid absences, or extensions of absences, shall be considered overpayments repayable to HRS.

b. Resident Return. The provider shall notify the district Developmental Services Program Office on completed HRS-MED Form 1013, of the date on which the resident returned to the ICF/MR following an absence. This notification shall be made on the day of return, or if a weekend or holiday, the first working day following the resident’s return.

5. There are situations in which individual ICF/MR residents may be in need of therapeutic leave away from the facility beyond the 45 days’ limitation. In such cases, an exception shall be granted by the HRS district administrator or designated representative.

6. In some situations, treatment staff from the ICF/MR accompany residents on therapeutic leave days and continue providing active treatment to the resident while living in an alternate setting. These situations shall not be included as part of the 45 days allowed for therapeutic leave.

(f) All ICF/MR providers enrolled in the Medicaid program must be in compliance with the provisions of the Medicaid Provider Handbook for Intermediate Care Facility for the Mentally Retarded Services, as updated December 1, 1992, which is incorporated by reference into this rule and available from the fiscal agent contractor.

8. Payment Methodology for Covered Services.

(a) Each Medicaid resident shall be allowed a personal needs allowance as provided by law. This allowance shall not be used to meet any part of the cost of care covered by the Medicaid payment to the ICF/MR provider.

(b) The Medicaid payment for each resident shall be calculated by deducting the resident’s responsibility from the Medicaid reimbursement rate established for the ICF/MR. The resident’s responsibility is determined by the HRS eligibility worker using criteria established by Chapter 10C 8, F.A.C.

(c) The exact amount of Medicaid payment shall be calculated by the provider and expressed in dollars and cents. Medicaid payment for a partial month’s care shall be made at the established daily rate for the number of days for which care was provided.

(d) Medicaid payment shall be made for the first day a resident receives care, the day of admission, but not for the last day of stay, the day of discharge. If admission and discharge, or death, occur on the same day, the day shall be considered an inpatient day and Medicaid payment shall be made.

(e) Payments to ICF/MR facilities by families and other parties interested in the Medicaid resident shall be applied to the cost of care, thus reducing the Medicaid payment. If the facility administrator and the contributor provide a statement to the effect that the contribution shall not be utilized by the ICF/MR to cover the care of a specific resident, the Medicaid payment shall not be adjusted.

1. Contributions made to an ICF/MR by a Medicaid resident’s family, or other party interested in the Medicaid resident, shall be reported by the provider to AHCA on the appropriate form, HRS-MED Form 1006, Jun 82, Nursing Home Contribution Notice, as filed in Rule 10-2.091, F.A.C.

2. The contribution notice shall be completed and submitted by the provider within 10 days after the receipt of the contribution, as required by Section 409.325(6), F.S.

3. The contribution notice shall be completed once during each HRS fiscal year unless the schedule, duration, or amount of the contribution changes, in which case it shall be completed with each change.

4. The requirement of a contribution from family or friends of a Medicaid applicant or recipient as a prerequisite, or condition, of admission or continued residence in an ICF/MR shall be a violation of this rule.

5. The provider shall be responsible for advising the contributor that Medicaid payment constitutes payment in full and that supplementation of the Medicaid payment shall be strictly prohibited.

(f) Payments made directly to a vendor for items not covered by the Medicaid program will not be applied to the cost of care and shall not affect the Medicaid payment.

(g) Reimbursement to participating ICFs/MR for services provided shall be in accordance with the provisions of Rule 50G-10.010, F.A.C.

(h) Reimbursement shall not be made to out-of-state facilities.

9. Authorized Signature. The signature of the provider or person empowered to act on his behalf shall be entered on submitted Medicaid claim forms. Authorized signatures shall be limited to the provider, his employees, and authorized billing agent. The provider shall be responsible for ensuring that the original or facsimile signature on the claim form is that of an authorized individual.

10. Payment Acceptance. Payment made by the Medicaid program for ICF/MR services shall be considered payment in full.

(a) The resident or responsible party shall not be billed in full or part for any service paid for under any service component of the Medicaid ICF/MR program except the resident’s share of the cost of ICF/MR services as calculated by DHRS staff.

(b) No person or entity, except a third party resource, shall be billed, in part or in full, for Medicaid covered services.
(c) No individual who has been determined Medicaid eligible or on whose behalf a Medicaid application has been filed shall be charged private rates for a specified period of time as a condition of admission to or continued stay in an ICF/MR.

(11) Single copies of HRS forms adopted by reference may be obtained without cost from the General Services office in each HRS district.

Final Order No.: DEO-16-020

NOTICE IS HEREBY GIVEN that the Florida Department of Economic Opportunity issued Final Order No. DEO-16-020 on February 12, 2016, in response to an application submitted by Coral Lake at Boca Raton Homeowner’s Association, Inc. for covenant revitalization under Chapter 720, Part III, Florida Statutes.

The Department determined that the application did not meet the statutory requirements for covenant revitalization because the submission was submitted fourteen days after the deadline for the submission, the proposed By Laws are more restrictive than the previously governing By Laws, and the submission did not contain the original Articles of Incorporation for the Association. Thus, the Proposed Revived Covenants were in violation of sections 720.405(4) and 720.406(1), Florida Statutes. Accordingly, the Department’s Final Order denied the application for covenant revitalization.

Copies of the final order may be obtained by writing to the Agency Clerk, Department of Economic Opportunity, 107 E. Madison Street, MSC 110, Tallahassee, Florida 32399-4128 or Katie.Zimmer@DEO.MyFlorida.com.
