PURPOSE AND EFFECT: Review and discussion of changes made in response to public comment from the previous rule workshop. Chapter 62-780, F.A.C. has not been substantially updated on a technical basis since adoption in 2005. In the intervening time, much has been learned with regard to applying Risk-Based Corrective Action (RBCA) principles to contaminated site management and closure. The department is reviewing and updating these rules given technical advancement since original rule adoption. In addition, a number of inconsistencies or incongruities have been uncovered within the rule chapter, and these will be corrected. Specific topics to be addressed include notice requirements for conditional closure, addressing additivity, evaluation of Incremental Sampling Methodology, and splitting the current rule 62-780.500 into two separate rules, one for emergency response actions and one for interim source removal.

The agenda and draft rule will be available at <http://www.dep.state.fl.us/waste/> by March 29th or by contacting the contact person listed below.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-4.010 Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On January 25, 2016, the Division of Hotels and Restaurants received a Petition for an Emergency Variance for subsection 61C-4.010(7), F.A.C., and subsection 61C-4.010(6), F.A.C., from Chef Jenny Lozano located in Clearwater. The above referenced F.A.C. addresses the requirement that at least one accessible bathroom be provided for use by customers. They are requesting to share the bathrooms located within a nearby establishment under a different ownership for use by customers only.

The Petition for this variance was published in Vol. 42, No. 22, F.A.R., on February 3, 2016. The Order for this Petition was signed and approved on February 8, 2016. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the bathrooms located within Moniques Tattooing & Body Piercing are maintained in a clean and sanitary manner and are provided with cold running water under pressure, soap, approved hand drying devices, and are available during all hours of operation. The Petitioner shall also ensure directional signage is installed within or outside the establishment clearly stating the location of the bathrooms. If the ownership of Chef Jenny Lozano (Chef Jenny Lozano, Inc.) or Moniques Tattooing & Body Piercing (Billy Mantilla) changes, an updated signed agreement for use of the bathroom facilities will be required immediately.

A copy of the Order or additional information may be obtained by contacting: Lydia.Gonzalez@myfloridalicense.com, Division of Hotels and Restaurants, 1940 North Monroe Street, Tallahassee, Florida 32399-1011.
