PURPOSE AND EFFECT: Currently, Rules 69N-121.007 and 121.010, Florida Administrative Code, prescribe the procedure by which the Office processes public records requests and the indexing of final orders, respectively. As the public records process is now mostly governed by statute and the indexing process for final orders has been revised by statutory amendment in 2015, these rules are now unnecessary.

RULE NO.: RULE TITLE:  
6M-4.630 Statewide Provider Contract Monitoring Tool for the School Readiness Program

The Office of Early Learning hereby gives notice: On May 7, 2016, the Office of Early Learning issued an Order granting the Association of Early Learning Coalitions, a waiver from Rule 6M-4.630, Florida Administrative Code. The petition for waiver was received by the Office of Early Learning on or about April 15, 2016. Notice of receipt was

published in the Florida Administrative Register, Volume 42, Number 77 on April 20, 2016. No public comment was received. The Order grants a waiver from subsection (2) of Rule 6M-4.630, F.A.C., which requires early learning coalitions to use Form OEL-SR-20M, Statewide School Readiness Provider Contracting Monitoring Tool. Within this form is a requirement for how multi-county coalitions are to calculate their sample size. The waiver will allow multi-county early learning coalitions to calculate the minimum size for Tier 2 monitoring of School Readiness program providers based upon the total number of contracted providers within their boundaries using the total number of contracted providers in each county with the sum of this sample being the overall number of providers to be monitored. The Office determined that the waiver will permit the multi-county early learning coalitions to satisfy the underlying statute by continuing an acceptance level of monitoring of providers especially with Petitioners assurance that the number of providers to be sampled from each county within the coalition will align with the percentage of providers the county represents to the total number of providers within the coalition. Further, the Office determined that the waiver will eliminate the disproportionate burden and financial hardship of multi-county coalitions that would otherwise occur should the coalition be required to calculate the sampling and perform the current requisite number of provider monitoring visits.

A copy of the Order or additional information may be obtained by contacting: Shonda Goldsmith, Agency Clerk, Office of Early Learning, 250 Marriott Drive, Tallahassee, FL 32399, email: Shonda.Goldsmith@OEL.MyFlorida.com.

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:  
61C-1.004 General Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On April 6, 2016, the Division of Hotels and Restaurants received a Petition for a Routine Variance for paragraph 61C-1.004(1)(a), Florida Administrative Code and Paragraph 5-202.11(A), 2009 FDA Food Code, Paragraph 4-301.12(A), 2009 FDA Food Code and subsection 61C-4.010(5), Florida Administrative Code, Subparagraph 3-305.11(A)(2), 2009 FDA Food Code, subsection 61C-4.010(1), Florida Administrative Code, from Montejo located in Miami. The above referenced F.A.C. addresses the requirement that each establishment have an approved plumbing system installed to transport potable water and wastewater; that dishwashing facilities for manually washing, rinsing and sanitizing

equipment and utensils are provided, and that each establishment have areas for food storage. They are requesting to utilize holding tanks to provide potable water and to collect wastewater at the handwash sink and to share the dishwashing and food storage areas with another food service establishment under the same ownership and on the same premises.

The Petition for this variance was published in Vol. 42, No. 73 on April 14, 2016. The Order for this Petition was signed and approved on April 28, 2016. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the wastewater holding tank for the handwash sink is emptied at a frequency as to not create a sanitary nuisance; and potable water provided must come from an approved source and be protected from contamination during handling. The Petitioner shall also ensure that all the handwash sinks are provided with hot and cold running water under pressure, soap, an approved hand drying device and a handwashing sign. The dishwashing and food storage areas within Commissary & Concession Kitchen (NOS2333240) must be maintained in a clean and sanitary manner. These areas must also be available to Montejo during all hours of operation. If the ownership of Commissary & Concession Kitchen and Montejo (Levy Premium Food Service LP) changes, a signed agreement between the two establishments for the use of the shared facilities must be provided to the division immediately. A copy of the Order or additional information may be obtained by contacting: Lydia.Gonzalez@myfloridalicense.com, Division of Hotels and Restaurants, 1940 North Monroe Street, Tallahassee, Florida 32399-1011.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Division of Pari-Mutuel Wagering

NOTICE IS HEREBY GIVEN that on March 18, 2016, the Division of Pari-Mutuel Wagering, Department of Business and Professional Regulation, has received the petition for

declaratory statement from Petitioner West Flagler Associates, LTD., in DBPR Case No. 2016016786 (DS 2016-020). The petition seeks the agency's opinion as to the applicability of Chapter 551, F.S., as it applies to the petitioner.

Petitioner seeks a determination as to whether section 23, art. 23, Fla. Const., and section 551.102(4), F.S., allow Petitioner to operate slot machines at its Facility were it to discontinue its greyhound operation and instead operate a full schedule of jai alai performances. Any person whose substantial interests may be affected by a declaratory statement on the subject matter of the Petition may file a motion to intervene within 21 days of the publication of this notice.

A copy of the Petition for Declaratory Statement may be obtained by contacting: Agency Clerk, Department of Business and Professional Regulation, 1940 North Monroe Street, Tallahassee, Florida 32399-2202 phone: (850)921-0342.

#### DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Construction Industry Licensing Board

NOTICE IS HEREBY GIVEN that the Construction Industry Licensing Board has issued an order disposing of the petition for declaratory statement filed by Mark Hickinbotham on September 21, 2015. The following is a summary of the agency's disposition of the petition:

The Notice of Petition for Declaratory Statement was published in Volume 41, No. 206, of the October 22, 2015, Florida Administrative Register. The Petitioner seeks a declaratory statement as to whether a biotrickling filter odor control unit is a pressure vessel, whether installation of pressure vessels on the jobsite as described in the petition can be performed with a class A or B HVAC contractor's license; whether installation of pressure vessels on the jobsite can be performed with a mechanical contractor's license, and whether a General Contractor must subcontract the assembling and installation of pressure vessels to a properly licensed Florida contractor. The Board's Order, filed on March 31, 2016, declines to issue a declaratory statement in this matter because the questions posed by Petitioner do not regard the applicability of statutory provisions, rules, or orders over which the agency has authority, as required by Rule 28-105-.001, Florida Administrative Code. The general questions posed by Petitioner are already answered in statute and do not require a declaratory statement as to applicability.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Daniel Biggins, Executive Director, Construction Industry Licensing Board, 1940 North Monroe Street, Tallahassee, FL 32399-0783, telephone: (850)487-1395 or by electronic mail - Amanda.Wynn@myfloridalicense.com.

Construction Industry Licensing Board

NOTICE IS HEREBY GIVEN that the Construction Industry Licensing Board has issued an order disposing of the petition for declaratory statement filed by Mark Hickinbotham on October 9, 2015. The following is a summary of the agency’s disposition of the petition:

The Notice of Petition for Declaratory Statement was published in Volume 41, No. 206, of the October 22, 2015, Florida Administrative Register. The Petitioner seeks a declaratory statement as to how the following apply to 489.105, 489.113(2) and (3), F.S., and 61G4-12.011 (14), Florida Administrative Code: whether the work to install the duct, tube or conduit for conveying air as described in the petition is considered ductwork, whether installing ductwork that is not part of an interior HVAC system as described in subsection 61G4-12.011(14), F.A.C., requires a licensed Florida contractor, whether the work to furnish and install ductwork on the jobsite as described in the petition can be performed with a class A or B HVAC contractor’s license, whether the work to furnish and install ductwork on the jobsite be performed with a mechanical contractor’s license, and whether a General Contractor must subcontract the ductwork. The Board’s Order, filed on March 31, 2016, declines to issue a declaratory statement in this matter because the petition does not relate to a particular set of circumstances, and because the questions posed are answered in statute.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Daniel Biggins, Executive Director, Construction Industry Licensing Board, 1940 North Monroe Street, Tallahassee, FL 32399-0783, telephone: (850)487-1395 or by electronic mail - Amanda.Wynn@myfloridalicense.com.

DEPARTMENT OF FINANCIAL SERVICES

Finance

NOTICE IS HEREBY GIVEN that the Office of Financial Regulation has issued an order disposing of the petition for declaratory statement filed by Lodestar Financial Group, LLC, on February 24, 2016. The following is a summary of the agency’s disposition of the petition:

The petition sought a declaratory statement from the Office on whether Petitioner’s proposed business activities (of conducting business in Florida by allowing its qualified Florida customers to have the ability to deposit payment instruments in the form of personal or corporate checks via a consumer mobile application (“App”) into their respective authorized bank or other accounts, as directed by the customer. Petitioner will provide this service for a fee) fall within Florida’s money transmitting licensing statute Chapter

560, Florida Statutes. Petitioner contends that entities, like Petitioner, that intend to perform the limited services outlined must only apply for and secure a license as a “money transmitter” under Part II of Chapter 560, Florida Statutes. Petitioner maintains, based upon the business model described, Petitioner is not required to obtain licensure as a “check casher” subject to the additional requirements of Part III of Chapter 560 and, as such, Petitioner seeks a declaration from OFR that additional licensure as a “check casher” is not required at this time. The Office issued a Final Order on May 11, 2016. The Office determined that Petitioner is required to obtain licensure as a “money transmitter,” under Part II, Chapter 560, Florida Statutes, in order to utilize its App, as described in the Petition; and that Petitioner is not required to obtain licensure as a “check casher,” under Part III, Chapter 560, Florida Statutes, in order to utilize its App, as described in the Petition.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Agency Clerk, Office of Financial Regulation, P.O. Box 8050, Tallahassee, Florida 32314-8050, (850)410-9643, Agency.Clerk@flofr.com or online at <https://real.flofr.com/ConsumerServices/SearchLegalDocuments/LDSearch.aspx#/searchLegalDocuments>.
