DEPARTMENT OF CHILDREN AND FAMILIES

Family Safety and Preservation Program

RULE NO.: RULE TITLE:
 65C-29.003 Child Protective Investigations

PURPOSE AND EFFECT: The Department intends to amend Rule 65C-29.003, F.A.C, Child Protective Investigations, to add a provision regarding requesting out-of-state local criminal background checks and clarify when second tier consultations are required.

SUMMARY: The amendments will state that if a family has lived in another state within the past five years, the investigator must determine whether to contact law enforcement agencies in the other state to request local criminal history information that is necessary for assessment purposes. Additionally, second tier consultations will no longer be required (1) When an impending danger safety plan is initiated and a dependency petition is not filed in court, and (2) When there are no identified danger threats in the home, but the child’s risk assessment score is high.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The Department used a checklist to conduct an economic analysis and determine if there is an adverse impact or regulatory costs associated with this rule that exceeds the criteria in section 120.541(2)(a), F.S. Based upon this analysis, the Department has determined that the proposed rule is not expected to require legislative ratification.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.
