For electronic attendance systems, the provider must backup records on a regular basis to safeguard against loss. The sign-in and sign-out forms will vary by provider but must contain the following information:

1. Provider’s name;
2. Child’s first and last name;
3. Time in and out;
4. Date; and,

Authorized signature, paper or electronic, includes provider designee for children who are transported via school to or from the provider site or a parent or person authorized by the parent as documented in writing and on file with the provider.

(e) For school readiness children who are transported to and/or from the provider site, attendance shall be documented in accordance with the applicable health and safety handbook for the provider type as specified in Rule 6M-4.620, F.A.C., paragraph 65C 22.001(6)(d). Reported changes must include supporting documentation. Discrepancies validated by the coalition will be corrected for reimbursement purposes.

(j) In order for a provider to be reimbursed for a child served by a coalition other than the coalition where the provider is located, the provider must have executed a Statewide School Readiness Provider Contract with the
coalition of the child’s residence prior to enrollment and reimbursement. (b) A school readiness provider must certify the monthly attendance of a child enrolled in the provider’s school readiness program. A school readiness provider may certify monthly attendance by electronic means approved by the early learning coalition.

(d) If a child arrives at a school readiness provider’s site but the provider or school refuses the child’s attendance, the provider or school must record the instructional day as a non-reimbursable absence. However, the provider may be reimbursed as a reimbursable absence in the case the child is ill as documented by the parent or provider and in accordance with paragraph four (4) of this rule.

For school-aged children authorized full time care during the summer, a provider shall be reimbursed at the full time rate for coalition approved holidays.

NOTICE OF INTENT TO GRANT A CERTIFICATE OF EXEMPTION FROM THE PEANUT MARKETING ORDER  
The Florida Department of Agriculture and Consumer Services gives notice of its intent to grant a Certificate of Exemption from the Peanut Marketing Order pursuant to Section 573.1201, Florida Statutes, to the following petitioner:

Jennings, FL 32053  
The above petitioner applied for a Certificate of Exemption from the Peanut Marketing Order pursuant to Section 573.1201, Florida Statutes, for the 2016 peanut harvest season, and alleged funds from the marketing order had been used in a manner detrimental to its interest as a Florida peanut grower.
