DEPARTMENT OF LAW ENFORCEMENT  
 Criminal Justice Standards and Training Commission  
 RULE NO.:   RULE TITLE:

11B-27.00225   Controlled Substance Testing Procedures  
 NOTICE IS HEREBY GIVEN that on April 21, 2017, the Criminal Justice Standards and Training Commission of the Florida Department of Law Enforcement, received a petition for a permanent waiver of Rule 11B-27.00225, F.A.C., from Sergeant Richard Warner of the St. Augustine Police Department. Petitioner wishes to permanently waive that portion of the Rule that states: (1) The employing agency is required to conduct a background investigation upon each applicant for certification, or employment or appointment, which shall include the analysis of a urine sample furnished by the applicant for the presence of controlled substances or metabolites, which shall be consistent with the procedures for drug testing pursuant to Section 112.0455, F.S. and Rule Chapter 59A-24, F.A.C., which have been adopted by the Agency for Health Care Administration. A new urine sample shall be submitted for analysis following any break-in-service. (2) The employing agency shall verify the following requirements for the collection and analysis of urine samples: (a) The procedures for collection sites and specimen collection complies with the requirements of Rule 59A-24.005, F.A.C. (b) Each applicant gave written consent prior to giving the sample for collection, analysis for evidence of controlled substances, and disclosure of the analysis results to the employing agency and to the Commission. (c) The procedures for analyzing and reporting the urine sample were consistent with Rule 59A-24.006, F.A.C. (d) The laboratory performing the analysis did analyze the urine sample for the presence of the following seven substances: 1. Amphetamines (amphetamine and methamphetamine). 2. Cannabis or Cannabinoids. 3. Cocaine or Cocaine Metabolite. 4. Phencyclidine. 5. Opiates (codeine and morphine). 6. Barbiturates. 7. Benzodiazepines. Petitioner alleges that prior to his employment as a law enforcement officer, Petitioner submitted to a pre-employment drug screen, which came back negative; however, the laboratory did not indicate for which drugs it had screened, so it is unknown whether the lab conducted the requisite seven- panel drug screen. In justification of his petition for waiver, Petitioner asserts that he has been a full-time law enforcement officer since 1997, that he underwent and passed pre-employment background checks, that he has not been disciplined since his employment in 1997, and that he has been subject to random drug testing. Additionally, Petitioner asserts that he passed a

seven-panel drug screen on March 17, 2017. Petitioner alleges that, should the waiver not be granted, Petitioner will suffer a substantial hardship as he could lose his certification for not technically completing the pre-certification background check. A copy of the Petition for Variance or Waiver may be obtained by contacting: Tina Culbertson, Florida Department of Law Enforcement, Criminal Justice Professionalism Division, P.O. RULE NO.: RULE TITLE:

11B-27.002 Certification, Employment or Appointment, Reactivation, and Terminating Employment or Appointment of Officers

NOTICE IS HEREBY GIVEN that on April 24, 2017, the Criminal Justice Standards and Training Commission of the Florida Department of Law Enforcement received a petition for a permanent waiver of subsection 11B-27.002(4), F.A.C., from

Louis Mallory II. Petitioner wishes to permanently waive that portion of the Rule that states: (a) Within 4 years of the beginning date of a Commission-approved Basic Recruit Training Program, an individual shall successfully complete the program, achieve a passing score on the applicable State Officer Certification Examination, and gain employment, and certification as an officer. (b) An individual who fails to comply with the requirements in paragraph (4)(a) of this rule section for the discipline in which the training was completed, within four years of the date of beginning such training, shall as a condition for obtaining employment comply with the following: 1. Successfully complete a Commission-approved Basic Recruit Training Program pursuant to Rule 11B-35.002, F.A.C., or qualify for an exemption from a Commission-approved Basic Recruit Training Program, pursuant to Section 943.131(2), F.S., to include demonstration of proficiency in the High-Liability Basic Recruit Training Courses pursuant to Rule 11B-35.0024, F.A.C.; and 2. Achieve a passing score on the State Officer Certification Examination. In justification of his petition for waiver, Petitioner asserts that he completed a commission-approved Basic Recruit Training Course between February 6 and October 28, 2013, and that he subsequently passed the State Officer Certification Examination in January of 2014. Due to a family health crisis, Petitioner did not seek employment as a law enforcement officer until February 1, 2017, when he applied for employment with the Baker County Sheriff's Office. Petitioner asserts that Baker County subsequently completed his background check and still wishes to employ him, despite the passing of his four-year employment period. Petitioner alleges that, should the waiver not be granted, Petitioner will suffer a substantial hardship as he would be unable to serve as a certified law enforcement officer until he completes another basic recruit training academy and passes another State Officer Certification Examination.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Tina Culbertson, Florida Department of Law Enforcement, Criminal Justice Professionalism Division, P.O. Box 1489, Tallahassee, FL 32302 or by Telephone at (850)410-8647.
