A copy of the Plan, as revised, may be obtained by writing to the Office of the Deputy Secretary for Medicaid, Agency for Health Care Administration, 2727 Mahan Drive, Mail Stop #8, Tallahassee, Florida 32308. The Plan incorporates Provider Reimbursement Manual (CMS Pub. 15-1). The Plan is applicable to all providers of Florida Medicaid nursing facility services who are enrolled in or registered with the Florida Medicaid program.

(2) Participating nursing homes shall use the Nursing Facility Quality Assessment form (only accepted electronically), AHCA Form 5000-3549, Revised October 2013, incorporated by reference, for the submission of its monthly quality assessment. This form can be accessed at http://ahca.myflorida.com/QAF/index.shtml.

(3) Each facility shall report monthly to the Agency for Health Care Administration (AHCA) its total number of resident days and remit an amount equal to the assessment rate times the reported number of days. Facilities are required to submit their full quality assessment payment no later than 20 days from the next succeeding calendar month.
(4) Providers are subject to the following monetary fines pursuant to §409.9082(7), F.S., for failure to timely pay a quality assessment:

(a) For a facility’s first offense, a fine of $500 per day shall be imposed until the quality assessment is paid in full, but in no event shall the fine exceed the amount of the quality assessment.

(b) For any offense subsequent to a first offense, a fine of $1,000 per day shall be imposed until the quality assessment is paid in full, but in no event shall the fine exceed the amount of the quality assessment. A subsequent offense is defined as any offense within a period of five years preceding the most recent quality assessment due date.

(c) An offense is defined as one month’s quality assessment payment not received by the 20th day of the next succeeding calendar month.

(d) In the event that a provider fails to report their total number of resident days as defined in §409.9082(1)(c), F.S., by the 20th day of the next succeeding calendar month, the fines in paragraphs (a)-(c) apply and the maximum amount of the fines shall be equal to their last submitted quality assessment amount but in no event shall the total fine exceed the amount of the quality assessment.

(5) In addition to the aforementioned fines, providers are also subject to the non-monetary remedies enumerated in §409.9082(7), F.S. Imposition of the non-monetary remedies by AHCA will be as follows:

(a) For a third subsequent offense, AHCA will withhold any medical assistance reimbursement payments until the assessment is recovered.

(b) For a fourth or greater subsequent offense, AHCA will seek suspension or revocation of the facility’s license.

(6) Sanctions for failure to timely submit a quality assessment are non-allowable costs for reimbursement purposes and shall not be included in the provider’s Medicaid per diem rate.

(7) The facility may amend any previously submitted quality assessment data, but in no event may an amendment occur more than twelve months after the due date of the assessment. The deadline for submitting an amended assessment shall not relieve the facility from their obligation to pay any amount previously underpaid and shall not waive AHCA’s right to recoup any underpaid assessments.
