Petitions and Dispositions Regarding Rule

**DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION**

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-1.004 General Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On April 20, 2017 the Division of Hotels and Restaurants received a Petition for an Emergency Variance for paragraph 61C-1.004(1)(a), Florida Administrative Code, and Paragraph 5-202.11(A), 2009 FDA Food Code from Boomerang Pizza Kitchen located in Milton. The above referenced F.A.C. addresses the requirement that each establishment have an approved plumbing system installed to transport potable water and wastewater. They are requesting to utilize holding tanks to provide potable water and to collect wastewater at the handwash sink and the three compartment sink.

The Petition for this variance was published in Vol. 43, No. 78, F.A.R., on April 21, 2017. The Order for this Petition was signed and approved on April 27, 2017. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship for the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the purpose of the underlying statute has been achieved by the Petitioner ensuring the wastewater holding tank for the handwash sink and the three compartment sink is emptied at a frequency as to not create a sanitary nuisance; and potable water provided must come from an approved source and be protected from contamination during handling. The Petitioner shall also ensure that the handwash sink and the three compartment sink is provided with hot and cold running water under pressure, and that the handwash sink is provided with

soap, an approved hand drying device and a handwashing sign.

A copy of the Order or additional information may be obtained by contacting: Daisy.Aleman@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011.

Emergency Action

On April 28, 2017, the State Surgeon General issued an Emergency Restriction Order with regard to the license of Brent Stuckey, L.M.T., License # MA 22274. This Emergency Restriction Order was predicated upon the State Surgeon General’s findings of an immediate and serious danger to the public health, safety and welfare pursuant to Sections 456.073(8) and 120.60(6) Florida Statutes (2016). The State Surgeon General determined that this summary procedure was fair under the circumstances, in that there was no other method available to adequately protect the public.
