RULE NO.: 68B-14.0035
RULE TITLE: Size Limits: Amberjacks, Black Sea Bass, Gray Triggerfish, Grouper, Hogfish, Red Porgy, Snapper

PURPOSE AND EFFECT: At its September 2016 meeting, the Commission approved proposed rules for gray triggerfish to decrease the Atlantic recreational and commercial minimum size limits, as well as the statewide importation and sale minimum size limit, from 14 inches to 12 inches fork length, and to establish a 10-fish recreational bag limit in Atlantic state waters.

The proposed rule amendment would clarify that the recreational and commercial minimum size limit approved by the Commission for Atlantic gray triggerfish is measured by fork length. The effect of the proposed rule would be to provide additional guidance to harvesters on the how the 12-inch size limit is measured.

SUMMARY: This proposed rule would clarify that the recreational and commercial minimum size limit for the gray triggerfish in Atlantic state waters is measured by 12 inches fork length.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described

Section III Notice of Changes, Corrections and Withdrawals

AGENCY FOR HEALTH CARE ADMINISTRATION

Medicaid

RULE NO.: RULE TITLE:
 59G-8.600 Disenrollment from Managed Care Plans
 NOTICE OF CHANGE

Notice is hereby given that the following changes have been made to the proposed rule in accordance with subparagraph 120.54(3)(d)1., F.S., published in Vol. 44 No. 174, September 6, 2018 issue of the Florida Administrative Register.

59G-8.600 Disenrollment from Managed Care Plans.

(1) Purpose. A Florida Medicaid recipient (herein referred to as an enrollee) who is required to enroll in the Statewide Medicaid Managed Care (SMMC) Managed Medical Assistance (MMA) or Long-term Care (LTC) program, may request to change managed care plans. Requests must be submitted via telephone or in writing to the Agency for Health Care Administration (AHCA) or its enrollment broker. Enrollees required to enroll in SMMC programs should not interpret this rule as an exemption from participation in Florida Medicaid's SMMC program. This rule applies to the process and reasons that SMMC managed care plan enrollees may change plans.

(2) Requests for disenrollment must be completed in accordance with sections 409.969(2)(a), ~~and (b), and (d)~~, Florida Statutes (F.S.) and Title 42, Code of Federal Regulations (CFR), section 438.56 (42 CFR 438.56).

(3) Good Cause Reasons.

(a) The following reasons per 42 CFR 438.56(d)(2) and section 409.969(2), F.S., constitute good cause for disenrollment from a managed care plan:

1. The enrollee is receiving a medically necessary, active and continuing course of treatment from a provider that is not in the managed care plan's network, but is in the network of the managed care plan requested by the enrollee.

~~2.~~ The managed care plan does not cover the service the enrollee seeks because of moral or religious objections.

~~3.~~ The enrollee would have to change his or her residential or institutional provider based on the provider's change in status from an in-network to an out-of-network provider with the LTC managed care plan, ~~and the provider is in the network of the managed care plan requested by the enrollee.~~

4. Fraudulent enrollment.

(b) The following reasons, per 42 CFR 438.56(d)(2) and section 409.969(2), F.S., as confirmed by AHCA,

constitute good cause for disenrollment from a managed care plan when the enrollee first seeks resolution through the managed care plan's grievance process in accordance with 42 CFR 438.56(d)(5), except when immediate risk of permanent damage to the enrollee's health is alleged.

1. The enrollee needs related services to be performed concurrently, but not all related services are available within the managed care plan's network, and the enrollee's primary care provider or another provider has determined that receiving the services separately would subject the enrollee to unnecessary risk, ~~and the services can be performed concurrently by a provider in the network of the managed care plan requested by the enrollee.~~

2. No change.

3. Lack of access to services covered under the managed care plan's contract with AHCA, including lack of access to medically-necessary specialty services, ~~and access to the services is available through a provider in the network of the managed care plan requested by the enrollee.~~

4. There is a lack of access to managed care plan providers experienced in dealing with the enrollee's health care needs, ~~and experienced providers are available in the network of the managed care plan requested by the enrollee.~~

5. The enrollee experienced an unreasonable delay or denial of service pursuant to section 409.969(2), F.S.

(4) No change.
