(1) through (4) No change.

(5)(a) iBudget Waiver providers must have applied through the Agency for Persons with Disabilities to ensure that they meet the minimum qualifications to provide iBudget Waiver services. iBudget Waiver providers must also be enrolled as a Medicaid provider through the Agency or Healthcare Administration. However providers do not have to provide Medicaid State Plan services in order to provide waiver services. To enroll as a provider for iBudget Waiver Services,

the provider must first submit an application to the Agency or Persons with Disabilities using the Regional iBudget Provider Enrollment Application – Waiver Support Coordinator (WSC) – APD 2015-02, effective date 7-1-2015, for waiver support coordinator applications, which is available at <http://www.flrules.org/Gateway/reference.asp?No=Ref-07073>, or the Regional iBudget Provider Enrollment Application – Non-WSC – APD 2015-03, effective date 7-1-2015, for all other provider applications, which is available at <http://www.flrules.org/Gateway/reference.asp?No=Ref-07074>. These forms are hereby incorporated by reference. On the application providers must identify the counties where they intend to provide services. The Agency for Persons with Disabilities will review the application, request missing documentation, and issue a decision about whether the provider meets the qualifications to provide services. The Agency for Persons with Disabilities may close the application if missing information is not provided within 45 calendar days of the request by the Agency. The qualifications to provide services are identified in the Handbook.

(b) If a waiver provider wishes to, expand by providing additional services, expand services geographically, or expand from solo to agency, the provider must notify the Agency regional office by submitting an Provider Expansion Request form – APD 2015-04, effective date 8-20-2013, which is hereby incorporated by reference and is available at <http://www.flrules.org/Gateway/reference.asp?No=Ref-07076>. The Agency regional office must approve any expansion prior to the provision of expanded services. Before the Agency regional office approves a provider for expansion, the Agency regional office must determine that the provider meets the provider qualifications and has:

1. An 85% or higher on their last Quality Assurance Organization (QIO) report. If a provider does not have a history of a QIO review, this does not prevent consideration for expansion,
2. No identified alerts (i.e., background screening, medication administration, and validation),
3. No unresolved billing discrepancies or plan of remediation,
4. No adverse performance history relating to the health and safety of individuals served; and,
5. No open investigations or referrals to the Agency for Health Care Administration (AHCA) and the Department of Children and Families (DCF).

Agency staff shall check with the provider’s home regional office to determine whether there is a history of complaints filed

and logged on the remediation tracker, any open investigations or referrals to AHCA’s Medicaid Program Integrity (MPI) or the Attorney General’s Medicaid Fraud Control Unit (MFCU), or DCF. The Agency shall make the determination required under this paragraph in not more than 90 days.

RULE NO.: RULE TITLE:
 61N-2.018 Application for Restricted Prescription Drug Distributor – Blood Establishment Permit
 NOTICE OF CHANGE

Notice is hereby given that the following changes have been made to the proposed rule in accordance with subparagraph 120.54(3)(d)1., F.S., published in Vol. 43 No. 244, December 20, 2017 issue of the Florida Administrative Register.

Summaries of Substantive Changes to Form DBPR-DDC-234 and Rule 61N-2.018 are as follows:

Form DBPR-DDC-234:

The department has revised the form to reflect December 2017, as the effective date to correspond with the established effective date set forth in proposed rule 61N-2.018, F.A.C.

On page 1, pursuant to subparagraph 499.041(4), F.S., “the department shall assess an applicant that is required to have a restricted prescription drug distributor permit an annual fee of not less than \$200 or more than \$300”. Further, pursuant to subparagraph 499.012(5)(a), F.S., “the department shall adopt rules for the biennial renewal of permits; Fees for such renewal may exceed the fees caps set forth in s. 499.041 on an annualized basis as authorized by law”. Therefore, the department has added the word “biennial” between “nonrefundable” and “fee” in the Application Requirements section of the form to denote that the fee is a biennial fee as authorized pursuant to subparagraphs 499.041(4) and 4989.012(5)(a), F.S.

On page 1, the form provided reference to subparagraph “499.012(4)(a)f.” regarding use of social security numbers in the “Please Note” section of the form. The reference citation was incomplete and has been amended to reflect the complete citation of subparagraph 499.012(4)(a)5.f, Florida Statutes.

On page 1, the department provided citation to subparagraph 499.63(2), Florida Statutes, as authority for the agency’s use of social security numbers. This provision is applicable only to ether establishments regulated pursuant to Part II of Chapter 499, F.S., and is not applicable to Restricted Prescription Drug Distributors regulated pursuant to Part I of Chapter 499, F.S. Therefore, the department has removed the citation to subparagraph 499.63(2), Florida Statutes.

On page 7, the department has revised the form to amend the explanatory parenthetical in question number one. of the “Background Questions” section to reflect “defined above” instead of “defined below”.

61N-2.018 Application for Restricted Prescription Drug Distributor – Blood Establishment Permit:

A Restricted Prescription Drug Distributor – Blood Establishment Permit is required for any establishment located in this state that collects blood and blood components only from volunteer donors as defined in section 381.06014, Florida Statutes, or pursuant to an authorized practitioner’s order for medical treatment or therapy and engages in the wholesale distribution of a prescription drug not described in section 499.003(48)(j), Florida Statutes, to a healthcare entity. An applicant wishing to obtain a Restricted Prescription Drug Distributor – Blood Establishment Permit as required under section 499.01(2)(h), Florida Statutes, shall submit a complete application to the department on Form DBPR-DDC-234, Application for Restricted Prescription Drug Distributor – Blood Establishment Permit, effective December 2017, incorporated herein by reference, <https://www.flrules.org/gateway/reference.asp?no=Ref-XXXXX>, together with the appropriate fees.
