 RULE NO.: RULE TITLE:
 61C-4.010 Sanitation and Safety Requirements
 The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice: On May 3, 2019 the Division of Hotels and Restaurants received a Petition for a Routine Variance for subsection 61C-4.010(7) Florida Administrative Code and subsection 61C-4.010(6), Florida Administrative Code from Chef Rose Jamaican Cuisine located in Sunrise. The above referenced F.A.C. addresses the requirement that at least one accessible bathroom be provided for use by customers. They are requesting to share the bathrooms located within a nearby establishment under a different ownership for use by customers only.

The Petition for this variance was published in Vol. 45/88 on May 6, 2019. The Order for this Petition was signed and approved on May 21, 2019. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the bathrooms located within Barber Shop Kinam (8306 W Oakland Park Blvd Sunrise, FL 33351), are maintained in a clean and sanitary manner and are provided with cold running water under pressure, soap, approved hand drying devices, and are available during all hours of operation. The Petitioner shall also ensure that directional signage is installed within or outside the establishment clearly stating the location of the bathrooms. If the ownership of Chef Rose Jamaican Cuisine (Keith Rose) and/or Barber Shop Kinam (Fran Claude) changes, an updated signed agreement for use of the bathroom facilities will be required immediately.

Electrical Contractors' Licensing Board

NOTICE IS HEREBY GIVEN that the Electrical Contractors' Licensing Board has issued an order disposing of the petition for declaratory statement filed by Joseph Kennett, Esq. on February 19, 2019. The following is a summary of the agency's disposition of the petition: The Notice of Petition for Declaratory Statement was published in Vol. 45, No. 45, on

March 6, 2019 in the Florida Administrative Register. The Petitioner sought the agency’s opinion as to whether a license is required to bury plastic roll duct HDPE conduit, never larger than 2 inches in diameter, which contains fiber optics or coaxial cable from a point just outside the right-of-way to a point just outside the home or private property. The Board considered the instant Petition at a duly-noticed public meeting held on January 25, 2019, in Fernandina Beach, Florida. The Board’s Order, filed on February 28, 2019, finds that the Board has jurisdiction over this matter pursuant to section 120.565, and Chapter 489, Part II, F.S. The Board finds that the Petition sets forth various scenarios which are inappropriate for determination by use of declaratory statement, therefore the Board declines to answer this Petition for Declaratory Statement.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Ruthanne Christie, Executive Director, Electrical Contractors’ Licensing Board, 2601 Blair Stone Road, Tallahassee, FL 32399-0751, (850)717-1395 or by electronic mail – Ruthanne.Christie@myfloridalicense.com.

Board of Nursing

NOTICE IS HEREBY GIVEN that the Board of Nursing has issued an order disposing of the petition for declaratory statement filed by Misty Barrere on November 15, 2018. The following is a summary of the agency’s disposition of the petition: The Notice of Petition for Declaratory Statement was published in Vol. 44, No. 232, on November 30, 2018 in the Florida Administrative Register. The Petitioner sought a Declaratory Statement from the Board with regard to whether it is within the scope of practice of a registered nurse (RN) as defined in subsection 464.003(20) F.S., to administer a low-dose ketamine to patients in a hospital for treatment of treatment resistant depression. The Board considered the instant Petition at a duly-noticed meeting on February 7, 2019 in Howey-in-the-Hills, Florida. The Board’s Order, filed on April 23, 2019, finds that ketamine by intravenous administration is not approved for the use in the treatment of treatment resistant depression and the safe administration of intravenous ketamine without direct supervision by a physician or practitioner qualified to provide emergency airway management including intubation and resuscitation is not within the scope of practice for Registered Nurses in Florida. Therefore, the Board finds that under the facts of the petition, it is not within the scope of practice of registered nursing to administer intravenous ketamine.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Joe R. Baker, Jr., Executive Director, Board of Nursing, 4052 Bald Cypress Way, Tallahassee, FL 32399, (850)245-4125 or by electronic mail – info@floridanursing.gov.
