THE PRELIMINARY TEXT OF THE PROPOSED RULE DEVELOPMENT IS:

1S-2.032 Uniform Design for Election Ballots.

(1) Purpose. This rule prescribes a uniform ballot design for primary and general elections for each type of certified voting system. ~~Prior to January 1, 2017, a supervisor of elections may comply with all standards to be set forth in this rule effective January 1, 2017, in lieu of complying with the existing standards in this rule, as amended on February 18, 2016, which will be effective until January 1, 2017.~~

(2) Definitions. For purposes of this rule:

(a) "Audio ballot" means an electronic voting device which audibly reads a ballot and permits the voter to select choices.

~~(b) "Coded text" means the text of a proposed constitutional amendment or revision that has underlined and stricken text to represent additions and deletions, respectively, within the amendment or revision.~~

~~(b)(c)~~ "Contest title" means the office title for a race on the ballot in which candidates are seeking an elected office, e.g., "Attorney General" or "County Commissioner, District 2." It also includes the title for a public measure on the ballot, e.g., "Constitutional Amendment," "County Referendum," or "City Referendum."

~~(c)(d)~~ "Font size" means the size of the printed characters on the ballot. Font size is measured in millimeters (mm) and points. A point equals 0.353mm.

~~(d)(e)~~ "General election" refers to a general election as defined in section 97.021, F.S.

~~(e)(f)~~ "Hybrid voting system" means an electronic or electromechanical device by which a voter ~~with disabilities~~ interacts with an electronic visual display to produce a paper output that contains the contest titles and the voter's selections, and may also contain, but not be limited to, a barcode or other machine-readable optical label containing the voter's selections. ~~A hybrid voting system may be designed to read the vote targets or selections or the machine readable optical label on the paper output.~~

~~(f)(g)~~ "Manual marking device" means a roller-ball pen, felt pen, or pencil which leaves an identifiable ink ~~or pencil~~ mark, ~~as applicable, when used,~~ on a paper ballot.

~~(g)(h)~~ "Paper ballot" means an election ballot made of paper to be tabulated by optical scan and for use by a voter to select choices on a vote target by using a manual marking device.

~~(h)(i)~~ "Primary election" refers to a primary election as defined in section 97.021, F.S.

~~(i)(j)~~ "Presidential Preference Primary" refers to a presidential preference primary election in section 103.101, F.S.

In a universal primary contest, all qualified electors may vote in the primary for that office, regardless of party affiliation.

(3) Ballot language.

(a) The official language for a ballot is English.

(b) Ballots shall be translated into Spanish and when other languages that are required by law or court order, into other languages. This rule does not prohibit a supervisor of elections from including one or more other languages as he or she determines is necessary to accommodate the respective electorate.

(c) Ballots may include more than one language, but When more than one language appears on the ballot, the English version of the ballot shall appear first on the ballot, followed by the required other language or languages.

(d) Subject to paragraph (c), ballots that include more than one language may have:

1. All languages appear entirely on one ballot-
2. English and one translated language (one of many applicable to the election) combined on a separate ballot, with English and another or other translated language(s) combined on separate ballot(s), or-
3. Each language appears on separate ballots, but only after compliance with section 101.151(8), F.S., if necessary.

(4) Ballot font, alignment, and columns.

(a) Font. The minimum and maximum font sizes for the different ballots are:

1. Paper ballots: The minimum font size is 10-point type (3.5mm), except the minimum font size for the ballot title is bold, 12-point type (4.2mm). The maximum font size for a paper ballot is 12-point type (4.2mm), except the maximum font size for the ballot title is bold, 14-point type (5 mm).

2. Visual display ballot: The minimum font size is 14-point type (5 mm) and the maximum font size is 24-point type (8.5 mm).

3. All fonts on a ballot shall be within the same sans-serif font family (a narrow version of the same font is considered within the same font family). Sans-serif font means a typeface that does not have small projecting features (serifs) at the end of characters. Recommended fonts are: Arial, Helvetica, Tahoma or Univers. All fonts shall be black. Colored text, however, may be used on the ballot to differentiate between precincts or ballot type (e.g., early voting, vote-by-mail ballot, or election day ballot); in the ballot footer to direct the voter to vote both sides of the ballot page as specified in paragraph (10)(g), below; and on a visual display ballot as specified in paragraph (11)(a), below.

4. Each category on a ballot shall have consistent font sizes; for example, if one candidate's name is in 10-point type, the names of all candidates on that ballot shall be in 10 point type.

5. Unless specified by this rule, the font shall not be in bold type.

The ballot summary or, when applicable for a proposed constitutional amendment or revision, the financial impact statement, shall be in upper and lower case font followed by the choices of Yes and No.

8. The appropriate three-letter party affiliation or no party affiliation (NPA) for candidates shall be in all capital letters.

(b) Alignment. Unless otherwise indicated herein, all type on a ballot shall be aligned to the left of the page or column, as applicable. The ballot title and the ballot instructions may be centered or aligned to the left on the page or column. If the instructions appear in the leftmost column, there shall be no individual races below the column.

(c) Columns.

1. A paper ballot page shall contain no more than four columns.

2. A visual display ballot shall contain no more than two columns.

3. All candidates for the same race shall appear on the same page and in the same column on a paper ballot or entirely on one screen page of the default setting for a visual display ballot, except as otherwise specified within this rule. A voter may magnify the default setting of a visual display ballot so that all candidates in the same race may not appear on one screen page.

4. No issue or public measure choices of Yes and No shall be split between columns or pages.

5. No judicial merit selection and retention question on the ballot shall appear in more than one column, span more than one column, or extend onto another side or page of the ballot. However, each separate retention question relating to the same or different category of judicial retention may be split.

(5) Ballot Title. The ballot title shall be printed single-spaced, flush left or centered across the top of the first page of a paper ballot and on the first ballot screen of a visual display ballot. The date of the election within the ballot title shall list the full name of the month, the numeric day, and full numeric year (for example, November 3, 2020 ~~8, 2016~~). The ballot title, in bold upper and lower case letters, shall be printed on the ballot for each election in no less than two and not more than four lines for each language in which the ballot is printed, for example:

(8) Contest instructions. Immediately below the contest title for public office, the ballot shall instruct the voter about his or her choices as follows:

(a) In contests for office in which the voter may make only one choice, including offices with paired or joint candidates, the instruction shall read: (Vote for 1) or it may be spelled out as (Vote for One).

(b) In contests for office in which the voter may make more than one choice, the instruction shall read: (Vote for up to [enter number to be elected]). The number may be written numerically or spelled out.

(c) When a primary election includes one or more Universal Primary Contests, the phrase, Universal Primary Contest, shall appear in bold beneath the office title of the Universal Primary Contest and before the contest instruction.

(9) Contest choices.

(a) Candidate names other than write-in candidates.

1. The list of names of nominees or candidates shall follow the instructions for contest choices as set forth in subsection (7).

2. Each nominee or candidate's name shall be displayed in the following order notwithstanding any other order or designation as indicated on the candidate oath per section 99.021, F.S.

b. Middle initial or middle name, and if applicable, a bona fide nickname by which the candidate or nominee is commonly or customarily known. If the oath includes both the first and last names and the nickname of a candidate, the nickname shall be enclosed in quotation marks (e.g., Garrett R. "Gator" Cane) on the ballot. If the candidate does not indicate on the oath that the

nickname should be included with the candidate's first name (e.g., Ted Davis printed on the oath for a candidate named Thomas Eugene Davis; or Dottie Smith printed on the oath for a candidate named Doris Smith), the nickname shall not be in quotation marks on the ballot (e.g., Ted Davis, not "Ted" Davis; or Dottie Smith, not "Dottie" Smith). A period shall immediately follow any designation of any middle initial(s).

c. Surname (last name).

d. Suffix such as Sr or Jr or II or sequential numbers. No comma shall be included in the name before any suffix and no period shall be included after a suffix; for example, the name on the ballot shall appear as John O. Doe Jr without further punctuation.

1. In a contest in which one or more write-in candidates have qualified, the phrase "Write-in" or "Write-in Candidate" shall appear directly after the end of the list of candidate names printed or displayed on the ballot for that contest. A blank line shall be placed after or immediately over Write-in or Write-in Candidate, and a corresponding vote target shall be associated with the blank line. In a contest with joint candidacies, no second write-in line is required.

2. In a contest in which multiple candidates may be selected and more than one write-in candidate has qualified, the phrase "Write-in" or "Write-in Candidate" shall be added and a blank line for each number of selections, or for each number of qualified write-in candidates, whichever is less, shall appear on the ballot. The write-in option shall be added directly below the list of candidate names printed on the ballot for that contest and a corresponding vote target shall be associated with each blank line with the word Write-in (or the words Write-in Candidate) immediately preceding the blank line or over it. For example, when a contest is "Vote for up to 2," and three write-in candidates have qualified, the contest would reflect the phrase "Write-in" or "Write-in Candidate(s)" and have two blank lines placed after or immediately over the word Write-in or words Write-in Candidate(s) with a corresponding vote target

associated with each blank line to ensure that voters could write in the names of two of the three qualified write-in candidates if they so choose.

(c) Party Affiliation.

1. In a general election, the appropriate three-letter abbreviation of a political party name or no party affiliation (NPA) in capital letters shall be included for each candidate or pair of candidates in a partisan contest. The party abbreviation shall appear on the same line to the right of the candidate's name or the first candidate's name of a paired or joint candidacy.

2. The party abbreviation placed on the ballot shall be the same abbreviation the Division of Elections assigns to the registered political party or as appears on the Division's official certification of candidates for the election. The party abbreviation shall not be enclosed in parentheses.

3. The party abbreviation shall not be included on primary election ballots, unless there is a Universal Primary Contest on one or more ballot styles in the county. In a Universal Primary Contest, the names of all candidates for all partisan offices, including candidates for the Universal Primary Contest, shall be displayed with an appropriate abbreviation of the party name.

(d) Incumbent designation. When the law permits the ballot to designate the incumbent on the ballot, the word incumbent shall appear in lower case letters to the right of the incumbent's name.

(e) Multiple contests under one contest title. When there are multiple contests under one contest title (e.g., judicial retention or party office (committeemen and committee women) contests), the contests shall be separated by a solid line across the column in which the contest appears.

(10) Paper ballots.

(a) Paper stock. Paper ballots shall be on applicable paper stock so they may be properly read by the optical scan voting equipment. The paper ballot's size shall be a minimum of 8 1/2" x 11" to a maximum of 8 1/2" x 22", not including optional ballot stubs that may be included on the ballot.

(c) Ballot layout.

1. Ballot stub. An optional ballot stub of a minimum length of one inch to a maximum length of three inches may be located at the top or bottom of the paper ballot with the bottom being the preferred location. The stub should have a control number that may be used for later reconciliation of ballots.

2. Barcode. A paper ballot may contain an optional barcode to identify:

a. The ballot, which barcode may be on the ballot, the ballot stub, or both. This barcode shall only identify the party, precinct, ballot style, page number, or type of ballot. The

barcode may not be used in any manner to identify the voter.

~~b. If the vote target is a broken arrow:~~

~~Instructions: To vote, connect the head and tail of the arrow pointing to your choice (insert picture of a completed arrow) next to your choice. Use (insert type(s) of appropriate marking device).~~

RULE NO.: RULE TITLE:
 64B3-1.006 Notices, Current Address of Licensees

PURPOSE AND EFFECT: The Board proposes the rule amendment to update the language to include the postal and electronic address of the department for licensees to provide their change of address.

SUMMARY: To update the language.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

In re: AMENDMENT TO THE CITY OF KEY WEST, FLORIDA,

LAND DEVELOPMENT REGULATIONS
ADOPTED BY CITY OF KEY WEST, FLORIDA,
ORDINANCE NO. 19-11

FINAL ORDER

APPROVING CITY OF KEY WEST ORDINANCE NO. 19-11

The Department of Economic Opportunity (“Department”) hereby issues its Final Order, pursuant to subsection 380.05(6), Florida Statutes, approving the requested changes to land development regulations (“LDRs”) adopted by the City of Key West, Florida (“City”) by Ordinance No. 19-11 (“Ordinance”).

FINDINGS OF FACT

1. The City is designated as an area of critical state concern by Rule 28-36.002, Florida Administrative Code.
2. The Ordinance was adopted by the City on May 7, 2019, and rendered to the Department on June 6, 2019.
3. The Ordinance amends Chapter 122, Division 10 of the City of Key West Code of Ordinances (“Code”) to apply existing affordable housing standards to redevelopment projects. The Ordinance also exempts affordable workforce housing, nursing homes, and assisted care living facilities from certain inclusionary housing requirements and creates a process

for the reduction, adjustment, or waiver of inclusionary housing requirements.

CONCLUSIONS OF LAW

4. Any LDR for the City may be amended by the City, but the amendment becomes effective only upon approval by the Department within 60 days after receipt. § 380.05(6), Fla. Stat.

5. “Land development regulations” include local zoning, subdivision, building, and other regulations controlling the development of land. § 380.031(8), Fla. Stat. The regulations amended by the Ordinance are land development regulations.

6. The Ordinance is consistent with the City’s Comprehensive Plan generally, as required by section 163.3177(1), Florida Statutes, and specifically, with Objective 3-1.1 and Policy 3-1.1.3.

7. LDRs enacted, amended, or rescinded within an area of critical state concern must be consistent and in compliance with the principles for guiding development for that area. See § 380.05(6), Fla. Stat. The Principles for Guiding Development for the City are set forth in Rule 28-36.003, Florida Administrative Code.

8. The Ordinance is consistent and in compliance with the Principles for Guiding Development for the City as a whole, and specifically furthers the following principles:

- (1)(a) Strengthen local government capabilities for managing land use and development.
- (1)(h) Protection of the public health, safety, welfare and economy of the City of Key West, and the maintenance of Key West as a unique Florida resource.

WHEREFORE, IT IS ORDERED that the Department finds that Ordinance No. 19-11 is consistent and in compliance with the City’s Comprehensive Plan and Principles for Guiding Development for the City and is hereby APPROVED.

This Final Order becomes effective 21 days after publication in the Florida Administrative Register unless a petition is timely filed as described in the Notice of Administrative Rights below. DONE AND ORDERED in Tallahassee, Florida.
