DEPARTMENT OF EDUCATION

University of Florida

Commissioning Consultant Services

The University of Florida Board of Trustees announces that Professional Services in the disciplines of engineering and architecture for Total Building Commissioning will be required for the project listed below:

Project: UF-632, Data Science & Information Technology, Gainesville, FL

The Data Science and Information Technology (DSIT) building is planned to be approximately 260,000 GSF, state of the art multidisciplinary facility that would be engaged in the engineering, healthcare and bioinformatics programs and will be on a prominent location in the heart of UF campus, both by location on campus and its high elevation. The architectural challenge for this building will be weaving the outward design to fit both within the fabric of campus and with the innovative research that the building will facilitate. Being such a large building, at the high point on campus, this will require the CM team to work closely with the design team, UF constituents, and other representatives. UF will challenge the all team members to programmatic objectives while keeping it on budget and meeting our sustainability goals.

The estimated construction budget is approximately \$97M. The project will be delivered using the Construction Manager At-Risk (CMaR) method. Both the Professionals and CM firms have been selected. Occupancy is in October 2022.

The contract for Commissioning services will consist of several phases, pre-construction, construction and post occupancy. The services will begin at or prior to completion of the schematic design and will include complete peer review of the design,

systems and envelope constructability reviews; completion and maintenance of the Owner’s Project Requirement (OPR); development of the commissioning plan and specification; construction phase pre-functional, functional, and performance testing for mechanical, electrical, building automation and building envelope systems.

Gold LEED (Leadership in Energy and Environmental Design) accreditation by the US Green Building Council is required, but the applicant shall support the project efforts and the possibility of achieving a higher level of certification. At the Owner’s discretion, UF may elect a nationally recognized sustainability rating system other than LEED.

Blanket professional liability insurance will be required for this project in the amount of \$2,000,000. The selected applicant will also be required to provide insurance coverage for General Liability, Automotive Liability, and Workers’ Compensation.

INSTRUCTIONS:

Firms desiring to apply for consideration shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet for Commissioning Consultants, and other background information. The proposal shall be limited to 25 consecutively-numbered pages and shall include:

1. A Letter of Application that concisely illustrates the applicant’s understanding of the scope of services.
2. A completed, project-specific Commissioning proposal form with signed certification. Applications on any other form will not be considered.
3. Resumes, LEED accreditation, and other pertinent credentials for all proposed staff (applicant and consultants).
4. Proof of the applicant’s corporate status in Florida (if applicable) and copies of current licenses for the applicant firm and its consultants (firms) from the appropriate governing board.
5. Proof of the applicant’s ability to be insured for the level of professional liability coverage demanded for this project.

At the time of application, the applicant must possess current design Professional Registration Certificate(s) from the appropriate governing board; must be properly registered to practice its profession in the State of Florida; and, if the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida. As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected applicant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Incomplete proposals will be disqualified. Submittal materials will not be returned.

The Commissioning Services Proposal Form and Instructions, Project Fact Sheet, UF Design Services Guide, UF Design & Construction Standards, PD&C non-technical specifications, standard University of Florida Owner-Commissioning Consultant agreement, and other project and process information can be found on the Planning Design & Construction website. Finalists may be provided with supplemental interview requirements and criteria as needed. Provide one (1) copy as prescribed in the Project Fact Sheet. Submittals must be received in the Planning Design & Construction office by 3:00 p.m. local time, on Tuesday, September 10, 2019. Facsimile (FAX) submittals are not acceptable and will not be considered. University of Florida, Planning Design & Construction, Telephone: (352)273-4000, Internet: www.facilities.ufl.edu.

DEPARTMENT OF MILITARY AFFAIRS
 218045 AASF #1 Erosion Remediation, Jacksonville, FL
 STATE OF FLORIDA, DEPARTMENT OF MILITARY AFFAIRS
 PUBLIC ANNOUNCEMENT
 INVITATION TO BID

Issuing Agency: Department of Military Affairs
 Project Number and Name: 218045 AASF #1 Erosion Remediation

Project Location: Cecil Field, Jacksonville, FL

General Statement of Work: The work generally consists of exterior site work that will accommodate an existing aircraft hangar of approximately 88,827sf. The existing downspouts of the hangar are to be connected to an underground piped system using a "boot" at the base of the downspout and "we" connections to underground PVC conveyance pipes. A new 12" pipe is to be introduced from the downstream, most downspouts use, to the storm water inlet. A drain basin is also to be provided at the upstream end of the pipe that connects to the storm water inlet. Also included within this Scope of Work are repairs to the existing storm water inlets by replacing the ones that have been damaged, cleaning out the inlets and vault on the east side of the building, repairs to the existing storm water pipe by replacing any cracked sections, if possible repairs to any existing joint seals without replacing the concrete pipes on either side of the joints, re-grading the site as necessary to sheet flow the grassed area in the vicinity of the storm water system to the inlet, sod all disturbed areas to quickly stabilize the re-graded areas and the area around the new inlets, and install filter fabric under the grates of the new inlets to prevent soil from entering the storm water system during construction. This project will also include providing a new 4" potable water line to service Building 860 and Building 872 using existing lateral service lines into the buildings and providing a stub and gate valve for future use at Building 179.

Estimated Construction Cost (range): \$300,000 - \$375,000

Bids may be considered non-responsive if bidder has not completed the prequalification process.

For contractors, businesses and trades that are regulated by licensing, bidder must be licensed in the State of Florida.

Bid Documents for FSU Student Union Replacement (FS-263) are scheduled to be made available electronically on 09/06/2019. Interested bidders will receive an invitation to join Ajax’s Procure Project Management System where they may obtain the Bid Documents (drawings, specifications, bid packages, addenda and other bid documents).

No bids may be withdrawn after the scheduled closing time for receipt of bids for a period of sixty (60) days.

Proposals shall be sealed and plainly marked, "Bid", with name of project, bid package number and description, name and address of bidder, time and date due.

If you are unable to physically submit your bid proposal in hard copy to Ajax, your bid proposal may be submitted via email to lthompson@ajaxbuilding.com prior to the bid closing date and time. If bid proposal is submitted via email, bidder shall scan the complete bid proposal submittal (including bid proposal form, bid proposal affidavit, bid security, and other documents as may be required) and email bid proposal submittal as one (1) electronic (PDF) document. Subject line of email shall be marked “Bid”, with name of project, bid package number and description. Ajax must receive the original hard copies of your complete bid proposal submittal (including bid proposal form, bid proposal affidavit, bid security, and other documents as may be required) in our office at 1080 Commerce Blvd., Midway, Florida 32343 no later than the close of business on the next business day after bids are due. Note: Zip files are not accepted by our email server. If submitting your bid via email, do not include any zip files in attachments. Ajax is not responsible for bids that are not received due to rejected emails or emails that have been designated as spam by the email server.

The Construction Manager reserves the right to reject any and all bids received and to waive any and all informalities or irregularities in regard thereto.

Bid Proposals Totaling \$40,000 or Greater

Each bid totaling \$40,000 or greater must be accompanied by a Bid Bond on the form enclosed in this Master Bid Package, certified check, or cashier's check in an amount no less than five percent (5%) of the total base bid amount as guarantee that the bidder will, if awarded the contract, enter into a written contract, satisfactory in form, containing a penalty clause and requiring workers' compensation and public liability insurance and approval of subcontractor by Ajax and shall be prepared to provide Payment and Performance Bonds on the forms enclosed in this Master Bid Package to Ajax in the full amount of the contract price within seven (7) days after acceptance.

Bid Proposals Totaling Less Than \$40,000

Bid security and bonding requirements do not apply to bid proposals and subcontract awards totaling less than \$40,000. At the discretion of Ajax, a shortened Subcontract Agreement form may be used for subcontract awards totaling less than \$40,000.
