The electronic health record uses computer hardware and software for the storage, retrieval, sharing and use of health care information and data. The electronic health record must provide audit trail information at the time of the request, including but not limited to facility name; facility identification type; facility

identification; facility state; requester first name; requester last name; requester role; requester identification type; requester identification; request date and time; request type; PDMP disclosure identification; patient last name; patient first name; and patient date of birth.

(d) "Eligible entity" means an organization or entity that operates, provides, or makes available an electronic health record system to a health care practitioner or a designee of the practitioner.

(2) An eligible entity may apply to the department to request and receive information directly from E-FORCSE® through an electronic health record system by completing an "Integration Request Form," DH8024-PDMP, effective 7/2018, incorporated by reference and available at <https://www.flrules.org/Gateway/reference.asp?No=Ref-XXXX> or http://www.floridahealth.gov/statistics-and-data/e-forcse/EHR_Integration/index.html, and submitting the form to the department.

(6) The department may suspend or revoke integration approval if an eligible entity or authorized user does not adhere to the department's terms and conditions, including security and privacy requirements. The department will immediately notify the approved entity or authorized user upon suspension or revocation of approval.

DEPARTMENT OF CORRECTIONS

RULE NOS.:RULE TITLES:

33-601.724 Visitor Attire

33-601.729 Denial or Termination of Visits

NOTICE IS HEREBY GIVEN that the Florida Department of Corrections has issued an order disposing of the petition for declaratory statement filed by Natalie Collier on June 11, 2019. The following is a summary of the agency's disposition of the petition: The Petition for Declaratory Statement is denied because the petition concerns conduct that has already occurred and because the petition seeks to determine the conduct of others rather than the conduct of the petitioner.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Shaveon Nelson, 501 S. Calhoun Street, Tallahassee, Florida 32399.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Florida Real Estate Commission

NOTICE IS HEREBY GIVEN that Florida Real Estate Commission has issued an order disposing of the petition for declaratory statement filed by Joy P. Ewertz, Esq., on June 10, 2019. The following is a summary of the agency's disposition of the petition:

The Notice of the Petition for Declaratory Statement was published in Volume 45, No. 111, of the June 24, 2019, issue of the Florida Administrative Register. Petitioner sought the Commission's opinion as to the applicability of Rules 61J2-3.018; 61J2-3.012; 61J2-3.020, F.A.C., and subparagraph 475.172(2)(b)1, F.S., regarding satisfaction of or exemptions to any Real Estate Broker pre-license education and testing requirements under the cited rules and statutes. The Board

reviewed the Petition at its meeting held on July 17, 2019. The Commission's Order, filed on August 9, 2019, granted the petition to issue a declaratory statement, and under the facts and circumstances outlined by the Petitioner in the Petition and attachments, the Commission answers the questions posed in the negative. That is, graduation from the Florida State University College of Law, admission to the Florida bar, and an active practice in the area of real estate do not meet the statutory criteria for eligibility for licensure as a Real Estate Broker.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Lori Crawford, Executive Director, Florida Real Estate Commission, 400 West Robinson Street, #N801, Orlando, FL 32801.

The following is a summary of the agency's disposition of the petition: The Notice of Petition for Declaratory Statement was published in Volume 45, No. 43, of the March 4, 2019, Florida Administrative Register. The Board reviewed the Petition as its meeting held on April 25 and 26, 2019, in Tampa, FL. The Board's Order, filed on June 27, 2019, found that the petition was not in substantial compliance with the provisions of Section 120.565, F.S., and Chapter 28-105, F.A.C. The Board also found that Petitioner inquired as to how the Statute relates to a group of persons, specifically, Florida licensed massage therapists.
